NANTUCKET
TOWN CLERK

Dear Ms. Holmes;

October 31, 2023

I, as a legally registered voter, am hereby making a formal complaint challenging Ms. Hillary C. Hedges Rayport's registration as a voter in the Town of Nantucket. Attached are readily available examples that Ms. Rayport does not reside full-time in Nantucket and does not therefore qualify to vote on Nantucket. It is therefore a violation of state law as described below where it specifies seasonal residents should not register to vote in their seasonal communities and could be actionable by legal authorities. Ms. Rayport has no ties to the community other than a seasonal home, and interfering in how this town operates. Illegally registering to vote to further her goals, should not be encouraged and remedial action should be taken immediately to rectify this situation.

Based upon the following substantial information, I am asking that her registration as a voter on Nantucket be revoked immediately by the Board of Registrars. Please let me know if there is further information you require and/or if I must attend a meeting of said Board. I am willing to take this matter forward to the appropriate authorities if no resolution has been made locally.

Thank you for your attention to this matter.

Sincerely,

LFW

Linda F. Williams

GENERAL STATEMENTS UNDER STATE LAWS AND EXPECTATIONS

"To review, in Massachusetts, a person can register to vote only where they "live", the place they consider to be their "home", and can have only one residence for voting purposes at a time. This is not just a subjective inquiry based upon a person's desire or interest to be registered in a particular town. Instead, the facts must demonstrate that their residence in the town is their home, in that they eat and sleep there, and, further, that the location is the center of their civic and social life. While the question of residency for voting purposes must be analyzed on a case-by-case basis, generally persons are not eligible to register to vote in a location where they own a second home that they occupy only part-time or seasonally. This is because the center of their life is located elsewhere, at the address at which they are licensed to drive, insure their cars, identify as their primary residence for their taxes or homestead exemption or residential exemptions, where their spouse or significant other is located and/or registered to vote, where their children go to school, where they serve on volunteer boards and committees, and the like. Unintended personal consequences may result from improper registration, including, but not limited to: voter fraud (G.L. c.56, §§5-8); mortgage fraud; ineligibility for "resident only" privileges like access to programs, parking and the like; ineligibility for minors to attend school in their existing district; and more."

People register to vote by affirming they are legal residents. The law outlines a process that allows any registered voter to file a complaint challenging legal residency of a voter with the Board of Registrars up to four days before Town Meeting (process outlined under Chapter 51, Section 48). The Board is required to hold a hearing and then decide if they're legally a voter. The burden of proof is on the complainant. The registered voter challenging the registration needs to provide evidence that shows that the person is not truly a resident. The Board of Registrars does have subpoena powers. It is my hope that the mere filing of the complaint publicizes and embarrasses newly or improperly registered voters.

The voting rights of the true residents of Nantucket are being diluted by people who are registering illegally. It has been reported that there are upwards of 400 people that are potentially in this category. Considering that there are at times barely 200 people at a second night of town meeting, this could be a real issue.

Splitting votes between households may also be illegal since both Ms. Rayport and her husband should be voting where the center of their home lives are as required by the state. Where they actually reside, not where they wish to reside, is what counts and established by fact not desire.

More info:

- In general, it is illegal for people who are only summer residents to register to vote in the Town. (Pp. 7-8, esp. Example 8, of the official state "Residence for Voting Purposes" booklet);
- Registering to vote is an important factor in determining legal residence for other purposes, like public school attendance, property tax exemptions, college financial aid, and parking rights. So there may be unanticipated consequences.
- Summer residents who know they are not eligible to register, and do so anyway, commit a crime that could send them to jail for up to 5 years. Same for anyone who encourages illegal registration. (Mass. General Laws chapter 56, section 8)
- Anyone who already registered illegally should immediately write to the Town Clerk to cancel their registration.
- And anyone illegally registered should not vote, including in the coming special town meeting, because illegal voting is an additional crime. (MGL chapter 56, section 26)
- A court will throw out illegal votes at a town meeting, and invalidate any decision based on them. (See McCavitt v. Registrars of Voters of Brockton, SJC 1982).

WANNACOMET WATER BILLS

Of note are the large gaps of little to no usage that would otherwise constitute “living” in the dwelling. Clearly in residence during the summer months of June/July/August as is typical of a summer seasonal residence, which terminates when school starts for her children in Boston in September. She has publicly stated that her children are in school in Boston and thus are domiciled there.

2020 – During Covid – lack of usage from 10/12/2020, except for holiday period and town meeting, 6/09/2021, in excess of the six months and a day minimum for residency.

2021 – From 10/07/2021 to 6/24/2022 there is virtually no appreciable water usage except for holidays and town meeting.

2022 – From about 10/22/2022 to 5/10/2023, the last date available for viewing, there was again no appreciable water usage except around Christmas Stroll.

There is a clear cyclical pattern of summer usage and then little consistent water usage for most of the year, indicating that there is no required residential use of the property to support a claim that Ms. Rayport is a “year-round” resident to in turn support a claim that she would qualify for registration as a voter under state laws.

ATHENEUM VIDEO INTERVIEW

At the beginning, and at other random times in the interview available on YouTube, Ms. Rayport clearly states that this is her family's seasonal home and lives in Boston.

MORTGAGES

When applying for a mortgage one must state if it is a second home or primary residence. The interest rates are different along with other requirements. Below are the three mortgages entered into by the Rayports since initial purchase of the property in 2005. Though the mortgages have been discharged, the purpose of these mortgages has clearly been for use as a "second home".

SELECT BOARD APPLICATION FOR A COMMITTEE APPOINTMENT

Ms. Rayport admitted on her official application before an elected board that she “also lives in Boston”. One cannot be domiciled in two places. Her family is in Boston, her children are in school in Boston, she is in school in Boston, her tax bills go to Boston, her mortgage states that the Nantucket house is the “second home”. There is substantial evidence that Ms. Rayport has registered to vote on Nantucket illegally.

REQUESTING APPOINTMENT TO: Town Council Study Committee

Reasons for Committee Interest

- Have you ever attended a meeting of the committee/board/commission?
- Why are you interested in this committee/board/commission?
- Are you prepared to commit to the meeting schedule of the committee/board/commission?

I have attended meetings and presented to the prior Government Study Committee. I expressed interest in joining that committee after a member resigned but learned it would be winding down, so I'm excited to have another opportunity to work on the very important topic of our form of government. I'm interested in this committee because I believe government should work for the people, and part of this is understanding and assessing government systems. It seems now is the time to focus on whether our form of government is the best one of the available options, to meet the needs of the people.
Yes, I'm prepared to commit to the meeting schedule of the group.

Relevant Experience

- What experience, skills or insight would you bring to the committee/board/commission?
- What would you hope to accomplish on the committee/board/commission?

I have spent a great deal of time understanding our current government system including how our Town and Region interact with the state. I've demonstrated through past volunteer efforts a high capacity for study and analysis as well as presenting information to groups. I believe in open minded exchange of ideas, listening, and building respect and consensus while focusing in on topics that are actionable and important. I'm skilled at writing briefs and creating power point presentations. I think all of these qualities in addition to my work ethic will be valuable for the group. Finally, I'm a Nantucket voter but I also live in Boston where I have relationships with other government officials and academic institutions. I believe my on and off island perspective fosters independent thinking and is a benefit.
