		Nelson Eldridge		2024
		Rob Ranney		2024
		Rick Atherton		2025
		Phil Smith		2026

Proposed Sconset Bluff Walk Replacement Sign

For many months we have concentrated on the bluff walk, highlighted in every travel magazine. With over 600 people a day walking its abbreviated length due to coastal erosion, it has surpassed its original intent of a quiet, peaceful scenic path. Recognizing the fine balance between the public's legal right to access and the private homeowners right to privacy, we have worked with the Roads and Right of Way Committee and the HDC Sign Advisory Committee to change the signage to reflect updated times to walk the path, rules of civility for the path and importantly the history and geology of the area. Our summer safety officers will periodically visit access points. Let's do our best to set an example as good neighbors as we walk the path.

SPREAD THE WORD

To your friends, family and guests to be mindful of the rules!
Please act responsibly for preserving this treasure

Path open 7:30am to Sunset

Keep your voices low

Turn off or mute your cellphones

No running or wheeled vehicles allowed. (including bikes & strollers)

Dogs must be on a leash, please pick up any of their leavings

Stay on the path and leave only at these six designated exit markers

Watch out for poison ivy and ticks

The path is uneven and narrow in places, proceed at your own risk

Roads & ROW Ongoing Projects List

Public Way Monument Project: *(Lee & Allen & Snookie)*

Update file of existing monuments

- In progress as of 7/25/2023

Install remaining monuments at Sconset Footpath, Hulbert Ave., and other locations

- Need scheduling with DPW as of 7/25/2023

Land Bank to install monuments at Westchester St. Ext. & Crooked Lane

- Land Bank to install monuments when they complete their access project as of 7/25/2023

Public Way Access Maintenance

- DPW work orders have been issued for the maintenance of the public path between 51 and 55 Nobadeer Ave, including brush cutting, and also to restore access to the public access path at 18 Nobadeer Avenue. Need assistance in determining the exact location of the Hawthorne Street beach public access to avoid any encroachment on private property. as of 7/25/2023
- Reestablish access at 18 Nobadeer Avenue
 - To be completed during homeowner construction project as of 7/25/2023

Sidewalk Projects: *(Lee & Allen)*

Wauwinet Road Sidepath

- This project is being managed by FHWA's Eastern Federal Lands-Highway Division. An agreement with the Town describes the survey and preliminary design process on-going from April 2023 to May 2024. This will identify resources that may be impacted and the design options to minimize impacts. Staff has met with the homeowner groups for Pocomo and Polpis to discuss the status and potential elements of the project that could be funding with private donations. as of 7/25/2023

Tom Nevers Sidepath

- This project is being reviewed by the Bicycle and Pedestrian Advisory Committee (BPAC). BPAC is reviewing options at the head of the path at the intersection with Milestone Road, which includes a rest area and design features that inform users of the history of Tom Nevers. Other design options include a boardwalk option on Land Bank property, options for crossing Old Tom Nevers Road, and alignment options for the end of the path to the fields that minimize right-of-way impacts. as of 7/25/2023

Cliff Road Coffin Park to bike path at Sherburne Turnpike

- Request sent to Selectboard to add to future sidewalk list. as of 7/25/2023

Pleasant St. Gardner Perry Lane to Williams St.

- This segment of the larger project for Complete Street improvements along Pleasant Street is being reviewed with the Williams Lane sidewalk by BPAC. The Committee is reviewing options for both bicycle and pedestrian accommodations. A one-way traffic flow option would be an optimal accommodation for bicyclists with a sidepath while retaining a two-way option would only accommodate pedestrians with a five foot sidewalk. Options for Pleasant Street and Williams Lane are being reviewed with associated benefits and impacts to right-of-way, traffic flow, and safety for all users. as of 7/25/2023

Lovers Lane Bike path/ road reconstruction

This project is being managed by Town Administration and DPW. Staff meets each week with the engineer, GPI, to discuss steps to advance the design from preliminary to final design now that funding for permitting and construction has been approved. as of 7/25/2023

Follow implementation of downtown sidewalk improvements

- DPW set to resume work on the center street sidewalk between Quince and Gay Street this fall. as of 7/25/2023
- DPW will proceed with the renovation of the sidewalk between Center Street and India Street on the odd-numbered side of the center focus on repairing the sidewalk on S. Water St., between Main Street and Cambridge Street on the even-numbered side. The remainder of S. Water St. on the even-numbered side was already addressed last fall.

Bike/Pedestrian connection from Surfside to Hummock Pond to Madaket paths

- Land takings completed – needs Town Meeting funding as of 7/25/2023

Prospect Street sidewalk from Milk Street to Madaket bike path

- Unfeasible to complete past Quaker Cemetery footprint. Need to develop alternative route, possible down Vestal St to Wynn Street to Madaket Road. as of 7/25/2023

Chapter 91 Monitor Project: (*Lee, Rick, Phil*)

GIS department head Nathan Porter making available online (Phil Smith reviewing) as of 7/25/2023

Chapter 91 Licenses

- Requested ConCom to copy RROW on any received applications or notices as of 7/25/2023
- Nantucket and Madaket Harbors Action Plan Update Committee Identify licenses along route for the Harbor Walk
 - Committee conducting public survey (Phil Smith reviewing) as of 7/25/2023

Nantucket Greenway and Trail System Project: (*Allen, Lee*)

Nantucket Central Railroad trail map of existing portions of route

- Locations identified at Easy Street, Washington Street extension, Naushop development and Bayberry Commons to Surfside as of 7/25/2023

Island Trail Map with all walking trails

- Land Bank and Conservation Foundation have publications as of 7/25/2023

Sconset Bluff Walk Subcommittee Review: (*Allen, Ed, Nat*)

- Reviewed sign verbiage and locations, maintenance, encroachments
 - Need to address encroachments on walkway as of 7/25/2023
- Sign Advisory Council Meeting
 - Sconset Civic Association – approved new signage application as of 7/25/2023
