TRAFFIC SAFETY WORK GROUP AGENDA PROTOCOL:

Roberts Rules: The Traffic Safety Work Group follows Roberts Rules of Order to govern its meetings as per the Town Code Charter.

Public Comment: Public Comment is to bring matters of public interest to the attention of the Work Group. The Work Group welcomes concise statements on matters that are within the purview of the Traffic Safety Work Group. At the Work Group's discretion, matters raised under Public Comment may be directed to Town Administration or may be placed on a future agenda, allowing all viewpoints to be represented before the Work Group takes action, if any. Except in emergencies, the Work Group will not normally take any other action on Public Comment in its sole discretion.

To facilitate that any individual who wishes to provide Public Comment has the opportunity and to ensure the ability of the Work Group to conduct its business in an orderly fashion, the following rules and procedures are adopted consistent with state and federal free speech laws:

- The agenda for regular Traffic Safety Work Group meetings will include a Public Comment period at the beginning of the meeting unless there is more urgent business for the Work Group to take up first. This time is reserved for speakers to address the Work Group on matters that are not related to any other Agenda item. If a speaker wishes to address the Work Group on a matter that is related to another Agenda item, the Chair will accept public comment when that Agenda item is reached during the meeting.
- All speakers are encouraged to present their remarks in a respectful manner.
- All remarks will be addressed through the Chair of the meeting.
- The Chair of the meeting may not interrupt speakers who have been recognized to speak, except that the Chair reserves the right to terminate speech which is not constitutionally protected because it constitutes true threats, incitement to imminent lawless conduct, comments that were found by a court of law to be defamatory, and/or sexually explicit comments made to appeal to prurient interests. Verbal comments may also be curtailed if they exceed three (3) minutes and to the extent they exceed the scope of the Work Group's authority.

Disclaimer: Public Comment is not a time for debate or response to comments by the Work Group. Comments made during the Public Comment period do not reflect the views or positions of the Work Group. Because of constitutional free speech principles, the Work Group does not

have authority to prevent all speech that may be upsetting and/or offensive made during the Public Comment period.

New Business: For topics not reasonably anticipated by the Chair 48 hours in advance of the meeting may be brought up for discussion in accordance with the Open Meeting Law.

Public Participation: The Work Group welcomes valuable input from the public at appropriate times during the meeting with recognition from the Chair at his/her sole discretion. For appropriate agenda items, the Chair will introduce the item and take public input. Individual Work Group Members may have questions on the clarity of the information presented. The Work Group will hear any staff input and then deliberate on a course of action.
