RE: Request to Address Pedicab Regulations

Michael Gormley of NanTukTuk Pedicab is requesting the Selectboard to address four parts of the current pedicab regulation.

First, I am requesting to address section 316-2: A, "The Select Board shall set the number of pedicab owner licenses available in any calendar year at will." I am requesting 4 licenses for 2024.

Second, I would like to omit the regulation in section 316-2 P. "Owners/Operators shall charge no fare for pedicab service; operators shall be paid through voluntary payments or tips from passengers only." I plan to still largely operate on the gratuity based model but would like to occasionally charge a pre-agreed price with the customer.

Third, I am hoping to update the town's 2011 definition of a pedicab by omitting the line mandating that it "is powered solely by human power." This language prohibits pedal assist which has been objectively positive for the traffic flow, safety and business.

Lastly, I am requesting to change the current parameters within section 316-4, "To operate, or cause to be operated, any pedicab upon or along any route unless the Select Board first approves such route. The Board shall approve a map designating a Pedicab Service Area which shall apply to this requirement. The Board may alter the map as it deems necessary" The current map is heavily restrictive to potential business and I am hoping to expand the service area

Attachment 1 - Pedicab Service Area Map

[1] *Editor's Note: The Select Board approved the codification of its regulations, as revised, 4-13-2022.*

§ 316-1. Definitions.

As used in these regulations, the following terms shall have the meanings indicated:

PEDICAB

A bicycle with three or more wheels, which is designed to transport passengers on seats attached to the vehicle, which is operated by one person, which is powered solely by human power, and which is used for transporting passengers for hire.

§ 316-2. Pedicab owners.

- A. No person shall engage in the business of transporting persons for hire in a vehicle without first having obtained a license from the Nantucket Select Board (hereinafter "Board") authorizing him/her to engage in such business. The Select Board shall set the number of pedicab owner licenses available in any calendar year at will.
- B. Pedicabs must be registered to a residential address in the Town of Nantucket.
- C. The applicant must have already had the pedicab inspected by the Nantucket Police Department in advance of receiving a license each year and submit a form completed by the Police Department to the Board upon filing an application.
- D. No pedicab license shall be issued by the Board until the applicant has presented proof of the vehicle's insurance, that the insurance policy covers no more than four passengers, including the driver, riding in the vehicle, and the applicant provides a certificate of vehicle insurance naming the Town as an additional insured.
- E. An applicant shall set forth under oath all information that the Board may require, including, but not limited to:
 - (1) The full name, address and phone number of the owner;
 - (2) The name and address of all legal and registered owners of the pedicab;
 - (3) A description of the pedicab, including trade name, if any, serial number, and body style; and
 - (4) The Physical address of pedicab storage.

- F. When a pedicab owner changes his/her address or the place at which a pedicab owned by him/her is kept, the owner shall notify the Board within three days of such change.
- G. All pedicabs shall have the business name and the business telephone number posted on rear of the cab in letters no less than three inches high and one-half inch wide. All lettering must be in the form of painted or self-adhesive contrasting lettering. (Magnetic or other removable signs are not permitted.)
- H. Hours of operation shall not exceed the hours of 6:00 a.m. to 2:00 a.m. daily. Hours of operation for applicants less than 18 years of age will not extend past 10:00 p.m. daily.
- I. Pedicab licenses shall be valid only during the calendar year for which they are issued.
- J. A license issued for any pedicab is not transferable.
- K. No placards, banners, or advertisements of any description will be permitted upon the outside of any pedicab without the approval of the Board.
- L. All pedicab operators shall maintain a neat and clean pedicab while on duty.
- M. The pedicab license fee shall be set from time to time by the Select Board.
- N. The Nantucket Police Department, under supervision of the Chief of Police, is hereby designated as the enforcement agency of these regulations and shall notify the Board of any violation thereof. Pedicab owners/operators shall comply with all regulations. Any violation of the Board's regulations or any state or local laws or bylaws may result in a suspension or revocation of the license.
- O. Pedicab owners shall notify the Board when operators leave the company.
- P. Owners/Operators shall charge no fare for pedicab service; operators shall be paid through voluntary payments or tips from passengers only.
- Q. No smoking is allowed in pedicabs at any time.
- R. The operating company will provide a shift supervisor during the hours of 6:00 p.m. to 2:00 a.m. and proof of radio contact upon request for juvenile-manned shifts.

§ 316-3. Pedicab operators.

Pedicab operator licenses are issued by the Nantucket Police Department and applications shall be filed with the Police Department, 4 Fairgrounds Road, Nantucket.

- A. The applicant must be 18 years of age or older, or 16 years of age with written parental/guardian permission.
- B. The applicant must have a valid state driver's license and/or internationally approved driver's license, and present a copy to the Board upon filing an application.
- C. A certificate of physical fitness issued by a practicing physician shall be mandatory to accompany all new applications for a pedicab operator's license.
- D. Pedicab operator's licenses shall be valid only during the calendar year for which issued.
- E. When a pedicab operator changes his/her address, the operator shall notify the Board within three days of such change.
- F. A neat and clean appearance is expected of all pedicab operators while on duty.
- G. The pedicab operator fee shall be set from time to time by the Select Board.
- H. Pedicab operators shall not, when otherwise available for hire, refuse to transport anyone requesting a ride except under the following circumstances:

- (1) The transportation requested is such that the operator may not legally accept such passenger.
- (2) The proposed passenger is disorderly, engaged in the commission of any crime, or is otherwise unfit to be transported as a passenger.

§ 316-4. Operating regulations.

A. It shall be unlawful for any person:

- (1) To operate a pedicab while under the influence of alcoholic beverages or controlled substances other than medication prescribed by a physician. No operator shall operate a pedicab within four hours of having consumed any alcoholic beverage.
- (2) To operate a pedicab in any manner that impedes or blocks the normal or reasonable movement of pedestrian or vehicular traffic unless such operation is necessary for safe operation or in compliance with law.
- (3) To operate, or cause to be operated, any pedicab upon or along any route unless the Select Board first approves such route. The Board shall approve a map designating a Pedicab Service Area which shall apply to this requirement. The Board may alter the map as it deems necessary.^[1]

[1] *Editor's Note: The Pedicab Service Area Map is included as an attachment to this chapter.*

- (4) To operate or cause to be operated at night a pedicab without using headlights and taillights.

B. There shall be no more than four passengers, including the operator, in a pedicab at any one time. Passengers being transported shall remain seated throughout the ride.

§ 316-5. Revocation of licenses.

The Board may suspend or revoke any pedicab license or operator's license for failure to comply with these regulations, state law or local bylaw. The Board shall provide notice and an opportunity for a hearing to licensees prior to taking any such action. The Board may suspend or revoke any pedicab license or operator's license immediately at the Board's discretion for public safety reasons.

I would agree and say that we are looking for Traffic Safety and I imagine BPAC (with input from Mike Burns and NPD) to do a review of the 2023 trial and provide recommendation for any changes to the regulations including the service area. There is no way we have the capacity to deal with one day changes or requests. You allow it once for one wedding then we open it up for the hundreds of others. But again, I defer to those determining the safest routes to provide recommendations. We should go into this upcoming season with a defined service area and # of licenses available to include any other recommended and approved changes/conditions. Once licenses are issued they are held to the those conditions. Any further changes must go through the same process after the conclusion of the '24 season.

Thank you,

I do not know the answer to your question about temporary permission. The bylaw specifically allows for a service area. Wade Cottages is not within it. I don't think we are going to allow service wherever on a temporary basis. Copying Amy Baxter to get her thoughts.

That is great news! Thank you for including NanTukTuk.

I have the memo included below as well as a GIS map including the proposed area of operation. That being said, the Chanticleer to Wade Cottages route is not included on the GIS map as a wedding just requested we provide rides for them along that route. If that is a route I only intend to operate for one day, is there another way to just get temporary permission or should I just add it to our area of operation?

Since it is a commercial vehicle can they use the loading zone when loading and unloading from the MFU? We have a policy on the license for downtown parking of any Mobile Unit in a timed space for an event or other activity (no food service to the public) requires a street blocking permit.

No, we are definitely not giving them parking but they need to figure out how that can be done properly and if that means a street blocking or other conditions than fine. I just

wanted to outline the two things they need to find solutions for - and the items the Town needs to address. I want to give him some direction on where to go to deal with it if that's even possible.

All,

Officer Mack and I walked over there this morning and asked an employee to remove items from the street and have Drew Wheldon call Officer Mack to discuss. There are two 'situations' to deal with.

The first being the take out window in front of the loading zone. People can still access the window even if a truck was parked there but there are no lines marking the space and the sign is hard to see so I can see how cars will park there to block. the sign also has it as a "seasonal" zone with no dates - that should change.

Secondly, they block behind the zone because they are required to return to 'base' with their food truck daily and that is impossible with cars parking there for extended periods.

Therefore I believe they would need to go to the Town - Traffic Safety? - to see if there are some solutions or compromises here.

Looping back on a) the Lobster Trap take out window on Coffin St and the fact that they are blocking the loading zone, and b) Traffic Safety needs to get back to its review of loading zones in all of downtown. Please see attached emails and Megan Trudel's response today. I included an email from Officer Mack with a photo of a delivery truck not being able to use the loading zone because it is completely blocked off by the Trap. Thoughts on enforcement?

Mike:

I will dig out the Traffic Safety minutes and information from last year's discussion on this loading zone in particular and how it led to the need for a look at the entire downtown.

Hi Erika,

The Lobster Trap is not subject to any Special Permits, and the take out use is one that is allowed by right in the CDT. Coffin Street is a public street. If the Lobster Trap is improperly blocking roadway access, putting sandwich boards in the public way, and eliminating the use of public parking spaces, that is a police matter.

Can you please help me understand the Lobster Trap take-out window? They are now using the on-street parking as a space for their menu boards and an umbrella. And the truck that makes deliveries to the Lobster Trap can no longer park in the loading zone, because that is where they now have blocked off for take out. Thanks!

They have a sign that states seasonal loading zone. But now they have a takeout window, a table and a chair and they blocked a couple of spots off with sawhorses. Not quite sure if they have permission for all that and why they need to block the spaces off. Clearly, the truck isn't using their loading zone.

Erika- I recently spoke to Alan Reinhard (Chair of the Nantucket Road & Rights of Way Committee) who in turn directed me to speak with you about Coffin Street (the one in town in between Washington & Union Streets).

I am concerned about the safety aspects of Coffin Street- a two way road with parking on the west side of the street. At the intersection of Coffin & Washington Street on the southwest corner is the Lobster Trap. It has a dedicated loading zone (in season).

My primary concern is that the road is not wide enough for parking and two lanes of traffic. During the summer the cars are parked bumper to bumper and they stick out into the street so that 2 cars going in opposite directions is not possible. We are constantly backing up to allow cars to pass. In addition, the Lobster Trap food truck is extremely wide and it makes it extremely difficult to safely take a right onto Coffin Street from Washington Street (coming from Main Street) as there is no visibility around the large food truck.

The yellow truck above is the Lobster Trap food truck. The photo with the black jeep (mine) is going south on Coffin Street next to the silver parked car on the right showing that there is no room for a vehicle to pass it coming the other direction.

Specifically, my request is to:

- (a) eliminate parking on Coffin Street and keep it as a two way roadway, **OR**
- (b) Make Coffin Street a one way road running from Union Street to Washington Street and keep parking on the west side of the road, **AND**
- (c) Mark the dedicated loading zone area on the pavement by the Lobster Trap so that its boundaries are identified and so that the ugly parking cones and/ or empty beer kegs are not necessary.

I do wonder if at some point Coffin Street was designated as a one way road as shown on the Young's Bike Shop map?

Could you please let me know what your thoughts are and if you are in agreement the process of implementing the change? Thank you in advance for your consideration.

Good morning. Thank you for allowing me to participate in your Step Lane site meeting last week. To recap, based on the representations by the contractor and the other owner representatives, namely 1. that Step Lane, in particular, the area between the utility pole and the location of the supports for the decks on the south side of the Veranda property line will be the same as pre-fire so that emergency vehicles and large trucks can safely navigate the lane, and 2. that Step Lane will be restored, brick sidewalks and curbing, as before the fire, the Town, including the representative from the Fire Department, has no objection to the Veranda rebuild as it pertains to Step Lane. If you disagree with this recap, please let me know.

During the meeting, one of the owner's representatives, I don't remember if he was a contractor or maybe an architect (he was wearing a blue shirt), this person gave an approximation of the width of Step Lane from the utility pole to Veranda's property line. I think he said it was approximately 11 feet but this distance would have to be surveyed to get the exact distance. As a suggestion, I think it would be prudent for the Town to get this measurement.

Two other items that were discussed. 1. The neighbors request to cobblestone Step Lane. You said the Town doesn't have the budget and there are concerns about heavy rains eroding any cobblestone base due to the slope of the hill. My take-away is Step Lane will be re-asphalted. 2. We have asked that the two parking spaces at the bottom of Step Lane be eliminated. You said this was a matter for the Traffic and Safety Group meeting and it would be placed on this Thursday's meeting agenda and I would be invited to attend.

One item that I inadvertently forgot to discuss at the site meeting was a street sign for Sea Street on the south east corner of North Water and Sea Street. Is this something that should be addressed to the Traffic and Safety Group?

Thank you for your help.

Dear Town Leadership:

It's perfectly reasonable to have parking limitations just as it's reasonable to properly inform the public of those limitations. The parking limitation on Easy Street immediately around the corner from Main Street is an area ^{at the cutout} that appears to be a perfectly good parking spot, but given there's space and no yellow line, across the street, where it's not easily visible, is a NO PARKING EITHER SIDE sign.

As you may imagine I received a parking ticket there. I consider that to be an unwarranted gotcha. May I suggest at a minimum to paint a yellow line and better yet put a no parking sign in a more visible location.

Yours,
L.H. Doench

Re: Request for extension of no parking yellow line in front of 11 Lincoln

Please accept this request to Town of Nantucket Traffic and Safety Board for the extension of the yellow no parking line in front of 11 Lincoln Ave. Essentially, there are no yellow lines on either side of the street across from 11 Lincoln Ave's driveway. It is very difficult to get out of the 11 Lincoln Ave drive with cars on both sides. This is especially true in the area between the telephone pole and the driveway. The owner of 11 Lincoln Ave would like lines on both sides, or, at the very least, lines on our side which are consistent with the rest of the odd numbered side of Lincoln Ave..

Please refer to the image below which has 11 Lincoln Ave on the right and the existing yellow line which we would like extended. Thank you for your consideration of this request.

2. Review speed and traffic count data for Gold Star Drive. Mr. Burns reviewed the traffic data in the Work Group's packet from two locations along Gold Star Drive, noting the data shows that the roadway doesn't warrant speed humps. Jane Valero noted that the roadway is dangerous and becomes more of a concern every year as Gold Star has become more of a cut-through. She said she feels 25 MPH is too fast for the road. Chair Gasbarro said Gold Star Drive is unique, like Newtown Road, as it provides a cut-through and speed data is only one criteria. He asked if speed humps should be considered as a deterrent to the use of the road. Mr. Burns states that was the rationale behind the speed humps on Newtown Road. Mr. Burns

moved to recommend a speed hump between 3 and 5 Gold Star Drive. Chief Pittman voiced concern that the Valeros seems to be the only ones making the request; he asked if anyone else is asking for speed humps. Ms. Valero answered affirmatively, noting another request was made years ago and had abutter support. Ms. Mooney noted the process for traffic calming devices, noting once Traffic Safety makes its recommendation, the proponent must demonstrate neighborhood support by submitting a petition signed by at least two-thirds of abutting property owners who support the application and are willing to accept 100% of the cost of installing speed humps. Mr. Barnes said the residents who park along Gold Star Drive are already providing traffic calming with their parked vehicles. Chair Gasbarro seconded the motion; by roll call vote: Mr. Burns – Yes; Mr. Sylvia – Yes; Chief Cranson - Yes; Chief Pittman – No; Chair Gasbarro – Yes; so voted.

Hello, Please find joint the application for an
Calming device into GOLD STAR DR.

We don't mind people using a short cut but I'm a
father of two little girls and each time I'm outside
I've seen peoples flying in that road. It became less
safe mostly in summer time.

We are a quiet neighborhood with little kids, you also
have Rise Time preschool.

Please considering the application before an accidents
happen.

Thank Ya.

Erika – for the next TS meeting, attached are results of counts at 3 locations along Tom Nevers Rd as a follow up last month's request to lowering the speed limit on Tom Nevers Rd.

Based on the data collected, the problem area appears to be between Lyons Ln and Parson Ln. The count location was at a low point in the corridor where approaching traffic from both directions are on a long decline, which may contribute to the higher speeds. The elevation drops about 15FT (from 56FT to 41FT) in a span of 1,400FT for both approaches.
