Description of Event (Attach additional documents below)	Through the POP-UP initiative, we set up "pop up" informational tables at different locations across the island to provide information and resources to the community in a fun way. The pop-up events are a very important gathering for the community and all visitors. Our goal is to provide information about safety and how we work to prevent violence. We believe that through friendly, positive conversations, we can reach more people, and everyone who needs our help will become familiar with the fact that A Safe Place works hard to help and prevent violence.
