Subject

Rental Vehicle Medallion (RVM) Process

Executive Summary

A proposal on the process for allocation of for surplus Rental Vehicle Medallions.

Staff Recommendation

Licensing recommends the Select Board consider a Waiting List or similar process to allow for fair allocation of surplus medallions.

Background/Discussion

Please note the submitted proposal is for discussion purposes only and has not been legally approved. Licensing requests review and direction from Select Board on their preferences for the process.

Additional Considerations/Questions:

- How do we manage requests for additional medallions from existing agencies? Can that be managed by Select Board outside the waiting list process? Waiting List is to allow for new businesses to enter the market.
- Set Application/Renewal Fee. Recommended \$25 Fee and Annual Renewal of \$10.
- Recommend setting minimum number of medallions issued to a new agency. What is financially viable to start an actual agency? Recommendation is that initial allocation to a new agency is at least 3-4.

Draft Rental Vehicle Medallion Lottery (for Surplus Medallions) Proposal for 1/13/25 Select Board Meeting

(Model: Nantucket Town Pier Slip Lottery)

How to Apply for the Medallion Lottery

- Online Applications are accepted by the Licensing and Permits office beginning on November 1st each year. Applications can be submitted online via Town of Nantucket website or in person at the Permits Window, PSF, 4 Fairgrounds Road.
- The application fee is \$xx (to be determined by Select Board). Only a single entry into the lottery for a company/agency shall be allowed. (Town Pier Lottery Fee is \$25)
- The application deadline is 48 hours prior to the lottery. Applicants are assigned a number upon receipt of the application.
- The number assigned to the applicant will coincide with a ping-pong ball that will be pulled at the annual lottery.

Commented [LG1]: Does a "single entry" mean for one RVM? Or only one submittal per agency?

Commented [BA2R1]: One Submittal per agency – I would recommend they identify themselves with a proposed dba. All those with beneficial interest in that group would be allowed the one entry.

Lottery Frequency and Medallion Availability

- The Lottery will be held if and when surplus medallions are available at the discretion of the Select Board.
- The likely timing will follow the Annual License Renewal Hearing in December.
- Several factors and conditions will be set to determine medallion availability (i.e. Agency closes, non-use of assigned medallions, etc.)

Lottery Date, Location and Process

- To be set by Select Board and managed by Licensing and Permits Office.

Current Rental Car Agency and Medallion Fees:

Annual Agency License: \$150

Vehicle Medallion for Nantucket Registration: \$0

Vehicle Medallion for Off-Island Registration: \$100

Draft Rental Vehicle Medallion Waiting List (for Surplus Medallions) Proposal for 1/13/25 Select Board Meeting

(Model: Chapter 367: Taxi/Limo/Charter/Tour)

Set-up of Waitlist (upon approval of Process by Select Board)

- Establish list using order set by existing information request list published in 2021:
<https://www.nantucket-ma.gov/FormCenter/Licensing-29/RENTAL-CAR-INFO-REQUEST-178>
- 28 forms have been submitted since 2021.
- All those who submitted a form will be contacted and invited to apply for the waiting list. If they apply they will retain their original place on the list.
- Once the original list is complete the new applicants will be placed in the order received.

How to Apply for the Medallion Waiting List

- An online form similar to existing info Request Form will be posted and go live upon approval of Select Board.
- The application will be for first time applicants only.
- Management of requests from existing agencies to be determined with amendment of bylaw - If approved with allowance for a Select Board management of fluctuating medallion assignments.

Waiting List Renewal

- Applicants must renew their position on the waiting list every year during the month of May (or as determined by Select Board).
- A renewal form and fee will be required to maintain position. Currently Taxi Waiting List renewal fee is \$10.
- Those that fail to renew in the month determined will fall off the list and must reapply.

Distribution of Medallions

- Select Board to determine the minimum number of medallions to be distributed to a new agency when available (2-4 recommended)

- Distribution will be on an annual basis as available only - no guarantee there will be medallions available every year.
- Once an applicant is in line to receive medallions they will be notified by Licensing.
- At time of notification they will have 30-60 days (as set by Select Board) to meet determined conditions for a Rental Car Agency.
- The applicant can choose to pass at time of notification and remain on the list at the top spot. The opportunity will then move to the next applicant on the list.
