AGENDA PROTOCOL

For all Town of Nantucket Boards, Committees, Commissions, Work Groups, Councils and Trusts
(herein collectively referred to as "Committees" in this document)

Roberts Rules: Town of Nantucket Committees follows Roberts Rules of Order to govern its meetings as per the Town Code Charter.

Public Comment: Public Comment is to bring matters of public interest to the attention of the Committees. At the Committee's discretion, matters raised under Public Comment may be directed to Town Administration and/or appropriate departmental staff, or may be placed on a future agenda, allowing all viewpoints to be represented before the Committee takes action, if any. Except in emergencies, the Committee will not normally take any other action on Public Comment in its sole discretion.

To facilitate that any individual who wishes to provide Public Comment has the opportunity and to ensure the ability of the Committee to conduct its business in an orderly fashion, the following rules and procedures are adopted consistent with the United States Constitution and the Massachusetts Declaration of Rights.

The agenda for regular Committee meetings will include a Public Comment period at the beginning of the meeting unless there is more urgent business for the Committee to take up first. This time is reserved for speakers to address the Committee on matters that are not related to any other Agenda item. If a speaker wishes to address the Committee on a matter that is related to another Agenda item, the Chair will accept public comment when that Agenda item is reached during the meeting.

All speakers are encouraged to present their remarks in an orderly and peaceable manner, without disruption to other speakers.

All remarks will be addressed through the Chair of the meeting.

The Chair of the meeting may not interrupt speakers who have been recognized to speak, except that the Chair reserves the right to terminate speech which is not protected under the United States Constitution and the Massachusetts Declaration of

Rights because it constitutes true threats, incitement to imminent lawless conduct, or engages in conduct that disrupts other speakers.

Each speaker may not exceed three (3) minutes during any Public Comment portion of the meeting.

Disclaimer: Public Comment is not a time for debate or response to comments by the Committee. Comments made during the Public Comment period do not reflect the views or positions of the Committee. Because of free speech principles, the Committee does not have authority to prevent all speech that may be upsetting and/or offensive made during the Public Comment period.

Unanticipated Business: Topics not reasonably anticipated by the Chair 48 hours in advance of the meeting may be brought up for discussion in accordance with the Open Meeting Law.

Public Participation: The Committee welcomes valuable input from the public at appropriate times during the meeting with recognition from the Chair at their sole discretion. For appropriate agenda items, the Chair will introduce the item and take public input. Individual Committee Members may have questions on the clarity of the information presented. The Committee will hear any staff input and then deliberate on a course of action.

Committee Report and Comment: Individual Committee Members may have matters to bring to the attention of the Committee during a meeting. If the matter contemplates action by the Committee, Committee Members will consult with the Chair and/or appropriate Town officials or employees in advance and provide any needed information by applicable Committee deadlines and/or schedule the matter for a future Committee meeting. Otherwise, except in emergencies, the Committee will not normally take action on Committee Comment.
