CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Represent us at HDC for 110 Wauwinet Rd

To LINDA WILLIAMS <czarinalinda@comcast.net>

Dear Linda —

Please represent us to the HDC regarding the fence at 110 Wauwinet Rd. You are authorized to sign on our behalf relating to these fence proceedings.

Thanks so much for your assistance.
Best,

Lydia

Lydia P. Arnold

Oneandonlylydia@gmail.com

202-258-8457

CERTIFICATE NO: _____ DATE ISSUED: _____

HDC2025-02-12006

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

LOCUS NOT TO SCALE

LAND COURT PLAN 42885-G

NOTES:

1. EXISTING CONDITIONS INFORMATION WAS COMPILED FROM AN ON THE GROUND SURVEY PERFORMED BY SITE DESIGN ENGINEERING, LLC ON JULY 8, 2024 AND SUPPLEMENTED WITH RECORD PLAN INFORMATION.
2. ELEVATIONS ARE REFERENCED TO NAVD88.
3. THE SITE IS NOT LOCATED WITHIN ANY SPECIAL FLOOD HAZARD AREAS AS DETERMINED FROM THE TOWN OF NANTUCKET FEDERAL EMERGENCY MANAGEMENT AGENCY FLOOD INSURANCE RATE MAP COMMUNITY–PANEL NUMBER 250230 0088 G (MAP EFFECTIVE DATE JUNE 9, 2014).
4. THIS PLAN AND ANY ACCOMPANYING CERTIFICATIONS DO NOT CONSTITUTE A CERTIFICATION OF TITLE TO THE PROPERTY DISPLAYED HEREON. THE OWNER OF LOCUS AND ABUTTING PROPERTIES ARE SHOWN ACCORDING TO CURRENT TOWN ASSESSORS RECORDS.
5. EXISTING UTILITY LINES SHOWN ON THIS PLAN ARE FROM AVAILABLE INFORMATION AND ARE APPROXIMATE LOCATIONS. THERE MAY BE EXISTING LINES OTHER THAN THOSE INDICATED. SITE DESIGN ENGINEERING, LLC ASSUMES NO RESPONSIBILITY FOR DAMAGES INCURRED AS A RESULT OF UTILITIES OMITTED OR INACCURATELY SHOWN. BEFORE PLANNING FUTURE CONNECTIONS, THE PROPER PUBLIC UTILITY ENGINEERING DEPARTMENT SHOULD BE CONSULTED.

General Notes

1. Contractor to review all tempered glass requirements and to incorporate into window order as required by code.
2. Contractor will verify all rough opening sizes and quantities on site during rough framing, & before placing window order.
3. All windows and doors will be double glazed w/5/8" SDL by Marvin Window Co. Provide Low E Storm glass panel, typ. Muntin config. as shown on drawings. Min. U-value of .29 and DP30 Rated.
4. Mount storm screen units on blind stop.
5. Provide all windows, including sidelights, transoms, and fixed windows, with storm/screens by Marvin color to match note above.
6. Crowley Entry door will be Flat panel, 1 3/4" thick mahogany (single glaze) with mahogany threshold. Oil thresholds after installation.
7. Sizes with equal sash that meet or exceed clear opening area of 5.7 sq. ft., clear opening width of 20" and clear opening height of 24".
8. All exterior doors will be provided with custom mahogany storm screen doors (except Front Entry door), including French doors.
9. No finger joints on casings or sill. Back primed jamb, casing and sill.
10. Minimum Rough Opening dimensions may need to be increased to allow for use of building wraps, flashing, sill panning, brackets, fasteners or other items.

Provide Adjustable Hinges in Stainless Steel. Provide Mahogany Swinging Screen doors, Bronze Screening.
Contractor to determine all jamb widths and extension jamb reads where necessary.

NO.	Location/Type	Manuf	Slab Size	Rough Opening	Lights	Comments
1	Front	Upstate Door	3'-4" x 7'-0"	3'-7" x 7'-11"	4 PH	to be Upstate DY or Nantucket Millworks, Inc. Mahogany
2	Side/French	Upstate Door	3'-0" x 7'-0"	3'-3" x 7'-11"	6 LT/1 PH	to be Upstate DY or Nantucket Millworks, Inc. Mahogany
3	Ultimate Sliding French	Marvin	5'-0" x 7'-0"-4W	12'-0" x 7'-10 1/2"	12 LT/1 PH	MLSF 12078
4	Side/French	Upstate Door	3'-0" x 7'-0"	3'-3" x 7'-11"	6 PH	to be Upstate DY or Nantucket Millworks, Inc. Mahogany
5	Garage Overhead	Custom	9'-0" x 8'-0"	9'-2" x 8'-2"	-	Batten Door

General Notes

1. Contractor to review all tempered glass requirements and to incorporate into window order as required by code.
2. Contractor will verify all rough opening sizes and quantities on site during rough framing, & before placing window order.
3. All windows and doors will be double glazed w/5/8" SDL by Marvin Window Co. Provide Low E Storm glass panel, typ. Muntin config. as shown on drawings. Min. U-value of .29 and DP30 Rated.
4. Mount storm screen units on blind stop.
5. Provide all windows, including sidelights, transoms, and fixed windows, with storm/screens by Marvin color to match note above.
6. Crowley Entry door will be Flat panel, 1 3/4" thick mahogany (single glaze) with mahogany threshold. Oil thresholds after installation.
7. Sizes with equal sash that meet or exceed clear opening area of 5.7 sq. ft., clear opening width of 20" and clear opening height of 24".
8. All exterior doors will be provided with custom mahogany storm screen doors (except Front Entry door), including French doors.
9. No finger joints on casings or sill. Back primed jamb, casing and sill.
10. Minimum Rough Opening dimensions may need to be increased to allow for use of building wraps, flashing, sill panning, brackets, fasteners or other items.

NEW DWELLING

8 North Mill Street, Nantucket, MA, 02554

SHEET INDEX

SHEET NO.	DESCRIPTION

GENERAL STRUCTURAL NOTES:

1. ALL CONSTRUCTION IS TO BE IN ACCORDANCE WITH THE MASSACHUSETTS STATE BUILDING CODE FOR ONE- AND TWO- FAMILY DWELLINGS, EIGHTH EDITION (780 CMR), AND ALL AMENDMENTS, WHICH IS BASED ON THE 2015 INTERNATIONAL RESIDENTIAL CODE.

2. THE WIND DESIGN CRITERIA FOR THIS BUILDING IS IN ACCORDANCE WITH AMERICAN FOREST AND PAPER ASSOCIATION (AF&PA), "WOOD FRAME CONSTRUCTION MANUAL FOR ONE- AND TWO- FAMILY DWELLINGS (WFCM), AND THE "MINUMUM DESIGN LOADS FOR BUILDINGS AND OTHER STRUCTURES (ASCE7-05). THE BASIC WIND SPEED FOR THE DESIGN OF THIS STRUCTURE IS 110 MILES PER HOUR WITH EXPOSURE CATEGORY 'C'.

3. THE CONTRACTOR IS RESPONSIBLE FOR CONTACTING THE LOCAL BUILDING OFFICIAL FOR THE STRUCTURAL FRAMING INSPECTION(S). IF THE BUILDING OFFICIAL REQUIRES THAT THE INSPECTION(S) BE COMPLETED BY THE ENGINEER OF RECORD, THE CONTRACTOR SHALL CONTACT THE ENGINEER OF RECORD 24 HOURS PRIOR TO THE TIME WHEN THE INSPECTION(S) IS TO BE PERFORMED. THE CONTRACTOR SHALL INSURE THAT ALL STRUCTURAL MEMBERS AND CONNECTIONS ARE VISIBLE FOR INSPECTION. IF DURING THE INSPECTION, ANY PORTION OF THE STRUCTURE IS DEEMED NOT VISIBLE OR IS INACCESSIBLE FOR INSPECTION, FINAL APPROVAL OF THE ENTIRE STRUCTURE WILL NOT BE GIVEN UNTIL THIS CONDITION IS CORRECTED AT THE CONTRACTOR'S EXPENSE.

4. ALL WOOD CONSTRUCTION CONNECTORS AS SPECIFIED ON THESE CONSTRUCTION DOCUMENTS TO BE SIMPSON STRONG-TIE IN ACCORDANCE WITH CATALOG C-2024. IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO INSTALL ALL CONNECTORS IN ACCORDANCE WITH MANUFACTURER'S SPECIFICATIONS.

5. ALL ENGINEERED LUMBER PRODUCTS TO BE I-LEVEL TRUS JOIST (OR EQUAL) INSTALLED IN ACCORDANCE WITH MANUFACTURER'S SPECIFICATIONS.

ROOF FRAMING CONNECTIONS :

1. ATTACH OPPOSING RAFTERS AT THE RIDGE OVER THE TOP OF THE RIDGE WITH (1) LSTA 18 TENSION STRAP AT 16" O.C. STRAP TO BE INSTALLED OVER ROOF SHEATHING INTO RAFTERS W/ 10d COMMON NAILS TO RAFTERS.
2. ATTACH THE END OF EACH RAFTER/TRUSS TO THE DOUBLE TOP PLATE OF THE EXTERIOR WALL WITH (1) H2.5A CONNECTOR. CONNECTOR TO BE APPLIED DIRECTLY TO 2X TOP PLATES ON OUTSIDE FACE OF WALL. ALTERNATE: USE (1) H2A FROM EVERY RAFTER TO WALL STUD BELOW. TSP CONNECTOR PER NOTE '1', "WALL FRAMING UPLIFT CONNECTIONS", IS NOT REQUIRED WHEN USING (1) H2A AT EVERY RAFTER.

3. BLOCKING TO BE PROVIDED ABOVE THE DOUBLE TOP PLATE OF THE EXTERIOR WALL AT THE ROOF WITH ROOF SHEATHING NAILED TO THE BLOCKING AT 6" O.C. PROVIDE 'V' NOTCH IN BLOCKING TO PROVIDE ADEQUATE VENTILATION AS REQUIRED. BLOCKING TO BE ATTACHED DIRECTLY TO DOUBLE TOP PLATE OF THE EXTERIOR WALL W/ (1) RBC CONNECTOR.

FLOOR FRAMING CONNECTIONS :

1. PROVIDE 3 1/2" WIDE PARALLAM PSLS OR (2) 1 3/4" WIDE LVL'S UNDER ALL INTERIOR FIRST FLOOR SHEARWALLS WHEN THE SHEARWALL IS PARALLEL TO THE FLOOR JOIST FRAMING DIRECTION. PROVIDE (2) 1 3/4" WIDE LVLS UNDER SECOND FLOOR AND ATTIC SHEARWALLS WHEN PARALLEL TO THE FLOOR FRAMING DIRECTION. IF CS 16 COIL STRAPS ARE SPECIFIED AS HOLDDOWNS AT THE END OF THE SHEARWALL, WRAP THE STRAP(S) AROUND THE (2) 1 3/4" WIDE LVLS, AND PROVIDE HALF OF THE TOTAL NUMBER OF NAILS SPECIFIED AROUND THE LVLS. IF HOLD-DOWN AT END OF SHEARWALL IS A HDU TYPE, SUBSTITUTE (2) 1 3/4"" WIDE LVL'S WITH 3 1/2" PARALLAM (MIN.). SEE DETAIL 5/ HD. ALL BEAMS HERE UNLESS OTHERWISE SHOWN ON PLANS.

2. PROVIDE 3 1/2" WIDE PARALLAM PSL BLOCKING OR (2) 1 3/4" WIDE LVL BLOCKING UNDER FIRST AND SECOND FLOOR AND ATTIC SHEARWALLS WHEN JOISTS ARE PERPENDICULAR TO SHEARWALLS.

3. ATTACH THE DOUBLE TOP PLATE OF THE FIRST /SECOND FLOOR EXTERIOR WALL TO THE SECOND/ ATTIC FLOOR RIM BOARD WITH (1) LTP5 CONNECTOR AT 24" O.C. OR W/ (2) 10d TOE NAILS PER 12".

GENERAL STRUCTURAL NOTES : (CONT'D)

WALL FRAMING UPLIFT CONNECTIONS:

1. ATTACH EXTERIOR WALL STUDS TO THE DOUBLE TOP PLATE AT THE ROOF WITH (1) TSP CONNECTOR AT 32" O.C. PROVIDE (9) - 10d x 1 1/2 NAILS TO THE STUD AND (6) - 10d NAILS TO THE DOUBLE TOP PLATE. CONNECTOR TO BE APPLIED DIRECTLY TO 2X FRAMING.
NOTE: NOT REQUIRED WHEN USING H2A CONNECTOR PER NOTE '2', "ROOF FRAMING CONNECTIONS".

2. EXTERIOR WALL STUDS ON SECOND FLOOR TO BE ATTACHED TO STUDS ON THE FIRST FLOOR ACROSS SECOND FLOOR RIM BOARD W/ (1) CS 16 COIL STRAP W/ (14) 10d NAILS (7 NAILS AT EACH END OF STRAP) WITH A STRAP CUT LENGTH OF 18" + THE CLEAR SPAN ACROSS RIM BOARD. STRAPS TO BE SPACED AT 32" O.C. (EVERY OTHER STUD). STRAP IS NOT REQUIRED AT SHEARWALL HOLDDOWN LOCATIONS. CS 16 COIL STRAPS TO BE APPLIED OVER PLYWOOD SHEATHING.

3. EXTERIOR WALL STUDS ON THE SECOND FLOOR THAT ARE ABOVE BEAMS IN THE FLOOR FRAMING SHALL BE ATTACHED TO THE BEAM WITH (1) LTS12 TWIST STRAP AT 16" O.C. (CUT SMALL SLOT IN FLOOR SHEATHING FOR STRAP) . STRAP IS APPLIED DIRECTLY TO 2X FRAMING.

4. ATTACH FIRST FLOOR STUD TO RIM BOARD WITH (1) CS 16 STRAP AT 32" O.C. AND PROVIDE (6) 10d NAILS TO STUD AND (6) 10d NAILS TO RIM BOARD. ATTACH RIM BOARD TO FOUNDATION SILL PLATE WITH (1) DSP CONNECTOR PER 32" O.C.

5. CONNECTIONS FOR WALL OPENING ELEMENTS (REFER TO DETAIL 2-WF)

HEADER SIZE	HEADER TO JACK STUD	JACK STUD TO SOLE PLATE
L= 1'-0" TO 4'-0"	(1) LSTA 9	(1) SP4 *
L= 4'-1" TO 6'-0"	(2) LSTA 9	(2) SP4 *
L= 6'-1" TO 8'-0"	(2) LSTA 12	(2) SP4 *
L= 8'-1" TO 10'-0"	(2) LSTA 15	(2) SPH6 *

*ALTERNATE : THE CONNECTOR SHOWN FOR THE JACK STUD TO SOLE PLATE CAN BE SUBSTITUTED WITH THE SAME CONNECTOR SHOWN FOR THE JACK STUD TO HEADER. ATTACH CONNECTOR WITH HALF OF THE REQUIRED NAILS TO THE JACK STUD AND HALF OF THE REQUIRED NAILS TO THE FOUNDATION RIMBOARD. CONNECTOR TO BE ATTACHED DIRECTLY TO 2X FRAMING AND RIMBOARD. ALTERNATE CAN NOT BE USED WHEN SOLE PLATE IS ATTACHED DIRECTLY TO FOUNDATION STEM WALL OR CONCRETE SLAB.

NOTE :

A. HEADERS FOR DOORS AND WINDOWS TO HAVE (1) H8 CONNECTOR AT THE TOP AND BOTTOM OF ALL CRIPPLE STUDS.

B. HEADERS 4'-1" AND LARGER REQUIRE (2) JACK STUDS AT EACH END OF THE HEADER.

C. PROVIDE (1) A23 CLIP ON THE TOP OF ALL HEADERS AT EACH END OF HEADER TO THE KING STUD ADJACENT TO THE OPENING.

D. PROVIDE (1) SSP FROM EACH KING STUD TO DOUBLE TOP PLATE OF THE WALL, WITH (3) 10d NAILS TO DOUBLE TOP PLATE AND (4)-10d NAILS TO KING STUD. FOR SECOND FLOOR HEADERS, PROVIDE (1) CS 16 FROM EACH KING STUD ACROSS THE RIM BOARD TO A STUD IN THE FIRST FLOOR WALL BELOW. FOR CS 16 STRAP SIZE REFER TO NOTE "2" ABOVE. FOR FIRST FLOOR HEADERS PROVIDE (1) CS 16 FROM EACH KING STUD TO THE FIRST FLOOR RIM BOARD. FOR CS 16 STRAP SIZE REFER TO NOTE "4" ABOVE.

E. KING STUD TO RIMBOARD CONNECTION SPECIFIED IN NOTE 'D' ABOVE IS NOT REQUIRED WHERE A SHEARWALL HOLDOWN IS ADJACENT TO THE OPENING.

F. SILLS FOR OPENINGS LESS THAN 4'-0" WIDE REQUIRE (1) A23 CLIP AT THE BOTTOM OF THE SILL PLATE TO THE KING STUD AT EACH END OF THE SILL PLATE. FOR OPENINGS 4'-0" AND LARGER, PROVIDE (2) A23 CLIPS AT EACH END OF THE SILL PLATE. (ONE ON THE TOP AND ONE ON THE BOTTOM OF THE SILL PLATE)

SHEARWALL SCHEDULE :

WALL TYPE SCHEDULE :

1. 15/32" PLYWOOD - (EDGES BLOCKED) 8d COMMON OR GALVANIZED BOX NAILS @ 6"O.C. EDGES AND 12" O.C. FIELD.

2. 15/32" PLYWOOD - (EDGES BLOCKED) 8d COMMON OR GALVANIZED BOX NAILS @ 3" O.C. EDGES AND 12" O.C. FIELD.

3. 15/32" PLYWOOD - (EDGES BLOCKED) 8d COMMON OR GALVANIZED BOX NAILS @ 2" O.C. EDGES AND 12" O.C. FIELD. FRAMING AT ADJOINING PANEL EDGES SHALL BE 3" NOMINAL OR WIDER AND NAILS SHALL BE STAGGERED.

NOTE : FOR PLYWOOD SHEAR WALL TYPES 1, 2, AND 3 LISTED ABOVE, 8d COMMON OR GALVANIZED BOX NAILS = (0.131 x 2 1/2"). GUN NAILS MATCHING THE NAIL DIAMETER AND LENGTH MAY BE USED AS A SUBSTITUTE.

SOLE PLATE CONNECTION SCHEDULE :

CONNECTION TO FLOOR RIM BOARD

WALL TYPE	SOLE PLATE CONNECTION TO RIM BOARD
1	(3) - 16d COMMON NAILS PER 16".
2	(4) - 16d COMMON NAILS PER 16".
3	(3) - SIMPSON SDS25312 (1/4" x 3 1/2") WOOD SCREWS PER 16".

CONNECTION TO CONCRETE FOUNDATION

FOUNDATION SILL PLATE CONNECTION TO CONCRETE

5/8" DIA. ANCHOR BOLTS AT 32" O.C. .

NOTE : ANCHOR BOLTS REFERENCED ABOVE TO BE 5/8" DIAMETER A307 STEEL ANCHOR BOLTS WITH 3" x 3" x 1/4" PLATE WASHERS WITH 7" MINIMUM EMBEDMENT INTO CONCRETE.

SHEARWALL CONSTRUCTION :

1. ALL SHEARWALLS TO HAVE DOUBLE TOP PLATES AND DOUBLE 2X STUDS AT EACH END OF THE WALL.

2. FACE NAIL DOUBLE TOP PLATES W/ 16d NAILS AT 16" O.C. USE (12) - 16d NAILS AT EACH SIDE OF LAP SPLICES IN TOP PLATES. SPLICE LENGTH TO BE A MINIMUM OF 4'-0" LONG.

3. NAILING FOR PERFORATED SHEARWALLS TO BE CONTINUED ABOVE AND BELOW ALL OPENINGS IN SHEARWALL.

4. ATTACH DOUBLE 2X STUDS AND BUILT-UP CORNER STUDS AT SHEARWALL ENDS WITH (2) 16d NAILS AT 6" O.C. FOR ATTIC/ SECOND FLOOR SHEARWALLS AND (2) 16d NAILS AT 4" O.C. STAGGERED FOR FIRST FLOOR SHEARWALLS.

5. REFER TO HOLDDOWN SCHEDULE FOR TIE DOWNS AT SHEARWALL ENDS.

SHEARWALL HOLDDOWN SCHEDULE :

SECOND FLOOR AND INTERIOR HOLDDOWNS :

1. (1) - CS 16 COIL STRAP W/ (20) 8d (0.131 x 2 1/2" LONG) NAILS WITH STRAP APPLIED DIRECTLY TO 2X FRAMING MEMBERS. PROVIDE HALF OF THE NUMBER OF NAILS SPECIFIED AT EACH END OF STRAP. CUT SMALL SLOT IN FLOOR SHEATHING AND ATTACH STRAP TO LVL BEAM OR LVL BLOCKING IN BETWEEN TJI FLOOR JOISTS IN FLOOR FRAMING BELOW. CONNECT BLOCKING TO TJI JOIST WEBS WITH HUS 412 FACE MOUNT HANGER. PROVIDE BACKER BLOCKING IN TJI JOIST WEB PER MANUFACTURER'S SPECIFICATIONS.

2. (2) - CS 16 COIL STRAPS W/ (26) 10d (0.148" x 3" LONG) NAILS WHEN STRAP IS APPLIED OVER PLYWOOD SHEATHING OR (30) 8d (0.131 x 2 1/2" LONG) NAILS WHEN STRAP IS APPLIED DIRECTLY TO 2X FRAMING MEMBERS. (NAILS SPECIFIED ARE PER EACH STRAP) (IF STRAP IS LOCATED AT EXTERIOR WALL, CONTINUE STRAP TO DOUBLE STUD IN FIRST FLOOR WALL IF THERE IS NO SHEARWALL BELOW, THE DOUBLE STUDS AT END OF THE SHEARWALL IN FIRST FLOOR WALL BELOW, OR WRAP THE STRAP AROUND THE HEADER BELOW).

3. (3) - CS 16 COIL STRAPS W/ (26) 10d (0.148" x 3" LONG) NAILS WHEN STRAP IS APPLIED OVER PLYWOOD SHEATHING OR (30) 8d (0.131 x 2 1/2" LONG) NAILS WHEN STRAP IS APPLIED DIRECTLY TO 2X FRAMING MEMBERS. (NAILS SPECIFIED ARE PER EACH STRAP) (IF STRAP IS LOCATED AT EXTERIOR WALL, CONTINUE STRAP TO DOUBLE STUD IN FIRST FLOOR WALL IF THERE IS NO SHEARWALL BELOW, THE DOUBLE STUDS AT END OF THE SHEARWALL IN FIRST FLOOR WALL BELOW, OR WRAP THE STRAP AROUND THE HEADER BELOW).

FOUNDATION HOLDDOWNS :

4. HDU4-SDS2.5 W/5/8" DIA. THREADED ROD ANCHOR BOLT DRILLED AND EPOXIED TO 10" MIN. EMBEDMENT W/SET ADHESIVE. CNW5/8 COUPLER NUT BETWEEN ANCHOR BOLT AND 5/8" THREADED ROD INTO HOLDOWN.

5. HDU4-SDS2.5 5/8" DIA. THREADED ROD ANCHOR BOLT DRILLED AND EPOXIED TO 12" MIN. EMBEDMENT W/SET ADHESIVE. CNW5/8 COUPLER NUT BETWEEN ANCHOR BOLT AND 5/8" THREADED ROD INTO HOLDOWN.

8. HDU8-SDS2.5 W/ 7/8" DIA. THREADED ROD ANCHOR BOLT DRILLED AND EPOXIED TO 15" MIN. EMBEDMENT W/SET ADHESIVE. CNW7/8 COUPLER NUT BETWEEN ANCHOR BOLT AND 7/8" THREADED ROD INTO HOLDOWN.

14. HDU14-SDS2.5 W/ 1" DIA. THREADED ROD ANCHOR BOLT DRILLED AND EPOXIED TO 15" MIN. EMBEDMENT W/ SET ADHESIVE. CNW 1" COUPLER NUT BETWEEN THREADED ROD AND 1" THREADED ROD INTO HOLDOWN WITH HOLDOWN ATTACHED TO 4X6 DOUGLAS-FIR POST.

H2. HDU5-SDS2.5 5/8" DIA. THREADED ROD ANCHOR BOLT DRILLED AND EPOXIED TO 12" MIN. EMBEDMENT W/SET ADHESIVE. CNW5/8 COUPLER NUT BETWEEN ANCHOR BOLT AND 5/8" THREADED ROD INTO HOLDOWN.

CERTIFICATE NO: _____ STAFF (exhibit A) DATE ISSUED: 12/19/23

HDC2023103-8052

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

By

	- Shared a similar situation at their house with a steep hill. - Suggested having the first retaining walls in the back be two and a half to three feet and then letting the rest of the hill remain natural. - Express a preference for a naturalistic approach with grasses or vegetation that grows naturally. - Proposed considering an alternative where the garage doors are present, but the space is not used for parking, allowing for a more gradual and natural cut into the grade with stone steps. - Recommended breaking up the consistency of the retaining wall, even if overhanging plants are present, to achieve a more naturalistic look. - Encouraged exploring options that work with the existing landscape and maintain a rural feel. **Pohl** - Highlighted the HDC's risk-averse nature and the need for tangible evidence rather than taking things on faith. - Suggested being cautious about assumptions related to the visibility of retainage and emphasized the importance of concrete information. - Encouraged considering alternatives and architectural solutions to mitigate the amount of retainage. - Mentioned the possibility of revisiting the issue with more context after the construction progresses. - Acknowledged the challenge of eliminating 100% of retainage but emphasized the goal of mitigation. - Supported the idea of expediting the process by presenting minimized retainage options in the next submission. - Reiterated the importance of providing concrete solutions that address the concerns raised during the discussion.
Motion:	**Motion to hold for revisions and additional information. (Made by: Welch) (01:55:26)**

Voting:	Pohl, Welch, Camp, Coombs, Patten			
Alternates:	Paul, Thornewill			
Recused:	Oliver			
Representative:	Joe Topham			
Documentation:	Architectural elevation plans, site plan, photos, correspondence, advisory comments.			
Staff Comments:	**Holly Backus,** Preservation Planner - Emphasized the importance of the west and north elevations, which face North Mill and Angola Street, respectively. - Recommended simplicity for the north elevation in the main block, avoiding gang windows or bay windows. - Suggested incorporating bay windows in the additive masses instead of the main block for historical appropriateness. - Discouraged the "creating history" component but acknowledged historical appropriateness for bay windows in additive masses around the 1920s. - Advocated for reducing the height of the gable and rear mass, acknowledging the appreciated reduction in the middle mass's ridge height. - Expressed concern about the visibility of ganged French doors on the south elevation from North Mill and stressed appropriateness if screened from public view.			
Public Comments:	**Mickey Rowland,** Historic Structures Advisory Group - Pointed out that the sighting of the garage remains a problem due to its proximity to North Mill Street, suggesting a solution by rotating the house to face Angola Street. - Advocated for facing Angola Street to address the alignment issue with the adjacent building at 12 Angola Street, creating a more orderly appearance. - Mentioned that facing Angola Street would result in the low addition to the right of the main mass softening the corner view, as it would be facing the intersection of the two streets. - Criticized the architecture of the connector piece, stating that it does not follow typical additive massing for the Old Historic District (OHD) and suggested correcting it to telescope down more naturally. - Critiqued the saltbox roof on the south elevation, suggesting that it is facing the wrong way and proposing a symmetrical Gable with flush dormers for a more normal appearance. - Concurred with Holly's comment about inappropriateness of gang windows facing Angola Street. - Expressed disapproval of window wells on both sides facing both streets, stating that window wells are not appropriate in the Old Historic District when facing the street. **Ann Davis** - Expressed agreement with Mickey's comments and highlighted shared sentiments.

BY

	- Strongly advocated for the new house to follow the example set by the houses around the Garden of the Sea, emphasizing features such as window wells, ganged windows, and small additive masses that speak to the vernacular. - Stressed the importance of the new house aligning with the established architectural tone in the area.
Concerns:	**Camp** - Advocated for the front of the house to face Angola Street, emphasizing the visual appeal when the two houses are side by side. - Expressed unease with the appearance of the other house coming off North Mill, suggesting that side-by-side placement would look better. - Suggested a "broke back" style for the house facing North Mill, with a simpler and more historic telescoping back approach. - Noted concerns about competing gables in the current design and recommended a quieter facade with a broke back design. - Proposed simple and old-fashioned Federal style windows for a more historically accurate appearance. - Emphasized the prominence of the location and the belief that simplicity is key to achieving a more appealing and historic look. **Welch** - Appreciated the success of the box window in the design. - Mentioned incongruity with a typical connector and expressed openness to alternative images or suggestions regarding the dormer. - Emphasized the need to simplify fenestration or eliminate the dormer. - Discussed potential design options for the north-south orientation, considering variations in gable styles and their impact on the overall appearance. - Acknowledged the diversity of structures in the Nantucket historic district, highlighting the importance of appropriateness rather than strict adherence to typical styles. - Expressed a pragmatic approach, recognizing that a variety of structures contributes to the character and setting of the area. **Coombs** - Stressed the importance of considering appropriateness based on the location, mentioning that what works on North Liberty Street may not be suitable for Angola Street. - Inquired about the screening of three mold windows on the first floor, expressing concerns about their heaviness for the house. - Suggested breaking apart the three mold windows if visibility from Angola is an issue. - Discussed the idea of turning the front door to face Angola Street, with Joe explaining that North Mill is expected to be the predominant street. - Expressed agreement with Joe's reasoning for having the frontage face North Mill. - Raised a concern about the shed dormer on the right side of the west elevation, suggesting its removal. - Asked about the elevation going up the street and whether it follows the natural contour or is softer. - Encouraged the separation of triple windows and two windows on the north elevation to provide a more authentic and fitting appearance. - Recommended separating the windows by about a foot for a more historical feel. **Patten** - Expressed appreciation for the west elevation, which will face North Mill Street. - Indicated support for the minor revisions suggested by Stephen. - Overall, expressed satisfaction with the design, stating that it looks good. **Pohl** - Not concerned about the reverse saltbox design, finding it reasonable and functional. - Requested the removal of the light well on the main mass facing North Mill, as it is positioned on the formal front face of the building. **Welch** - Requested suggestions for modifications to the dormer fenestration configuration to improve its overall appearance. **Pohl** - Mentioned not liking the shingle course between the two windows. **Topham** - Confirmed the suggestion and acknowledged the possibility of changing the configuration to a three-light ganged window. **Camp**

RECEIVED JAN 30 2024

	- Advised making the fenestration on the main mass more consistent to potentially create the impression of a front-facing building, considering the bumped-out window might otherwise give the appearance of a side-facing structure.
Motion:	**Motion to approve, with Exhibit A (through staff) focusing on the North elevation, in addition the connector triple set double-hung windows will be made the same size as the A-windows; the dormer will have a top plate header, a slightly lower roof mass, no corner boards, and triple windows; and the window in the center will be on the center line of the window below. (Made by: Welch) (02:39:55)**
Roll-Call Vote:	Carried – 3:2 // Pohl, Welch, Patten (Aye) // Camp, Coombs (Nay) — Certificate #HDC2023 – **03-8052**

Voting:	Pohl, Welch, Camp, Coombs, Patten
Alternates:	Paul, Thornewill
Recused:	Oliver
Representative:	Joe Topham
Documentation:	Architectural elevation plans, site plan, photos, correspondence, advisory comments.
Staff Comments:	**Holly Backus,** Preservation Planner - The site plan needs revision without the connector between the two infill lots. - Consider reducing the height of the connector if possible. - The connector should be pushed back further from the facade of the main home. - Garage doors for both infill lots should be windowless, carriage-style doors, or baton doors. - The fenestration and dormers seem odd; consider smaller dormers and windows more in line with the neighborhood.
Public Comments:	**Mickey Rowland,** Historic Structures Advisory Group - Noted that the garage is nearly parallel to the facade of the house. - Referred to "Building With Nantucket in Mind" and suggests pushing the garage to the back of the lot. - Encouraged consistency in the Commission's approach regarding the placement of garages, particularly in the old historic district.
Concerns:	**Welch** - Agreed with the concern about the distance from the street for the garage and expresses appreciation for the door choice, finding it appropriate. **Camp** - Agreed with the concern about the garage's proximity to the main house and suggested simplifying the front fenestration and doors, opting for a simpler garage door with batten doors, and possibly a smaller, simpler window above. **Patten** - Agreed with the suggestions to push the garage back, possibly bring it down a bit, and eliminate windows on the garage doors. **Coombs and Pohl** - Concurred with the previous comments. **Topham** - Explored the possibility of bringing the house forward to address some of the issues. - Mentioned a 9-foot separation between the two structures and proposed having the garage gable four feet back from the secondary mass. - This adjustment would have created a more even stagger and resulted in the garage being approximately 20 feet off the street. - Expressed the challenge posed by the 10-foot front setback requirement in the zoning regulations.
Motion:	**Motion to approve, with Exhibit A (through staff) to remove the deck from the site plan, shift the garage back from the street by 7 feet, and specify the garage doors to be of "B-Groove" style. (Made by: Welch) (02:51:33)**

General Notes

1. Contractor to review all tempered glass requirements and to incorporate into window order as required by code.
2. Contractor will verify all rough opening sizes and quantities on site during rough framing, & before placing window order.
3. All windows and doors will be double glazed w/5/8" SDL by Marvin Window Co. Provide Low E Storm glass panel, typ. Muntin config. as shown on drawings. Min. U-value of .29 and DP30 Rated.
4. Mount storm screen units on blind stop.
5. Provide all windows, including sidelights, transoms, and fixed windows, with storm/screens by Marvin color to match note above.
6. Crowley Entry door will be flat panel, 1 3/4" thick mahogany (single glaze) with mahogany threshold. Oil thresholds after installation.
7. Sizes with equal sash that meet or exceed clear opening area of 3.7 sq. ft., clear opening width of 20" and clear opening height of 24".
8. All exterior doors will be provided with custom mahogany storm screen doors (except Front Entry door), including French doors.
9. No finger joints on casings or sill. Back primed jamb, casing and sill.
10. Minimum Rough Opening dimensions may need to be increased to allow for use of building wraps, flashing, sill panning, brackets, fasteners or other items.

CERTIFICATE NO: _____ DATE ISSUED: 5/21/24

HDC2024-04-10333

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Re: Question on your sketch

1 message

Joseph Topham <joseph@tophamdesignack.com>
To: Robert Sarkisian <robert@islandpropertiesre.com>

Robert,

What are you guys talking about?

I gave you HDC dimensions from my Architectural Drawings that were submitted with every drawing set to the PLUS Department so as not to provide two different dimensions. Malloy elevations' heights are very close to mine but off by 1/2", plus or minus. If the HDC is going top finish floor difference, then it is time for me to leave the profession.

Here is the breakdown, to which I have the breakdown in side-by-side columns, with dimension in decimal points and feet and inches, and the variable. I hope it makes complete sense to you and Genadi.

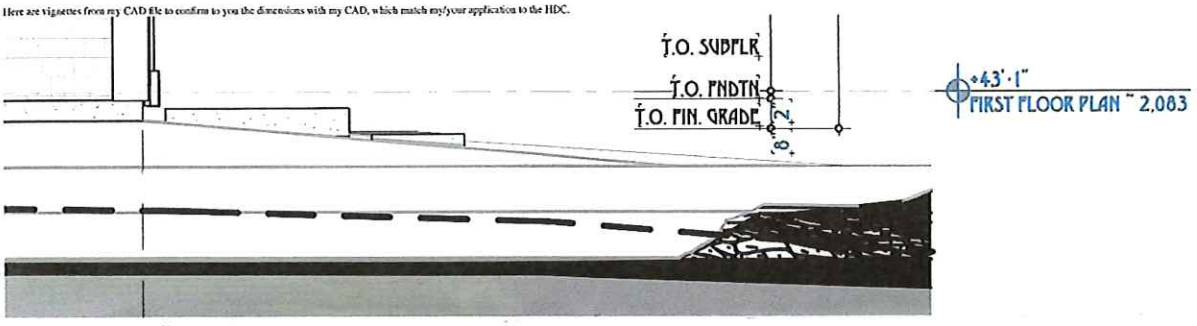
	SITE ENGINEERING - DAN MULLOY ELEVATION IN FEET DECIMALS	TOPHAM DESIGN, LLC ELEVATION IN FEET DECIMALS	SITE ENGINEERING - DAN MULLOY ELEVATION IN FEET & INCHES	TOPHAM DESIGN, LLC ELEVATION IN FEET & INCHES	COMMENTS
TOP OF FINISH FLOOR (TFF)	43.1'+/- (PROVIDED TO HDC)	43.14'+/- (NOT PROVIDED TO HDC)	43'-1 3/16"+/- (PROVIDED TO HDC)	43'-1 3/4"+/- (NOT PROVIDED TO HDC)	1/2"+/- OR WITHIN ALLOWABLE (R
TOP OF FIRST FLOOR SUBFLOOR	43.03'+/- (NOT PROVIDED TO HDC)	43.08'+/- (PROVIDED TO HDC)	43'-0 7/16"+/- (NOT PROVIDED TO HDC)	43'-1"+/- (PROVIDED TO HDC)	1/2"+/- OR WITHIN ALLOWABLE (R
TOP OF FOUNDATION MUDSILL ELEVATION (TFE)	42.85' +/- (PROVIDED TO HDC)	42.91'+/- (NOT PROVIDED TO HDC)	42'-10 3/16"+/- (PROVIDED TO HDC)	42'-11"+/- (NOT PROVIDED TO HDC)	13/16"+/- OR WITHIN ALLOWABLE
TOP OF FINISH GRADE (TFG)	42.0'+/- (PROVIDED TO HDC)	42.0'+/- (PROVIDED TO HDC)	42'-0"+/- (PROVIDED TO HDC)	42'-0"+/- (PROVIDED TO HDC)	0"+/- OR WITHIN ALLOWABLE (ref.

Here is the definition of allowable tolerances from the Portland Cement/ Concrete book, which I used during my college studies:
FOUNDATION/ RETAINING WALLS: A "margin of error" when pouring a foundation refers to the acceptable range of deviation from the exact planned dimensions of the foundation, usually specified in inches, within which the concrete pour is considered acceptable and mee "tolerance" allowed for slight variations in measurements during construction, ensuring the foundation remains structurally sound even with minor discrepancies.

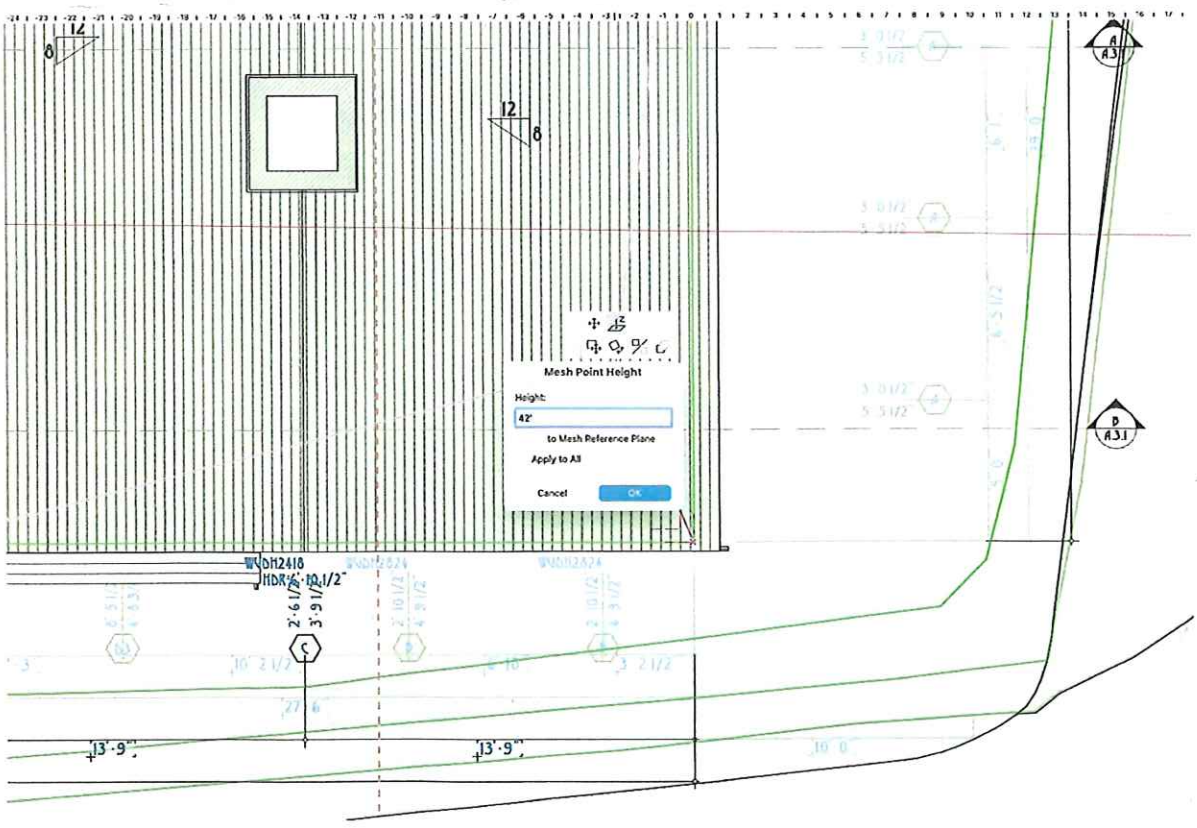
Key points about margin of error in foundation pouring:

- Depends on building codes and project specifics:
  (1) Local building codes and the complexity of the project will determine the acceptable margin of error

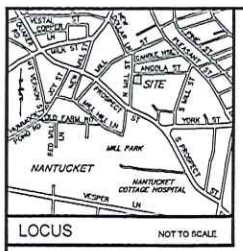
• Typical tolerances:
(2) For residential construction, a margin of error for foundation dimensions might be ***around 1/2 inch to 1 inch in levelness and alignment.***



LANDSCAPING: A "margin of error" for landscaping elevations typically refers to a small, acceptable range of deviation from the planned elevation, usually could be ***around 1-2 inches depending on the project complexity*** and desired precision.



But if I am an educator for Genadi, on concrete tolerances, you are in a bad place and he is way, way over his toes. But stop right here for minute; if I hear one comment coming back to me that Genadi is bad-mouthing me or my drawing, inform him I will schedule a sit-down wit where he has slandered my name and my drawings.



To educate you, my friend; to an experienced, well-seasoned framer can mean either to finish of finish floor or top of the subfloor. Each local framer uses their own standard, and different architectural firms or engineering firms use different standards. For your house, that is a tole

At every site meeting with a framer review common definitions to confirm we use same definitions during construction. Because Policarpa Cruz, or Dwuane Minto, or Gordon Jones, or Santos Chinchilla use different terms more common to their language, so I adapt preferred to be ***1/8 inch and a max of 1/4 inch.*** Interior finishes tolerances are preferred to be ***1/32 inch and a max of 1/8 inch.***

Here are vignettes from my CAD file to confirm to you the dimensions with my CAD, which match my/your application to the HDC.

Window & Exterior Door Schedule

May 9, 2023

MARVIN Window Schedule

All Windows to be Marvin - Ultimate Double-Hung, Fixed or Awning style units as noted per schedule. All units to be White 7/8" Simulated Divided Light w/Spacer Bar.
Double-Hungs to have White Sash Locks only, no finger or sash pulls. Awnings to have White Tilt-Turn type handles. All exterior window casings to be 5/4X4 Red Cedar side casing & 5/4X6 head casing per drawings.
All screens to be bronze screen framed, with Hi Transparency mesh screening. Full screens to match on Awnings.
Interiors to be primed Wood. Contractor to determine all jamb widths and extension jamb needs where necessary.

NO.	Type	Manuf	Frame Size	Rough Opening	Lights	Comments
A	Double-Hung	Marvin	2'-11 3/8" x 5'-5"	3'-0 3/8" x 5'-5 1/2"	6 Over 6	WUDH3028 E
A3	Double-Hung-3W	Marvin	2'-11 3/8" x 5'-5"-3W	8'-11 1/8" x 5'-5 1/2"	6 Over 6	WUDH3028 E-3W
B	Double-Hung	Marvin	2'-9 3/8" x 4'-9"	2'-10 3/8" x 4'-9 1/2"	6 Over 6	WUDH2824
D	Double-Hung	Marvin	2'-5 3/8" x 3'-9"	2'-6 3/8" x 3'-9 1/2"	6 Over 6	WUDH2418
F	Awning/Push Out	Marvin	2'-8" x 2'-8 1/16"	2'-9" x 2'-8 9/16"	6	UWAWN 3232
G2	Awning/Push Out-2W	Marvin	2'-8" x 2'-4 1/16"-2W	5'-5" x 2'-4 9/16"	6	UWAWN 3228-2W

Exterior Door Schedule

Marvin Exterior Doors, swing per plan. All exterior surfaces to be Painted Hamilton Blue, Benjamin Moore. Hinged doors to have Baldwin, Swinging Multi Point locking hardware, in Stainless Steel. All units interior to be painted White. Hinged doors to have Swinging Multi Point locking hardware, in Stainless Steel. All exterior door casings to be 5/4X4 mahogany side casing & 5/4X6 head casing per drawings.
Provide Adjustable Hinges in Stainless Steel. Provide Mahogany Swinging Screen doors, Bronze Screening.
Contractor to determine all jamb widths and extension jamb needs where necessary.

NO.	Location/Type	Manuf	Slab Size	Rough Opening	Lights	Comments
1	Front	Upstate Door	3'-4" x 7'-6"	3'-7" x 7'-9"	6 Pnl	to be Upstate Dr or Nantucket Millworks, Inc, Mahogany
2	Side/French	Upstate Door	3'-0" x 7'-8"	3'-3" x 7'-11"	9 Lt/1 Pnl	to be Upstate Dr or Nantucket Millworks, Inc, Mahogany
3	Side/French	Upstate Door	2'-8" x 7'-8"	2'-11" x 7'-11"	12 Lt/1 Pnl	to be Upstate Dr or Nantucket Millworks, Inc, Mahogany
4	Ultimate Sliding French	Marvin	3'-0" x 7'-8"-4W	12'-0" x 7'-9"	12 Lt/1 Pnl	WUSF14492
5	Basement	Upstate Door	2'-8" x 6'-10"	2'-11" x 7'-0 1/2"	4 Pnl	to be Upstate Dr or Nantucket Millworks, Inc, Mahogany
6	Garage Overhead	Custom	9'-0" x 8'-0"	9'-2" x 8'-2"	8+8	Faux Dbl 4'-6" x 8'-0" 8 Lt 1 Pnl

General Notes

1. Contractor to review all tempered glass requirements and to incorporate into window order as required by code.
2. Contractor will verify all rough opening sizes and quantities on site during rough framing, & before placing window order.
3. All windows and doors will be double glazed w/5/8" SDL by Marvin Window Co. Provide Low E Storm glass panel, typ. Muntin config. as shown on drawings. Min. U-value of .29 and DP30 Rated.
4. Mount storm screen units on blind stop.
5. Provide all windows, including sidelights, transoms, and fixed windows, with storm/screens by Marvin color to match note above.
6. Crowley Entry door will be flat panel, 1 3/4" thick mahogany (single glaze) with mahogany threshold. Oil thresholds after installation.
7. Sizes with equal sash that meet or exceed clear opening area of 3.7 sq. ft., clear opening width of 20" and clear opening height of 24".
8. All exterior doors will be provided with custom mahogany storm screen doors (except Front Entry door), including French doors.
9. No finger joints on casings or sill. Back primed jamb, casing and sill.
10. Minimum Rough Opening dimensions may need to be increased to allow for use of building wraps, flashing, sill panning, brackets, fasteners or other items.

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

RECEIVED
JAN 30 2024
By

	- Shared a similar situation at their house with a steep hill. - Suggested having the first retaining walls in the back be two and a half to three feet and then letting the rest of the hill remain natural. - Express a preference for a naturalistic approach with grasses or vegetation that grows naturally. - Proposed considering an alternative where the garage doors are present, but the space is not used for parking, allowing for a more gradual and natural cut into the grade with stone steps. - Recommended breaking up the consistency of the retaining wall, even if overhanging plants are present, to achieve a more naturalistic look. - Encouraged exploring options that work with the existing landscape and maintain a rural feel. **Pohl** - Highlighted the HDC's risk-averse nature and the need for tangible evidence rather than taking things on faith. - Suggested being cautious about assumptions related to the visibility of retainage and emphasized the importance of concrete information. - Encouraged considering alternatives and architectural solutions to mitigate the amount of retainage. - Mentioned the possibility of revisiting the issue with more context after the construction progresses. - Acknowledged the challenge of eliminating 100% of retainage but emphasized the goal of mitigation. - Supported the idea of expediting the process by presenting minimized retainage options in the next submission. - Reiterated the importance of providing concrete solutions that address the concerns raised during the discussion.
Motion:	**Motion to hold for revisions and additional information. (Made by: Welch) (01:55:26)**
Roll-Call Vote:	Carried – 5:0 // Pohl, Welch, Coombs, Camp, Thornewill — Certificate #HDC2023 – 09-8496

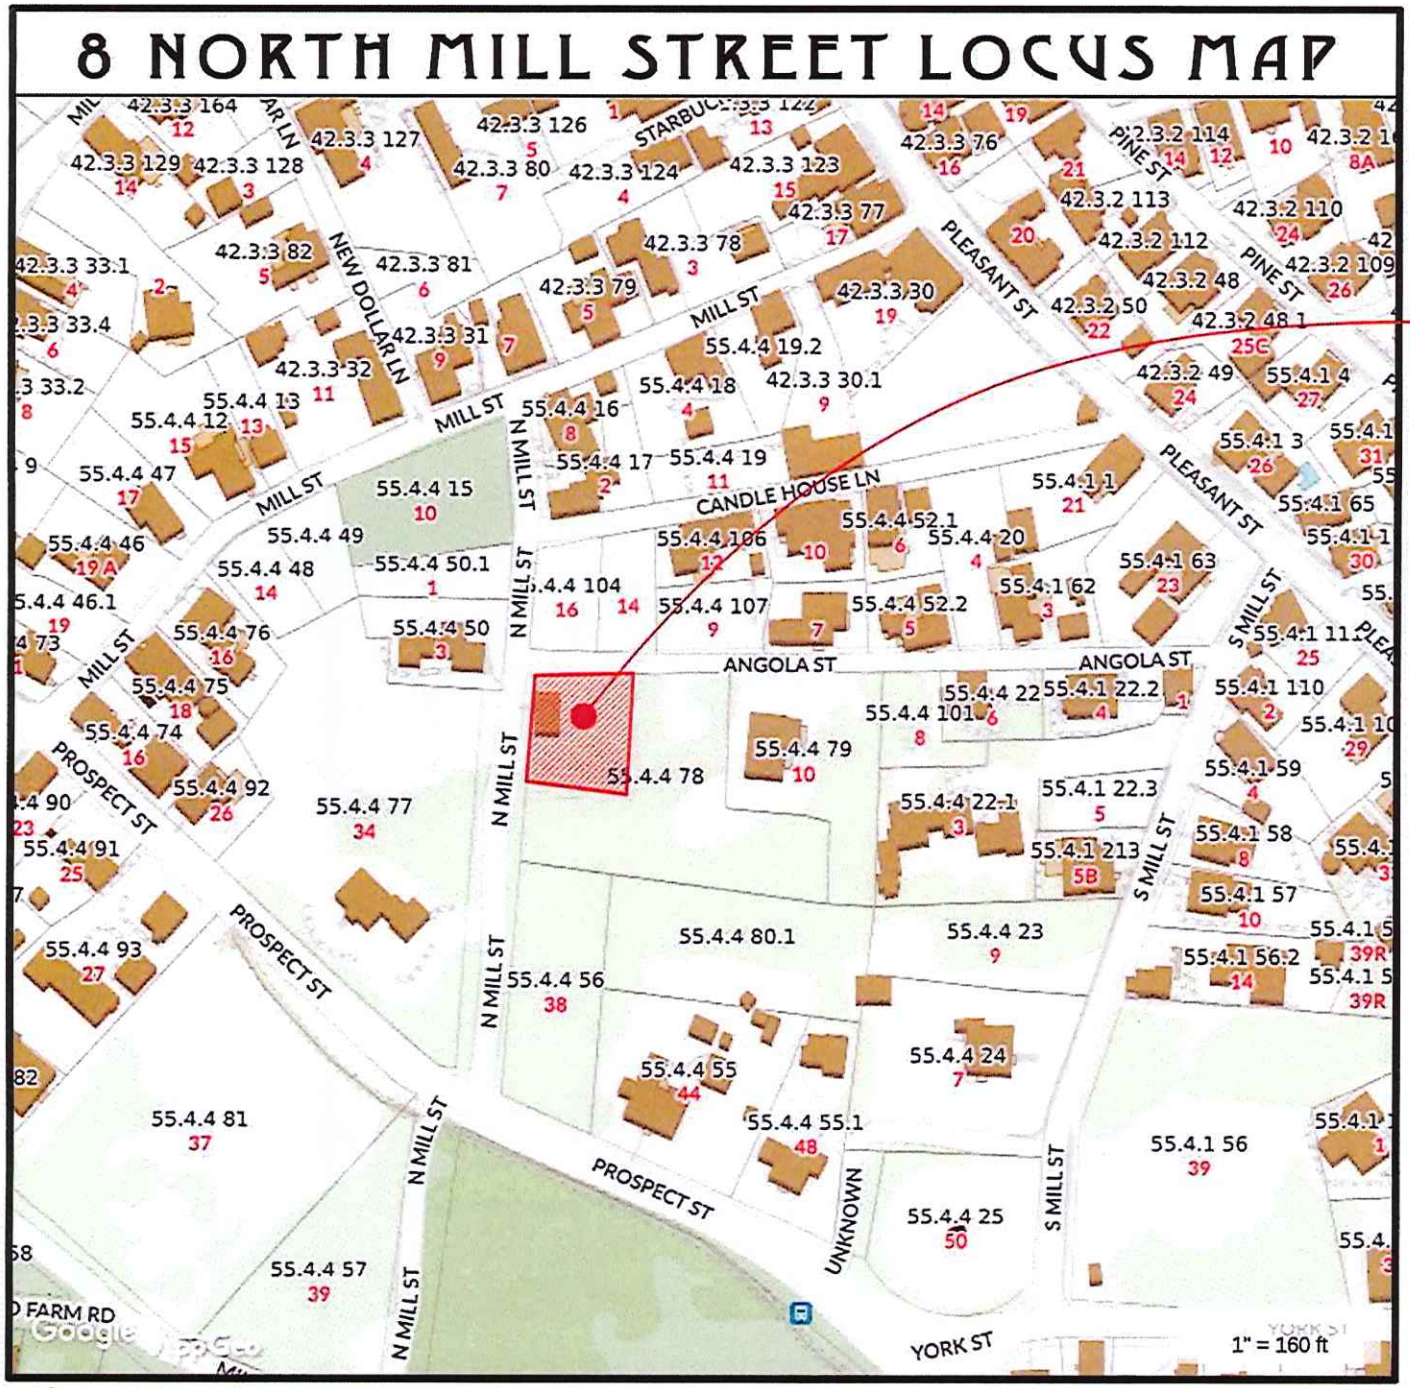
6. Robert Sarkisian 03-8052	8 North Mill St	MH addition & alterations	55.4.4/78.2	Topham Designs
Voting:	Pohl, Welch, Camp, Coombs, Patten			
Alternates:	Paul, Thornewill			
Recused:	Oliver			
Representative:	Joe Topham			
Documentation:	Architectural elevation plans, site plan, photos, correspondence, advisory comments.			
Staff Comments:	**Holly Backus,** Preservation Planner - Emphasized the importance of the west and north elevations, which face North Mill and Angola Street, respectively. - Recommended simplicity for the north elevation in the main block, avoiding gang windows or bay windows. - Suggested incorporating bay windows in the additive masses instead of the main block for historical appropriateness. - Discouraged the "creating history" component but acknowledged historical appropriateness for bay windows in additive masses around the 1920s. - Advocated for reducing the height of the gable and rear mass, acknowledging the appreciated reduction in the middle mass's ridge height. - Expressed concern about the visibility of ganged French doors on the south elevation from North Mill and stressed appropriateness if screened from public view.			
Public Comments:	**Mickey Rowland,** Historic Structures Advisory Group - Pointed out that the sighting of the garage remains a problem due to its proximity to North Mill Street, suggesting a solution by rotating the house to face Angola Street. - Advocated for facing Angola Street to address the alignment issue with the adjacent building at 12 Angola Street, creating a more orderly appearance. - Mentioned that facing Angola Street would result in the low addition to the right of the main mass softening the corner view, as it would be facing the intersection of the two streets. - Criticized the architecture of the connector piece, stating that it does not follow typical additive massing for the Old Historic District (OHD) and suggested correcting it to telescope down more naturally. - Critiqued the saltbox roof on the south elevation, suggesting that it is facing the wrong way and proposing a symmetrical Gable with flush dormers for a more normal appearance. - Concurred with Holly's comment about inappropriateness of gang windows facing Angola Street. - Expressed disapproval of window wells on both sides facing both streets, stating that window wells are not appropriate in the Old Historic District when facing the street. **Ann Davis** - Expressed agreement with Mickey's comments and highlighted shared sentiments.			

RECEIVED
JAN 30 2024

	- Strongly advocated for the new house to follow the example set by the houses around the Garden of the Sea, emphasizing features such as window wells, ganged windows, and small additive masses that speak to the vernacular. - Stressed the importance of the new house aligning with the established architectural tone in the area.
Concerns:	**Camp** - Advocated for the front of the house to face Angola Street, emphasizing the visual appeal when the two houses are side by side. - Expressed unease with the appearance of the other house coming off North Mill, suggesting that side-by-side placement would look better. - Suggested a "broke back" style for the house facing North Mill, with a simpler and more historic telescoping back approach. - Noted concerns about competing gables in the current design and recommended a quieter facade with a broke back design. - Proposed simple and old-fashioned Federal style windows for a more historically accurate appearance. - Emphasized the prominence of the location and the belief that simplicity is key to achieving a more appealing and historic look. **Welch** - Appreciated the success of the box window in the design. - Mentioned incongruity with a typical connector and expressed openness to alternative images or suggestions regarding the dormer. - Emphasized the need to simplify fenestration or eliminate the dormer. - Discussed potential design options for the north-south orientation, considering variations in gable styles and their impact on the overall appearance. - Acknowledged the diversity of structures in the Nantucket historic district, highlighting the importance of appropriateness rather than strict adherence to typical styles. - Expressed a pragmatic approach, recognizing that a variety of structures contributes to the character and setting of the area. **Coombs** - Stressed the importance of considering appropriateness based on the location, mentioning that what works on North Liberty Street may not be suitable for Angola Street. - Inquired about the screening of three mold windows on the first floor, expressing concerns about their heaviness for the house. - Suggested breaking apart the three mold windows if visibility from Angola is an issue. - Discussed the idea of turning the front door to face Angola Street, with Joe explaining that North Mill is expected to be the predominant street. - Expressed agreement with Joe's reasoning for having the frontage face North Mill. - Raised a concern about the shed dormer on the right side of the west elevation, suggesting its removal. - Asked about the elevation going up the street and whether it follows the natural contour or is softer. - Encouraged the separation of triple windows and two windows on the north elevation to provide a more authentic and fitting appearance. - Recommended separating the windows by about a foot for a more historical feel. **Patten** - Expressed appreciation for the west elevation, which will face North Mill Street. - Indicated support for the minor revisions suggested by Stephen. - Overall, expressed satisfaction with the design, stating that it looks good. **Pohl** - Not concerned about the reverse saltbox design, finding it reasonable and functional. - Requested the removal of the light well on the main mass facing North Mill, as it is positioned on the formal front face of the building. **Welch** - Requested suggestions for modifications to the dormer fenestration configuration to improve its overall appearance. **Pohl** - Mentioned not liking the shingle course between the two windows. **Topham** - Confirmed the suggestion and acknowledged the possibility of changing the configuration to a three-light ganged window. **Camp**

RECEIVED JAN 30 2024

	- Advised making the fenestration on the main mass more consistent to potentially create the impression of a front-facing building, considering the bumped-out window might otherwise give the appearance of a side-facing structure.
Motion:	**Motion to approve, with Exhibit A (through staff) focusing on the North elevation, in addition the connector triple set double-hung windows will be made the same size as the A-windows; the dormer will have a top plate header, a slightly lower roof mass, no corner boards, and triple windows; and the window in the center will be on the center line of the window below. (Made by: Welch) (02:39:55)**
Roll-Call Vote:	Carried – 3:2 // Pohl, Welch, Patten (Aye) // Camp, Coombs (Nay) — Certificate #HDC2023 – 03-8052



7. Robert Sarkisian- 11-9406 — 8 North Mill St — Free Standing Studio/ Garage — 55.4.4/78.2 — Topham Designs

Voting:	Pohl, Welch, Camp, Coombs, Patten
Alternates:	Paul, Thornewill
Recused:	Oliver
Representative:	Joe Topham
Documentation:	Architectural elevation plans, site plan, photos, correspondence, advisory comments.
Staff Comments:	**Holly Backus,** Preservation Planner - The site plan needs revision without the connector between the two infill lots. - Consider reducing the height of the connector if possible. - The connector should be pushed back further from the facade of the main home. - Garage doors for both infill lots should be windowless, carriage-style doors, or baton doors. - The fenestration and dormers seem odd; consider smaller dormers and windows more in line with the neighborhood.
Public Comments:	**Mickey Rowland,** Historic Structures Advisory Group - Noted that the garage is nearly parallel to the facade of the house. - Referred to "Building With Nantucket in Mind" and suggests pushing the garage to the back of the lot. - Encouraged consistency in the Commission's approach regarding the placement of garages, particularly in the old historic district.
Concerns:	**Welch** - Agreed with the concern about the distance from the street for the garage and expresses appreciation for the door choice, finding it appropriate. **Camp** - Agreed with the concern about the garage's proximity to the main house and suggested simplifying the front fenestration and doors, opting for a simpler garage door with batten doors, and possibly a smaller, simpler window above. **Patten** - Agreed with the suggestions to push the garage back, possibly bring it down a bit, and eliminate windows on the garage doors. **Coombs and Pohl** - Concurred with the previous comments. **Topham** - Explored the possibility of bringing the house forward to address some of the issues. - Mentioned a 9-foot separation between the two structures and proposed having the garage gable four feet back from the secondary mass. - This adjustment would have created a more even stagger and resulted in the garage being approximately 20 feet off the street. - Expressed the challenge posed by the 10-foot front setback requirement in the zoning regulations.
Motion:	**Motion to approve, with Exhibit A (through staff) to remove the deck from the site plan, shift the garage back from the street by 7 feet, and specify the garage doors to be of "B-Groove" style. (Made by: Welch) (02:51:33)**
Roll-Call Vote:	Carried – 5:0 // Pohl, Welch, Coombs, Patten (Aye) // Camp (Nay) — Certificate # HDC2023–11-9406

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

$100 3. **Application Fee**: See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

X 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

X 2. **Exterior Elevations and Floor Plans (4 copies):** Must be **¼ inch** scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** . All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

X 3. **As-Built Plans (1copy):** of existing elevations

X 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

X 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

X 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

PL (initial to indicate read and understand) 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

X 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

HISTORIC DISTRICT COMMISSION

2 Fairgrounds Road
Nantucket, Massachusetts 02554
Telephone: 508.325.7587 Fax: 508.228.7298

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 2 Dukes Road

Tax Map Number: 41 Parcel Number: 187

Owner of Record: Dukes Road Trust; Steven Cohen Trustee

Description of Proposal: Demolish existing dwelling

Anticipated HDC Submission Date: January 13, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.

For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

Schustik: Shantyman returns for music series

(Continued from page 5B)

Series is scheduled for Thursdays through Sept. 7. Each week, a different island band will showcase their own selection of shanties and folk songs. The last night will be a performance by Schustik himself and his collection of Nantucket songs and stories, which he has been gathering throughout his career.

He is partial to a story about Ichabod Paddock, a folk tale he often tells. Paddock was brought to Nantucket by the Quakers to teach them how to kill whales, and Schustik's favorite legend about the whale hunter involves a love story.

"He falls in love with a witch that lives inside a whale, and the whale is Crookjaw, who lives out of Nantucket Sound," he said.

The whale is enchanted so that Paddock cannot kill it, and every harpoon he casts glances off. Paddock's wife begins to realize that her husband is out long hours, but doesn't seem to be killing any whales. She creates a harpoon made of silver and instructs Paddock to strike Crookjaw with the silver harpoon. What the hunter doesn't know is that the silver will break the enchantment.

"He's out there, and he has to go after Crookjaw, but he figures that they're close enough friends, the whale's going to understand that (the harpoon) is going to glance off. He casts it. It doesn't glance off, it goes through the heart," Schustik said, choking up. "For me, it's an allegory of life. He kills what he loves the most, but he doesn't know."

He tells this story and sets it to instrumentals, following the emotional ups and downs, creating the "narrative." He has other performances that involve songs with lyrics, filled with allusions to the island, stories of mills and fog, northeast winds and far-off shores. One of his original songs, called "Going Home," is written about Nantucket.

"For home's a place I'm going to/or often coming from/where friends still greet you in the street/and know that you've been gone," the song goes.

"I was walking up the street (the other day), and thinking everything has so changed. And I heard this voice literally saying, 'welcome home, Bill'."

While Schustik didn't grow up on Nantucket, he said that it holds a special place in his heart, helping him to hone his craft and giving him opportunities he wouldn't have found elsewhere. And, coming to the island for over six decades, he has seen it change with the tides.

"I just had my first drive around places that I remember as open moors and forest and now is intense urbanization scattered throughout. I'm still getting over it, I really am," he said.

Another song Schustik loves to sing is Allen Bell's "Windmills," which is one of the troubadour's Nantucket favorites. He will be performing it on Sept. 7, guitar in hand and crooning vocals.

"Around and around and around/go the big sails turning the shaft/and the great wooden wheels/creaking and groaning/the millstones kept turning/grinding to flour/the great corn of the fields," the song goes.

"It goes on about these ships of land, and their sails. That, to me, is high mass. Singing that song with the double bass and violin and people just singing. It's a religious experience," he said.

Though he doesn't plan to retire any time soon, the "realities" have been catching up to him, Schustik said. He has a hard time playing steel-string guitars, which brought him back to the classical guitar he started singing with, all those years ago at the Jared Coffin House.

Thankfully for Schustik, this career was never built on guitar chords. It was built on love.

"I've had a very lucky life. I'm not rich or anything, but, boy, the people I've met, the people I've touched and that have touched me. It's a two-way street, as a troubadour to an audience. It all becomes larger than the song, because of the energy of the audience and the spirit that comes out of that. It's metaphysical," he said. "In a way, I'll do it until I can't. You can't retire from something you love. Otherwise you die."

Skyward: New telescope creating 3D models

(Continued from page 5B)

ly smaller than the 21-foot diameter mirror of NASA's James Webb telescope. While Euclid is smaller, its strength is the very large field of view of its cameras, one in the visible and one in the infrared.

In a single shot, the telescope will observe a patch of sky approximately equal to the size of two full moons

of dark matter and dark energy.

Together, dark matter and dark energy make up about 95 percent of the mass and energy in our universe. Yet we do not know what they are.

One of the major goals of the Euclid mission is to use weak gravitational lensing to better understand the distribution of dark matter in the

tant galaxy, creating multiple images of that distant galaxy or stretching its light out into a dramatic arc. This effect is dubbed strong gravitational lensing.

The same principle applies on a smaller scale, either when the foreground mass is smaller or farther away, in projection, from the background galaxy. Instead of creating a large arc or multi-

ent to the shape of the galaxy itself, is a challenge.

With a large enough sample of background galaxies, however, one can use statistics to measure the weak lensing signal across a large field of view. This is what makes weak lensing such a powerful technique. It enables the study and mapping of matter on the largest, cosmological scales.

Nantucket, MA 02554

RE: 3 Pops Lane Trust – Old Business

Dear Commissioners,

Attached are the revised drawings for the new structures proposed for 3 Pops Lane. At your July 16th meeting you approved the move-off of the existing primary dwelling and demo/ move of the existing garage/ studio.

At the January 14th, 2025 meeting, comments on our revisions for the proposed main house were provided.

- Appreciate the height of the building and the massing
- Questioned the gable forward approach
- Alter connectors – do they need to be all glass?
- Concerned about the +/- grade difference – concerned with a 2 ft. grade change
- Concerned about the large glass sliding doors on the primary bedroom façade and the living room façade facing Hither Creek
- Suggest anti reflective coating / film on glass facing Hither Creek
- Great layering and separation between masses – greenery can be seen through the structure from the North
- Requested site sections to understand how these structures are communicating – (1) middle of guest house & (1) middle of main house
- Still consider this a successful application
- Good file optimization
- Concerned about character and setting and how this could potentially become trend setting in this area
- Hold for revisions on grading and sections

We look forward to your consideration of these revisions.

Thank you,

Mark Cutone

Mr. Stephen Welch, Chair
Historic District Commission
2 Fairgrounds Road
Nantucket, MA 02554

Re: Application for Property Located at 3 Pops Lane, Nantucket, MA 02554

Dear Mr. Welch:

My firm represents Michael R. Kizilbash ("Michael") and Nancy Dubuc Kizilbash ("Nancy") with their estate planning.

On September 20, 2021, Michael and Nancy established The Pop's Lane Holdings Trust dated September 20, 2021 (the "Trust"). The Trust names Matthew Burke as trustee (the "Trustee") of the Trust and is for the benefit of Nancy and Michael during their joint lives. The Trust is revocable and amendable by Nancy and Michael during their joint lives. The Trust currently holds title to the real property located at 3 Pops Lane a/k/a 329 Madaket Road, Nantucket, Massachusetts 02554 (the "Pops Lane Property"). Matthew Burke, as Trustee, is the owner of record of the Pops Lane Property.

On September 3, 2024, Nancy signed an Application to the Historic District Commission, Nantucket, Massachusetts, for a Certificate of Appropriateness for Structural Work (the "Application"), a copy of which is attached hereto. I understand that a concern was raised regarding Nancy's authority to do so.

By this letter, I am confirming that the Trustee has the power to delegate authority to Nancy to sign and submit the Application. Further, effective as of September 1, 2024 and until revoked, the Trustee has delegated to Nancy the authority to sign and submit said Application. A copy of said delegation is attached hereto. Accordingly, Nancy has the authority as the Trustee's agent to sign and submit the Application.

Also enclosed herewith are the Trustee's powers over the Trust and the Trustee's power to delegate duties pursuant to Paragraph 5.6 of the Trust.

THE POP'S LANE HOLDINGS TRUST
TRUSTEE DELEGATION

The Pop's Lane Holdings Trust dated September 20, 2021

WHEREAS, Matthew Burke ("Matthew") is the sole trustee (the "Trustee") of The Pop's Lane Holdings Trust dated September 20, 2021 (the "Trust");

WHEREAS, Paragraph 5.6 of the Trust, "Delegation of Duties," provides as follows:

> 5.6 Delegation of Duties. A Trustee may delegate to a Co-Trustee then acting or to one or more agents ministerial duties relating to the trusts. A Trustee or agent to whom such powers are delegated shall have the power to handle administrative matters of the trust, including, without limitation, all acts necessary with respect to the acquisition and transfer, of real and personal property of the trust (including financing documents, notes, mortgages and trust deeds), and to execute all documents in connection therewith; to open accounts of any type in one or more financial institutions; to authorize the deposit or withdrawal of funds from any or all of such accounts; and to sign checks on such accounts. Furthermore, a Trustee may delegate to a Co-Trustee then acting one or more non-ministerial duties and powers of all types relating to the trust. All individuals, transfer agents, corporations, financial institutions and other entities dealing with a Trustee or an agent pursuant to the provisions of this Paragraph 5.6 shall be relieved of all liability as a consequence of dealing with such Trustee or agent and shall not be under any responsibility to see to the performance of the trust hereunder.

WHEREAS, Matthew, as Trustee, wishes to delegate to Nancy Dubuc (also known as Nancy Dubuc Kizilbash) ("Nancy"), as agent, certain ministerial duties of the Trustee to the full extent permitted under Paragraph 5.6 of the Trust.

NOW THEREFORE, as of September 1, 2024 (the "Effective Date"):

1. Matthew hereby delegates to Nancy the power to unilaterally handle all administrative matters of the Trust, including, without limitation, all acts necessary with respect to the acquisition and transfer of real and personal property of the Trust (including financing documents, notes, mortgages and trust deeds), and to execute all documents in connection therewith; to open accounts of any type in one or more financial institutions; to authorize the deposit or withdrawal of funds from any or all of such accounts; and to sign checks on such accounts;

2. Pursuant to Paragraph 5.6 of the Trust, an act of Nancy, as agent of the Trustee to whom such duties and powers are delegated, shall be deemed to be the act of Matthew, in Matthew's capacity as Trustee.

3. All individuals, transfer agents, corporations, financial institutions and other entities dealing with Nancy, as agent of the Trustee, shall be relieved of all liability as a consequence of dealing with such agent and shall not be under any responsibility to see to the performance of the Trust hereunder.

This instrument shall be effective as of the Effective Date and shall remain in effect until revoked.

MATTHEW BURKE, Trustee of The Pop's Lane Holdings Trust dated September 20, 2021

ACKNOWLEDGMENT

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

STATE OF CALIFORNIA)
)
COUNTY OF Los Angeles)

On January 16, 2025, before me, Brian Sproule, a Notary Public, personally appeared MATTHEW BURKE, who proved to me on the basis of satisfactory evidence to be the person(s) whose name(s) is/are subscribed to the within instrument and acknowledged to me that he/she/they executed the same in his/her/their authorized capacity(ies), and that by his/her/their signature(s) on the instrument the person(s), or the entity upon behalf of which the person(s) acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

BRIAN SPROULE
Notary Public - California
Los Angeles County
Commission # 2371911
My Comm. Expires Sep 18, 2025

Signature

5.8.2 A Trustee who is an accountant, attorney, business manager, investment advisor or other professional shall not be disqualified from rendering professional services to the trust and being compensated on a reasonable basis therefor in addition to any compensation which he or she is otherwise entitled to receive as a Trustee; neither shall a firm with which a Trustee is associated as a partner, officer, principal, employee or in any other capacity be disqualified from dealing with, rendering services to or discharging duties for any such trust and being compensated therefor on a reasonable basis. The Trustors believe that it is in the best interests of the trust estate and the beneficiaries hereunder to permit dual compensation to be paid as provided in Subparagraphs 5.8.1, 5.8.2 and 5.8.3, and it is the Trustors' intent that the beneficiaries and the court having jurisdiction over this trust shall permit such dual compensation.

5.8.3 A Trustee who performs services in connection with the regular operations of any business, partnership, firm or corporation in which the trust is financially interested may be compensated for such services independently of his or her services as a Trustee hereunder. A firm with which a Trustee is associated, as aforesaid, may also be compensated for services performed in connection with such operations. Such compensation may be on the same basis as compensation paid for such services prior to a Trustor's death, including, without limitation, compensation based on a percentage of gross receipts, or on any other basis which such Trustee deem to be reasonable.

5.9 Power to Remove and Replace Trustees. Notwithstanding anything contained in this Article V, the Trustors, jointly, or if one Trustor is deceased or incapacitated, the Trustor able to act, shall have the power to remove and replace any then acting Trustee or any successor Trustee named hereunder. The removal and replacement of any then acting Trustee or any successor Trustee named hereunder shall be made by a written instrument filed by the Trustor with the then acting Trustee or successor Trustee, as the case may be, and shall require no action by any court having jurisdiction over the trust.

ARTICLE VI

POWERS OF TRUSTEE

6.1 General Powers. The Trustee hereunder shall have the powers accorded under the Estates, Powers and Trusts Law of the State of New York with respect to the trust hereunder and the property thereof. In extension and not in limitation of such powers, the Trustee shall have the following powers with respect to the trust hereunder, in each case to be exercised from time to time in their discretion without order of Court, primarily in the interest of the beneficiaries of the trust.

6.1.1 To manage, control, sell at public or private sale (with or without notice), convey, exchange, partition, divide, improve, repair; to grant or acquire options and to sell upon deferred payments; to abandon property or any interest therein; to lease for terms within or extending beyond the duration of any trust for any purpose including

exploration for and removal of gas, oil, or other minerals; to renew existing leases on the same or different terms; to enter into community oil leases; to cause any property to be registered or held of record in the name of the Trustee or in the name of a nominee, and to deposit securities with such nominee, or to retain any property without changing its recorded or registered owner with or without divulging the existence of the trust, or to hold securities unregistered in such condition that ownership will pass by delivery.

6.1.2 To purchase real property or personal property in connection with any such real property, to remodel or cause to be remodeled a residence and make other improvements of any kind on such real property; to subdivide and develop real property; to dedicate real property to public use; to make or obtain the vacation of plats and adjust boundaries; to adjust differences in consideration; to dedicate easements to public use without consideration; to grant easements, rights-of-way and other incorporeal rights; to create covenants and other restrictions that either run or do not run with the real property; to make improvements, structural or otherwise; to seek zoning, variance or non-conforming use permits; to perform all such other acts and to execute all documents necessary to implement the provisions of this Subparagraph 6.1.2.

6.1.3 Regardless of diversification and regardless of whether the property is income producing, to retain any real property acquired by the trust and to invest and reinvest the principal, and income if accumulated, and to retain, purchase or acquire any other kind of property, real, personal or mixed, and every kind of investment, including, without limitation, corporate obligations of every kind, stocks, preferred or common, mutual funds, trust deeds, mortgage participations and interests in investment trusts and companies.

6.1.4 To borrow money from any person or institution for temporary and permanent financing for the purchase of real property and for the remodeling of or improvements to a residence thereon, or for the construction of a residence and other improvements as to any real property included in the trust estate or for any other purpose, upon such terms and conditions as the Trustee deems proper, and to obligate the trust for repayment; to encumber any trust property by mortgage, deed of trust, pledge or otherwise for the sole or joint debt of the trust, using such procedures to consummate the transaction as the Trustee deems advisable; and to replace, renew or extend any encumbrance upon any real or personal property.

6.1.5 To carry insurance of such kinds and in such amounts as the Trustee, in his or her discretion, deems advisable, at the expense of the trust, to protect the trust estate and the Trustee personally against any hazard. However, the Trustee, in his or her capacity as Trustee, shall not be obligated to carry any insurance on any real or personal property and shall not be liable to any person or entity for not insuring or under-insuring any such real or personal property.

6.1.6 To employ any real estate agent, custodian, investment advisor, business manager, attorney, accountant or any other agents to assist the Trustee in his or

her administration of the trust and to rely on the advice given by these agents, without any liability for any action taken in good faith upon the advice of such counsel or in the appointment of any such agent, unless resulting from the Trustee's own bad faith or gross negligence.

6.1.7 To institute, compromise and defend claims, actions and proceedings at the expense of the trust during the trust term and after distribution of trust assets; provided, however, that the Trustee shall have no obligations or duties with respect to any such matters occurring after distribution of trust assets unless the Trustee has been adequately indemnified by the distributees for any loss in connection with such matters.

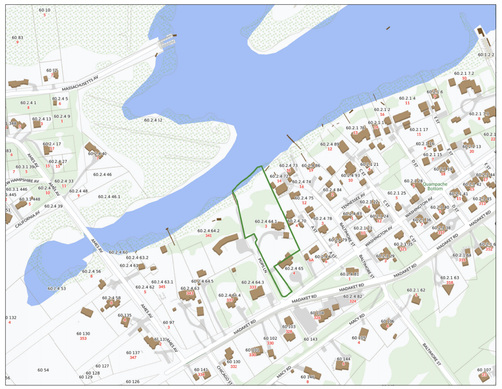
6.1.8 To release in whole or in part or to restrict the scope of any power that a Trustee may hold in connection with the trust, by written instrument specifying the powers to be released or restricted and the nature of any such restriction, whereupon any released power shall pass to and be exercised by the other then acting Trustee or Trustees who have not released such power, or, if none, shall be exercised by the next-designated Trustee. If there is no next-designated Trustee or if none of the foregoing persons accept such released power, it shall be void.

6.1.9 To execute a promissory note of a Trustor as the attorney-in-fact of such Trustor.

6.1.10 The Trustees are authorized to perform all other acts and to execute all documents necessary to implement the provisions of Paragraph 6.1.

6.2 Determination of Principal and Income. The Trustee shall have the power, in his or her discretion, to determine what is principal or income of the trust, and to apportion and allocate receipts and expenses and other charges between these accounts, including also the power to charge in whole or in part against principal, or to amortize out of or charge forthwith to income, premiums paid on the purchase of bonds or other obligations. Except insofar as the Trustee exercises his or her discretion, and except as otherwise provided in this instrument, matters relating to principal and income shall be governed by the provisions of the New York Estates Uniform Principal and Income Act, Estates, Powers and Trusts Law, §11-A-1.1, et seq., as the same may be amended from time to time.

6.3 Guaranties. The Trustee shall have the power, in his or her sole and absolute discretion, to guarantee the obligations of a Trustor, entities in which a Trustor holds an interest, or entities or persons with which a Trustor has a business or other relationship; and to mortgage, pledge, grant a security interest in, or otherwise encumber or restrict the transfer of the trust estate or any assets thereof, including, without limitation, any real and/or personal property, in order to secure any such guaranties or other obligations, using such procedures to consummate the transaction as the Trustee may deem advisable, including acting as a Trustor's attorney-in-fact.



in-fact stating that such Trustee has become incapacitated for purposes of this instrument and has automatically resigned, or, if no such attorney-in-fact is then acting, by the execution of a written declaration signed under penalty of perjury by the remaining Trustee or, if none, the next successor Trustee stating that such Trustee has become incapacitated for purposes of this instrument and has automatically resigned. The determination that a Trustee has become incapacitated for purposes of this instrument and has automatically resigned shall be made by said attorney-in-fact, remaining Trustee or successor Trustee, as the case may be, after the person entitled to make such determination, as aforesaid, has reasonably concluded in good faith, in accordance with such person's own best judgment, that because of accident, physical or mental illness, progressive or intermittent physical or mental deterioration, or other similar cause, such Trustee has become unable to exercise prudently his or her powers as Trustee in the best interests of the trust estate and the beneficiaries of trusts hereunder. The person entitled to make such determination shall have the power to consult with one or more of such Trustee's physicians before making such determination, but shall not be obligated to do so.

5.4 Successor Trustee Succeeds To All Powers. Any successor Trustee shall succeed as such with like effect as though originally named in this instrument. All authorities, titles and powers conferred upon the original Trustee shall pass to any successor Trustee without further act or deed. Notwithstanding anything herein to the contrary, no successor Trustee under this instrument shall be liable for any act or omission of his or her predecessor nor shall he or she be obligated to inquire into the validity or propriety of any such act or omission. Any such successor Trustee shall be entitled to accept as conclusive any accounting and statement of assets furnished to such successor by his or her predecessor.

5.5 Exercise of Powers. Each Trustee acting hereunder shall have the full power and authority to exercise severally all rights and powers granted to the Trustee under this instrument and by law, and if there is more than one Trustee then acting, the Trustees shall not be required to act jointly. All individuals, transfer agents, corporations, financial institutions and other entities dealing with one or more Trustees shall be relieved of all liability as a consequence of dealing with such Trustee or Trustees and shall not be under any responsibility to see to the performance of the trust hereunder, the validity of anything such Trustee or Trustees purport to do or to the application of any money paid or any property transferred to or upon order of such Trustee or Trustees.

5.6 Delegation of Duties. A Trustee may delegate to a Co-Trustee then acting or to one or more agents ministerial duties relating to the trust. A Trustee or agent to whom such powers are delegated shall have the power to handle administrative matters of the trust, including, without limitation, all acts necessary with respect to the acquisition and transfer of real and personal property of the trust (including financing documents, notes, mortgages and trust deeds), and to execute all documents in connection therewith; to open accounts of any type in one or more financial institutions; to authorize the deposit or withdrawal of funds from any or all of such accounts; and to sign checks on such accounts. Furthermore, a Trustee may delegate to a Co-Trustee then acting one or more non-

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Jan 2020

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

✓ 3. **Application Fee**: See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

N/A 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

✓ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be ¼-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawings*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

N/A 3. **As-Built Plans (1copy):** of existing elevations

✓ 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

✓ 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

✓ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand) CMD

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

N/A 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

GARAGE

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

POOL

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Telephone: 508.325.7587

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Jan 2020

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

✓ 3. **Application Fee:** See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

N/A 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

✓ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawings*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

N/A 3. **As-Built Plans (1copy):** of existing elevations

✓ 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

✓ 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

N/A 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand) CMD

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

N/A 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

9 DECEMBER 2024

HDC Meeting – March 4, 2025
(Opposition Memo by Abutters to Application(s) for Proposed New Construction – 3 Pop's Lane)

In re: 3 Pop's Lane – Map 60.2.4, Parcel 64.1 / Land Court Registered Property

I. HDC Application(s) Procedural Issues and Irregularities:

A. HDC Board Member Joseph (Joe) Paul – There is an appearance of a conflict of interest. T he Applicant's representative is Mark Cutone of BPC Architecture. There has been no disclosure of part business relationship between Joe Paul (sitting Commissioner) and Mr. Cutone and Mr. Paul were partners in BPC (Belanger, Paul & Cutone). There is also a failure to disclose that Mr. Paul was Co-Manager with Mark Cutone of a Massachusetts organized and registered (now dissolved) limited liability company operating as ACK Orange LLC. An appearance of conflict of interest is a serious matter and this needed to be put on the record.

B. Owner of Record – not as shown on HDC Application(s) for Proposed New Construction / 3 Pop's Lane Holding Trust does not exist and is not the Owner of Record / Nancy Dubuc is not the person with legal title and does not have record authority to sign HDC Application(s) as "Signature of Owner of Record" / the legal title owner of record is Matthew Burke, Trustee of The Pop's Lane Holdings Trust, under Declaration of Trust dated September 20, 2021, and registered on December 2, 2021- as shown by Certificate of Title No. 28599.

The Willkie Farr & Gallagher LLP letter dated January 16, 2025 as submitted by Applicant purports to provide retroactive Trustee delegation of authority by legal title owner of record Matthew Burke, Trustee to Nancy Dubuc to sign HDC Application(s) effective as of September 1, 2024 / the Trustee Delegation document attached to the attorney's letter is undated yet is notarized on January 16, 2025 and the Trustee Delegation cites authority under Paragraph 5.6 of the Trust dated September 20, 2021; however, the Trust provision cited as authority is not contained in the Declaration of Trust instrument (Document No. 172113 – dated September 20, 2021) recorded at the Nantucket Registry of Deeds and the pages of a trust instrument attached thereto are not a part of the Declaration of Trust instrument (Document No. 172113 – dated September 20, 2021) / the Declaration of Trust instrument recorded at the Nantucket Registry of Deeds does not provide such "Trustee Delegation" authority relied upon by Applicant in its submission to the HDC / note: the Applicant filed a separate Application and Notice of Intent before the Nantucket Conservation Commission on October 31, 2024 in connection with the property locus at 3 Pop's Lane and such submission correctly referenced the applicant and property owner as Matthew Burke, Trustee of The Pop's Lane Holdings Trust and such application to the Conservation Commission was signed by Matthew Burke, Trustee of The Pop's Lane Holdings Trust on October 22, 2024, as legal record title owner.

[The Application(s) should be denied to allow for (i) proper seating of impartial and unbiased Board Members reviewing and making a determination and decision of approval or denial of the Application(s) for 3 Pop's Lane and (ii) the true and correct legal title Owner of Record to re-notice and re-submit correct and accurate HDC Application(s) for proposed New Construction at 3 Pop's Lane as signed by the Owner of Record, namely, Matthew Burke, Trustee of The Pops' Lane Holdings Trust.]

II. HDC Application(s) Substantive Issues and Insufficiency of Information and Materials:

A. Inappropriate Proposed New Construction – the proposed footprint and plan design for the several structures (Main House / Guest House / Garage / Pool) is inappropriate for the Old Madaket area and particularly uncharacteristic of highly and distant visibility of residential properties sited on the coastal bank bluff overlooking Hither Creek.

B. Revisions to Application(s) – Notwithstanding the concerns and comments by the HDC Board Members, the Applicant has made no material revisions to the Application(s) for proposed new construction to the Guest House / Garage / Pool (other than relocation). Moreover, the Applicant has made little effort to adequately and substantively respond to the concerns and comments by the HDC Board Members to the Application for proposed new construction of the Main House. Minor revisions have been made but not to the overall plan.

The size, scale and sprawling footprint design and layout physically encompasses and essentially runs east to west from lot line setback to lot line setback with a ground cover footprint in excess of 5,000 square feet is modernistic and contemporary in design in an area of simple and compact construction. The proposed new construction provides for non-traditional additive (linear with no breaks) massing of several connected structures; provides for north to south facing gables uncharacteristic of the Old Madaket neighborhood with primarily eaves that are low and run parallel with the Creek; proposes an arrangement and proportion of fenestration not typical in the area and proposes inappropriate flat roofing and glass connectors and installation of non-reflective glass and an oversized skylight.

The Applicant initially proposed a 24"+/- change in grade elevation (without supporting grade/scale plans) from existing grade to finished grade. Such grade change proposal is contrary to and inconsistent with the Application submitted to the Conservation Commission for the locus property new construction which stated that there would be minimal or no grade change. Such grade manipulation and alteration would be inappropriate and risks topographical instability, erosion and runoff issues along the protected Coastal Bank and Salt Marsh resource areas and the neighboring land of the abutting property owners. Further, the application was changed to reflect no grade change without explanation. This appears to be case of embellishing the setting in order to gain approval.

The Applicant failed to submit basement plans (in proposed revisions to the Main House Application) with proposed new construction of above-ground windows facing south as initially submitted in the original Main House Application. This has been requested a few times, particularly as the initial submission contained that information.

It must be noted that on the submitted renderings many tall mature trees are shown to mitigate the setting's negative impact. There are no such trees as evidenced by the attached photographs. There never have been trees and it is an entirely open landscape that will be filled in a straight line for over 124 feet. A comment was made that you would be able to see through the atypical glass attachments between elements, without a main mass. That will not be possible, as there are structures behind those glass flat-roofed element, i.e., garage, pool, secondary dwelling, as well as the Moran's house directly behind.

The Application(s) for proposed new construction should be denied and determined to be inappropriate especially considering the location of the locus property and the proposed size, scale, scope, design, massing and footprint and not responsive to the concerns and comments by the HDC Board Members and the public. In the alternative, holding for more responsive revisions would be appropriate. In addition, as the HDC has jurisdiction over the view from the waterside/the Creeks, it would advisable to take a viewing from the water prior to making a decision.

DECLARATION OF TRUST

THIS DECLARATION OF TRUST made as of the 20th day of September, 2021 at Nantucket Town and County, Massachusetts, by Matthew Burke, Trustee (hereinafter called the Trustee), which term and any pronoun referring thereto shall be deemed to include any successor Trustee hereunder and to include more than one Trustee if in the future there should be more than one, wherever the context so permits),

WITNESSETH THAT

ARTICLE I. The Trust hereby created shall be known as THE POP'S LANE HOLDINGS TRUST and under the name so far as legal, convenient and practicable, shall acts of the Trustee be made and all instruments in writing by the Trustee be executed.

ARTICLE II. All property, real and personal, tangible and intangible, conveyed to the Trustee hereunder (hereinafter called the "Trust property") shall vest in the Trustee as Trustee of this Trust, in trust to manage, administer and dispose of the same for the sole benefit of the beneficiary from time to time hereof with the powers and subject to the limitations hereinafter contained concerning same.

ARTICLE III. Section 1. Any Trustee may resign at any time by instrument in writing signed and acknowledged in the manner required in Massachusetts for the acknowledgement of Deeds and such resignation shall take effect upon the recording of such instrument with the Nantucket Registry of Deeds. Unless the beneficiary agrees otherwise, there shall be one Trustee. The beneficiary shall name a successor Trustee, if and whenever (a) there shall be no Trustee in office hereunder, or (b) the beneficiary hereof desires to appoint an additional Trustee hereunder, a succeeding and/or additional Trustee or Trustees shall be appointed by (i) an instrument in writing signed and acknowledged (in the manner required for the recording of Deeds in Massachusetts) by the beneficiary, and delivered to the then Trustee or Trustees, if any, hereunder, and (ii) an acceptance of such appointment, signed and so acknowledged by the person or persons so appointed. Any such appointment and acceptance, or a certificate by any Trustee, naming the Trustee or Trustees so appointed or removed, and, in the case of appointment, the written acceptance of the Trustee so appointed, shall become effective upon the recording thereof with the Nantucket Registry of Deeds and the person or persons so accepting shall then be and become such Trustee or Trustees and shall be vested with title to the Trust property, jointly with the remaining or surviving Trustee or Trustees, if any, without the necessity of any act of transfer or conveyance. The foregoing provisions of this Section to the contrary not withstanding despite any vacancy in the office of Trustee, however caused and for whatever duration, the remaining or surviving Trustee or Trustees, if any, shall continue to exercise and discharge all of the powers, discretions and duties hereby conferred or imposed upon the Trustee.

Section 2. No Trustee named or appointed as hereinbefore provided, whether as original Trustee or a successor to or as substitute for another,

85 Orange St Renovation Proposal

To the HDC,

Thank you for the opportunity to present our plan to renovate the property at 85 Orange St in the Downtown Historic District of Nantucket. This property has three structures and has been subdivided into two parcels. A larger home that was turned into four apartments built in 1850. A smaller home build in 1970 as a duplex and a large garage that is in extreme disrepair. I am proud to present a plan that we feel will revitalize the property, bringing it back to its original appearance while providing a home in line with modern living.

85 Orange St Renovation Proposal

To the HDC,

Thank you for the opportunity to present our plan to renovate the property at 85 Orange St in the Downtown Historic District of Nantucket. This property has three structures and has been subdivided into two parcels. A larger home that was turned into four apartments built in 1850. A smaller home build in 1970 as a duplex and a large garage that is in extreme disrepair. I am proud to present a plan that we feel will revitalize the property, bringing it back to its original appearance while providing a home in line with modern living.

GENERAL NOTES:

INFORMATION AND DATA.

THE PROPOSED IMPROVEMENTS WERE BASED ON RECORD INFORMATION GIVEN TO THE DESIGNER AT THE TIME OF PREPARATION. IF THERE ARE ANY DISCREPANCIES BETWEEN THE PROPOSED IMPROVEMENTS CONTAINED IN THESE PLANS AND PREVIOUS APPROVED PLAN SUBMITTALS, CONTRACTOR IS TO CONSULT WITH THE DESIGNER AND OWNER PRIOR TO ANY CONSTRUCTION ACTIVITY.

EXISTING STRUCTURES AND UTILITIES ARE SHOWN IN THEIR APPROXIMATE LOCATIONS BASED UPON RECORD INFORMATION AVAILABLE TO THE DESIGNER AT THE TIME OF THE PREPARATION OF THESE PLANS. LOCATIONS MAY NOT HAVE BEEN VERIFIED IN THE FIELD AND NO GUARANTEE IS MADE AS TO THE ACCURACY OR COMPLETENESS OF THE INFORMATION SHOWN.

WRITTEN DIMENSIONS TAKE PRECEDENCE OVER SCALE DIMENSIONS

GENERAL CONTRACTOR SHALL VERIFY ALL DIMENSIONS AND SITE CONDITIONS BEFORE STARTING WORK. THE DESIGNER SHALL BE NOTIFIED IN WRITING OF ANY DISCREPANCY PRIOR TO THE START OF WORK. THIS NOTE ALSO PERTAINS TO ALL SUB-CONTRACTORS. CONTRACTOR IS LIABLE FOR ALL ADJUSTMENTS MADE WITHOUT ENGINEER'S WRITTEN APPROVAL.

CONTRACTOR IS RESPONSIBLE TO MEET ALL BUILDING CODES REGARDLESS OF PLAN SPECIFICATIONS.

THE WORD "TYPICAL" OR "TYP" WHERE IT OCCURS MEANS THAT THE SAME WORK APPLIES WHERE SIMILAR CONDITIONS OCCUR. DETAILS ARE UNDERSTOOD TO BE TYPICAL WHERE SIMILAR CONDITIONS OCCUR UNLESS OTHERWISE NOTED.

UNAUTHORIZED CHANGES & USES: THE DESIGNER PREPARING THESE PLANS WILL NOT BE RESPONSIBLE FOR, OR LIABLE FOR, UNAUTHORIZED CHANGES TO OR USES OF THESE PLANS. ALL CHANGES TO THE PLANS MUST BE IN WRITING AND MUST BE APPROVED BY THE PREPARER OF THESE PLANS.

Affidavit Certifying Completeness of Old Business submission

I hereby acknowledge that I have read the Nantucket Historic District Commission submission policies effective September 15, 2020. Furthermore, I confirm that the requirements for an Old Business submission have been met.

Signature: _____ Date: 2/24/25

Meeting Minutes 2.11.2025

27 Willard Street – 32 Hulbert Rear Lot Trust – New Dwelling – 29/72.2

Board: Stephen, Val, Angus, Connie and Joe

Mickey Roland: Style and simplicity are good. Rear massing is larger than the front. Plate height in rear should drop. Front facing shed dormer should not overlap adjacent gable. Shed dormers should be broken up. Triple window on second floor should be two separate windows.

Val: agrees about the triple windows becoming two. Add shingled space to dormers, maybe remove a window. West elevation fits nicely with the neighborhood.

Angus: seems conflicted gable or shed? Gable forward shed dormer should have return.

Connie: agrees with what has been said

Joe: agrees with what has been said, south dormer needs more shingle.

Stephen: would like to see shed roof separated from gable and bring footprint down by 5% to help with density in the area.

Motion to hold for revisions.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

RE: 32 Hulbert Ave
Map 29 Parcel 72
Structure Height

Dear Commissioners:

On behalf of the current property owner, 32 Hulbert Trust, Steven L. Cohen, Trustee, we are writing to provide you verification that the proposed height of the dwelling does not exceed the minimum standard as set forth in the Ninth Edition of the MA State Building Code 780 CMR.

The current Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) for the area containing locus depicts a portion of the lot within Flood Hazard Zone AE9 (design flood elevation 9.3) and Zone AE7 (design flood elevation 7.3), with the vertical datum referenced to NAVD88.

The minimum first floor for the dwelling based on the code and flood hazard zones is established at elevation 10.3, assuming a first-floor system of approximately one-foot thickness.

I trust that this information addresses your request, though please feel free to contact me with any questions or concerns regarding this matter.

Sincerely,
Nantucket Engineering & Survey, P.C.

        ii. Concerns about appropriateness of pergola
        iii. Vote: Carried 5-0

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

11P - DEMO
GARAGE

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

2 Fairgrounds Road, Nantucket, Massachusetts 02554
Telephone: 508.325.7587

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS **Rev Jan 2020**

REQUIRED WITH ALL APPLICATIONS:

X 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

X 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

X 3. **Application Fee:** See back of application for fee schedule or call the office.

X 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

X 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

X 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

X 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

X 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

X 2 **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

X 3. **As-Built Plans (1copy):** of existing elevations

NA 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

X 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

X 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

MLW 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

NA 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

NA 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

ASSESSOR'S OFFICE
TOWN OF NANTUCKET

HISTORIC DISTRICT COMMISSION

2 Fairgrounds Road

Nantucket, Massachusetts 02554

Telephone: 508.325.7587 Fax: 508.228.7298

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 11 Pine Street

Tax Map Number: 42.3.3 Parcel Number: 24.1

Owner of Record: 11 Pine Street Realty Trust

Description of Proposal: Exterior Renovation of existing home and construction of new Garage and Shed. Demolish existing garage.

Anticipated HDC Submission Date: 12/23/2024

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

> Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.
>
> For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:
>
> 1. Introduction of the application;
> 2. Response by applicant;
> 3. Public comment in favor of proposal;
> 4. Public comment in opposition of proposal;
> 5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
> 6. Commission comments and discussion with applicant;
> 7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

        iii. Vote: Carried 5-0

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

11P - NEW GARAGE

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Planning and Land Use Services
2 Fairgrounds Road, Nantucket, Massachusetts 02554
Telephone: 508.325.7587

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS **Rev Jan 2020**

REQUIRED WITH ALL APPLICATIONS:

X 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

X 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

X 3. **Application Fee:** See back of application for fee schedule or call the office.

X 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

X 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

X 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

X 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

X 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

X 2 **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

X 3. **As-Built Plans (1copy):** of existing elevations

____ 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

X 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

X 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

MLW 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

NA 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

NA 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 11 Pine Street

Tax Map Number: 42.3.3 Parcel Number: 24.1

Owner of Record: 11 Pine Street Realty Trust

Description of Proposal: Exterior Renovation of existing home and construction of new Garage and Shed. Demolish existing garage.

Anticipated HDC Submission Date: 12/23/2024

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

> Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.
>
> For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:
>
> 1. Introduction of the application;
> 2. Response by applicant;
> 3. Public comment in favor of proposal;
> 4. Public comment in opposition of proposal;
> 5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
> 6. Commission comments and discussion with applicant;
> 7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

GENERAL SCOPE OF WORK:

THIS PACKAGE DESCRIBES THE RENOVATION OF AN EXISTING 2 STORY 2,192 SF SINGLE FAMILY RESIDENCE WITH A DETACHED GARAGE ON A SLAB ON GRADE FOUNDATION AND A SHED ON A SLAB ON GRADE FOUNDATION.

GENERAL NOTES:

1. DRAWINGS ARE REPRESENTATIVE DOCUMENTS TO FACILITATE CONSTRUCTION. CONTRACTOR SHOULD FIELD VERIFY ALL DIMENSIONS AND CONDITIONS PRIOR TO CONSTRUCTION. THE HEIGHTS OF GRADE INDICATED ON DRAWINGS ARE APPROXIMATE AND ARE PROVIDED FOR INFORMATION ONLY. NOTIFY DESIGNER OF ANY ALTERATIONS OR DISCREPANCIES IMMEDIATELY UPON DISCOVERY AND BEFORE PROCEEDING WITH WORK.
2. THE CONTRACTOR SHALL BE RESPONSIBLE FOR DISTRIBUTION OF DRAWINGS TO THE SUB-CONTRACTORS UNDER HIS JURISDICTION.
3. THE CONTRACTOR IS TO COORDINATE THE WORK OF ALL SUB-CONTRACTORS, INCLUDING THE TIMING AND SCHEDULING OF THEIR WORK AND THE LAYOUT OF THEIR SYSTEMS. THE CONTRACTOR SHALL PROVIDE ALL SUB-CONTRACTORS WITH NECESSARY POWER AND ACCESS AND CONNECTIONS THROUGH FOUNDATION WALLS AS REQUIRED.
4. WORKSHOP/APD IS CONTRACTED TO SERVE AS THE OWNER'S REPRESENTATIVE DURING CONSTRUCTION. A REPRESENTATIVE OF WORKSHOP/APD SHALL MAKE PERIODIC SITE VISITS TO VERIFY CONSTRUCTION PROGRESS AND WILL REPORT FINDINGS TO THE OWNER AND CONTRACTOR IN THE FORM OF A WRITTEN REPORT. THE CONTRACTOR SHALL PROVIDE FREE ACCESS TO THE WORK TO THE OWNER, ARCHITECT, SUBCONTRACTOR, AND THEIR REPRESENTATIVES AT ALL TIMES.
5. THE CONTRACTOR SHALL ACKNOWLEDGE THAT JOB SITES ARE DIFFICULT AND DANGEROUS PLACES TO WORK BY NATURE. AS SUCH, ALL NECESSARY PRECAUTIONS WILL BE TAKEN TO ENSURE THE SAFETY AND GENERAL WELL BEING OF HIS EMPLOYEES. CONTRACTOR SHALL PROVIDE GUARDS, RAILS,BARRICADES, FENCES, CATCH PLATFORMS, BRIDGING, DECKING, NIGHT LIGHTING, ETC. AS REQUIRED. THE USE OF ANY STEREOS AND/OR RADIOS AND THE PRESENCE OF PETS OF ANY KIND ARE PROHIBITED ON THE JOB SITE.
6. DRAWINGS SHALL NOT BE SCALED BY HAND. USE ONLY PRINTED DIMENSIONS TO IDENTIFY SIZE AND DIMENSION OF MATERIALS AS SHOWN. CONTACT THE DESIGNER TO VERIFY ANY DIMENSION THAT HAS BEEN OMITTED FROM THESE PLANS.
7. CONTRACTOR TO PROVIDE ALL MATERIALS FOR A COMPLETE JOB AS INDICATED IN THE DRAWINGS BOTH GRAPHICALLY AND WRITTEN, IN CASE OF DISCREPANCIES, THE MORE STRINGENT AND/OR COSTLY EXAMPLE SHALL BE ASSUMED, CONSULT DESIGNER IF SUCH A SITUATION OCCURS.
8. SHOP DRAWINGS SHALL BE SUBMITTED TO WORKSHOP/DPC, PRIOR TO PROCEEDING WITH WORK, FOR ALL MATERIALS THAT REQUIRE FABRICATION.WORKSHOP/DPC SHALL REVIEW AND RETURN SHOP DRAWINGS TO CONTRACTOR WITHIN A PERIOD OF TEN WORKING DAYS FROM THE DATE OF SUBMITTAL.
9. CONTRACTOR SHALL FURNISH SAMPLES OF ALL MATERIALS, AND/OR FINISHES AS SPECIFIED FOR CONSTRUCTION AT THE REQUEST OF THE OWNER OR DESIGNER.
10. ALL MATERIALS SHALL BE NEW, UNUSED, AND OF THE HIGHEST QUALITY IN EVERY RESPECT UNLESS NOTED OTHERWISE OR AT THE SPECIFIC AUTHORIZATION OF THE OWNER.
11. ALL WORK SHALL BE ERECTED AND INSTALLED PLUMB, LEVEL, SQUARE AND TRUE.
12. CONTRACTOR SHALL PERFORM ALL CUTTING AND PATCHING REQUIRED TO COMPLETE WORK OR MAKE PARTS FIT TOGETHER PROPERLY, WITHOUT COMPROMISING QUALITY OF WORK.
13. DURING CONSTRUCTION, THE CONTRACTOR SHALL BE RESPONSIBLE FOR BRACING AND PROTECTING ALL WORK FROM DAMAGE, BREAKAGE, COLLAPSE,DISTORTIONS AND MIS- ALIGNMENT ACCORDING TO APPLICABLE BUILDING CODES AND STANDARDS OF GOOD PRACTICE.
14. CONTRACTOR SHALL MAINTAIN AND PROTECT ALL EXISTING SYSTEMS AT ALL TIMES FROM THE EFFECTS OF ADVERSE WEATHER (RAIN, SNOW, COLD, ETC.)AT NO ADDITIONAL COST TO THE OWNER.
15. ALL WORK SHALL BE INSTALLED SO THAT REQUIRED PARTS ARE READILY ACCESSIBLE AND AVAILABLE FOR INSPECTION, OPERATION, MAINTENANCE AND REPAIR.
16. CONTRACTOR SHALL MAINTAIN CLEAR AND UNOBSTRUCTED ACCESS FROM ALL FLOORS TO STAIRWELLS AND EXTERIOR EXITS AT ALL TIMES.
17. CONTRACTOR SHALL HAVE SOLE RESPONSIBILITY FOR PROTECTING ALL DANGEROUS AREAS FROM ENTRY BY UNAUTHORIZED PARTIES.
18. CONTRACTOR SHALL PROVIDE PROTECTION OF ALL WINDOWS AND DOORS DURING CONSTRUCTION. MEANS OF PROTECTION SHALL NOT BE ATTACHED TOWINDOW AND DOOR FRAMES.
19. THE CONTRACTOR AND EACH SUBCONTRACTOR SHALL BE REQUIRED TO COORDINATE WITH OTHER SUBCONTRACTORS AS NECESSARY, INCLUDING THOSE HIRED UNDER SEPARATE CONTRACT BY THE OWNER. EACH SUBCONTRACTOR SHOULD COMPLETE WORK ON AN EXPEDIENT AND REASONABLE SCHEDULE, IN A MANNER THAT DOES NOT DELAY OTHER TRADES AND SUBCONTRACTORS FROM COMPLETION OF WORK.
20. ALL NAILS AND FASTENERS IN AREAS PRONE TO MOISTURE SHALL BE "HOT DIPPED GALVANIZED" UNLESS NOTED OTHERWISE.
21. THE CONTRACTOR SHALL KEEP SUFFICIENT WORKMAN ON THE JOB SITE AT ALL TIMES TO PERFORM WORK IN THE MOST EXPEDITIOUS MANNER CONSISTENT WITH GOOD WORKMANSHIP, SOUND BUSINESS PRACTICE AND IN THE BEST INTEREST OF THE OWNER.
22. THE CONTRACTOR SHALL SECURE AND PAY FOR ALL PERMITS AND INSPECTION SERVICES OF LOCAL AUTHORITIES OTHER THE ACTUAL BUILDING PERMIT AND HISTORIC DISTRICT COMMISSION APPROVAL, WHICH SHALL BE SECURED BY THE OWNER OR DESIGNER PRIOR TO THE SCHEDULED START DATE. ALL INSPECTIONS, RECORDS AND CERTIFICATE OF OCCUPANCY SHALL BE GIVEN TO THE OWNER AT THE END OF THE JOB. THE JOB SHALL NOT BE CONSIDERED COMPLETE UNTIL THE CERTIFICATE OF OCCUPANCY IS ISSUED.
23. ALL WORK SHALL CONFORM TO ALL APPLICABLE NATIONAL, STATE AND LOCAL BUILDING, PLUMBING, ELECTRICAL, AND LIFE SAFETY CODES, EVEN WHEN NOT SPECIFIED IN THE DRAWING, NOTES, OR SPECIFICATIONS. IF ANY CODE IS IN CONFLICT WITH THESE, THE CONTRACTOR SHALL REPORT SUCH TO CWA FOR REVISIONS PRIOR TO BIDDING. IN THE EVENT OF CONFLICT BEWDHEEN APPLICABLE CODES OR REGULATIONS AND REFERENCE STANDARDS OF THESEPLANS AND SPECIFICATION, THE MORE STRINGENT PROVISIONS SHALL GOVERN.
24. THE CONTRACTOR IS RESPONSIBLE FOR CONTACTING UTILITY COMPANIES TO ENSURE SAFE DIGGING.
25. A REGISTERED SURVEYOR SHALL BE REQUIRED TO SET ALL FOUNDATION CORNERS, ELEVATIONS AND DIMENSIONS ON SITE.
26. USE OF THESE DRAWINGS MUST BE IN COMPLIANCE WITH ALL OCCUPATIONAL SAFETY & HEALTH ADMINISTRATION [OSHA] REQUIREMENTS.

FOUNDATION NOTES

1. FOUNDATION NOTES ARE APPLICABLE TO ALL CONDITIONS UNLESS OTHERWISE NOTED.
2. ALL FOUNDATION WALLS SHALL BE 10" THICK CONCRETE, MINIMUM 3000PSI AT 28 DAYS, UNLESS OTHERWISE NOTED.
3. FOUNDATION WALLS SHALL BE KEYED INTO FOOTINGS.
4. FOOTINGS SHALL BE A MINIMUM OF 1'-0"D X 2'-0"W WITH 3-#4 CONTINUOUS HORIZONTAL BARS. HORIZONTAL REINFORCING SHALL BE PLACED AT 3" ABOVE BOTTOM OF FOOTING.
5. ALL FOOTINGS AND CONCRETE PIERS SHALL EXTEND 4'-0" BELOW GRADE MINIMUM.
6. CONCRETE PIERS SHALL HAVE BELL CAST FOOTING. BASE OF BELL SHALL BE 3 TIMES WIDTH OF PIER; DEPTH OF BELL SHALL EQUAL WIDTH OF PIER. TAPER OF BELL SHALL BE 45 DEG. ANGLE MINIMUM.
7. ALL PERIMETER FOUNDATION WALLS SHALL HAVE WATERPROOFING APPLIED TO THE EXTERIOR.
8. FOUNDATION WALLS SHALL INCORPORATE 16" LONG - 1/2" DIAMETER ANCHOR BOLTS AT 32"-0 C. MINIMUM, ON ALL PERIMETER WALLS. A MINIMUM OF WDHO BOLTS SHALL BE USED AT EACH SILL PLATE. HOLD BOLTS 18" OFF CORNERS MINIMUM. APPROVAL OF TOPSOIL REMOVAL SHALL BE IN THE FORM OF ACHANGE ORDER.
9. CONCRETE FLOOR SLABS SHALL BE 4" THICK MINIMUM AND BE REINFORCED WITH WELDED WIRE MESH OR FIBER MESH REINFORCING. REINFORCING SHALL BE PLACED AT THE CENTER OF THE SLAB. FLOOR SLABS SHALL BE POURED OVER 4" GRAVEL BASE AND 6 MIL. POLY-VAPOR BARRIER ON STRUCTURALLY COMPACTED OR UNDISTURBED SOIL.
10. CONCRETE PIERS SHALL HAVE BELL CAST FOOTING. BASE OF BELL SHALL BE 3 TIMES WIDTH OF PIER; DEPTH OF BELL SHALL EQUAL WIDTH OF PIER. TAPER OF BELL SHALL BE 45 DEG. ANGLE MINIMUM.
11. VAPOR BARRIER SHALL BE CONTINUOUSLY INSTALLED BENEATH ALL CONCRETE FLOOR SLABS, AND OVER ALL EXPOSED EARTH IN CRAWL SPACES. 100% COVERAGE IS MANDATORY. MEMBRANE SHALL BE WRAPPED AROUND FOOTINGS TO FORM A CAPILLARY BREAK BETWEEN THE GROUND AND THE FOOTING.
12. PROVIDE CONTINUOUS 4" LAYERS OF CRUSHED STONE UNDER FOOTINGS OR PROVIDE PIPE THROUGH FOOTING FOR DRAINAGE OF ANY ACCUMULATED WATER UNDER SLAB.
13. A FOUNDATION DRAIN SHALL BE INSTALLED FLUSH WITH THE BOTTOM OF THE FOOTING AND COVERED WITH SILT PROTECTION FABRIC, GRAVEL, OR BOTH. ALL DRAIN LINES SHALL BE CONNECTED AWAY AND DOWNHILL FROM THE FOUNDATION AND BE DRAINED TO DAYLIGHT. IF NECESSARY TO DRAIN TO THE INTERIOR, USE A SEALED SUMP PUMP SYSTEM.

PLUMBING/MECHANICAL NOTES:

1. STRUCTURAL MEMBERS SHALL NOT BE IMPAIRED OR UNDERMINED BY IMPROPER CUTTING OR DRILLING.
2. ALL PLUMBING/MECHANICAL WORK SHALL COMPLY WITH ALL APPLICABLE CODES, BE PERFORMED BY A LICENSED TRADESPERSON, AND BE COMPLETED IN ACCORDANCE WITH THE DIRECTION OF LOCAL BUILDING CODE OFFICIALS. SUBCONTRACTORS AND TRADESPERSONS ARE RESPONSIBLE FOR OBTAINING REQUIRED PERMITS FOR THEIR TRADE. SCHEDULING AND COMPLETING REQUIRED INSPECTIONS AND OPERATING ON A REASONABLE AND EFFICIENT SCHEDULE THAT DOES NOT DELAY THE WORK OF OTHER TRADES.
3. ALL MATERIALS SHALL BE SIZED IN ACCORDANCE WITH THE PROPOSED PLANS, ALLOWING FOR FUTURE EXPANSION IF INDICATED. ALL WORK SHALL BE INSTALLED SO THAT REQUIRED PARTS ARE READILY ACCESSIBLE AND AVAILABLE FOR INSPECTION, OPERATION, MAINTENANCE AND REPAIR.
4. ALL PRODUCTS, MATERIALS AND FIXTURES SHALL BE INSTALLED IN A MANNER CONSISTENT WITH SOUND PRACTICE AND QUALITY WORKMANSHIP.
5. PLUMBING WORK SHALL INCLUDE ALL LABOR AND MATERIALS FOR ALL PIPING, FIXTURES, HOT WATER HEATER, AND SEWER/SEPTIC CONNECTIONS. THIS INCLUDES CONNECTIONS FOR AN ICEMAKER IN THE REFRIGERATOR, THE DISHWASHER, AND WASHING MACHINE AS INDICATED ON PLANS. THE KITCHEN SINK WILL HAVE A GARBAGE DISPOSAL.
6. HEATING WORK SHALL INCLUDE ALL LABOR AND MATERIALS, ELECTRICAL/PLUMBING CONNECTIONS, AND INSTALLATION AS THEY OCCUR. DESCRIPTION OF SPECIFIC UNIT SHALL BE PART OF THE BID. STANDARD HEATING UNIT SHALL BE PROPANE FIRED RADIANT HOT WATER BASEBOARD SYSTEM WITH EFFICIENCY RATING OF 94 UNIT IS TO BE SIDEWALL VENTED. UNIT SIZE SHALL BE SIZED TO ACCOMMODATE THE ENTIRE HOUSE AT 78DF AT A 0DF EXTERIOR TEMPERATURE. HEATING SYSTEM SHALL BE CAPABLE OF OPERATING AT PEAK EFFENCENCY AT A TEMPERATURE OF 72°F. HEATING SYSTEM SHALL BE DIVIDED INTO WDHO ZONES. THERMOSTATS SHALL BE DIGITAL AND PROGRAMMABLE.
7. VENT TO THE EXTERIOR ALL BATHROOMS.
8. REFER TO MECHANICAL, ELECTRICAL AND PLUMBING DRAWINGS FOR FURTHER INFORMATION.

FRAMING NOTES

1. ALL WOOD FRAMING MEMBERS SHALL BE STRUCTURAL GRADE #2 OR BETTER.
2. ALL WOOD SHALL COMPLY WITH THE U.S. DEPARTMENT OF COMMERCE AMERICAN LUMBER STANDARDS SIMPLIFIED PRACTICE AND GRADING REQUIREMENTS OF A RECOGNIZED ASSOCIATION UNDER WHOSE RULES THE LUMBER IS PRODUCED.
3. WOOD SHALL BE FROM LIVE STOCK, THOROUGHLY SEASONED, WELL MANUFACTURED AND GENERALLY FREE FROM WARPAGE THAT CANNOT BE CORRECTED BY BRIDGING OR NAILING.
4. MOISTURE CONTENT OF LUMBER SHALL NOT EXCEED 19 % AT THE TIME OF CONSTRUCTION.
5. ALL PLAN DIMENSIONS ARE TO FINISHED FACE AND CENTERLINE OF OPENINGS. VERIFY ALL ROUGH OPENINGS WITH WINDOW AND DOOR SCHEDULE.
6. ALL EXTERIOR WALLS, AND INTERIOR PARTITION WALLS BEHIND TOILETS, SHALL BE 2"X6" STUD CONSTRUCTION AT 16" O.C. TYPICAL. ALL OTHER INTERIOR PARTITION WALLS SHALL BE 2"X4" STUD CONSTRUCTION AT 16" O.C. TYPICAL. WALLS SHALL HAVE SINGLE SHOE AND DOUBLE TOP PLATE.
7. JOIST HANGARS SHALL BE USED AT ALL FLUSH-FRAMED FLOOR JOISTS. JOISTS OVERLAPPING AT A SUPPORTING BEAM, SHALL OVERLAP 3" MINIMUM.
8. PROVIDE WOOD BLOCKING OR METAL BRIDGING AT 1/3RD POINTS ON ALL FLOOR JOISTS. BLOCKING SHOULD BE SPACED 4'-0" O.C. MINIMUM AND 8'-0" O.C.MAXIMUM.
9. DOUBLE FLOOR JOISTS OR BLOCKING SHALL BE PROVIDED BELOW ALL INTERIOR PARTITION WALLS.
10. SIZES OF WOOD MEMBERS ARE NOMINAL SIZES. ALL LUMBER SHALL BE SURFACED ON FOUR SIDES, UNLESS NOTED OTHERWISE.
11. STRUCTURAL MEMBERS SHALL NOT BE IMPAIRED OR UNDERMINED BY IMPROPER CUTTING OR DRILLING
12. INSTALL GIRDER MEMBERS WITH JOINTS OVER SUPPORTS, PROVIDE 1/2" AIRSPACE AT ENDS AND SIDES OF GIRDERS FRAMED INTO MASONRY OR CONCRETE. WOOD SHIMS UNDER THE ENDS OF GIRDERS SHALL NOT BE PERMITTED.
13. MINIMUM BEARING OF JOISTS FRAMED INTO MASONRY SHALL BE 3".
14. JOISTS EXTENDING OVER BEARING PARTITIONS OR BEAMS MAY BE BUTTED AND TIED TOGETHER, OR NAILED TOGETHER WITH A MINIMUM OVERLAP OF 4".
15. EXTERIOR AND BEARING WALL CONSTRUCTION SHALL INCLUDE ADEQUATE RESISTANCE TO WRACKING BY THE USE OF CORNER BRACING OR ANCHORAGE OF STRUCTURAL SHEATHING TO PLATES.
16. JAMB STUDS, EXTENDING IN ONE PIECE FROM HEADER TO SOLE PLATE, SHALL BE INSTALLED AT ALL WINDOW AND DOOR OPENINGS TO FORM RIGID ENCLOSURE
17. PLYWOOD SHALL COMPLY WITH ALL APPLICABLE STANDARDS OF THE APA (AMERICAN PLYWOOD ASSOCIATION)
18. EXTERIOR TYPE HARDWOOD PLYWOOD, "TECHNICAL" OR "TYPE 1", MAY BE USED FOR ANY PART OF THE STRUCTURE.
19. STRUCTURAL INTERIOR TYPE, "STRUC-INT.", PLYWOOD MAY BE USED FOR ALL INTERIOR WORK AND EXTERIOR WORK NOT DIRECTLY EXPOSED TO THEWEATHER.
20. INTERIOR PLYWOOD, "INT." OR "TYPE 2" MAY BE USED FOR INTERIOR WORK, EXCEPT BATHROOM AND SHOWER ENCLOSURES.
21. ROOF SHEATHING: 3/4" EXTERIOR GRADE T&G "TECHNICAL" PLYWOOD NAILED AT 10" O.C. WITH GALVANIZED 10D COMMON NAILS.
22. FLOOR SHEATHING: 3/4" STRUCTURAL "STRUCT-INT" PLYWOOD NAILED AT 10" O.C. WITH 10D COMMON NAILS.
23. EXTERIOR WALL SHEATHING: 1/2" EXTERIOR GRADE "TECHNICAL" PLYWOOD NAILED AT 6" O.C. WITH GALVANIZED 6D COMMON NAILS.
24. ALL OTHER SHEATHING: 1/2" INTERIOR GRADE "INT" PLYWOOD NAILED AT 6" O.C. WITH 6D COMMON NAILS.
25. FRAME ALL RAFTERS OPPOSITE EACH OTHER AT RIDGE WITH TIES OR RIDGE BOARD. THE DEPTH OF THE RIDGE BOARD SHALL BE NO LESS THAN THE CUT OF THE RAFTERS.

EXTERIOR FINISH NOTES

1. HOUSE WRAP, TYVEK OR SIMILAR SHALL BE INSTALLED OVER ALL EXTERIOR SHEATHING TO RESIST MOISTURE AND WIND INFILTRATION. WRAP SHALL CONTINUE BEHIND ALL EXTERIOR TRIM, DOUBLED AND FOLDED INTO OPENINGS.
2. EXTERIOR ROOFING MATERIAL SHALL BE INSTALLED AS PER MFGR'S WRITTEN INSTRUCTIONS AND HAVE A MINIMUM 25-YEAR MANUFACTURER'S WARRANTY. SELF-ADHERING SHEET WATERPROOFING, ICE&WATER SHIELD OR EQUAL, SHALL BE INSTALLED OVER THE ENTIRE ROOF ACCORDING TO MANUFACTURERS WRITTEN INSTRUCTIONS AND ASTM D6135.
3. A SILL GASKET, EPDM-TYPE RUBBER, SHEET METAL OR OTHER SUITABLE MEMBRANE SHALL BE INSTALLED OVER THE COMPLETE FRAMED WALL WIDTH BETWEEN A CONCRETE FOUNDATION WALL AND SILL PLATE.
4. PROMPTLY REMOVE ALL MANUFACTURERS' STICKERS FROM GLASS AFTER INSTALLATION.
5. KEEP AREAS TO BE INSULATED CLEAN AND DRY. DO NOT INSTALL INSULATION WHERE IT MAY BE EXPOSED TO WATER. INSTALL AS PER MANUFACTURER'S INSTRUCTIONS AND BUILDING CODE REQUIREMENTS. PROVIDE INSECT SCREEN OR BARRIER AT ALL VENT OPENINGS.
6. EXTERIOR FOUNDATION TO BE PARGE.
7. DECKS SHALL USE 5/4" X 4" IPE WITH CONCEALED FASTENERS, CONFIRM, LAID FLAT WITH 1/4" REGULAR SPACING. ALL FLOORING AND DECKING SHALL BE TREATED % BOILED LINSEED OIL,50 % CUPRINOL AND WITH A MIXTURE OF 50 TRAFFIC SHALL BE PREVENTED OVER FINISHED SURFACES FOR THE PERIOD OF ONE WEEK.
8. EXTERIOR STEPS SHALL BE EQUAL TO DECK CONSTRUCTION, TRIM AND FINISH. RISERS SHALL MATCH TRIM MATERIAL. NOSING SHALL PROJECT 3/4".
9. ALL EXTERIOR STEPS SHALL LAND ON TO A 4" CONCRETE PAD SET ON A 4" GRAVEL BASE ON STRUCTURALLY COMPACTED SOIL. PAD SHALL BE 6" WIDER THAN STEPS AND PROJECT FROM LAST RISER 6" TOWARD DECK AND 18" AWAY FROM DECK.
10. WINDOW CAPS OR TRIM AND ALL OTHER PROJECTIONS AT POINTS WHERE RAIN ACCUMULATES OR RUNS OFF SHALL BE PROVIDED WITH FLASHING. SUCH FLASHING SHALL EXTEND A MINIMUM OF 6" UP THE WALL UNDER THE SHEATHING PAPER AND NOT LESS THAN 6" HORIZONTALLY. FLASHING SHALL BE SUFFICIENT LENGTH TO COVER THE COURSE ABOVE WITHOUT BEING PUNCTURED BY NAILS.
11. A CONTINUOUS RIDGE VENT SHALL BE PROVIDED AT ALL ROOF RIDGES, WHERE REQUIRED. SOFFIT VENTING SHALL BE PROVIDED AS INDICATED ON DETAIL DRAWINGS.
12. PROVIDE STEP FLASHING AT ALL CHIMNEY LOCATIONS.
13. RIDGE VENTS SHALL BE "CORE VENT" OR EQUAL, EXTENDING ALONG ALL RIDGE LINES. TERMINATE RIDGE VENTS 12" FROM END OF RIDGE. COVERED W/SHINGLES.
18. ALL EXTERIOR TRIM SHALL BE PLANED ON ALL FOUR SIDES AND HAVE SQUARED EDGES.
19. WINDOW & DOOR MANUFACTURERS AND SIZES AND HARDWARE SHALL BE SPECIFIED IN DOOR AND WINDOW SCHEDULE.
21. CAVITIES SHALL SUPPORT PROPER VENTING, INCLUDING THE INSTALLATION OF BAFFLES BETWEEN ALL RAFTERS. KEEP ALL VENTILATION SPACE UNOBSTRUCTED.
22. EXTERIOR BRICK SHALL MEET STANDARDS OF THE BRICK INSTITUTE OF AMERICA (BIA) FOR EXTERIOR/SEVERE WEATHER USE.

GLAZING NOTES:

1. IT IS THE CONTRACTOR'S RESPONSIBILITY TO MAKE ALL GLAZING (WINDOW, DOOR, OR OTHERWISE) ADJACENT TO A WALKING SURFACE, STAIR, LANDING,TUB OR SHOWER SAFETY LAMINATED GLASS MEETING THE REQUIREMENTS OF THE FLORIDA BUILDING CODE, MARTIN COUNTY, AND ANY OTHER APPLICABLE LOCAL OR NATIONAL CODE.
2. PROVIDE SHOWER ENCLOSURES AS INDICATED ON THE PLANS. GLASS TO BE LOW IRON, CLEAR GLASS.
3. GLAZING SHALL COMPLY WITH ASTM C 1036 REQUIREMENTS FOR FLAT GLASS TYPE I AND II AND GSA DD-G-451C STANDARD FOR GLASS, FLAT AND CORRUGATED, FOR GLAZING MIRRORS AND OTHER USES.

MECHANICAL NOTES

1. CONTRACTOR SHALL FURNISH ALL LABOR, MATERIALS, EQUIPMENT, ETC., TO COMPLETE ALL WORK AS REQUIRED BY THIS SPECIFICATION AND THE ACCOMPANYING DRAWINGS.
2. ALL WORK TO BE IN STRICT COMPLIANCE WITH THE CURRENTLY ADOPTED INTERNATIONAL MECHANICAL CODE. NFPA, NATIONAL STANDARD PLUMBING CODE AND ASHRAE STANDARDS. WHERE DIFFERENCES EXIST BETWEEN THIS SPECIFICATION AND CODES. THE CODE SHALL GOVERN AND WORK SHALL BE INSTALLED AT NO ADDITIONAL COST TO THE OWNER.
3. CONTRACTOR SHALL PROVIDE ALL LABOR, MATERIALS AND EQUIPMENT NECESSARY TO INSTALL PLUMBING, RELATED FIXTURES, DRAINS, HEATING, VENTILATING AND AIR CONDITIONING SYSTEMS. ALL WORK SHALL COMPLY WITH STATE AND LOCAL CODES AND ORDINANCES. SUBCONTRACTORS SHALL COORDINATE WORK WITH ALL OTHER TRADES. TERMINAL HOOKUP OF ALL FIXTURES AND TAP INTO ALL UTILITIES IS REQUIRED. CONTRACTOR SHALL INSTALL AND CHKK ALL PRESSURE REDUCING VALVES, POP OFF VALVES AND OTHER SAFETY DEVICES PRIOR TO OPERATION OF SYSTEM.
4. THE WORK SHALL BE INSTALLED AS INDICATED ON DRAWINGS; HOWEVER, CHANGES TO ACCOMMODATE INSTALLATION OF THIS WORK WITH OTHER WORK OR IN ORDER TO MEET ARCHITECTURAL OR STRUCTURAL CONDITIONS SHALL BE MADE WITHOUT ADDITIONAL COST TO OWNER.
5. FOR PURPOSES OF CLARITY AND LEGIBILITY, THE DRAWINGS ARE ESSENTIALLY DIAGRAMMATIC TO THE EXTENT THAT OFFSETS, BENDS, SPECIAL FITTINGS AND EXACT LOCATIONS ARE NOT INDICATED. CONTRACTOR SHALL MAKE USE OF ALL DATA IN ALL OF THE CONTRACT DOCUMENTS AND SHALL VERIFY THIS INFORMATION AT THE SITE. WHEN REQUESTED, SUBMIT COPY OF SHOP DRAWINGS TO ARCHITECT PRIOR TO CONSTRUCTION FOR REVIEW FOR CONFORMANCE WITH THE DESIGN CONCEPT OF THE WORK.
6. ANY REQUIRED PLUMBING OR GAS LINE DIAGRAM DRAWINGS ARE TO BE PREPARED BY A PLUMBER LICENSED IN THE APPLICABLE JURISDICATION.
7. PLUMBING CONTRACTOR SHALL PREPARE AND SUBMIT PLANS, RISER DIAGRAMS AND CALCULATIONS AS REQUIRED BY THE BUILDING DEPARTMENT
8. PLUMBING CONTRACTOR SHALL CONNECT NEW FIXTURES TO EXISTING SANITARY LINE IN BASEMENT

GYPSUM WALLBOARD NOTES

1. GYPSUM WALLBOARD SHALL BE 5/8" THICK, UNLESS OTHERWISE SPECIFIED. JOINT COMPOUND, TAPE AND ADHESIVE SHALL COMPLY WITH ASTM C475, ASBESTOS-FREE. CORNER REINFORCEMENT SHALL BE DUR-A-BEAD NO. 103, EDGE BEAD SHALL BE NO 200A AS MANUFACTURED BY U.S. GYPSUM, UNLESS OTHERWISE SPECIFIED. FRAMING SHALL BE ON METAL STUDS SET 16" O.C. TYPICALLY, EXCEPT WHERE NOTED. ALL OTHER MATERIALS SHALL BE RECOMMENDED BY THE WALLBOARD MANUFACTURER.
2. PROVIDE ADDITIONAL FRAMING AND BLOCKING AS REQUIRED BY LOCAL AND NATIONAL CODES TO SUPPORT DRYWALL AT OPENINGS AND CUTOUTS AND TO SUPPORT BUILT-IN ANCHORAGE AND ATTACHMENT DEVICES FOR OTHER WORK. PROVIDE BLOCKING FOR ALL TRIM WORK AS REQUIRED.
3. INSTALL GYPSUM WALLBOARD AND ACCESSORIES IN ACCORDANCE WITH MANUFACTURER'S PRINTED INSTRUCTIONS, UNLESS OTHERWISE SHOWN OR DIRECTED.
4. IN ANY LOCATION WHERE METAL "J" BEAD IS NECESSARY AS AN ENDING TO DRYWALL (I.E. G.W.B.) REQUIRED BY COMMON PRACTICE, OR SPECIFIED BY DETAIL THE "J" BEAD SHALL BE A U.S. GYPSUM #200-A METAL TRIM "J" BEAD FOR 5/8" THICK G.W.B., UNLESS OTHERWISE SPECIFIED.
5. HOLD JOINTS BACK AT LEAST 8" FROM CORNERS OF DOORFRAMES. SPACE SCREWS NOT MORE THAN 16" O.C.
6. REINFORCE ALL JOINTS AT TAPERED EDGES AND INTERIOR CORNERS WITH JOINT REINFORCING TAPE SET IN JOINT COMPOUND.
7. ALL TRIMMED OPENINGS AND OTHER OPENINGS SHALL BE FRAME REINFORCED WITH A PAIR OF WOODEN 2 X 4'S, UNLESS OTHERWISE INDICATED.
8. FILL ALL JOINTS, FASTENER HEADS, TRIM RECESSES, CRACKS AND OTHER DEPRESSIONS WITH 3 COATS OR MORE OF JOINT COMPOUND. FINISH SMOOTH AND FLUSH AS RECOMMENDED BY MANUFACTURER SO THAT LOCATION OF JOINTS, SCREWS AND OTHER ITEMS WILL NOT BE VISIBLE AFTER PAINTING.
9. WORK TO INCLUDE PLASTER PATCHING OR GWB PATCHING OF ANY HOLES OR OPENINGS MADE IN THE COURSE OF THE PROGRESS OF THE WORK. HOLES CUT FOR ELECTRICAL WIRING, OR ANY OTHER ASPECTS OF THE WORK SHALL BE PATCHED TO MATCH ADJACENT SURFACES.
10. AS APPLICABLE, THE GYPSUM WALLBOARD USED IN THE KITCHEN AND BATHS SHALL BE MOISTURE RETARDANT TYPE (WR). USE CEMENTITIOUS WALL BOARDS IN SHOWERS, TUBS AND SPA AREAS AND CERAMIC BOARDS UNDER TILED FLOORS.
11. ALL NEW GYPSUM WALLS, CEILINGS, AND SOFFITS TO HAVE COMPLETE LEVEL 4-5 SKIM COAT COVERAGE IN ORDER TO ELIMINATE TAPE JOINTS AND WAVINESS.
12. ALL GYPSUM WALLS IN AFFECTED FLOORS, BOTH NEW AND EXISTING, TO RECEIVE TRIMS AROUND BASES AND OPENINGS AS PER TYPICAL DETAILS.

WASTE MANAGEMENT NOTES

1. DEMOLITION AND CONSTRUCTION SHALL BE DIVERTED TO RECYCLING AND REUSE TO MAXIMUM DEGREE. A WASTE MANAGEMENT PLAN SHALL BE ESTABLISHED, IDENTIFYING THE POSSIBILITIES FOR REUSE OR RECYCLING OF CONSTRUCTION WASTE (METAL, WOOD, CONCRETE, OTHER). NET WASTE (HAULED TO LANDFILLS OR INCINERATION) SHALL BE REDUCED TO A MAXIMUM LEVEL OF 2.5 POUNDS OR LESS PER SQ. FT. OF CONDITIONED FLOOR AREA. G.C. MUST KEEP RECEIPTS AND DOCUMENTATION OF ALL SEPARATED WASTE HAULS AND SUBMIT AS PROOF OF ACHIEVED GOAL.
2. THE G.C. SHALL PROVIDE ON-SITE SEPARATION OF ALL WASTE MATERIALS OR ARRANGE WASTE HAULERS WHO SEPARATE MATERIALS.
3. THE G.C. SHALL EDUCATE EACH SUBCONTRACTOR OF THE WASTE MANAGEMENT PLAN AND BE RESPONSIBLE OF THEIR ABIDING BY THE SEPARATION OF WASTE.

DEFINITIONS

NOTE:	ALL REFERENCES IN THE DWGS. TO THE WORDS LISTED BELOW SHALL BE UNDERSTOOD TO MEAN THE FOLLOWING:
REPLACE:	REMOVE THE EXISTING MATERIAL, PREPARE THE SURFACES TO RECEIVE THE REPLACEMENT MATERIAL & INSTALL THE REPLACEMENT MATERIAL.
REPOINT:	REMOVE THE EXIST. MATERIAL (MORTAR & SEALANT) TO THE DEPTH AS DETAILED & INSTALL THE REPLACEMENT MORTAR AS SPECIFIED.
REPAIR:	REMOVE ANY DAMAGED OR LOOSE EXIST. MATERIAL, PREPARE THE SURFACES & PATCH TO MATCH THE EXIST. MATERIALS.

PAINTING NOTES

1. PAINT TO BE LATEX BASE BY BENJAMIN MOORE OR EQUAL. PAINTED TRIM, MILLWORK, DOOR PANELS TO BE SATIN FINISH. WALL SURFACES TO BE MATTE WASHABLE (LOW LUSTER). CEILINGS TO BE FLAT.
2. ALL SURFACES SHALL BE PROPERLY AND THOROUGHLY PRIMED. PRIMER FOR GWB SURFACES TO BE BENJAMIN MOORE ACRYLIC PRIMER OR EQUAL. PRIMER FOR WOOD SURFACES TO BE BENJAMIN MOORE ALKYD ENAMEL UNDERBODY OR EQUAL.
3. ALL INTERIOR PAINTS SHALL HAVE A MAXIMUM VOC CONTENT OF 150 G/L. FLAT FINISH INTERIOR PAINTS SHALL HAVE A MAXIMUM VOC CONTENT OF 50 G/L.
4. ALL SURFACES TO BE PAINTED ARE TO BE CLEANED OF ALL DIRT, OIL OR OTHER FOREIGN SUBSTANCE PRIOR TO PAINTING.
5. ALL COLORS TO BE APPLIED TO COVER FULLY AND COMPLETELY TO PROVIDE AN OPAQUE, SMOOTH SURFACE OF UNIFORM FINISH, COLOR AND APPEARANCE. ANY SUBSTRATE WHICH IS STILL VISIBLE AT THE COMPLETION OF PAINTING SHALL BE CONSIDERED UNACCEPTABLE. ALL NEW SURFACES TO RECEIVE A MINIMUM OF ONE PRIMER COAT AND TWO FINISH COATS.
6. ALL CANS OF INDIVIDUAL COLOR TO BE INTERMIXED TO ASSUR

    1. **Motion to hold Shed for revisions** (Made By: Abby)
        i. Concerns about French doors facing street
        ii. Concerns about appropriateness of pergola
        iii. Vote: Carried 5-0

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

11P - NEW SHED

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Proposed New Shutters using "Hamilton Blue" Shade

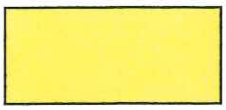
Shutters for 34 King Street
New England Shutter Company

Example Blue Shutters Sconset

- **Porches along the façade** and/or side elevations should be encouraged.

- **Small secondary** shingled buildings (garages/barns) should be located behind the dwellings unless specific historic precedent for the site notes otherwise *(Figure 87)*.

- **The front-yard setback** of neighboring structures should be maintained to preserve the existing "street wall." No new construction should be closer to the front property line than buildings on either side of it.



LEFT TO RIGHT:

Figure 87: Small, one-story secondary shingled buildings (garages/barns) should be located behind the dwellings. The one exception in the neighborhood is this historic barn located adjacent to the house at 26 Main.

Figure 88: The Marconi Wireless Station cottage was restored and expanded with subordinate wings that complement the historic core of the structure.

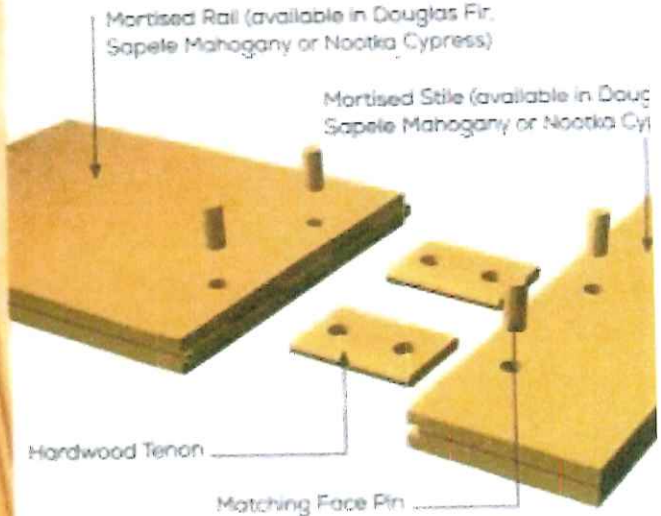
BEAUTY AND **DURABILITY**



Nicknamed "The Gray Lady" due to its regular fogg conditions, Nantucket is known for being historic, hardy and starkly beautiful. Windblown beaches and weather-beaten shingles are a way of life on this blust island. This same spirit is reflected in our Nantucket Collection™...doors built to stand up to the elements while standing out, thanks to their classic design and unsurpassed craftsmanship.

EXTENDED WARRANTY

- 10-year warranty on doors made from Douglas Fi Sapele Mahogany and Nootka Cypress
- No building overhang required

UNBEATABLE CONSTRUCTION

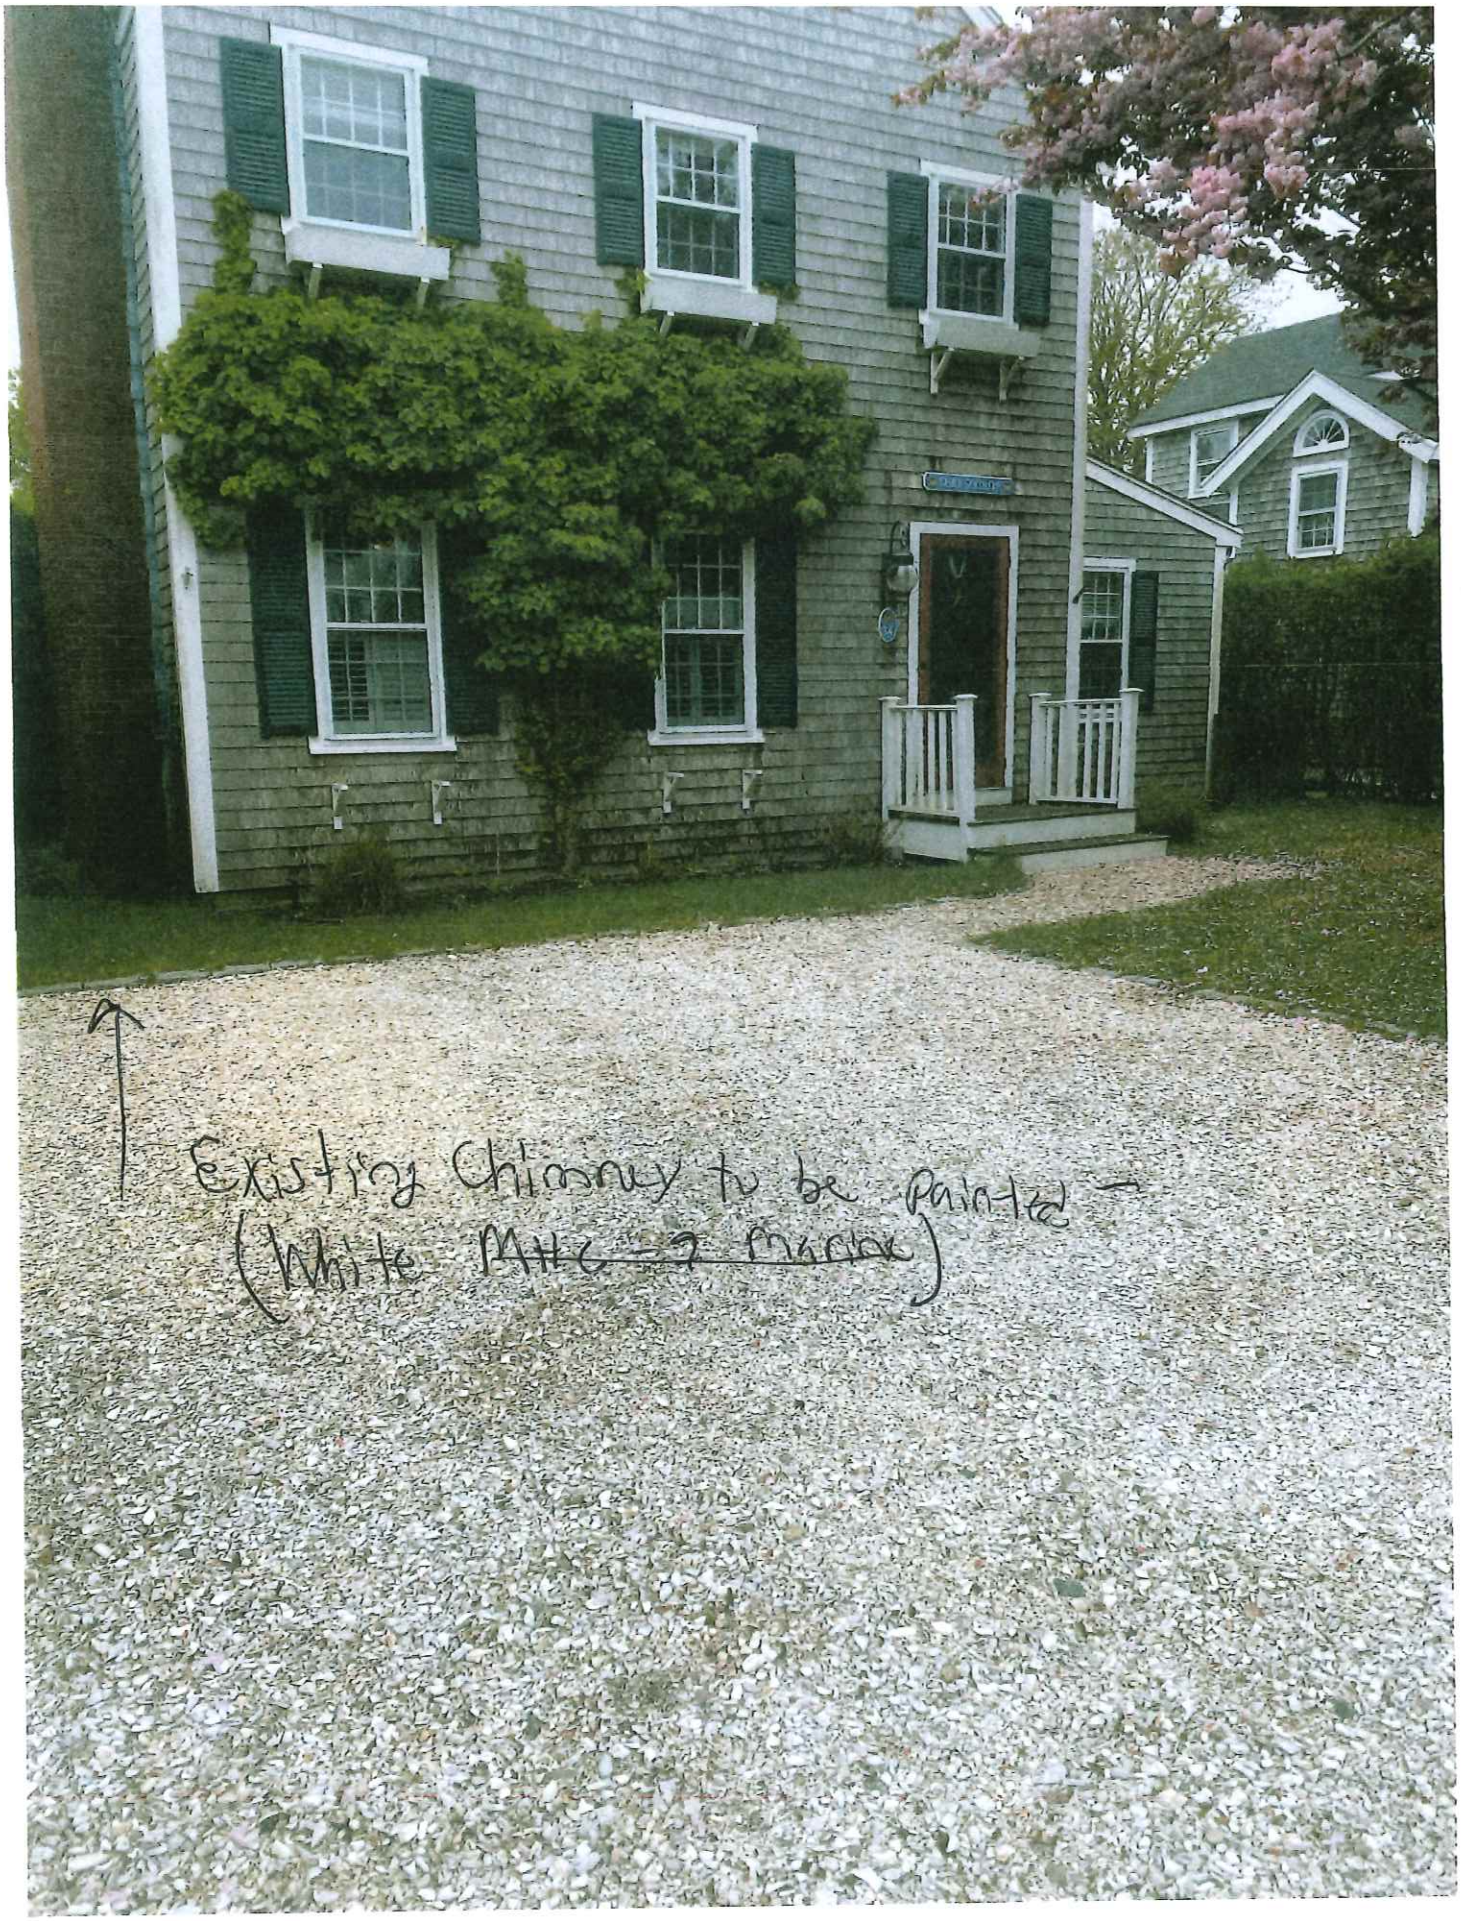
- Mortise-and-tenon joinery with face-driven pins
- Two-piece laminated stile-and-rail construction
- Divided lite doors made with SDL construction
- Design pressure ratings of DP50

STORIES

Nantucket's Historic Paint Colors

Building on Island (https://fishernantucket.com/category/construction-on-nantucket/)

Fisher Real Estate



New Proposed Door Colour

August 10, 2020

At Fisher Real Estate, we always keep our eyes peeled for Nantucket stories related to home design. You'd be surprised by how many details in your home—from the widow's walk to the floorboards—are decided for a very specific reason. We cherish our history more than your average town and love to share the island's stories as much as we can.

(White Matte - 2 Manor)

~~Example~~ Example White chimney

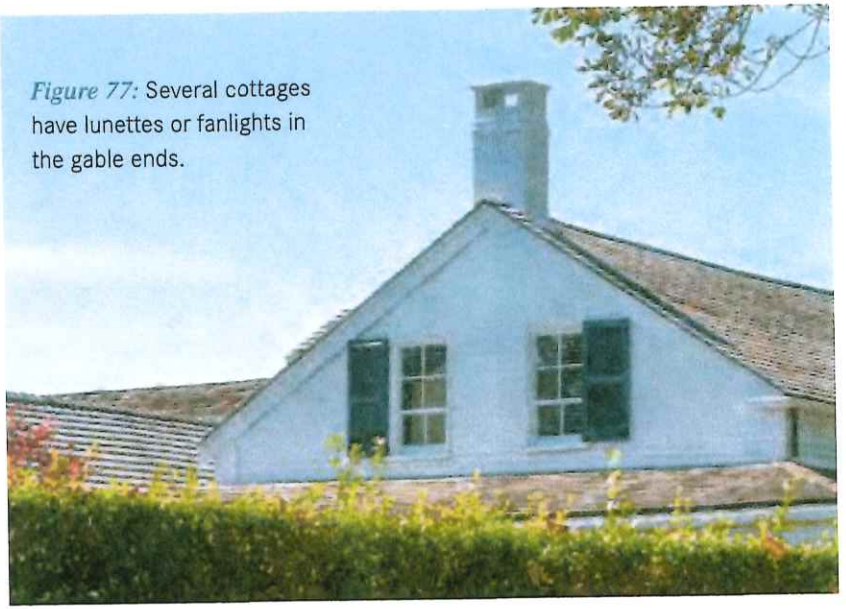
Federal | Greek Revival Cottage

(Figures 77, 78, 79, 80)

The earliest form along Main Street is the classically inspired cottage with Federal and/or Greek Revival features. In 'Sconset, this form is represented by a one-and-a-half-story high frame house with a gable roof and rectangular main block, often with T- or L-shaped rear wings and additions. The cottages are vernacular in style with only a hint of classical detail such as tapered porch columns, fanlights in their gable ends, and Federal window and door trim.

The form is not unique to 'Sconset but is found in many communities along the Eastern Seaboard. Similar dwellings are also found at the edge of the village—Bunker Hill at 34 Main Street, for example, and the old 'Sconset Golf Course clubhouse (west of the village along Milestone Road), both of which were built just prior to Mitchell's cottage at 20 Main Street (now known as Green Chimneys). The grouping of these structures along Main Street is rare, however, due to their similarity and how they work together, providing an impressive row and creating a soothing rhythm of buildings and open space.

Typical of the Greek Revival style cottages, the façades are graced by porches that often wrap around to the side elevations, and by large, double-hung windows with shutters. For the most part, symmetry prevails throughout the house design. Often, a pair of chimneys are found at the end or slightly off the ends, as in Federal homes in town. Most of the early 'Sconset cottages on Main Street are clad with clapboard or painted shingles. Historic photographs show that several of the cottages were updated with bargeboard and other Victorian-era elements.



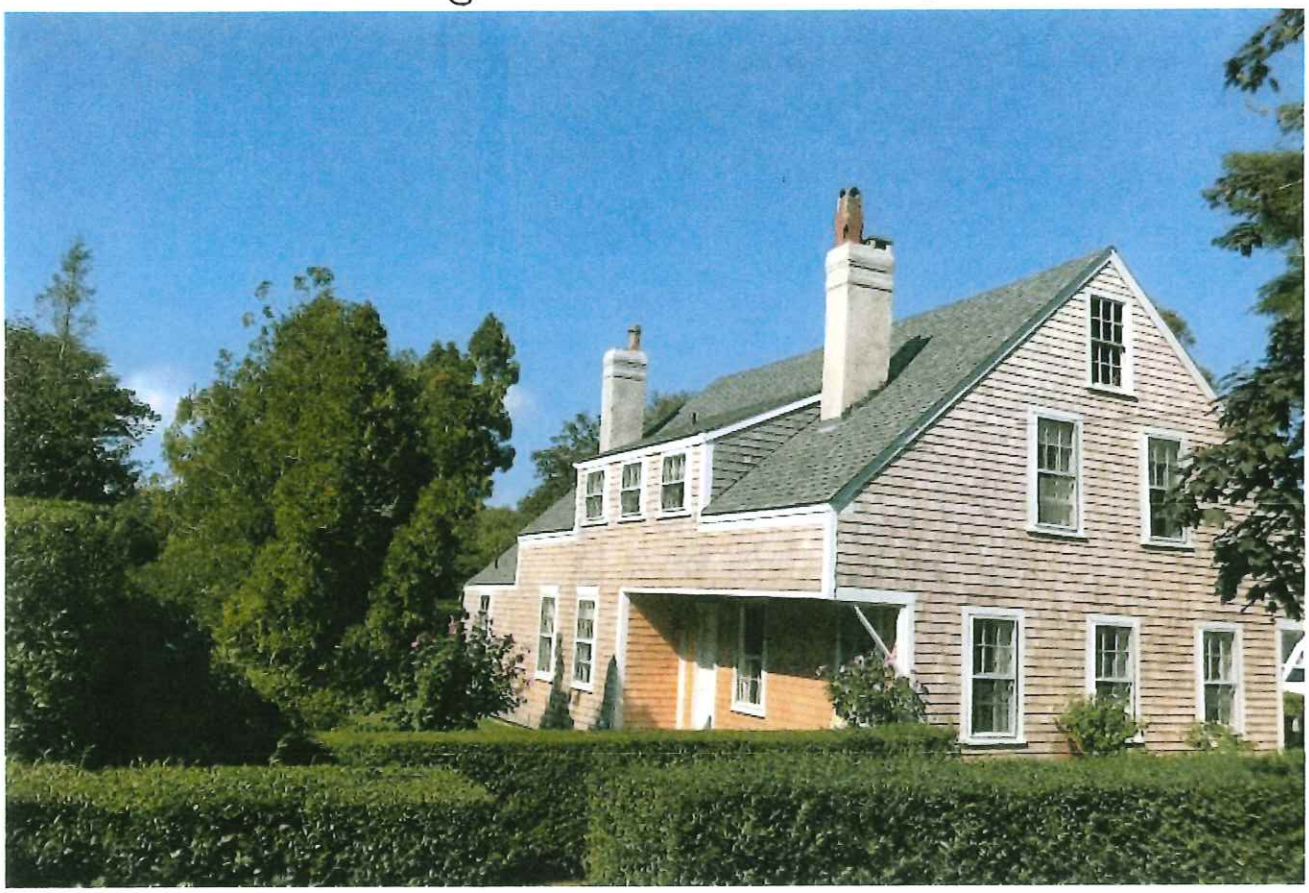


Figure 77: Several cottages have lunettes or fanlights in the gable ends.

- *One-and-a-half stories high*
- *Gable roofs pierced by one or two chimneys*
- *Main rectangular blocks with rear wings and additions*
- *Narrow front porches with tapered posts, often continuing along the side elevations*
- *Large six-over-six, six-over-nine, or nine-over-nine windows; louvered shutters*
- *Simple Federal and Greek Revival window and door trim*
- *Corner boards and raking*
- *Central or slightly off-center doorways, sometimes with sidelights*
- *Clapboard façades, sometimes continuing throughout the main block and on wings*
- *Lunettes, blind fanlights and/or small windows in the gable ends*

The Massachusetts Historical Commission (MHC) has converted the paper record to digital format as part of ongoing projects to scan records of the Inventory of Historic Assets of the Commonwealth and National Register of Historic Places nominations for Massachusetts. Efforts are ongoing and not all inventory or National Register records related to this resource may be available in digital format at this time.

The MACRIS database and scanned files are highly dynamic; new information is added daily and both database records and related scanned files may be updated as new information is incorporated into MHC files. Users should note that there may be a considerable lag time between the receipt of new or updated records by MHC and the appearance of related information in MACRIS. Users should also note that not all source materials for the MACRIS database are made available as scanned images. Users may consult the records, files and maps available in MHC's public research area at its offices at the State Archives Building, 220 Morrissey Boulevard, Boston, open M-F, 9-5.

Users of this digital material acknowledge that they have read and understood the MACRIS Information and Disclaimer (http://mhc-macris.net/macrisdisclaimer.htm).

Data available via the MACRIS web interface, and associated scanned files are for information purposes only. THE ACT OF CHECKING THIS DATABASE AND ASSOCIATED SCANNED FILES DOES NOT SUBSTITUTE FOR COMPLIANCE WITH APPLICABLE LOCAL, STATE OR FEDERAL LAWS AND REGULATIONS. IF YOU ARE REPRESENTING A DEVELOPER AND/OR A PROPOSED PROJECT THAT WILL REQUIRE A PERMIT, LICENSE OR FUNDING FROM ANY STATE OR FEDERAL AGENCY YOU MUST SUBMIT A PROJECT NOTIFICATION FORM TO MHC FOR MHC'S REVIEW AND COMMENT. You can obtain a copy of a PNF through the MHC web site (www.sec.state.ma.us/mhc) under the subject heading "MHC Forms."

Affidavit Certifying Completeness of Old Business submission

I hereby acknowledge that I have read the Nantucket Historic District Commission submission policies effective September 15, 2020. Furthermore, I confirm that the requirements for an Old Business submission have been met.

Signature: _____ Date: 1/27/25

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

JOSEPH STARBUCK HOUSES
known as the "Three Bricks"

Location: 93, 95 and 97 Main Street (on north side)
Nantucket, Massachusetts

Present Owners: #93, Eugenie S. Evans (Mrs. Gwynne Evans)
#95, Pauline Smith Freeman (Mrs. Crowell Freeman)
#97, Jean Satler Knopf (Mrs. Stacy Knopf)

Present Occupants: Owners

Present Use: Seasonal occupancy.

Brief Statement of Significance: Joseph Starbuck, one of the wealthiest whale-oil merchants of his time, built these three brick mansions, the best known of Nantucket's nineteenth century houses, for his three sons during Nantucket's most prosperous period of whaling.

PART I. HISTORICAL INFORMATION

A. Physical History:

1. Original and subsequent owners:

#93 - 1838 -- Joseph Starbuck
1850 -- William Starbuck was deeded property by his father. William Starbuck died in 1873 and by his will left all of his property in trust for the benefit of his wife Sarah M. Starbuck, and after her death to be divided equally among his four children, Walter Starbuck, Martha A. Fenton, Joseph A. Starbuck and Alfred Starbuck. Sarah M. Starbuck died in 1885.
1888 -- Gardner J. Kingman purchases property from the four heirs of William Starbuck.
1920 -- Mary L. B. Waters bought from Charles W. Kingman, son of Gardner J. Kingman.
1945 -- Reginald H. Waters and Katherine E. Waters Begien had inherited the house on the death of their mother. Reginald H. Waters bought Katherine Begien's one-half interest.
1945 -- Robert W. Atkins.
1957 -- Gwyyne Evans and Eugenie S. Evans purchased property from Stephen Booth and Dorothy M. Atkins, heirs of Robert W. Atkins. Mr. Evans died in 1965.

1965 -- to date -- Eugenie S. Evans.

#95 - 1838 -- Joseph Starbuck
1850 -- Matthew Starbuck was deeded property by his father. Matthew Starbuck died in 1876, intestate, his property passing to his widow, Catharine Starbuck and four children: Caroline W. Spinney, Florence Palmer, Maria M. Mackay and Horace Starbuck.
1876 -- Catharine Starbuck purchased all other interests in the property. She died in 1913.
1915 -- Maria M. Mackay bought the shares of the other heirs of Catharine Starbuck. Maria M. Mackay died in 1920.
1920 -- Pauline M. Smith inherited the property by will from her mother.
1948 -- Pauline Smith Freeman was deeded the property by her mother, now Pauline Mackay Johnson.
to date -- Pauline Smith Freeman.

#97 - 1838 -- Joseph Starbuck.
1850 -- George Starbuck was deeded property by his father. George Starbuck died in 1888 and through assignment of a mortgage the property had passed on to his son Sidney Starbuck in 1882.
1896 -- Sidney Starbuck conveyed house and land to Elizabeth Starbuck "for and during her natural life" and after her death to his two sisters Ellen Starbuck Swain and Susan A. Starbuck.
1922 -- Charles Minshall bought from Ellen Starbuck Swain and Susan A. Starbuck (Elizabeth Starbuck being deceased).
1937 -- Margaret M. Craig. Property was deeded to her by Robert Minshall, heir of Charles Minshall.
1946 -- Jean S. Gundry purchased from Alexander M. Craig et al, executors under the will of Margaret Minshall Craig.
to date -- Jean Satler Knopf.

(Abstract, Records Registry of Deeds, Nantucket, Massachusetts)

2. Date of erection: Work was begun on the west brick house early in 1837, and in November, 1840 all three were completed at a cost of $40, 124.00. (Abstract, Joseph Starbuck ledgers in possession of Nantucket Historical Association).

3. Architect: None. James Childs, a "house-carpenter" who had come to the Island from Cape Cod and lived on India Street for over ten years, was the builder. Christppher Capen was the

master mason. He also came from the Cape and was living on India Street. (Abstract, Three Bricks and Three Brothers by Gardner, also records of Nantucket Historical Association.)

4. Original plans, construction, etc.: The three houses are of identical design and have similar interiors. The houses have high, stone front stoops, porticos, large entrance halls and double parlors. The distinctive details of wainscoting and the decorative work about the woodwork are all most interesting and reveal the new elegance which had come to Nantucket.

George Allen Fowlkes in A Mirror of Nantucket states that Joseph Starbuck "felt that his new houses should be like the others on the Island, and it was only upon the strong advice of his son-in-law, William Hadwen, that he decided to modify his plans a bit. Hadwen had come to Nantucket from Newport, Rhode Island, and he was far more cosmopolitan. He was also familiar with the houses from his native town. Tradition is that Hadwen showed Starbuck Stuart and Revett's design for a restoration of the Tower of the Winds in Athens which had a projecting entrance porch with Ionic columns on it. This intrigued Starbuck and with Hadwen supervising the final drawings, Georgian style buildings which resemble in many ways the Salem work of 1820, such as the Pickering Dodge House and the Joseph Peabody House, began to take shape. End chimneys replaced middle chimneys and each room has a fireplace or grate. No walks surmounted these houses; instead a cupola with cut corners was in the center of each roof, and a white balustrade, with panels interrupting the line of balusters, decorated the edge of the front roof."

The original wooden gutters lasted for fifty years for the reason that Starbuck kept a fire burning in a shed at the building site to insure proper seasoning of the lumber.

Glass "lights" were still used at the time these houses were built, but instead of putting them in the wall over the door, here the glass has been placed in the top panels of the doors.

The bricks used in building the houses were brought here from the brickyards of Thomas Murray, Edgecomb, Newcastle, Maine; from John Page, Danvers, Massachusetts, and a half-dozen other firms where the amount of bricks wanted could be immediately "delivered on the wharf at Nantucket" at the lowest price possible. Slate for the three roofs was also purchased through John Page in Danvers, and a slater sent to the Island to do the work.

5. Notes on alterations and additions: Few changes have been made. Modern comforts have been added carefully and all three houses kept in excellent condition.

B. Historical Events Connected with the Structure: Built by Joseph Starbuck, richest whale-oil merchant at that time in Nantucket and owner of many whale-ships, the three mansions were owned and occupied by the Starbucks for three-quarters of a century. The "Middle Brick" has remained in the family and is now owned by the great, great-granddaughter of the son for whom it was built. Ownership of the other two is now out of the family.

In the "Middle Brick" the wallpaper in the front hall is original while many of the furnishings have remained in the house. Among these are family portraits, old Nantucket maps, fire buckets, the coin silver service which was Matthew and Catharine Starbuck's wedding silver, some pewter and some of the furniture.

During the last quarter of the nineteenth century these three houses opened their doors to good books, good pictures, good music and gracious entertaining; reading clubs and small socials found their parlors and living-rooms attractive places to meet. Many good causes were first proposed and instituted in them; the gathering when the Nantucket Historical Association was organized, May 9, 1894, took place in the "Upper Brick", and the hostess was Mrs. George Starbuck.

Where the "Three Bricks" now stand was a great green yard with one unpainted house standing back from the street with the old pump in the middle of the yard, and the rough board fence running down to the next estate, where now the east brick house stands. The street was unpaved, with a crude covering over the fire cistern in the middle of Main Street at the junction of Pleasant Street opposite the west brick house. Here boys spun their tops while waiting for the Fifth Day Friends Meeting to be out and on the First days to view the throng of Friends that came pouring out of the doors, filling the streets in every direction. (Abstract, Main Street in Whaling Days by George F. Worth, as arranged by Nancy S. Adams. Written about 1880 and now the property of the Nantucket Historical Association.)

Duprey, Kenneth, Old Houses on Nantucket. New York: Architectural Book Publishing Co., Inc., 1959. (includes early photograph of interior of #97, and views of interior and exteriors of all three houses.)

Eberman, Edwin. Nantucket Sketchbook. Nantucket: S. F. Baker, 1946. (includes drawings of houses).

Fowlkes, George Allen. A Mirror of Nantucket. An architectural history of the Island, 1686 - 1850. New Jersey: Press of Interstate, 1959. (included exterior views of houses and doorway of #97).

Gardnew, William Edward. Three Bricks and Three Brothers; The Story of the Nantucket Whale-Oil Merchant, Joseph Starbuck. Cambridge: Riverside Press, 1945. (includes many views of houses).

Macy, William Francis. The Story of Old Nantucket; brief history of the island, its people. Boston and New York: Riverside Press, 1915; Inquirer and Mirror Press, 1915; Houghton Mifflin Co., 1928. (included photograph).

Prepared by Mrs. Marie M. Coffin
Nantucket, Massachusetts
November, 1965.

PART II. PROJECT INFORMATION

These records were prepared as part of the Historic American Buildings Survey project on Nantucket, Massachusetts. This is part of a continuing HABS comprehensive survey of the early architecture and urban design of Nantucket financed by a grant from the Nantucket Historical Trust.

The project was under the general supervision of James C. Massey, Chief of the Historic American Buildings Survey. Historical information was provided by Mrs. Marie M. Coffin of Nantucket, Massachusetts. Photographs are by Cortlandt V. D. Hubbard, Philadelphia, Pennsylvania. The material was edited for deposit in the Library of Congress by Mrs. Constance Werner Ramirez, July 1971.

OLD BUSINESS CHECKLIST

Planning and Land Use Services

2 Fairgrounds Road, Nantucket, Ma 02554
508-325-7587

This checklist MUST be included with your Old Business Submission.

*Refer to the Zoom Meeting HDC Submission Policies and Procedures effective September 15, 2020:
https://www.nantucket-ma.gov/DocumentCenter/View/37689/Zoom-Meeting-HDC-Submission-Policies-and-Procedure-effective-September-15-2020-PDF

If your application was HOLD FOR REVISIONS:

	Date submitted to 2 Fairgrounds Road:
	Address & HDC Case Number (ie HDC2020-05-0265):
	Copy of Minutes (application item circled)
	Reduced (8 ½ x 11) copy of application
	Locus Map: 4 copies: https://www.nantucket-ma.gov/151/GIS-Maps
	One copy of additional information requested by Commission- if applicable (i.e. pictures, FEMA flood Certificate, etc.)
	Four (4) Large sets of scaled plans (3/16" or ¼" scale) (circle all that apply) a. Site Plan b. North Elevation c. South Elevation d. East Elevation e. West Elevation f. Window/Door Schedule
	One set reduced plans: 8 ½ x11
	Electronic Submission: Each of the foregoing documents (including this checklist) MUST BE scanned to a single PDF file and emailed to hdcsubmissions@nantucket-ma.gov.
	Submit documents to PLUS at 2 Fairgrounds Road
	Signed Affidavit: see below

Historic District Commission

OLD BUSINESS CHECKLIST **Rev Jan.2021**

HOLD FOR A VIEW	**IF YOUR APPLICATION WAS "HOLD FOR A VIEW"** A. HDC case number: B. Copy of Minutes (application item circled) C. ONE SET OF PICTURES REMINDER- in order to appear on the Agenda, applicants must: 1. Each of the foregoing documents (including this checklist) MUST BE scanned in a single PDF to hdcsubmissions@nantucket-ma.gov 2. Submit hard copy of submission to PLUS at 2 Fairgrounds Road. Failure to submit and email the required documents for an Old Business meeting MAY result in review delays.
HOLD TO TRACK	**IF YOUR APPLICATION WAS "HOLD TO TRACK"** A. HDC case number: B. Copy of Minutes (application item circled) REMINDER- in order to appear on the Agenda, applicants must: 1. Each of the foregoing documents (including this checklist) MUST BE scanned in a single PDF to hdcsubmissions@nantucket-ma.gov 2. Submit hard copy of submission to PLUS at 2 Fairgrounds Road. Failure to submit and email the required documents for an Old Business meeting MAY result in review delays.

** PLUS staff is not responsible to research, gather, collate or submit documents on behalf of the applicant.

Affidavit Certifying Completeness of Old Business submission

I hereby acknowledge that I have read the Nantucket Historic District Commission submission policies effective September 15, 2020. Furthermore, I confirm that the requirements for an Old Business submission have been met.

12A Greglen Avenue / ACK Greglen 12A LLC

Emeritus LTD

68 / 181

New Mixed-Use Structure

Sitting Board: Pohl, MacLeod, Paul, Camp

Chair: Welch, Alternate: None

Pohl: The Pent Roofs are dramatically high. Bring down to human scale.

MacLeod: Agrees with Pohl, suggests lowering the pent roofs to align with the door head trim.
Suggests the possibility of a continuous gable. Drooping the height of the front gable would help.

Paul: Well done building considering the length of the structure. Can see the rear pent roof segment being omitted.
Suggests flipping the materials with shingles for the front mass and vertical cedar plans in the rear.

Camp: Echoes with Paul's comments related to exterior finishes and pent roofs. Appreciates the cupola. Groovy looking in comparison to the neighboring building.

Welch: Agrees with the previous comments. Requests a landscape plan that will include visual mitigation w/ columnar trees along the North and South property limits.

Motion to hold for a few revisions (Camp)

Roll Call Vote: Carried 5-0

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Affidavit Certifying Completeness of Old Business submission

I hereby acknowledge that I have read the Nantucket Historic District Commission submission policies effective September 15, 2020. Furthermore, I confirm that the requirements for an Old Business submission have been met.

Signature: _____ Date: 2/24/25

Meeting Minutes 2.11.2025

27 Willard Street – 32 Hulbert Rear Lot Trust – New Dwelling – 29/72.2

Board: Stephen, Val, Angus, Connie and Joe

Mickey Roland: Style and simplicity are good. Rear massing is larger than the front. Plate height in rear should drop. Front facing shed dormer should not overlap adjacent gable. Shed dormers should be broken up. Triple window on second floor should be two separate windows.

Val: agrees about the triple windows becoming two. Add shingled space to dormers, maybe remove a window. West elevation fits nicely with the neighborhood.

Angus: seems conflicted gable or shed? Gable forward shed dormer should have return.

Connie: agrees with what has been said

Joe: agrees with what has been said, south dormer needs more shingle.

Stephen: would like to see shed roof separated from gable and bring footprint down by 5% to help with density in the area.

Motion to hold for revisions.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

RE: 32 Hulbert Ave
Map 29 Parcel 72
Structure Height

Dear Commissioners:

On behalf of the current property owner, 32 Hulbert Trust, Steven L. Cohen, Trustee, we are writing to provide you verification that the proposed height of the dwelling does not exceed the minimum standard as set forth in the Ninth Edition of the MA State Building Code 780 CMR.

The current Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) for the area containing locus depicts a portion of the lot within Flood Hazard Zone AE9 (design flood elevation 9.3) and Zone AE7 (design flood elevation 7.3), with the vertical datum referenced to NAVD88.

The minimum first floor for the dwelling based on the code and flood hazard zones is established at elevation 10.3, assuming a first-floor system of approximately one-foot thickness.

I trust that this information addresses your request, though please feel free to contact me with any questions or concerns regarding this matter.

Sincerely,
Nantucket Engineering & Survey, P.C.

HDC MEETING MINUTES NOT AVAILABLE

HDC Meeting Date: 02.18.25

12 Baltimore Street / Starboard and Port LLC

Emeritus LTD

60.2.4 / 75

Main House, Move/ Alterations

Sitting Board: Thornewill, Camp, MacLeod, Pohl

Chair: Welch Alternate: None

Thornewill: Notes the absence of a chimney from existing photographs.

Welch: Confirmed with Emeritus that the height of structure is not being altered, and the grade is not being modified. Recommended removal of the chimney should be struck from drawings as the chimney is no longer existing.

Pohl: Confirmed with Emeritus that the detailing under the second story windows is simply trim and not window boxes.

MacLeod: Proposed both the east and north French door be modified to single doors with fewer lites. Noted the absent chimney was characteristic to the area but would be hard for the committee to request the addition of.

Camp: Requested exterior door to more closely match the simplicity of the existing entry. Concurred with comments that the French doors produced an over-fenestration appearance.

Motion to hold for revisions (Thornewill)

Roll Call Vote: Carried 5-0

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

HDC MEETING MINUTES NOT AVAILABLE

HDC Meeting Date: 2/11/2025

John Wise / 36 Tennessee Ave

Emeritus LTD

59.4 / 79

New Dwelling

Sitting Board: Camp, MacLeod, Paul

Chair: Welch

Paul: Appreciates the breaking up of masses in a tight footprint. Views from street are appropriate, would like to see a water side perspective. A cross section to show elevation and vegetation from the water side may be helpful. Clarified Trim and Sash are Gray, not White as noted on original application.

Camp: Feels the water side is boxy/squared and not very Madaket. Would like to see something more Madaket. Concerned about view from the water side.

Macleod: Agrees with Paul.

Welch: Agrees we need to see water side perspective/view and first floor fenestration should be lightened up/lessened.

Motion to Hold for Additional Info & Revisions (Camp)

Carries 4-0

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS **Rev Jan 2020**

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

✓ 3. **Application Fee**: See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

✓ 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

✓ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

✓ 3. **As-Built Plans (1copy):** of existing elevations

N/A 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

N/A 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

✓ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

ASM 7. *I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.*

(initial to indicate read and understand)

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

N/A 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

23 Ocean Ave
Year built: c. 1870
Original Owner: Crosby Family
House Name: Fort Sumter

"Fort Sumpter"
Crosby Family
c. 1870

The house at 23 Ocean Ave was likely constructed c. 1870 for the Crosby Family. Matthew Crosby was a wealth whale-oil merchant who owned many properties on Nantucket. His in-town house was 90 Main Street, and his summer estate was on 28 Main Street, 'Sconset. Crosby purchased the lot in May of 1894, one month after it was advertised for sale in The Inquirer and Mirror.

The lot was formerly known as the "Elkins" lot and was owned by Captain Edward W. Gardner before Crosby. After Gardner's death, Crosby purchased the lot from his son-in-law William. G. Gardner, and William's wife (and Crosby's daughter), Elizabeth B. Crosby Gardner.

Matthew Crosby and his heirs owned the property until August 1879, when it was sold to Edward Finch Underhill, who was responsible for much of the development in the Sunset Heights area of 'Sconset. Within six weeks of purchasing the property, Underhill began making improvements to the house.

In our research, we found that the house was given a name at one point (at least by 1879)— "Fort Sumpter," the first battle of the American Civil War. We know that when Crosby bought the land in 1864, there was no dwelling on the lot, but there was one by the time Underhill purchased the property in 1879. We believe the house was constructed a few years after the war and the name likely chosen to honor the Union victory.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 23 Ocean Avenue

Tax Map Number: 73.3.1 Parcel Number: 19

Owner of Record: Marcia Browne and Jeffrey Clark

Description of Proposal:

10'x14' (140 sf) 2nd floor addition and 6'x12' Pergola

Anticipated HDC Submission Date: 12/16/24

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS **Rev Jan 2020**

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

✓ 3. **Application Fee:** See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc..*

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

✓ 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

✓ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

✓ 3. **As-Built Plans (1copy):** of existing elevations

N/A 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

N/A 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

✓ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

ASM 7. *I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.*

(initial to indicate read and understand)

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

✓ 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 23 Ocean Avenue, Siasconset

Tax Map Number: 73.3.1 Parcel Number: 19

Owner of Record: Marcia Browne

Description of Proposal: Second Floor addition to existing Southwest First Floor wing and add balcony to existing South porch roof, no change to existing First Floor or other Elevations.

Anticipated HDC Submission Date: June 13th, 2022

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

6. Susan O'Malley **06-6490**	10 New Mill Street	Fence	59.4.4/9	Boris Nikolov

Voting	Pohl, Camp, Coombs, Welch, Thornewill
Alternates	Oliver
Recused	None
Documentation	Landscape design plans, site plan, photos, historical documents, and advisory comments.
Representing	Boris Nikolov
Public	None
Concerns (4:53)	**Nikolov** – Presented project. **Pohl** – The fence in the photo is a stockade, which aren't approvable. We will need more specific drawings. Also 20'-long, 5'-high board fence along New Mill Street isn't approvable. Suggested Mr. Nikolov talk to staff about what types of fencing are approvable.
Motion	**Motion to Hold for revisions, accurate drawings, and to go to HSAB. (Camp)**
Vote	Carried 5-0 Certificate #

7. Clarke Browne **06-6539**	23 Ocean Avenue	Addition	73.3.1/19	Angus Macleod

Voting	Pohl, Camp, Coombs, Oliver, Welch
Alternates	Thornewill
Recused	None
Documentation	Architectural elevation plans, site plan, photos, correspondence, historical documents, and advisory comments.
Representing	Angus MacLeod Arthur Reade, Reade, Gullicksen, Hanley, & Gifford LLP
Public	Sarah Alger, Sarah F. Alger P.C for 1 Pochick Road Linda Williams Lynn Filipski, 'Sconset Civic League Greg Dunbar, 1 Pochick road
Concerns (4:56)	**MacLeod** – Presented project; overall height is 20' and we aren't exceeding that; 7' floor to floor. **Backus** – Read SAB comments 7/18: addition is thoughtful in using 'Sconset vernacular; however, the massing changes the streetscape of both Ocean Avenue and Pochick Road. Per HDC survey, circa 1885 double decker, Victorian eclecitic, Underhill cottage; per Nantucket Preservation Trust (NPT) history indicates "Fort Sumpter" circa 1870 attributed to Matthew Crosby. Agrees with SAB; this dwelling has lots of history and should not be altered in height, as that's a character-defining feature. It is identified with the Artists' Colony of the 1920s. Asked for a demolition plan and window survey and recommend considering a 1-story additive mass. **Reade** – Challenges the assertion that this is an Underhill Cottage; explained his reasoning. Reviewed the SAB individual comments: one echoed Ms. Backus, one appreciated not building into the yard, and one had no concerns. A 1-story additive mass would intrude into the wide yard and into the view shed to the ocean. The issue should be the architecture and the public view shed. **Alger** – Explained why this is in fact an Underhill Cottage. Feels the proposed addition is intrusive into the view shed. There is no explanation how a 2nd story would be added without obliterating the existing 1-story element. **Williams** – Reviewed the historic packet she prepared. This structure has remained mostly unchanged since construction; a 1-story eclectic addition would be more appropriate. A 2nd-floor deck facing the water is inappropriate. The HDC has been consistent with requiring window surveys. The ganged windows are atypical for a structure of this age. The additive massing is not appropriate. **Filipski** – Our mission is to preserve the historical character of the village. This area is a very important district developed by Mr. Underhill. The addition ignores the scale of the neighborhood; asked HDC request revisions to bring the proposed into scale with the Underhill architecture. **Dunbar** – The defining characteristic of this home is that shallow roof; the addition looks to engulf the entire 1st floor of the house. **Camp** – The historic mass shouldn't be changed. Suggested a 1-story addition off the rear or side. This is a historic structure which has been minimally added onto. The proposed design takes away from the main historic mass and makes the structure appear lopsided. **Coombs** – Agrees with Ms. Camp. The addition would be fine someplace else but not on this house; it's bigger than the existing house and is overwhelming. Wants to see revisions and have those revisions go back to SAB. **Welch** – It's inappropriate. An appropriate design should be more subordinate in respect to height and mass. Suggested expanding into a basement. **Oliver** – Nothing to add. The addition needs to be subordinate to what's there. A basement is a good idea. **Pohl** – Good points have been raised. He'd be interested in the forensics of how they would get this to work structurally. Ms. Backus requested a demolition plan; that is essential for a house of this vintage. We need a window survey and he'd like to see a framing cross section. South elevation, the ridge is the same height as the main ridge; that's troubling.
Motion	**Motion to Hold for revisions to height and mass, additional information relative to revisions, and an option for a basement. (Welch)**
Vote	Carried 5-0 Certificate #

The Massachusetts Historical Commission (MHC) has converted this paper record to digital format as part of ongoing projects to scan records of the Inventory of Historic Assets of the Commonwealth and National Register of Historic Places nominations for Massachusetts. Efforts are ongoing and not all inventory or National Register records related to this resource may be available in digital format at this time.

The MACRIS database and scanned files are highly dynamic; new information is added daily and both database records and related scanned files may be updated as new information is incorporated into MHC files. Users should note that there may be a considerable lag time between the receipt of new or updated records by MHC and the appearance of related information in MACRIS. Users should also note that not all source materials for the MACRIS database are made available as scanned images. Users may consult the records, files and maps available in MHC's public research area at its offices at the State Archives Building, 220 Morrissey Boulevard, Boston, open M-F, 9-5.

Users of this digital material acknowledge that they have read and understood the MACRIS Information and Disclaimer (http://mhc-macris.net/macrisdisclaimer.htm)

Data available via the MACRIS web interface, and associated scanned files are for information purposes only. THE ACT OF CHECKING THIS DATABASE AND ASSOCIATED SCANNED FILES DOES NOT SUBSTITUTE FOR COMPLIANCE WITH APPLICABLE LOCAL, STATE OR FEDERAL LAWS AND REGULATIONS. IF YOU ARE REPRESENTING A DEVELOPER AND/OR A PROPOSED PROJECT THAT WILL REQUIRE A PERMIT, LICENSE OR FUNDING FROM ANY STATE OR FEDERAL AGENCY YOU MUST SUBMIT A PROJECT NOTIFICATION FORM TO MHC FOR MHC'S REVIEW AND COMMENT. You can obtain a copy of a PNF through the MHC web site (www.sec.state.ma.us/mhc) under the subject heading "MHC Forms."

To the Historic District Commissioners:

The proposed additions to 23 Ocean Ave would forever alter this historic streetscape. This structure predates the Underhill Cottages, built shortly after the footbridge was constructed to connect the new Sunset Heights development to old 'Sconset. Edward Underhill laid out Pochick Street in 1879 and began building his eponymous cottage colony of revival fish houses thereafter.

While there have been welcome changes made to the prior submission, (the elimination of the previously proposed second floor balcony, retention of the existing addition's roofline on the west elevation) the proposed addition still threatens the character-defining feature of the second story single gable. The proposed second story reverse gable with shed roofed dormer would alter the streetscape as one approaches Pochick Street and the Underhill Cottages from Ocean Ave. The relationship of this house to the nearby Underhill Cottages should absolutely be considered in evaluating the appropriateness of this design.

Building with Nantucket in Mind notes, on page 68, "The integrity of the front of a historic building should be maintained," and any additions to a historic structure "should not overwhelm the original building size." What is currently proposed has a ridge height the same as the main ridge and does not seem compatible with what is recommended by the guidelines. Any addition to this house should be subordinate, not just in square footage but in height.

Sincerely,

Mary Bergman
Executive Director

TO:	NANTUCKET HISTORIC DISTRICT COMMISSION
FROM:	SARAH ALGER, REPRESENTING G&G BURGEE LLC, OWNERS OF 1 POCHICK STREET, IMMEDIATE ABUTTERS TO THE WEST
DATE:	January 2, 2025
PREPARED BY:	LINDA WILLIAMS
RE:	OPPOSITION TO PROPOSED ALTERATION OF 23 OCEAN AVE.

Attached please find extensive research on the history of 23 Ocean Avenue (AKA 2 Pochick Street), formerly known as “Windsor” and then “Ye Doubbel Decker”. The property was part of the Underhill Cottages and on the same lot as the other cottages on the north side of Pochick Street. As shown in the photographs and Sanborn Maps, the structure dates to the early to mid-1880s and has remained relatively if not completely unchanged to the present. It can be surmised that the reason this structure is two stories is that it faced the ocean and was the only one that had a view. Otherwise the actual footprint is the same general size of 480 SF on the main mass with the same wings as found on the other Underhill Cottages. This lot is larger as it had the original storage shed on it before it was split off in 1955 and altered.

The other alterations to the Underhill Cottages on Pochick, Lily and Evelyn Streets have been done sensitively and maintained the low and eclectic architecture of the original cottage. The current proposal to construct a hipped roof 2-story addition to this historic structure would be entirely inappropriate and obliterate what makes this structure unique even among the Underhill Cottages that remain. There appear to be other options of enclosing more of the side porch or some other single-story addition.

The original plots purchased by Edward Underhill are included in the packet that created Pochick Street, Lily Street (for his daughter) and Evelyn Street (for his wife). The large tracks of land were originally part of Sunset Heights.

The Underhill Cottages need to be preserved as “significant” not just “contributing” given their unique history, setting, the people who stayed there as

part of the Siasconset Actors Colony. Some well-known actors and writers stayed there and three of them are included with this packet. Other writings, particularly one from PIN, states that these cottages should be preserved as an important part of Siasconset's history taking into account "the dynamic period in history, and the positioning of the various elements (people, place, and architecture)…"

In addition to all of the other supporting research provided, perhaps the most definitive proof that this was an Underhill Cottage is the deed from Edward Underhill's widow Eveyln to Albert Brock January 28, 1935. Until then, 23 Ocean Avenue/2 Pochick and the rest of the cottages were all on the same lot on the north side of Pochick. She was forced to sell the lots out separately due to her inability to maintain the cottages for rental, her failing health and the Depressions impact. Her husband had left the cottages to her in 1898 when he died with life-rights on the provision they remain on the same lot and not be sold individually. In the deed she specifically gave up her life right to this lot.

The Underhill Cottages are special places and are a significant part of the history of Siasconset that needs to be rigorously preserved intact. This proposed alteration and expansion to this structure would drastically alter the appearance and not be harmonious with the existing historic cottage. We are respectfully asking the HDC to either deny the proposal before the you or ask for significant revisions that do not drastically impact the existing historic architecture that has remained relatively unchanged for almost 140 years.

Subject: 23 Ocean Avenue History

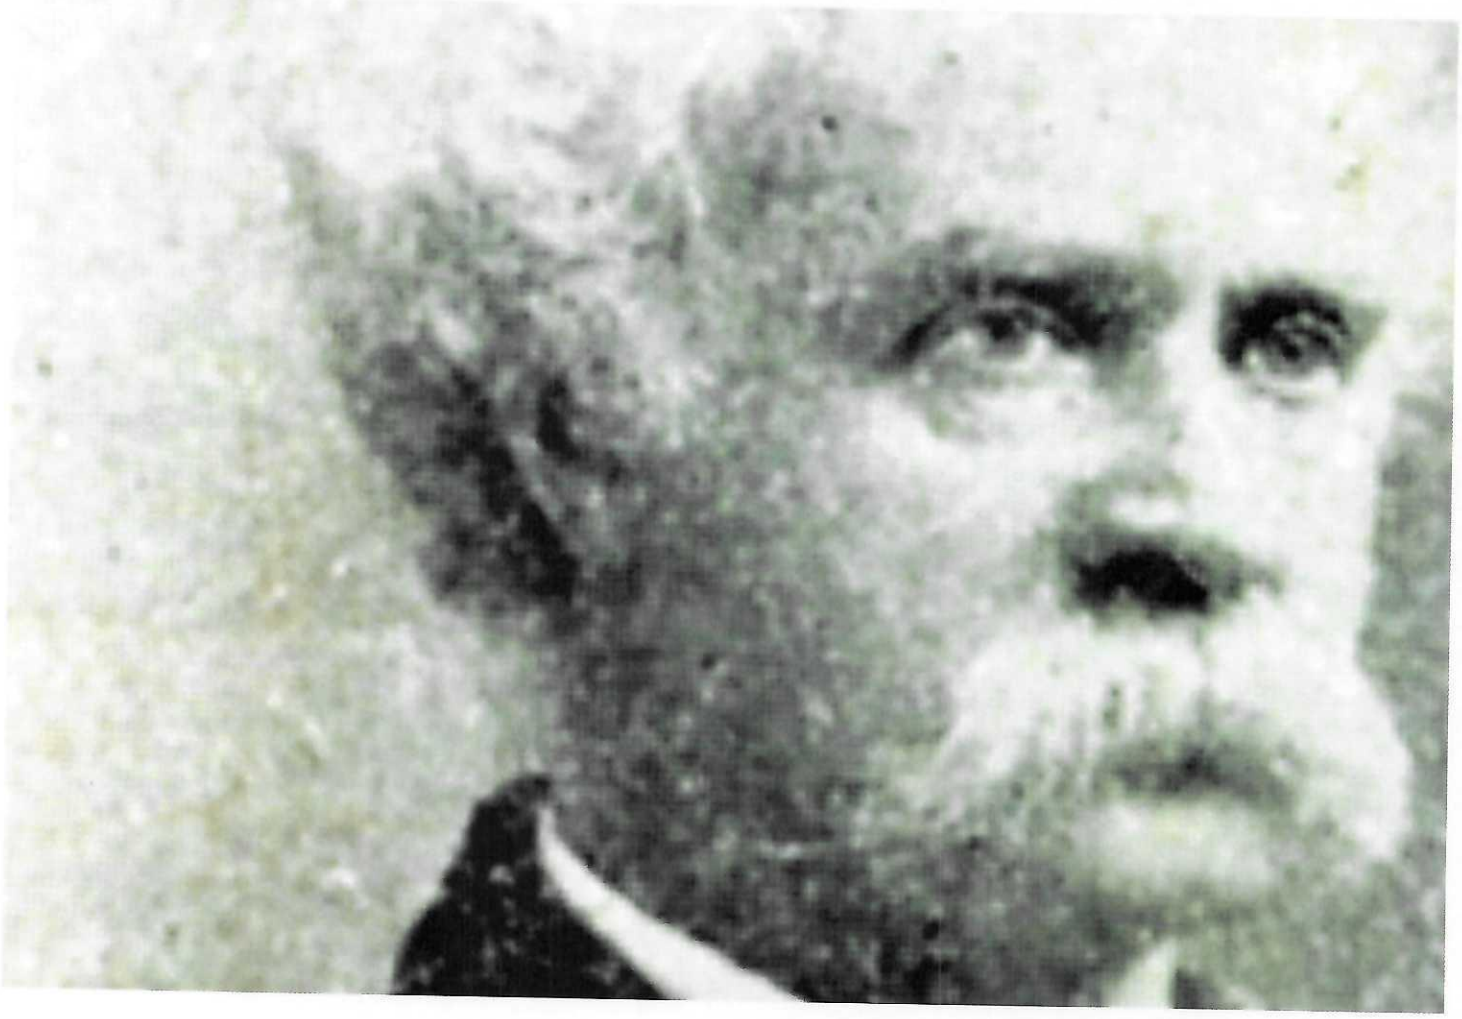
External Email - Use Caution

Dear HDC Commissioners:

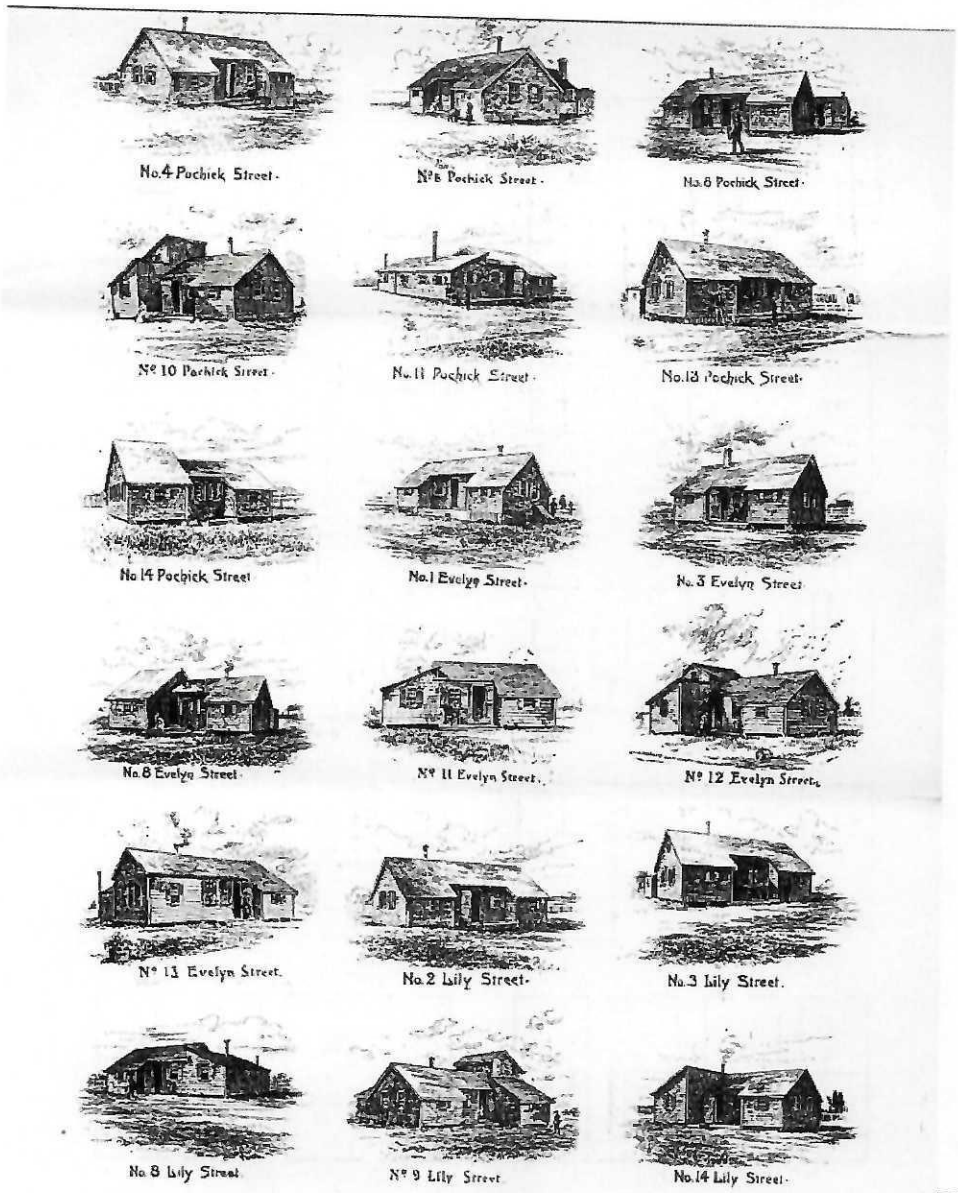
Several years ago, while I was working for the Nantucket Preservation Trust, NPT completed deed research on the house at 23 Ocean Avenue. For many years, historians have been puzzled by the structure and its association with Edward Underhill, because it is so different in design from the typical cottages Underhill built in the 1880s. In fact, the deed research revealed that the house predates the Underhill ownership. The date of construction is c. 1870.

In short, Edward Underhill purchased the property from the Matthew Crosby estate in 1879. At that time the property included vacant land on both sides of Pochick Avenue and a structure--now known as 23 Ocean Avenue.

Early in its history, the house was known as Fort Sumter--likely named for the Civil War battle. Newspaper accounts reveal that within six months of his purchase, Underhill began improvements on the cottage, and it became one of dozens he rented to summer tourists. He held the property throughout his life.



I hope that this information helps to clarify the property's early history.



Sincerely,
Michael May

The Underhill Cottages

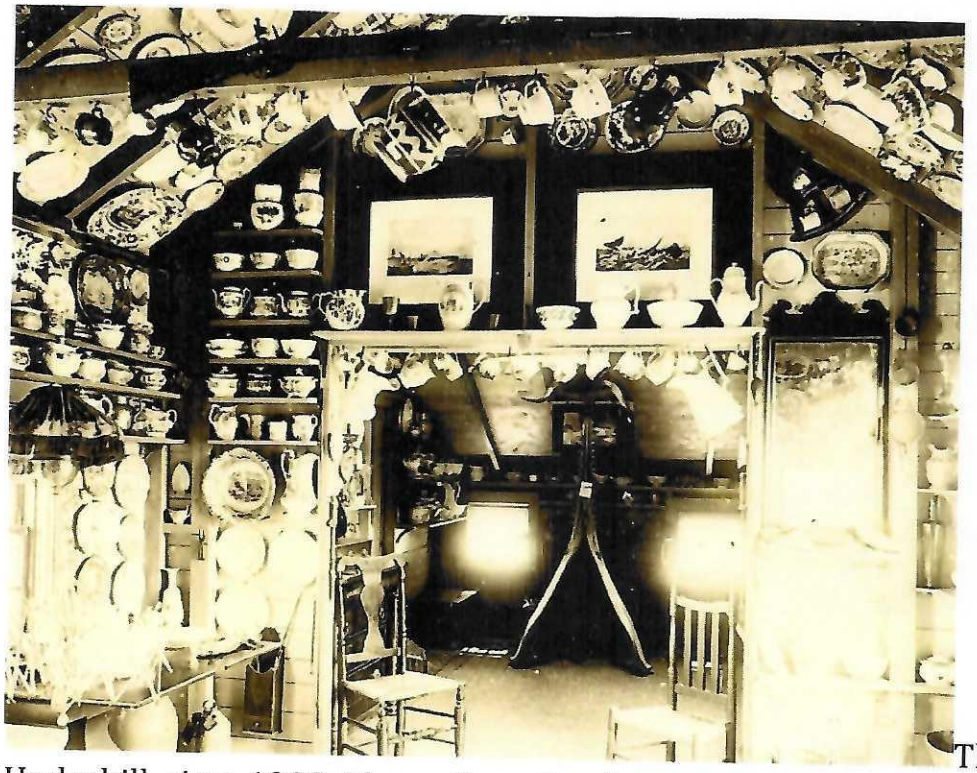
Featured Properties, Preservation Update / By Nantucket Preservation Trust / September 1, 2015

The Underhill Cottages were brought about due to the success of Sunset Heights, which drew other real estate investors to 'Sconset. In 1879, the land known as the Pochick Lot was sold by the heirs of Matthew Crosby to Edward F. Underhill of New York City. His development featured very different cottages from Robinson's Victorians. Underhill modeled the Pochick cottages after the fish shanties in the village core along Broadway, Center and Shell streets—using the same architectural vocabulary including warts, T-shaped plans and half gable roofs. He soon purchased additional land to the west—present day Evelyn and Lily Streets (named for his wife and daughter) to extend his cottage development.

Edward F. Underhill

At the Pochick lot, Underhill created a road down the middle of the parcel, and immediately began construction on his own cottage, China Closet, at the east end, on the south side of the street (now a secondary cottage for the house on Ocean Avenue).

Underhill was a man of many talents and was perhaps one of the most famous Sconseter's of the nineteenth century. He was a Civil War reporter for The New York Times in the 1860s, a journalist for the New York Tribune in the 1880s, a famous New York court stenographer in an era when a court stenographer could be famous, a vineyard owner, rare book and china collector, noted wit, and 'Sconset enthusiast. He was especially gifted as a writer and promoter and is responsible for luring visitors to the village from across the country.



Underhill's advertising circular included a detailed description of the cottages:
They are built . . . following the traditions of the builders of a hundred years ago, who made their houses strong and compact for comfort and convenience and with no thought that the structures they reared would ever be in demand for the residences of families from distant parts during the warm season. The only variations I have made from the strict simplicity of 'Sconset architecture are to have the apartments more commodious, and to avail myself of a few accessories which improve the appearance of the dwellings without, in the least degree, giving them the ornate look of modern built cottages at our fashionable seaside resorts.

Each house has a small cellar, a cistern abundantly supplied with rain water, and is completely furnished for house-keeping, even to the extent of providing crockery, cutlery and bed and table linen. The bedsteads are of modern style and are furnished with spring bottoms and mattresses of the best quality curled hair. Each house is situated on a lot having a frontage of 55 feet with a full area of 3,300 square feet of ground.

Main Top, 9 Pochick Street, circa 1910

One of the quirkiest Underhill creations was the construction of extra rooms on wheels that could be rolled up to a cottage for additional living space. This invention was most likely constructed by Asa Jones, along with George W. Rogers, Underhill's carpenters of choice. The cottages along Pochick, and Lily and Evelyn (named for Underhill's daughter and wife), appear to have been built over several years, but individual cottages were built quickly—often completed according to newspaper accounts within 10 or 14 days.

The cottage of Mrs. Evelyn Underhill, circa 1900. The walls and ceiling of the cottage interior were lined with china collections, dishes, and tea services.

By the early 1890s, Underhill community was complete and was thriving with nearly two dozen cottages. It quickly became known as the village's "Actors' Colony," due to it being largely populated by Broadway actors and actresses, artists and writers, and other bohemian types. The Underhill cottages continued to be rented until the mid 1920's – often by the same families, year after year.

– *text originally from the NPT 2015 August Fete Brochure*

House marker design proof before it is fabricated by the sign maker.

One of our most visible program at the Nantucket Preservation Trust is our house markers. Chances are, you've noticed these wooden tablets on historic homes around town. They tell you the date of construction, who built the house, the original resident (if known), and sometimes the house's original name or function. We've marked over 200 house since the program began.

We've recently completed work on two new house markers. Researching and documenting the history of Nantucket's historic homes–and the people who built them and lived in them–is important work. House markers make a great gift and help us improve Nantucket's historical record. **Click here for more information about our house marker program**, or give us a call at the office, 508.228.1387, to discuss a marker for your house.

Behind each marker is quite a bit of information–read on to learn about two of our newest marked houses.

Fort Sumter

Crosby Family

c. 1870

The house at 23 Ocean Ave to was constructed c. 1870 for the Crosby Family. Matthew Crosby was a wealth whale-oil merchant who owned many properties on Nantucket. His in-town house was 90 Main Street, and his summer estate was on 28 Main Street, 'Sconset. Crosby purchased the lot on Ocean Ave in May of 1894, one month after it was advertised for sale in *The Inquirer and Mirror*.

The lot was formerly known as the "Elkins Lot" and was owned by Captain Edward W. Gardner before Crosby. After Gardner's death, Crosby purchased the lot from his son-in-law William G. Gardner, and William's wife (and Crosby's daughter), Elizabeth B. Crosby Gardner.

Matthew Crosby and his heirs owned the property until August 1879, when it was sold to Edward Finch Underhill, who was responsible for much of the development in the Sunset Heights area of 'Sconset. Within six weeks of purchasing the property, Underhill began making improvements to the house.

In our research, we found that the house was given a name at one point (at least by 1879)—"Fort Sumter," the first battle of the American Civil War. We know that when Crosby bought the land in 1864, there was no dwelling on the lot, but there was one by the time Underhill purchased the property in 1879. We believe the house was constructed a few years after the war and the name likely chosen to honor the Union victory.

HISTORIC DISTRICT COMMISSION
REGULAR MEETING

2 Fairgrounds Road
Nantucket, Massachusetts 02554

XIV. NEW BUSINESS 06/21/2022

Property owner name	Street Address	Scope of work	Map/Parcel	Agent
1. Richmond Great Pt Prop **06-6536**	1 Violet Place	New commercial building	68/340	KOH

Voting: Pohl, Coombs, Oliver, Welch
Alternates: None
Recused: None
Documentation: Architectural elevation plans, site plan, and photos.
Representing: Dinah Klamert, KOH
Public: None
Concerns (4:15): **Klamert** – Submitted photos of a similar structure already built; reviewed 2 options to make this different.
Welch – The gable ends of the secondary masses should be hipped.
Oliver – Okay with it as is; though also okay with both the options.
Coombs – Agrees with Ms. Oliver.
Pohl – West elevation, the hipped roof looks chopped off. The hipped roof reduces the perceived length of the ridge line.
Discussion on the motion.
Motion: **Motion to Approve through staff with the west & south elevations to be hipped roofs and returned to the primary mass and no clapboard. (Welch)**
Vote: Carried 4-0 Certificate # **HDC2022-06-6536**

Motion	**Motion to Approve as submitted. (Camp)**
Vote	Carried 5-0 Certificate # **HDC2022-06-6538**

3. Richmond Great Pt Prop **06-6537** 3 Violet Place New commercial building 68/340 KOH

Voting	Pohl, Camp, Coombs, Oliver, Welch
Alternates	Thornewill
Recused	None
Documentation	Architectural elevation plans, site plan, and photos.
Representing	Dinah Klamert, KOH
Public	None
Concerns (4:28)	**Klamert** – This is a mirror image to 1 Violet Place, so it would have the same issues. Clapboard would be platinum grey with white trim. **Camp** – No concerns with the same conditions as 1 Violet Place. Asked about the clapboard color pallet. **Welch** – Asked how many structures of this style are there (1 existing).
Motion	**Motion to Approve through staff with the flanking north and west elevation to be hipped roofs and returned to the primary mass and with clapboard to be Platinum grey and white trim. (Camp)**
Vote	Carried 5-0 Certificate # **HDC2022-06-6537**

4. Cailen Casey **06-6474** 77 Sparks Avenue Hardscape & driveway 55/138.1 Cailen Casey

Voting	Pohl, Camp, Coombs, Oliver, Welch
Alternates	Thornewill
Recused	None
Documentation	Landscape design plans, site plan, and photos.
Representing	Cailen Casey
Public	None
Concerns (4:35)	**Casey** – Presented project; it was suggested that the white shell might be replaced with gravel; the retaining wall is not getting any taller. **Backus** – this is in the old historic district (OHD) circa 1930/1940 Cape. Belgium block apron and cobblestone wall are too formal for this area. Recommend peastone drive and brick wall and apron. **Camp** – Okay with the Belgium block apron. Peastone would be better for the driveway. Okay with a cobble or Pennsylvania field stone wall. **Coombs** – Would go with brick wall and peastone drive. **Oliver** – Moving the wall forces it to get taller; doesn't care about the material. **Welch** – Regarding the retaining wall, asked if the top will follow the grade or be level (level); no real concerns with materials. It would help to know the type of brick to be used. **Pohl** – The proposed wall wouldn't be taller than what exists; it's probably no more than 2' tall. Agrees with Ms. Backus on the brick apron and wall.
Motion	**Motion to Approve through staff with brick to be S&H running bond, wall to be the same brick, and the drive to be peastone. (Welch)**
Vote	Carried 4-1//Camp opposed Certificate # **HDC2022-06-6474**

5. Susan O'Malley **06-6490** 10 New Mill Street New deck 59.4.4/9 Boris Nikolov

Voting	Pohl, Camp, Coombs, Welch, Thornewill

Recused	None
Documentation	Architectural elevation plans, site plan, photos, correspondence, historical documents, and advisory comments.
Representing	Angus MacLeod Arthur Reade, Reade, Gullicksen, Hanley, & Gifford LLP
Public	Sarah Alger, Sarah F. Alger P.C for 1 Pochick Road Linda Williams Lynn Filipski, 'Sconset Civic League Greg Dunbar, 1 Pochick road
Concerns (4:56)	**MacLeod** – Presented project; overall height is 20' and we aren't exceeding that; 7' floor to floor. **Backus** – Read SAB comments 7/18: addition is thoughtful in using 'Sconset vernacular; however, the massing changes the streetscape of both Ocean Avenue and Pochick Road. Per HDC survey, circa 1885 double decker, Victorian eclecitic, Underhill cottage; per Nantucket Preservation Trust (NPT) history indicates "Fort Sumpter" circa 1870 attributed to Matthew Crosby. Agrees with SAB; this dwelling has lots of history and should not be altered in height, as that's a character-defining feature. It is identified with the Artists' Colony of the 1920s. Asked for a demolition plan and window survey and recommend considering a 1-story additive mass. **Reade** – Challenges the assertion that this is an Underhill Cottage; explained his reasoning. Reviewed the SAB individual comments: one echoed Ms. Backus, one appreciated not building into the yard, and one had no concerns. A 1-story additive mass would intrude into the wide yard and into the view shed to the ocean. The issue should be the architecture and the public view shed. **Alger** – Explained why this is in fact an Underhill Cottage. Feels the proposed addition is intrusive into the view shed. There is no explanation how a 2nd story would be added without obliterating the existing 1-story element. **Williams** – Reviewed the historic packet she prepared. This structure has remained mostly unchanged since construction; a 1-story eclectic addition would be more appropriate. A 2nd-floor deck facing the water is inappropriate. The HDC has been consistent with requiring window surveys. The ganged windows are atypical for a structure of this age. The additive massing is not appropriate. **Filipski** – Our mission is to preserve the historical character of the village. This area is a very important district developed by Mr. Underhill. The addition ignores the scale of the neighborhood; asked HDC request revisions to bring the proposed into scale with the Underhill architecture. **Dunbar** – The defining characteristic of this home is that shallow roof; the addition looks to engulf the entire 1st floor of the house. **Camp** – The historic mass shouldn't be changed. Suggested a 1-story addition off the rear or side. This is a historic structure which has been minimally added onto. The proposed design takes away from the main historic mass and makes the structure appear lopsided. **Coombs** – Agrees with Ms. Camp. The addition would be fine someplace else but not on this house; it's bigger than the existing house and is overwhelming. Wants to see revisions and have those revisions go back to SAB. **Welch** – It's inappropriate. An appropriate design should be more subordinate in respect to height and mass. Suggested expanding into a basement. **Oliver** – Nothing to add. The addition needs to be subordinate to what's there. A basement is a good idea. **Pohl** – Good points have been raised. He'd be interested in the forensics of how they would get this to work structurally. Ms. Backus requested a demolition plan; that is essential for a house of this vintage. We need a window survey and he'd like to see a framing cross section. South elevation, the ridge is the same height as the main ridge; that's troubling.
Motion	**Motion to Hold for revisions to height and mass, additional information relative to revisions, and an option for a basement. (Welch)**
Vote	Carried 5-0 Certificate #

8. India & Rose Tr **06-6484**	28 India Street	Rev. 5776: fenst & ptl demo	42.3.4/108	Botticelli + Pohl

Voting	Camp (acting chair), Coombs, Oliver, Welch, Thornewill
Alternates	None
Recused	Pohl
Documentation	Architectural elevation plans, site plan, photos, historical documents, and advisory comments.
Representing	Lisa Botticelli, Botticelli & Pohl
Public	None
Concerns (7:45)	**Botticelli** – Presented project; the rear ell is old but has a nearly flat roof and asymmetrical gable. The flat roof will have to come off. **Backus** – Read HSAB comments 6/27: Traditional basement windows were never mulled; it would be preferable to have 3 separated windows. Circa 1830s Federal built for David Baxter by John Brown Coleman. HSAB discussed the proposed demolitions of a wing dating back to the 1800s; she wants more information verifying the age of the rear ell. Okay with the proposed fenestration change. **Thornewill** – What's being proposed is minor; she has no concerns. Didn't realize this included a demolition of the rear ell. To do the proposed additions, much would have to be demolished. Asked if any of the existing windows are reusable. We need a defining demolition plan. **Welch** – He's fine with the proposed changes but we need a demolition plan on file as well as a window survey. **Oliver** – Nothing to add. We need a demolition plan. **Coombs** – Wants to see the demolition plan before any approval of the work, and that should be reviewed by HSAB. **Camp** – Okay with the side fenestrations. She too would like to see the demo plan.
Motion	**Motion to Hold for additional information – demolition plan, window survey, and narrative list of architectural elements to be removed. (Welch)**
Vote	Carried 5-0 — Certificate #

9. Guy Wisinski **06-6545**	13 Arkansas Avenue	Solar roof array	59.4/158	Ack Smart

Voting	Pohl, Camp, Coombs, Oliver, Welch
Alternates	Thornewill
Recused	None
Documentation	Architectural elevation plans, site plan, photos, advisory comments, and manufacture spec sheet.
Representing	Tobias Glidden, ACK Smart
Public	Linda Williams, MAB
Concerns (5:53)	**Glidden** – Presented project; heavy year-round vegetative screening exists; visibility is limited. **Williams** – Read MAB comments: There was disagreement on MAB: 2 want a ground array on the north side. Her concern is that a ground array might be more visible; feels the proposal would be only obliquely visible. The Madaket Area Plan will be reviewed to address solar arrays. **Oliver** – This is the type of application we find appropriate – on a 1st-floor mass on the rear. Camp and Coombs agree. **Welch** – This is appropriate. Cautions people against lobbying against the Energy Resiliency Workgroup. HDC aesthetics have a different concern.
Motion	**Motion to Approve. (Camp)**
Vote	Carried 5-0 — Certificate # **HDC2022-06-6545**

Representing	Andrew Kotchen, Workshop APD
Public	Arthur Reade, Reade, Gullicksen, Hanley, & Gifford LLP, for Alan Meyer
Concerns (6:00)	**Kotchen** – Presented project; contends no visibility; height 22'. **Reade** – This is described as a pool cabana but it's 1.5 stories with 2 bathrooms and kitchen and sauna; that doesn't seem typical for a cabana, and it's adjacent to an outdoor area with a free-standing chimney. It should be a low, 1-story structure adjacent to the pool. He thinks this is cottage masquerading as a cabana. **Camp** – This isn't an ordinary pool cabana; however, the size of the lot can handle the design. She has no objections. **Thornewill** – She agrees. If you call it a cottage, you're good; it's simple. **Coombs** – It's large for a cabana. **Welch** – He's concerned about the overall height; agrees with Mr. Reade, the term cabana doesn't suit this. This is an accessory structure and should be labeled as such; however, there are no sleeping areas. **Pohl** – This appellation of cabana would apply to one portion that's connected by a pergola to the structure. There's nothing objectionable about it.

Concerns (6:17)	**Kotchen** – presented project; basement walk-out faces east; southeast faces the pond; white trim and windows; chimneys grey concrete. **Backus** – Referenced a letter from an abutter asking that the vegetative screen remain in place. **Oliver** – The plan has contours but no elevation numbers; a cross section through the lot would be helpful. This will be visible from the Massachusetts Audubon property. The forms are simple, but the house is 2X larger than the existing with trim going to white. The connector with glass is the same on both and will be like a lantern at night, which isn't appropriate to the Dark Skies Initiative. Most buildings in the area are 1.5 stories; this is 2 stories with parts being 3 stories. Appreciates removing the 2-story windows. **Coombs** – The size of the windows is a concern as well as visibility through the connector. Northwest elevation, the window will impact the Dark Skies. This is essentially 3 stories in a simple area. Too many mulled windows. Should be simpler. **Camp** – Doesn't think white is appropriate for this size; natural to weather or grey would be better. The front door is overly wide at 5'. The breezeway is not appropriate here where it's adverse to the environment; the amount of glass should be toned down. **Thornewill** – This is a very prominent hilltop. White trim isn't appropriate here; an abutting white-trim house sticks out. The wells creating a 3-story element aren't working. The 9'-tall breezeway doors are too much. Overall massing is good. The window wells should be subtle; don't open up the earth for them. **Pohl** – Asked if the proposed grade is the same as existing (yes). Agrees with what's been said, especially the white trim. The southwest elevation is 38' tall; the maximum zoning allows is 32' on one side. He too would like to see a cross section.
Motion	**Motion to Hold for revisions, a cross section through the site, and the existing house. (Oliver)**
Vote	Carried 5-0 Certificate #

Concerns (6:34)	**Kotchen** – Presented project; has white trim. **Backus** – This property is adjacent to Massachusetts Audubon property. **Oliver** – Same issues with the connector piece being see-through. **Coombs** – The 2nd-floor deck looks out toward the water; suggested the 2nd floor be changed to a 1-story element going off the left section. **Camp** – Same issues as with the house – no white trim and too much glass in the connector. **Thornewill** – Ditto. The southeast 2nd-floor French doors add to the too much glass issue. **Pohl** – The 2-story gable is too narrow and vertical.
Motion	**Motion to Hold for revisions. (Coombs)**

Voting: Pohl, Camp, Coombs, Oliver, Thornewill
Alternates: Welch
Recused: None
Documentation: Architectural elevation plans, site plan, photos, and correspondence.
Representing: Andrew Kotchen, Workshop APD
Public: None
Concerns (6:40): **Kotchen** – Presented project; need to table this in the event the trim color changes on the other structures.
Camp – No concerns.
Thornewill – She might question the amount of glass based upon the site cross section.
Oliver – Of the structures, this is the most appropriate.
Coombs – A good size and not overpowered by windows.
Motion: **Motion to Hold to track. (Camp)**
Vote: Carried 5-0 Certificate #

XV. OLD BUSINESS 06/28/2022

	Property owner name	Street Address	Scope of work	Map/Parcel	Agent
1.	Conway Family Trust **08-4328**	11 Western Avenue	New dwelling	87/117	Val Oliver

Voting: Pohl, Camp, Coombs, Welch, Thornewill
Alternates: None
Recused: Oliver
Documentation: Architectural elevation plans, site plan, photos, historical documents, and advisory comments.
Representing: Val Oliver, V. Oliver Design
Jane Conway, co-owner
Public: None
Concerns (6:43): **Oliver** – Presented the redesign per previous concerns from August 2021; height 28' with white trim
Camp – The front elevation hipped porch shouldn't wrap the corner; it partially covers the 1st-floor triple windows. Agrees with Ms. Thornewill about the height of the windows.
Welch – The porch column height should come down by making the porch deeper; it will translate to the wrap around. The cardinal points should be added to the plans.
Coombs – No concerns.
Thornewill – Shares Mr. Welch's concerns regarding the height of the porch columns; if it wraps, the side should be as deep as the front. Due to the location, she has no concerns with the front elevation 2nd-floor deck. There's a lot of space between the beam of the porch and the window header height; that shingle space should be reduced.
Pohl – The front door needs more of a frontispiece.
Motion: **Motion to Hold for revisions. (Camp)**
Vote: Carried 5-0 Certificate #

2. Lindsay Matthews **03-5955**	37 West Chester Street	Addition	41/150	NAG

Voting: Camp (acting chair), Coombs, Oliver, Welch, Thornewill
Alternates: None
Recused: None
Documentation: Architectural elevation plans, site plan, photos, historic documentation, and advisory comments.
Representing: Bill McGuire, Nantucket Architectural Group
Public: None
Concerns (6:57): **McGuire** – Reviewed changes made per previous concerns; windows are true divided lights.
Backus – Read HSAB comments 7/11: This is a better direction; however, the dormers overwhelm the main roof plane and should come in a foot on each side. The fenestration on the front and back should be traditional using all 6 over 6's; if the dormer windows are changed to 6-over-6, then an additional window can be added to avoid too much shingled wall in the dormer. The front door would be more identifiable by adding to the door surround and a different color. The east elevation open porch should have a shed or hipped roof. Screen the air-conditioning units (A/C) on the north side with fencing. HSAB would like to see revisions.
Circa 1953 cape with attached garage infill in the OHD. Agrees with HSAB on the direction and fenestration. West elevation gable peak seems too steep. Suggested bringing in more details seen in the OHD.
Welch – South elevation, the casement windows width is inappropriate; dormer height & window size are overwhelming. North elevation dormer has the same issues. East elevation, fenestration is a challenge due to overall mass. West elevation, dormer is overwhelming.
Coombs – South elevation, the 8-over-8 windows don't relate; the north elevation dormer will be visible from Sunset and has the same issues. The dormers should come off the ridge. South elevation front door needs more trim.
Oliver – Agrees with what's been said. The dormer faces should be less high and off the ridge and reduce the pitch.
Thornewill – Reduce the dormer as Ms. Oliver suggested; both sides need to be sensitive.
Camp – Agrees with what's been said. Dormer windows have no relation to the 1st-floor windows.
Motion: **Motion to Hold for revisions and to go back to HSAB. (Coombs)**
Vote: Carried 5-0 Certificate #

3. Milestone Property M **04-6171** 28A Evergreen Way Guest house 68/713.2 BPC

Voting	Pohl, Coombs, Oliver, Welch, Thornewill

Voting	Welch (acting chair), Coombs, Oliver, Thornewill
Alternates	None
Recused	Pohl
Documentation	Architectural elevation plans, site plan, and photos.
Representing	Bob Paladino, Mellows & Paladino Mike Coutu, Landscape architect.
Public	None
Concerns (7:14)	**Paladino** – Reviewed changes made pe previous concerns. **Coutu** – Explained how the fill relates to the topographical and capturing the runoff. **Thornewill** – Still seems very formal, but visibility will be negligible. Understands topsoil not being put back but doesn't understand why they are adding 5' of fill. **Coombs** – Okay with the architecture; would like it dropped and no increasing the grade. **Oliver** – Architecture is fine. Doesn't understand grading the back yard up to the level of the driveway. **Welch** – It's appropriate for us to address fill now. One thing they addressed is the grade change east to west relative to filling the low spot where material was removed for removal of the previous structure. The main house is considerably lower than the road. His grading concerns have been mitigated. No concerns with the architectural elements.
Motion	**Motion to Approve as submitted. (Coombs)**

Recused	None
Documentation	Architectural elevation plans, site plan, photos, historical documents, advisory comments, and licensed engineer letter.
Representing	Linda Williams Juraj Bencat, SB Studio
Public	None
Concerns (7:37)	**Williams** – Have an engineer's letter, which supports moving it 2' over; reviewed changes made per previous concerns. Contends it's impossible to reinforce the existing foundation from the inside. **Backus** – Read HSAB comments 7/11: Adding a roof walk to a house of this age that never had one is not appropriate; a roof walk drastically changes the appearance of a house; it is a huge ornament sitting on the middle of the roof distracting from the natural simplicity of a Typical Nantucket house; this house should be allowed to remain with its simple historic character intact. Raising the chimney to 6' above the ridge to accommodate the roof walk is completely out of character with the age of this house; another reason not to approve the roof walk. The chimney should remain in its original location and size, not moved to the edge of the house. Moving this house and completely rebuilding the foundation is unnecessary; there are ways to structurally reinforce the existing foundation from the interior leaving it with its original material and appearance; a newly built brick foundation will never look the same as an old one. The plans call for lowering the 1st floor and the 1st-floor windows and doors 18"; this completely alters the relationship of the fenestration on the front of the house by adding space between the 1st- and 2nd-floor windows and removing shingle space below the 1st-floor windows; the door is now oddly sitting at the level of the shingle line. This creates a conflict with the 1st-floor framing and the basement windows; the front façade should absolutely remain as is; doing this affects the other elevations as well. A flush dormer facing Main Street is not appropriate. The raised deck on the west side should have a skirt rather than leaving it open and very visible from Main Street. HSAB would like to see revisions. Circa 1750 E.W. Cobb house. Agrees with HSAB's last 2 comments and their comment regarding 1st-floor windows and relation of windows and door. Appreciates the June 11, 2022, engineer's letter but noted the proximity to the abutter was a condition the owner brought about by subdividing the lot. A new foundation is needed but should be the same material and color. The chimney should remain as is since it's a character-defining feature. Fenestration should be true-divided lights (TDL). The dormer facing the street is concerning. The east elevation addition creates a wall along the street. South elevation 2nd-floor balcony might be visible from Vestal Street. **Oliver** – She doesn't support moving this. Keep the existing exterior material on the foundation. She won't mind the roof walk with it sited off-center to include the chimney. Front flush dormer is inappropriate. **Coombs** – It never had a roof walk so that's inappropriate and the chimney shouldn't be replaced. The foundation could be reinforced from the inside without raising or moving the house; the house should not be moved. **Welch** – North elevation, the door sill is too low; that will present a structural problem. This has 3 steps in the grade with the base of the stair under the right-most 9-light window left of the entry. The grey paint is inappropriate and not typical to the treatment. Looking at the foundation photos, he would not be averse to wrapping the corner with granite rubble stone with the rest of the front brick. It's appropriate to lift this onto a new foundation and doesn't think moving 2' will adversely impact the historic character. **Camp** – The proposed addition is too wide, dormers are overwhelming, renovate to the rear of the house, don't touch the front. It should not be moved with the foundation repaired in place. The original chimney should be restored in place. **Pohl** – Moving the roof walk off-center of the ridge is a viable alternative. The rubble vs brick, rubble was normally used on the side with decorative brick on the front. Okay with moving it 2'. The front flush dormer is not working. There should be no roof walk skirt on the front.
Motion	**Motion to Hold for revisions and to go back to HSAB. (Camp)**
Vote	Carried 5-0 Certificate #

8. Mike Romano **05-6245**	55 Easton Street	Addition & shift on site	42.4.1/68	Shelter 7

Voting: Pohl, Camp, Welch, Thornewill
Alternates: None
Recused: None
Documentation: Architectural elevation plans, site plan, photos, historical documents, advisory comments, and "Resilient Nantucket".
Representing: Jason Olbres, Shelter 7
Public: None
Concerns (8:02): **Olbres** – Reviewed changes made per previous concerns; it's being lifted so want to shift to allow more side yard.
Backus – Read HSAB comments 7/11: These types of porch columns were traditionally set on stone bases not shingles; if shingles were used, they would not extend into the ground but be supported on stone bases. The deck is very visible from Easton Street and feels very large; it should not extend beyond the edge of the side wing. The foundation material is shown as cement which is what is existing; however, once it is raised, much more foundation will be exposed; a more appropriate material for an elevated structure would be panels of lattice or spaced vertical boards between brick piers. HSAB would like to see revisions.
Circa 1912 bungalow, "Windward", a Bradford kit house. Appreciate removal of the roof walk. Shifting on site is not appropriate. Agrees with HSAB about the columns and foundation materials. Will need to follow resiliency guidelines. Didn't see a letter from an engineer certifying the proposed lifting in height. Additions should be more subordinate to the original structure.
Camp – Sees no need to move it; there's plenty of room as is. Right side additive massing, deck balusters should be simpler. Okay with the addition.
Thornewill – Appreciates reducing the height of the addition; the cross-buck railing on the stairs gets distorted; okay on the front porch but not the rear, where it should be simplified. West and east elevation, the chopped off end dormers are a distraction. There will be too much white.
Welch – Agrees with Ms. Thornewill except, south elevation, the upper railing should be a solid mass; layering the cross-buck railing on the stairs against the decks is very confusing; suggested picking another era-correct railing pattern.
Pohl – Agrees with Mr. Welch. The cross bucks are too long and elaborate; it needs to be simplified.
Motion: **Motion to Hold for revisions and an engineer's letter confirming the flood plain elevation. (Camp)**
Vote: Carried 4-0 Certificate #

9. Erik Gersten **03-6027**	25 India Street	Skylight	42.3.4/106	Linda Williams

Voting: Pohl, Camp, Oliver, Welch
Alternates: None
Recused: None
Documentation: Architectural elevation plans, site plan, photos, historical documents, and advisory comments.
Representing: Linda Williams
Public: None
Concerns (8:19): **Williams** – Was held for a view; included photos with leaves on the trees supporting lack of visibility; can make it wood.
Backus – Read HSAB comments 7/11: The skylight would definitely be visible from Hussey Street, and it's not where we normally want to see a skylight; perhaps an additional window would add as much light to the room. A smaller wood skylight, not a wood-boxed Velux, would be an improvement. HSAB would like to see revisions.
Circa 1794 within the OHD.
Camp – A smaller, wood-frame skylight would be okay.
Welch – This is completely not visible; it's 3' from the wall of the house behind it. Divide it into 3 vertical panes.
Motion: **Motion to Approve through staff with a mahogany overlay frame with 3 divided vertical lights and based upon lack of visibility. (Welch)**
Vote: Carried 3-1//Camp opposed Certificate # **HDC2022-03-6027**

1. SUMMARY AND PROJECT SCOPE

Built in the Old Historic District of Siasconset, the property at 23 Ocean Avenue also known as Fort Sumter, Windsor, Ye Double Decker, and Aquene, is a contributing resource within the Nantucket Historic District, a National Historic Landmark District, which is listed in the State and National Registers of Historic Places as well as a local historic district.

The intent of this study is to present the history of the dwelling at 23 Ocean Avenue and establish its architectural and cultural significance. This study includes a survey and study of the architecture, form and materials of the existing structure, a survey of historical maps and photographs of the property, an examination of the records on file at the town of Nantucket Registry of Deeds, Probate Court and Planning and Land Use Services (PLUS) records, as well as published and archival sources.

This report was prepared for Marcia Browne by Marsha L. Fader, AIA Architect and Betsy Tyler, Historian.

2. STATEMENT OF SIGNIFICANCE

The house at 23 Ocean Avenue is significant as a mid-nineteenth-century dwelling and contributing resource within the Old Historic District of Siasconset. It retains its original form, footprint, post-and-beam construction details and materials. This house was later incorporated into the Underhill cottage development created in the 1880s.

3. HISTORICAL INFORMATION

23 Ocean Avenue, built between 1856 and 1879 by Matthew Crosby

When Matthew Crosby's heirs sold a five-acre parcel known as the "Pochick Lot in 1879, the *Inquirer and Mirror* reported that "George U. Underhill, a guest at the Ocean View House in 'Sconset, purchased the house south of Sunset Heights, known as "Fort Summter" of the estate of Matthew Crosby." Despite misspellings and mistaken identity, the news note refers to the recorded deed (NRD Book 66, 62) wherein Crosby's heirs sold to Edward Fitch Underhill land and a dwelling house, "being a part of the land known as the Pochick Lot." The land was situated in the middle of Sunset Heights, but was not part of that development. It can be seen as a rectangle with no lot divisions on the map of Sunset Heights (1873). The first visual depiction of a house on the lot is the footprint of the dwelling in Harry Platt's 1888 map of Siasconset.

Matthew Crosby (1791-1878) was a successful ship owner, packet master, and whale oil merchant, known for his meticulous record keeping, but nowhere in his business archive does he mention the Pochick Lot house known as Fort Sumter. His summer residence in 'Sconset was the elegant cottage at 28 Main Street, built for him in 1837. Crosby purchased the five-acre Pochick Lot from Thomas A. Gardner in 1856. That transfer deed (Book 62, p. 122) does not mention a dwelling or any other buildings on the property, suggesting that the house was built (or moved to the site) between 1856 and 1879. Like other houses along the south bluff, it faces the ocean. Presumably, the cottage was named after the attack on federal troops at Fort Sumter in 1861, an event that precipitated the Civil War.

Edward Fitch Underhill (1830-98) spent his first summer in Sconset in 1878. Fascinated by village history and architecture, he interviewed the oldest residents of the village and wrote the first history of the place, *The Credible Chronicles of the Patchwork Village, 'Sconset by the Sea* (1886). Underhill's appreciation of the quaint architecture of the village inspired his real estate investment. He created a road down the middle of the Pochick Lot and built replica fishermen's cottages along both sides. His own cottage, China Closet, was built on the south side of Pochick, opposite what is now 3 Pochick. Fort Sumter became part of his rental portfolio, but was not built by him. The cottage sported the name "Windsor" on the 1909 Sanborn Insurance Company map, but was known as Ye Double Decker on the 1923 Sanborn map, a name that distinguished it from the more prevalent one-story cottages built for Underhill. A small cottage behind 23 Ocean (now 1 Pochick) was part of the same property for most of its history, except sometime between 1909 and 1923 when it does not appear on the 1923 Sanborn map.

Underhill's cottages were popular with the crowd known as the Actors Colony in the period 1895-1925, and

he advertised them up and down the eastern seaboard in a series of entertaining and informative brochures. Members of the Actors Colony known to have stayed at Double Decker include actor George Fawcett, (1860–1937), writer Charles Henry Meltzer (1853–1936), and leading man Robert C. Hilliard (1857-1927). Both Fawcett and Hilliard acquired their own Sconset properties after several summers renting from Underhill or staying at the Ocean View. Underhill's contribution to 'Sconset cannot be overstated. He was a one-man band singing the praises of his adopted village and was instrumental in bringing the railroad to the east end of the island.

When Underhill died in 1898, his second wife, Evelyn (1851-1935), and daughter Lily Doubleday (1854-1927) inherited all the property in 'Sconset. His will stipulated that the property should not be sold, but "retained and improved with the view of producing a permanent income for my wife and daughter." It was not until 1926—when the demands for electricity and running water made the cottages a liability—that the Underhill cottages went on the market. That year, Evelyn Underhill sold Lot 2 at the corner of Ocean Avenue and Pochick Street to Albert E. Brock and Frank E. Lewis who in turn granted her life rights in the cottage in 1926, which allowed her to continue to collect rents for the cottage. In 1935, she sold the life rights and all interest in the cottage back to Brock and Lewis, who held the property until 1944, when, in two separate deeds, Lewis, and Brock's heirs, each sold their one-half interest to Alice L. Howe (1884-19??) of Bedford, Massachusetts. During the first half of the twentieth century, the Beach House hotel dominated Ocean Avenue. The massive building, with its four-story pavilions, was located next to Underhill's China Closet, the cottage that was across Pochick from Ye Double Decker.

Howe sold 23 Ocean Avenue to Daisy Wisher in 1951. Wisher subdivided the property in 1955 and moved into 1 Pochick after selling 23 Ocean to John and Katherine Ryon. The Ryons' deed includes an easement for access to Wisher's kitchen door on the east side of her cottage at 1 Pochick. Heirs of John Ryon—John L. Ryon, Jr., Nancy Muniot, and Mortimer Ryon— sold the cottage to South Bluff Properties Inc., c/o Mortimer Ryon (1929–2014) in 1988, after Bob Cicerrella completed a renovation of the kitchen and utility room in 1987.

South Bluff Properties sold to Bank One Wheeling, Trustee under the will of Pearson S. Jones(1915– 44) in 1999. Pearson S. Jones was killed in WWII, and appears not to have owned property in 'Sconset or elsewhere on the island. His son, Robert Courtney Jones, (b. 1940), employed architect Christopher Holland to make some changes to the cottage noted on plans dated 1999, discussed in the following architectural report. In 2011, the property was purchased by R. Scott Toop and Laura M. Rosene, who owned it for three years before selling to medical professionals Marcia J. Browne and Jeffrey W. Clark. Browne and Clark named their cottage Aquene, which is an Algonquian word meaning "Peace."

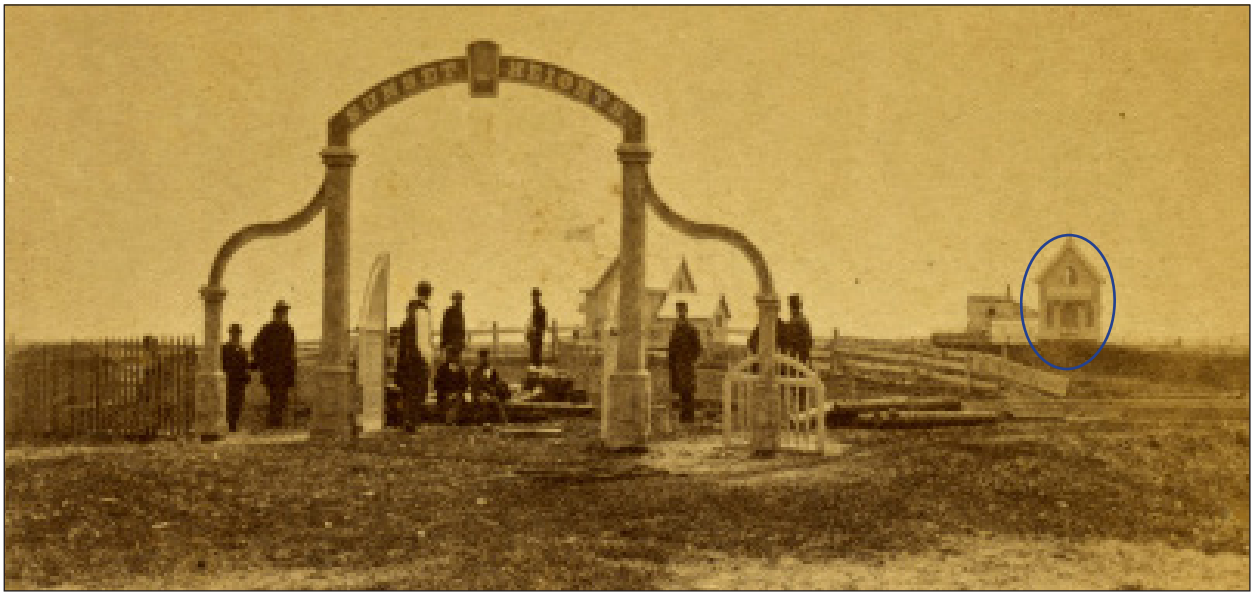
4. ARCHITECTURAL INFORMATION

4.1 Description

The cottage at 23 Ocean Avenue is a two-story, three-bedroom, three bathroom house, with living room, dining room, den, kitchen and utility space. There are full views of the ocean to the east with a large patio on the south with a parking area. A partially closed-in porch faces east and wraps around to the south.

There is a simple gable roof with overhangs, a brick chimney on the south elevation and shed roofs on the north, south, and east wing additions. This house is favored with its presence in many historic photographs and on Sanborn maps from which its many changes can be studied. The evolution of the house is described on pages 3-6 through changes made by its eight owners. The Underhills held the longest period of ownership of forty-seven years (1879-1926) and the Ryon family for forty-four years, from 1955 to 1999.

The architectural features that are unique include exposed structural corner posts in the front rooms of the first and second floors, some of which are chamfered. Such a post-and-beam construction is typical of eighteenth and early nineteenth century houses, not one built between 1856 and 1879. The front room also has exposed horizontal beams at the north and south walls. Although the exposed ceiling beams and dining room joists relate to the corner posts, it is assumed that they are part of a later renovation and not an actual and original structural function.



The stair rail is a wood, spiral twisted, painted hand rail on one side of the stair running in an east-west

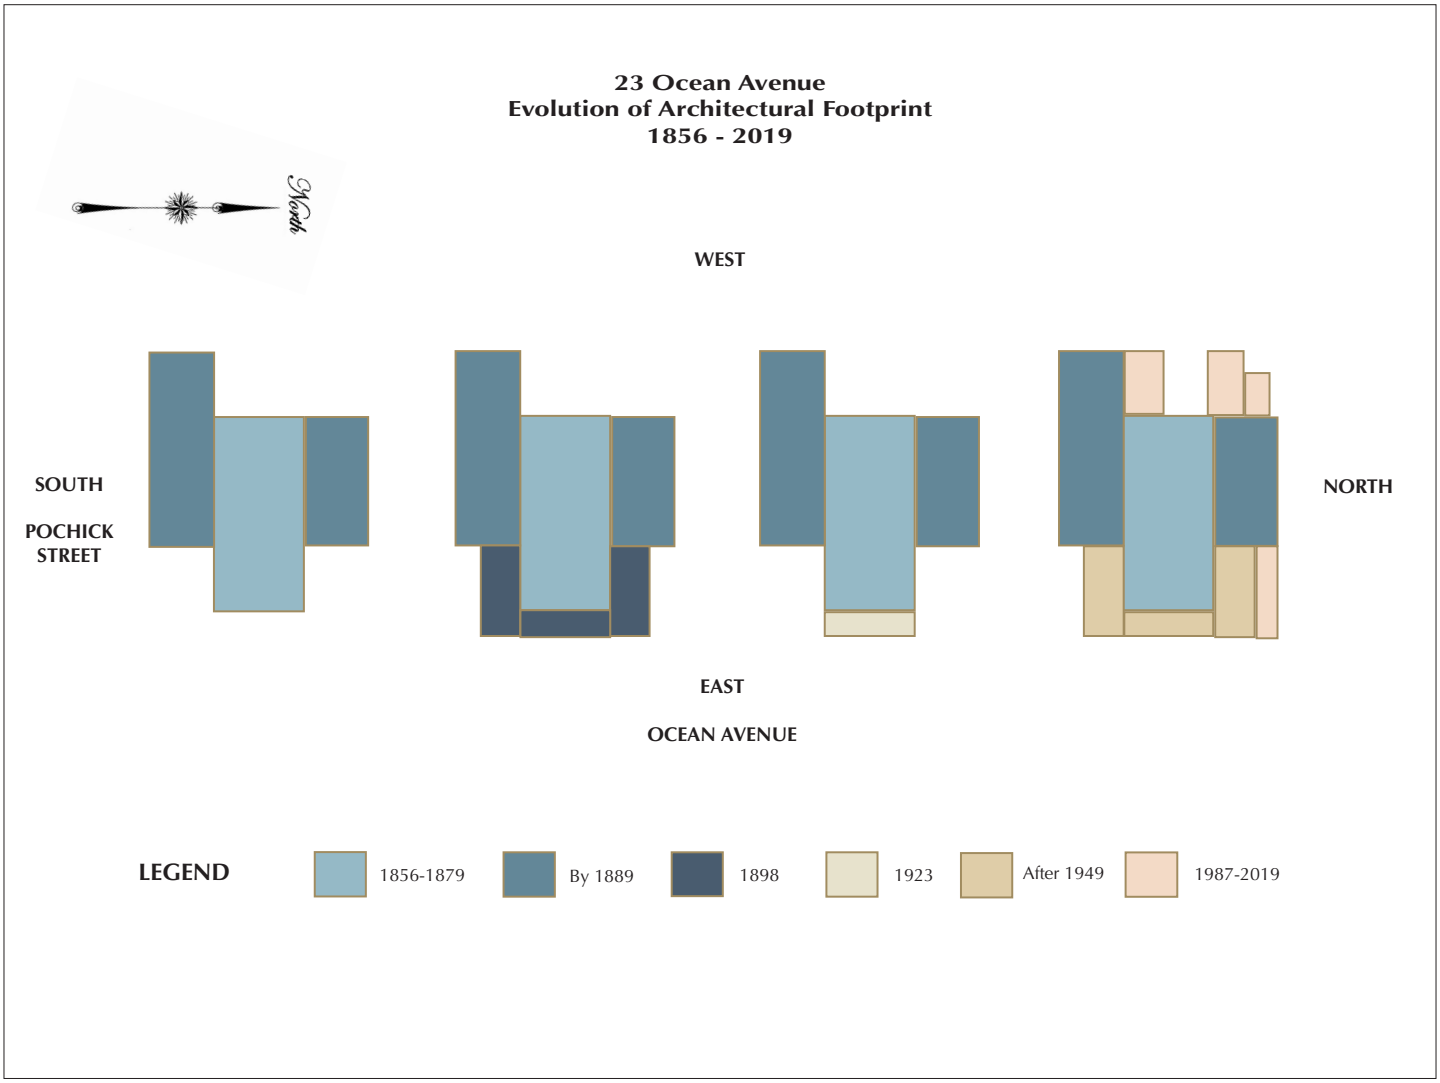
direction as pictured on 1889 floor plans by Underhill. Other finish details include all wood floors with a natural finish, excepting the kitchen tile floor. The wood floors that appear the oldest from the wide, random widths and nail heads are those found in the living and dining rooms. Most walls and ceilings are painted plaster except where tongue and groove ceilings have been introduced. Many of the rooms have wood wainscot. The doors are a combination of one-over-one and two-over-two wood panels as well as doors with glass lights - the most notable being the front door of eight lights. Also notable are two large, fixed windows, one at each side of the entry door made up of sixteen panes of glass. A smaller sliding window of twelve panes of glass is on the south wall. There are five 4/4 windows enclosing the south side of the roofed front porch. The remainder of exterior windows are 6/6 windows. One unique interior window between the living room and the dining room is of diamond glass panes. There are wood trellises on the southern walls and roofs.

This is not a house to readily disclose its complete story, despite much digging and analysis. From a study of the ownership history, the structure, construction details, plan of rooms, historic maps and photographs, there is no evidence to definitively date this house. From the deed history, it is known that the house was not there in 1856 but was part of the property sale in 1879.

It may be assumed that after Crosby's purchase of the land from Thomas A. Gardner in 1856, that a house was built or moved to the ocean-front site. It remained in Crosby's ownership for 23 years until 1879. It is possible that the Crosby family used this cottage for its ocean access in addition to their 'Sconset summer house. Three years after the sale of 23 Ocean Avenue, in 1881, the heirs of Matthew Crosby sold their house on Main Street also.

One surprising reason why the cottage is believed to have been moved is due to the presence of post-and-beam construction only in the central portion of the house. Corner posts are visible in the living room, dining room and bedroom above on the second floor. Such a structural system suggests late-eighteenth or early nineteenth century construction, not a cottage built after 1850. Even the 1837 Crosby house in 'Sconset at 28 Main Street did not have post-and-beam construction. Note that the north and south wings were not built with such corner posts and most likely, were added later. The form of a relocated Crosby cottage would have been a narrow, two-story cottage similar to the cottage image below. It is an unusual form in 'Sconset. To create harmony with his one-story cottages of predominant shed roof construction, it is likely that Underhill added the north and south wing additions with their shed roofs to 23 Ocean Avenue. The floor plans in his 1889 promotional pamphlet show an expanded six bedroom house.

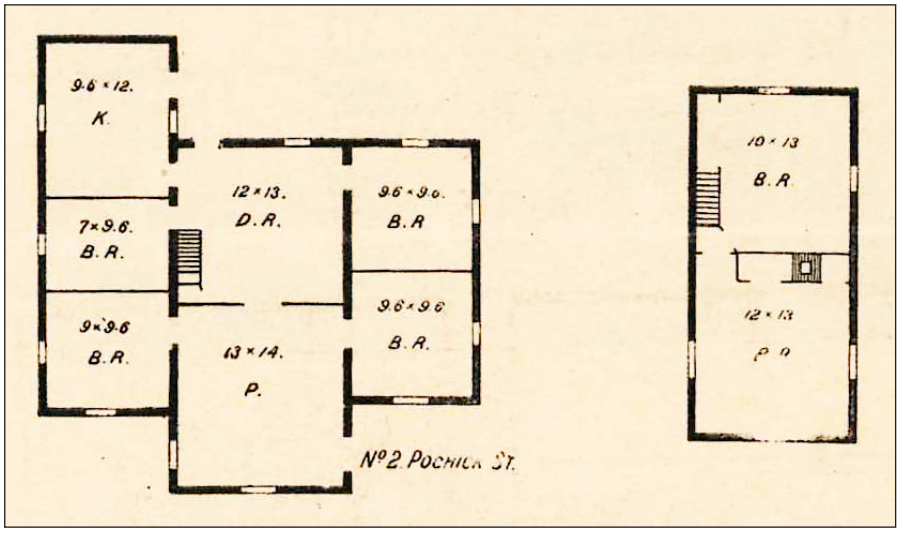
GPNsg14282 Entry gate to Sunset Heights development.



Circled house is at 8 Cottage Avenue, known as Wolf's Head. Its two-story vertical form is similar to how 23 Ocean Avenue would have appeared in its original form. Also see GPN526 on page 21 where this house and one of its arched gothic windows can be seen.

4.2 Alterations/Evolution

The evolution of the house is based upon a study of maps, historic photographs, and the form and layout of the existing house. This evolution is shown in a schematic, color-coded footprint below. All dimensions are approximate and not based upon field dimensions.



The evolution is largely focused on the one-story wings on a central portion of the two-story house. They are shed-roofed, one-story wings on the north and south sides of the house. Variations at the front porch are also one-story wings. Additions also occur at the west/rear of the house.

With the extensive renovations made from 1987 to 2019, there is not adequate physical evidence to date the north and south wing additions. It is, however, believed that both wings were added on early during the forty-seven year ownership of the Underhill family. The central two-story core of the house has a distinctly different structural system than the wings suggesting an earlier construction date than between 1856 and 1879. The style of the simple shed-roofed north and south wings is consistent with Underhill's cottage designs. They made the atypical, two-story house harmonize with his newer cottages with their shed roofs and the addition of four very small bedrooms.

South

North

East/Ocean

Floor Plans, 1889
"The Patchwork Village, 'Sconset by the Sea,"
by Edward F. Underhill

The footprint of these floor plans is a close match to what appears on the 1898 Sanborn map. They show the house with six (6) bedrooms, a parlor, dining room, and a kitchen.The size of the bedrooms range from a small 7′ x 9′-6″ to the largest at 12′ x 13′. The parlor and the dining room with two bedrooms above may have been the original floor plan before the additional rooms were added as one-story wings.

From Underhill's 1889 floor plans shown above, the following changes from the existing 2024 house can be understood:

- The front/Ocean Avenue photos (GPN4150, f3584, and a85-8, see pages 19,20,23) show single central 12/12 windows on both first and second floors compared with three 6/6 second floor bedroom windows and large multi-paned fixed windows with the entry door between. This plan also shows the entry door on the north wall of the parlor/living room.

- the chimney is shown in the second floor closet and not below on the first floor where a freestanding wood/coal stove may have been located. This chimney location confirms the northern roof location for the chimney as seen in photos GPN4150, GPN528, GPN526 and f3584. By the time the 1923 Sanborn map was published, the chimney has been rebuilt on the southern roof. It may be assumed that it was built as a brick fireplace.

- there is no bathroom in the house. Town water and sewer systems were not available until the 1920s.

- there was an exterior door on the west wall of the dining room.

- there was also an exterior door on the north wall of the kitchen. Its door opening would be the same as it now exists.

- none of the rear/west additions of a bathroom, utility space, and shower had been built

Additional changes occurred in the late twentieth and early twenty-first centuries, as follows:

1987-88: For owner Mortimer Ryon, the kitchen and utility space was renovated by Robert Cicerrella.

2000: Owner Robert Courtney Jones commissioned architect Christopher F. Holland and received a Building Permit for the following work estimated to cost $51,000:

- Re-roof entire building
- Remodel Kitchen
- Add new bath
- Remodel house throughout
- Replace existing porch roof and deck
- Add piers and sills as needed

Work shown on drawing elevations (not listed on the application) include the addition of many 6/6 windows in the following locations: two on the east second floor bedroom, one on the south second floor bedroom, and two on the south second floor hall. Contractor Keith Ireland, (19 Strong Avenue, Pittsfield, MA 01201, phone 413.447.9192) has added details about the eight months of work he did for Courtney Jones in 2000, as follows:

- the large fixed front/east windows that flank the entry door were in place and not changed;
- the entire house was 'gutted' with stud framing added between the original post-and-beam construction;
- antique period doors were sourced in Pittsfield MA;
- (21) structural piers were added including at the porch;
- evidence of an early trap door was found in the living room ceiling;
- Keith felt that it had been used as a place to hang and dry fish;
- original/early wood floors in the Living Room were in place while other wood floors were sourced from an old barn in Maine

2019: Owners Marcia Browne and Jeffrey Clark commissioned Angus Macleod to design an addition to the north side of the existing porch, enclose a portion of it, and add trellis.

4.3 Character-Defining Features

- The post-and-beam construction of the original two-story dwelling that pre-dates its estimated 1856-1878 date of construction
- The expansive first floor front windows and wrap-around porch
- The abundance of nineteenth-century materials including wood floors and plaster walls and ceilings

4.4 Outbuildings

There are currently no outbuildings, although there is a history of there being several. A small structure appears in photos NHA GPN526 and GNP518 at the southwest rear corner, tight to the house with an exhaust stack that is asssumed to have been a privy.

From the 1888 Platt map to the Sanborn map of 1923, a separate house or shed existed at the west of the main house. It no longer existed when the 1923 map was created and reappeared on the 1949 map. The property was subdivided in 1955 for that dwelling to become known as 1 Pochick Street.

5. PROPERTY INFORMATION

5.1 Property Identification: 23 Ocean Avenue, Nantucket Assessor's Map: 73.3.1 19, .09 acres, zone SOH

5.2 Setting: This house is located on the corner of Ocean Avenue and Pochick Street with unobstructed views of the ocean to the east. It is in the Old Historic District in a residential, densely-built area south of Main Street. There is parking on the Pochick Steet side, patio, gardens, and privet hedge.

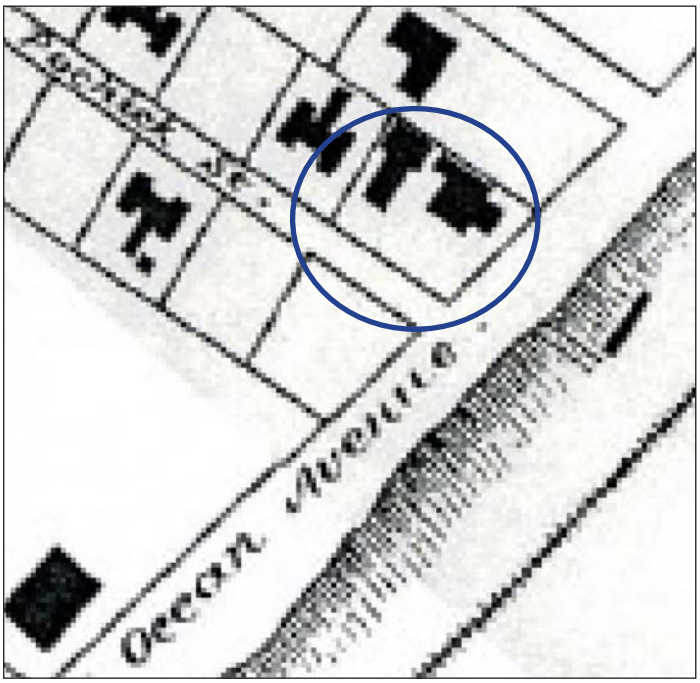
Plan of Sunset Heights, Nantucket, Mass. C.H. Robinson or Dr. F. A. Ellis, J. H. Bufford, Lith., n.d., [1872]

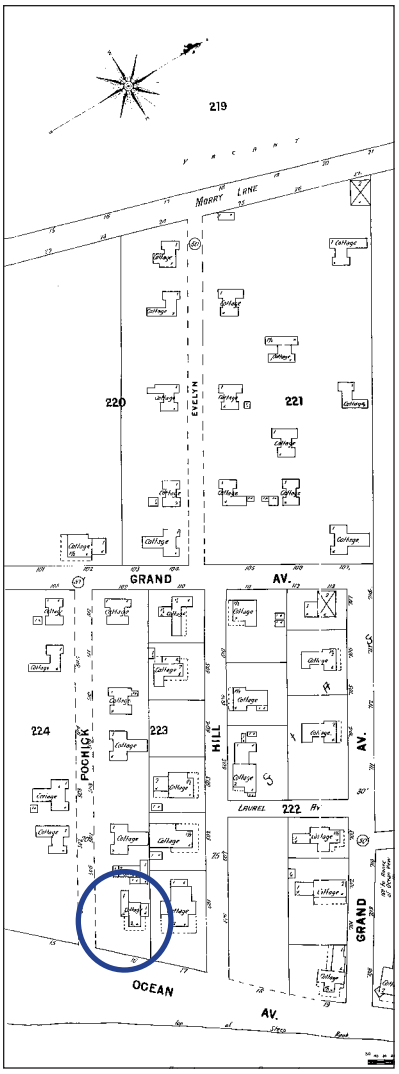
The land upon which the house at 23 Ocean Avenue sits was situated in the middle of Sunset Heights, but was not part of that development. It can be seen as a large rectangle with no lot divisions on the 1872 map of Sunset Heights .

Underhill created a separate development on this land with a road down the middle of the Pochick Lot and built replica fishermen's cottages along both sides. The land within the blue circle had a house on it when Underhill purchased it from the Crosby family.

The first visual depiction of a house on the lot is the footprint of the dwelling in Harry Platt's 1888 *Map of the Village of Siasconset on the Island of Nantucket, below.*



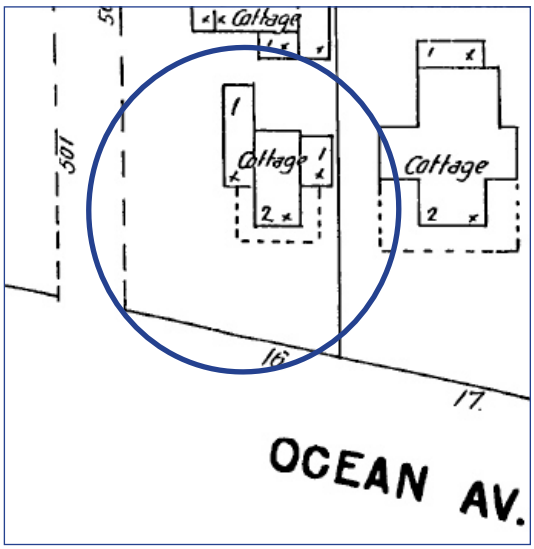
The Plan of Sunset Heights shows the land at 23 Ocean Avenue. Although the land from Ocean Avenue to Grand Avenue was surrounded by land that became subdivided for Sunset Heights, it was not owned by the developers Robinson and Ellis. Although it is believed that the house at 23 Ocean Avenue existed at the 1872 date of this plan, it is not shown since it was not part of the subdivision plan.



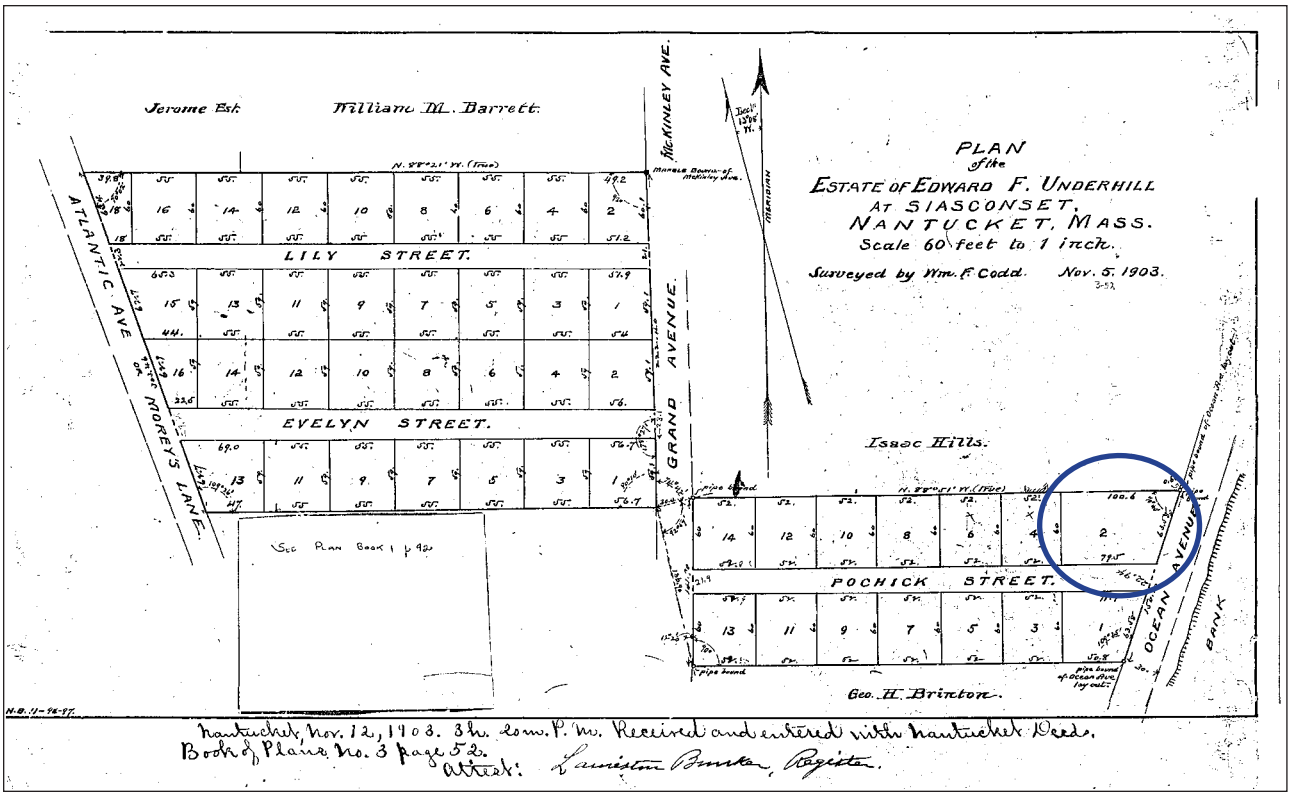
Platt, Harry, *Map of the Village of Siasconset on the Island of Nantucket*, published by E. T. Underhill & Co., New York, 1888.

The 1888 Platt map shows a footprint with two side (north & south) wings, with the northern wing longer to the west than the south wing.

This map also includes a T-shaped dwelling to the west on the same lot.

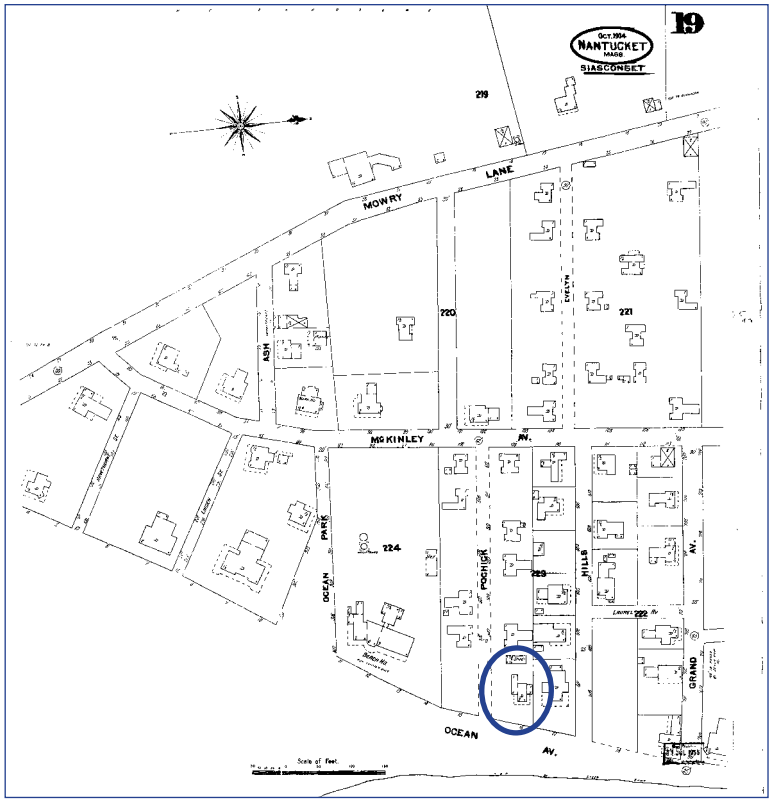


Enlarged view of house footprint



1898 Sanborn Insurance Company, Nantucket, Sheet 15

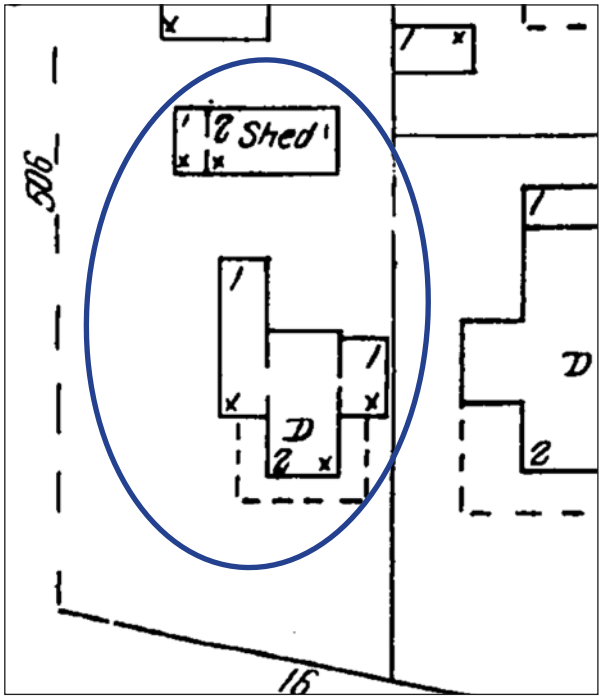
Ten years after the 1888 Platt map, the 1898 Sanborn map shows wings reversed in their relationship to the central area. The southern wing is longer to the west and the northern wing is nearly flush with the central section. There is a three-sided, wrap-around porch facing east. The two-story dwelling to the west is labeled 'Cottage' with two, one-story sections. Pochick Street has been added although the Sanborn map does not extend beyond Pochick Street to the south because the Beach House Hotel had not yet been built.



The China Closet at 29 Ocean Avenue had been built by this 1898 map, across from 1 Pochick Street.

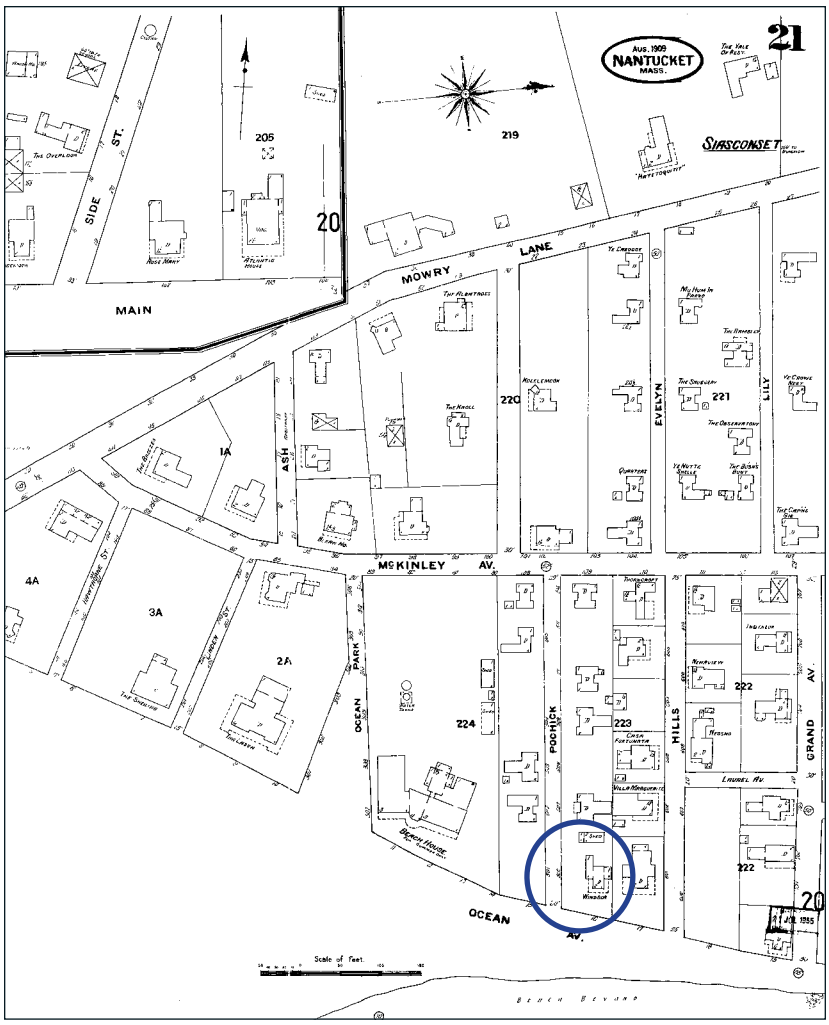
Enlarged view of house footprint above

Nantucket Registry of Deeds, Book of Plans No. 3, page 52.
Plan of the Estate of Edward F. Underhill at Siasconset, Nantucket, Mass., 1903.



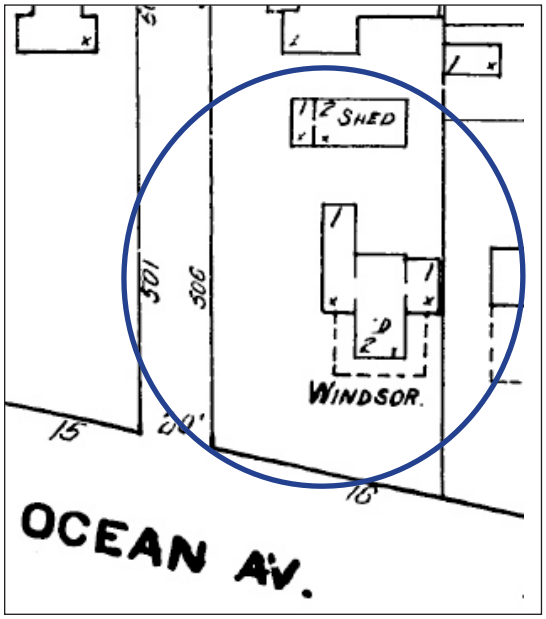
1904 Sanborn Insurance Company,
Nantucket, Sheet 19

The house footprint is the same as shown on the 1898 Sanborn map. This map, however, includes the Beach House Hotel to the south of Pochick Street.

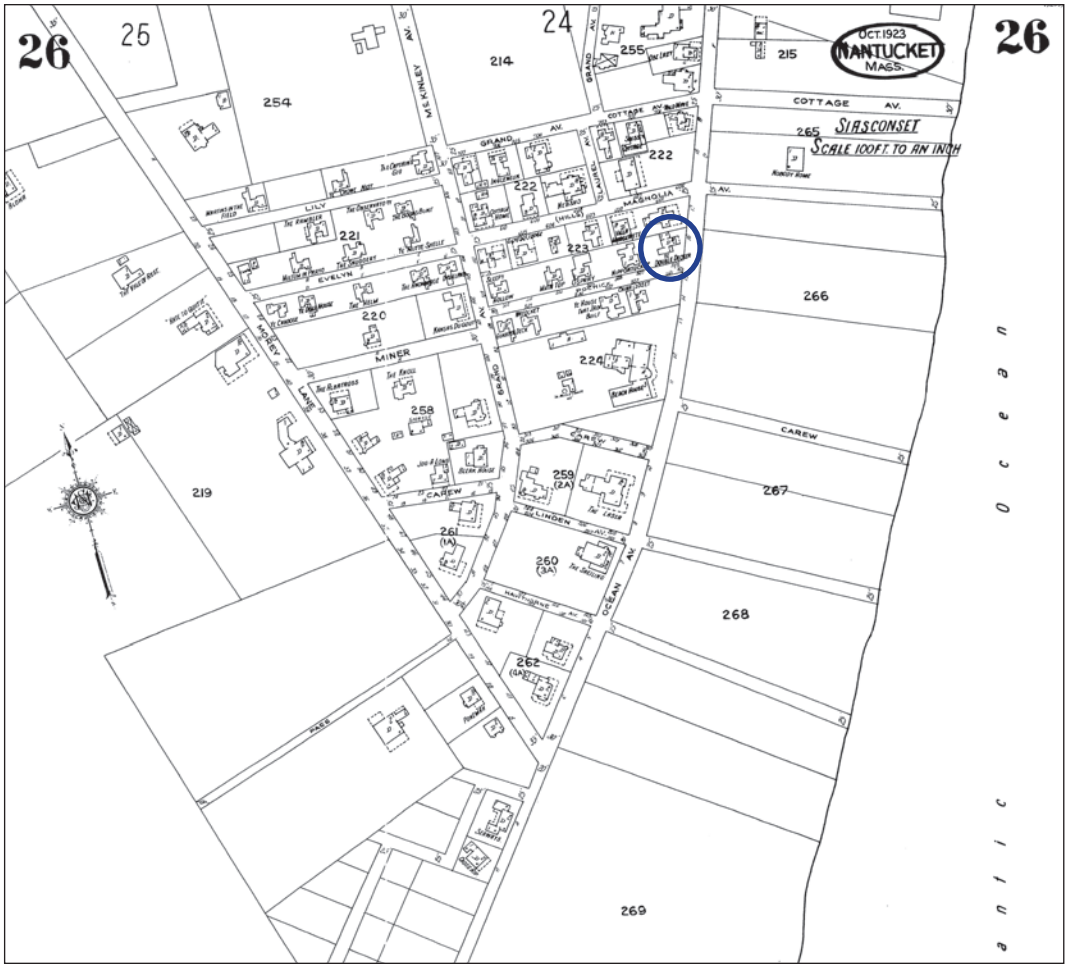


With promotional images, this hotel serves as a informative neighbor in subsequent images and maps with 23 Ocean Avenue visible at one side.

The Cottage to the west is labeled a 'Shed' with a front/south one-story addition.

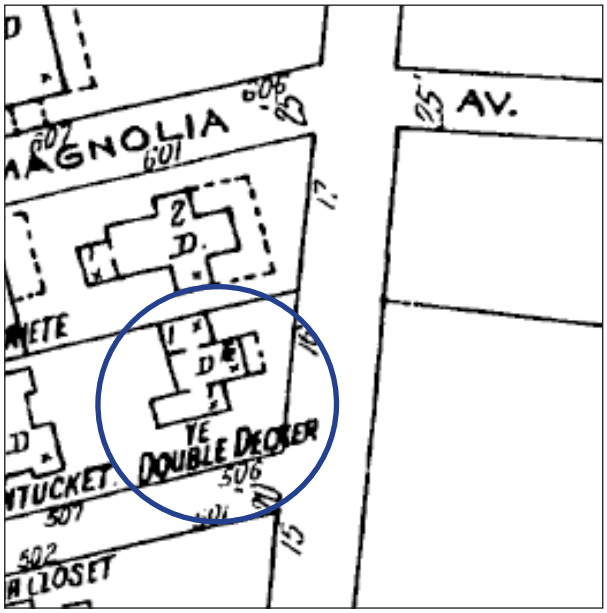


Enlarged view of house footprint

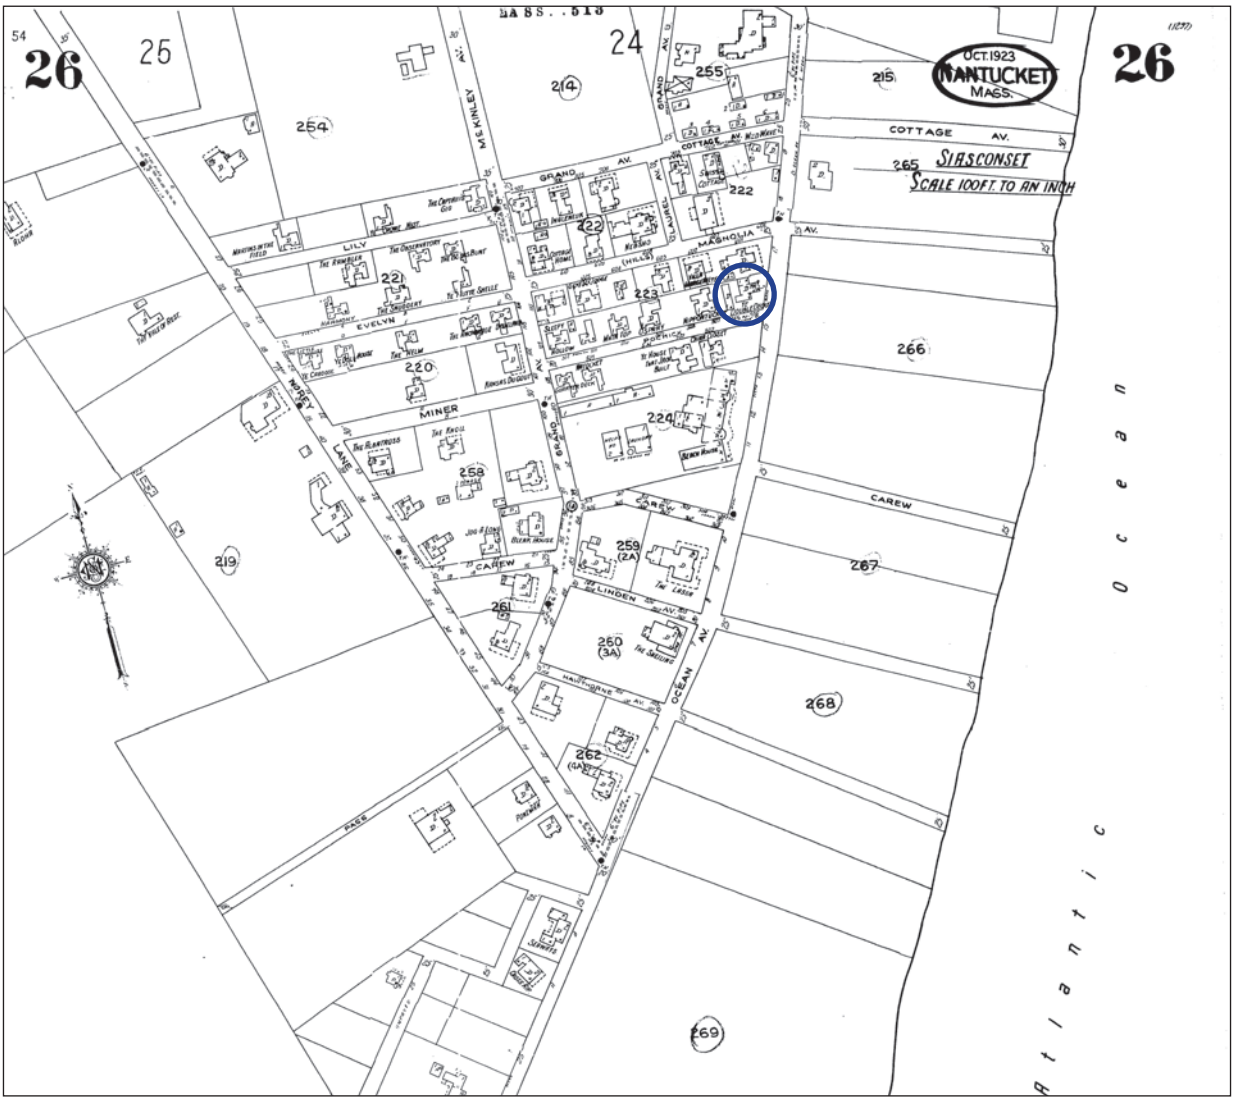


The house is labeled 'Windsor'. On the 1909 Sanborn map there are additions to the south and west at the Beach House Hotel but no changes to the footprint at 23 Ocean Avenue. The one photo NHA p20562 (p 22) that shows the Windsor sign on the house also has a striped fabric awning as a front porch roof.

1909 Sanborn Insurance Company, Nantucket, Sheet 21

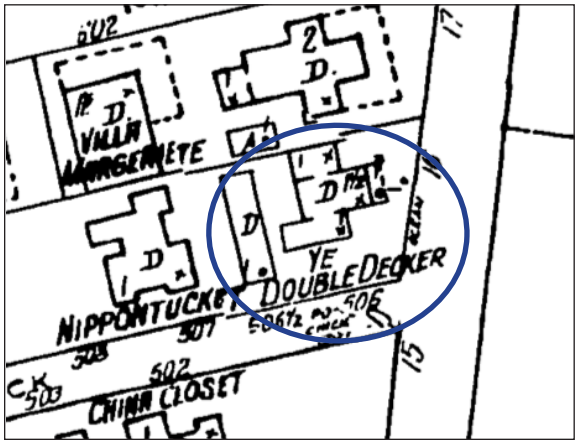


Enlarged view of house footprint

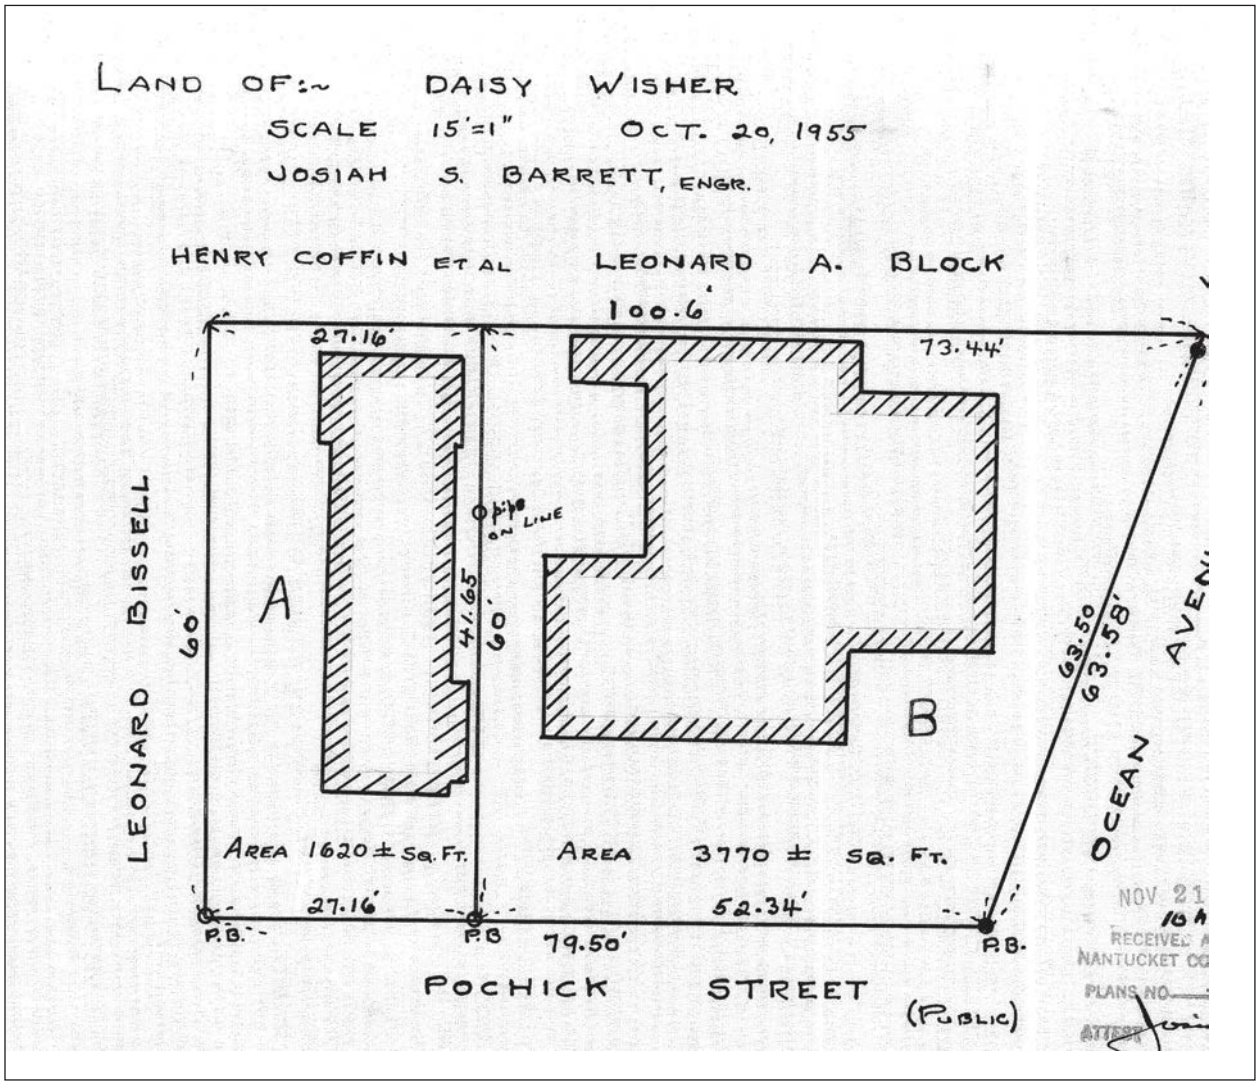


1923 Sanborn Insurance Company, Nantucket, Sheet 26

The 1923 Sanborn map labels 23 Ocean Avenue 'Ye Double Decker'. The former three-sided wrap-around east-facing porch shown on the 1898 map was reduced to being at the east only. The prior shed/cottage at the west is no longer in place.

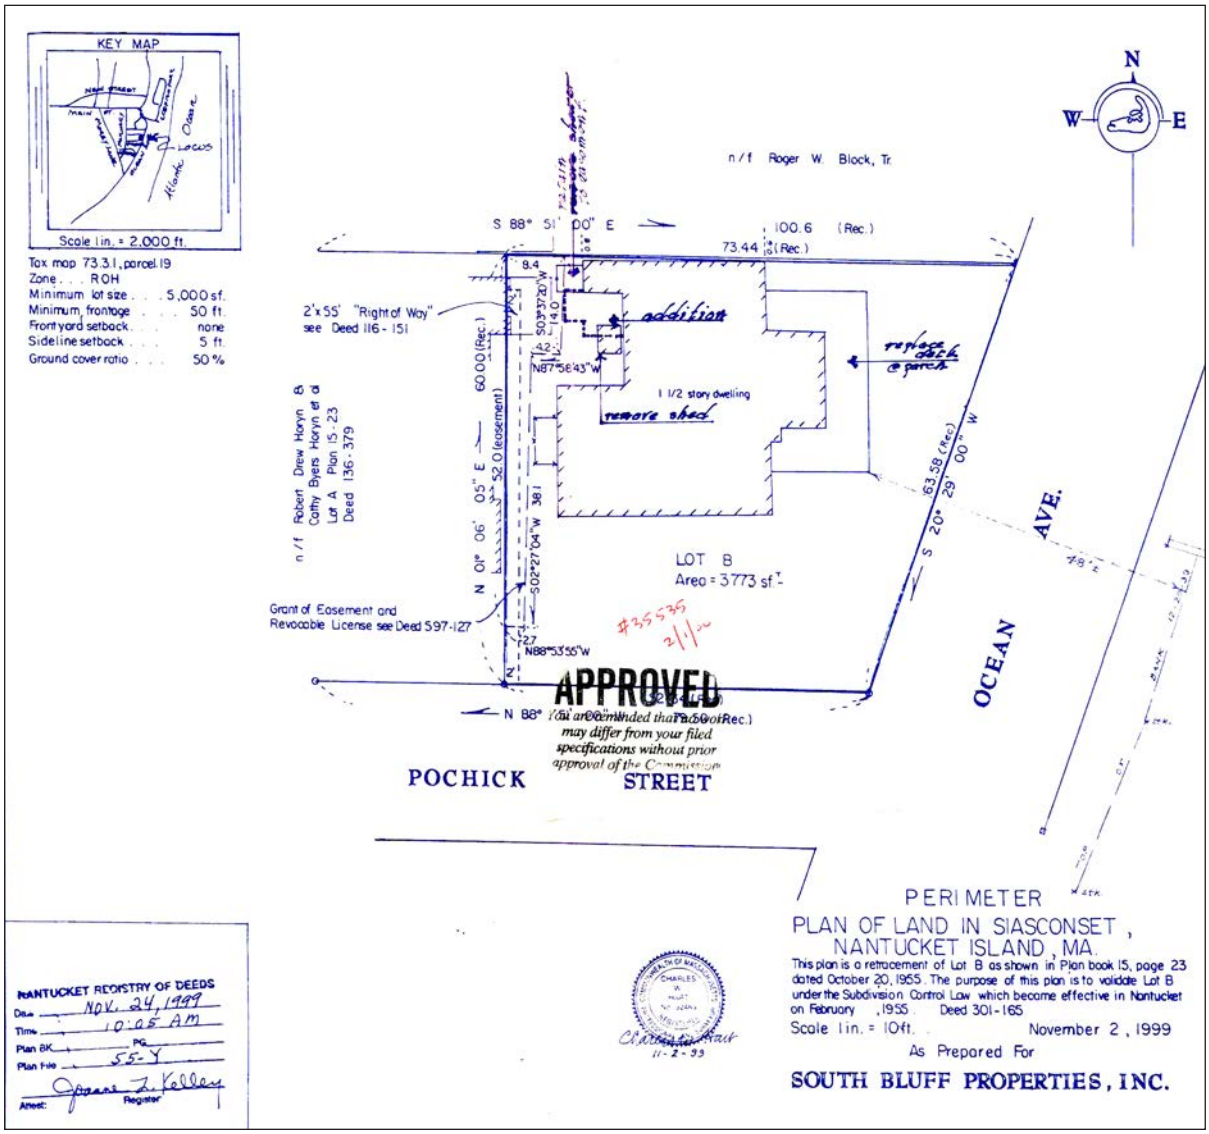


Enlarged view of house footprint

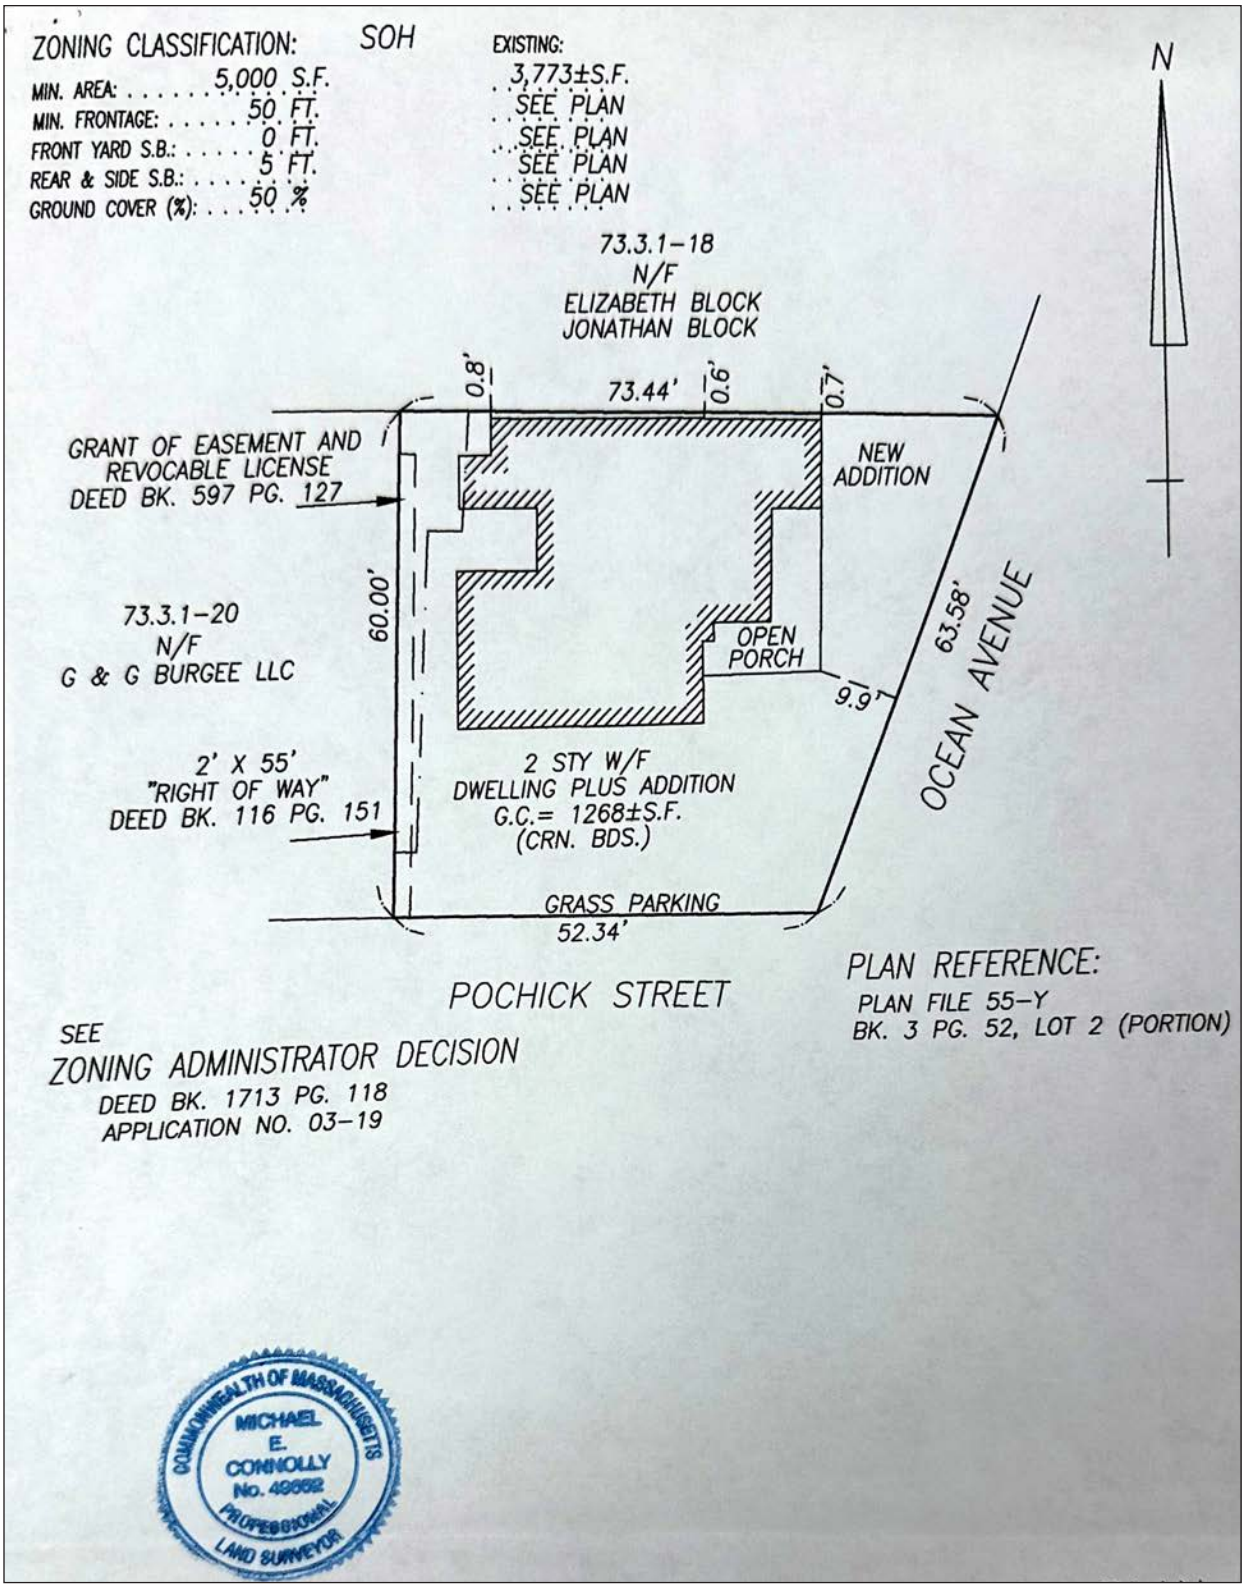


1949 Sanborn Insurance Company, Nantucket, Sheet 26

The 1949 Sanborn map shows the same footprint as the 1923 map.



A one-story rectangular dwelling was added to the west of the house. The land was subdivided as a separate lot in 1955.



Enlarged view of house footprint

NHA a85-8
Dated between 1909 and 1923 with China Closet at 29 Ocean Avenue in place to the left

1989 Massachusetts Cultural Resource Information System (MACRIS) photo, NAN.2109

GPN4150 View of Sunset Heights

The Beach House Hotel was not built at the time this photo was taken.
Rudder Grange to the right of 23 Ocean Avenue, had been moved to the front of its lot between 1888-1898. There is a roof hatch near the chimney on 23 Ocean Avenue.

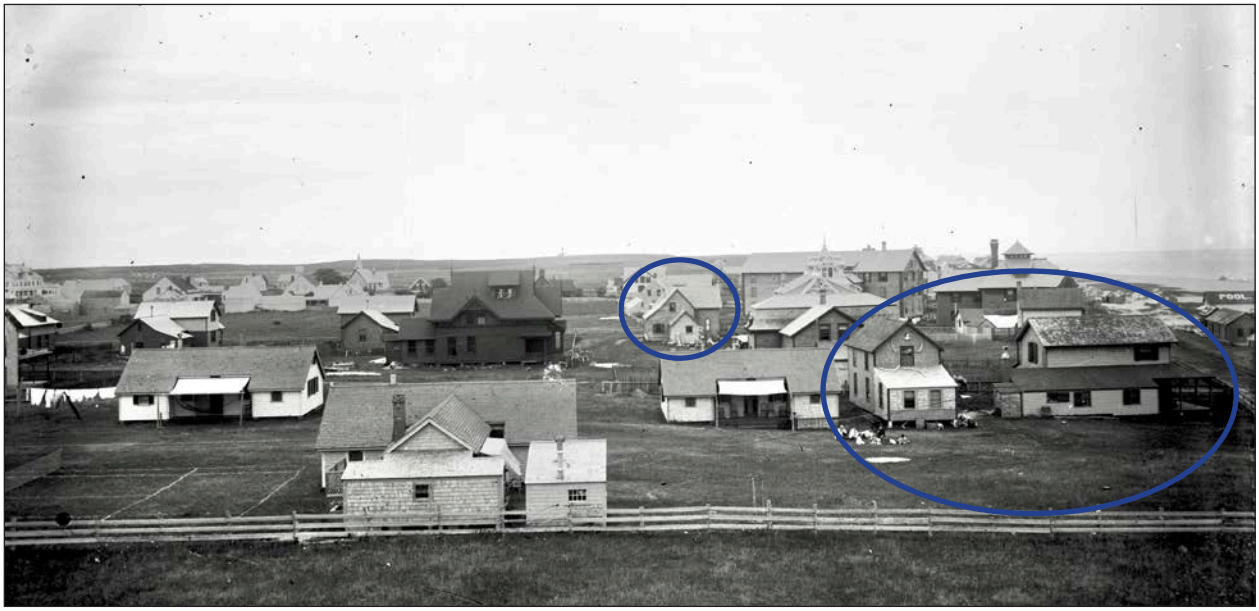
GPN4150 Late 19th century close-up of 23 Ocean Avenue

First floor east/front 12/12 second floor windows with shutters,
entry north at north side, 2/12 second floor windows,
chimney on the north slope of the roof with a roof hatch.
There was no front/east door flanked by windows.

The post-and-beam construction are of the same
late 18th-century/early 19th century period as the 12/12 windows.

This collection of historic photographs helps to date the various changes to 23 Ocean Avenue.
Note how the chimney moves from the north to the south side of the gable roof in later photos, when China Closet is built at 29 Ocean Avenue, and how the cottage behind 23 Ocean Avenue disappears and returns.

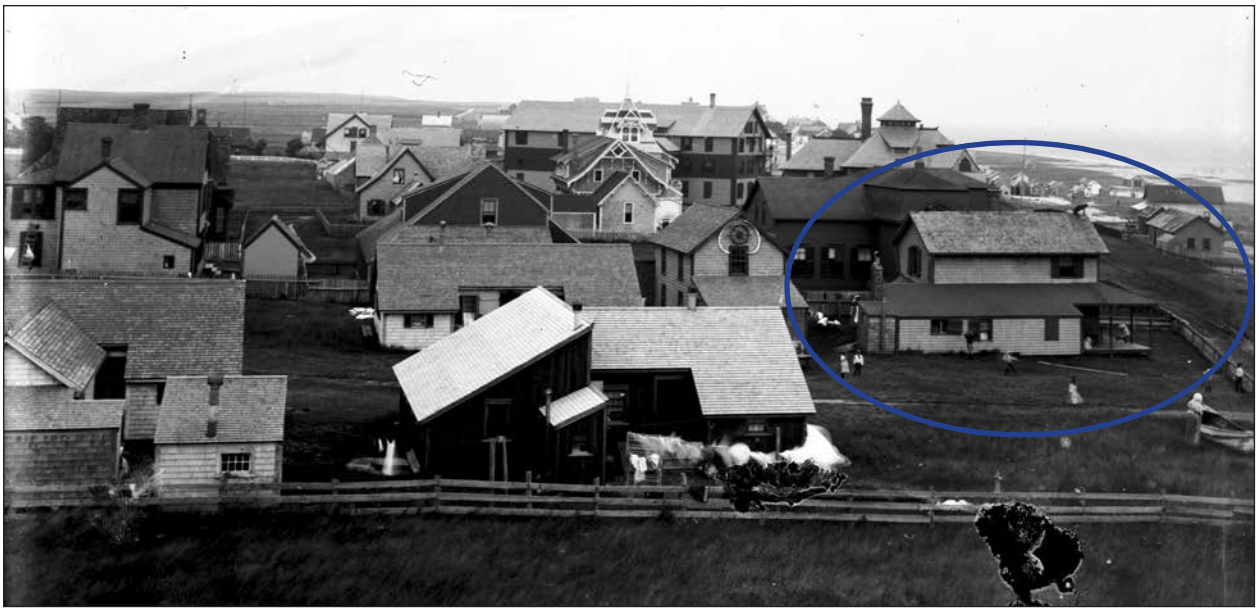
NHA f358423 View of 'Sconset Railroad Station



The Nantucket Railroad, aka the Nantucket Central Railroad Company
was in operation from 1881 to 1917.
It was extended to 'Sconset in 1884.

NHA p5431 View of Sunset Heights and 'Sconset train

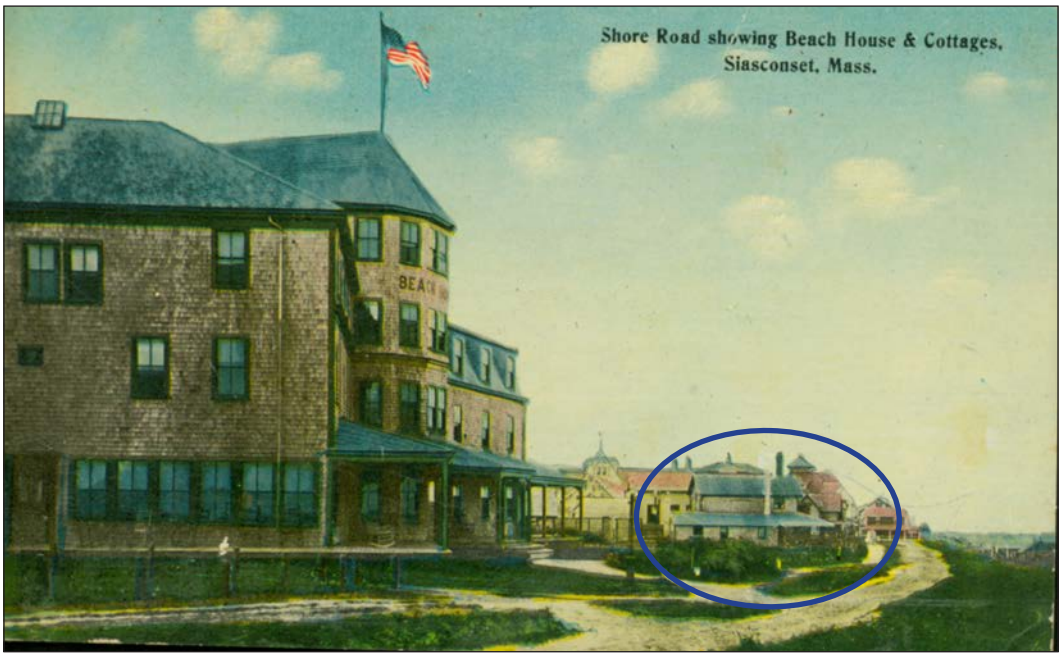
The chimney is on the earlier north side of the gable roof. There are two major changes: one is the absence of the train station. The second is that Rudder Grange at 21 Ocean Avenue has been moved forward/east to be fronting the street in line with 23 Ocean Avenue.



This photo would have been taken later than f358423 shown above.

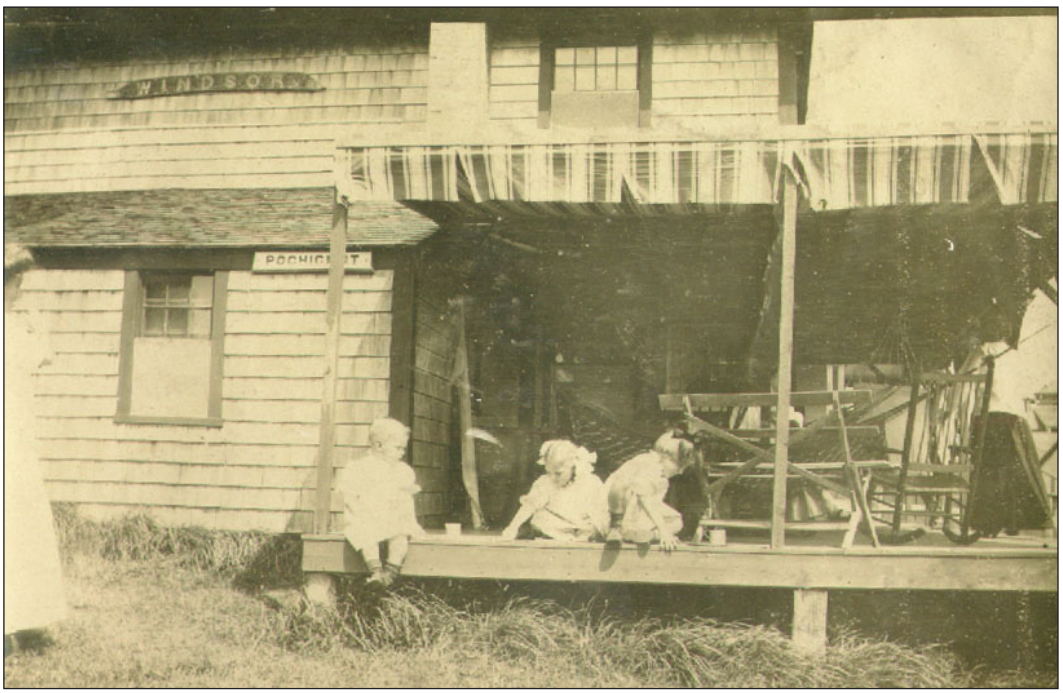
NHA GPN526 View of Sunset Heights looking north

This photo was taken before the China Closet at 29 Ocean Avenue was built and before Rudder Grange at 21 Ocean Avenue was moved forward. The railroad and Sconset Chapel had been built, however, so the photo date is after 1883. Cottage marked with the smaller circle is Wolf's Head at 8 Cottage Avenue. It is the Gothic-style house seen in photo NHA sg14282 on page 3.



Note the windows with dark wood shutters, the privy structure attached at the back, the chimney on the north slope of the roof, as well as the two-story cottage at the rear/west of the house. The fenestration includes a second-floor, south-facing 12/12 window at the southeast corner and one at the west wall; first floor windows are unevenly-spaced along the southern wing.

NHA GPN518 View of Sunset Heights looking north



The view of this photograph is similar to NHA GPN526 but with six-eight children, clotheslines, a vertical metal pipe exhaust stack at the privy, and the China Closet having been built at 29 Ocean Avenue on the south side of Pochick Street. The house at 21 Ocean Avenue known as Rudder Grange had been moved forward on its lot in this photo (note its distinctive mansard roof).

By the 1923 Sanborn map, the entire cottage to the west (left of 23 Ocean Avenue in this photo) had been removed which confirms a photo date before 1923.

NHA sc862-69 Beach House Hotel dated between 1909 and 1923

23 Ocean Avenue circled. Note that cottage to the left/west of 23 Ocean
(now 1 Pochick Street) is not in place on the Sanborn map of 1923

NHA p20562 'Windsor', 23 Ocean Avenue

'Windsor' as noted on the 1909 Sanborn map
Note the chimney on the south side of the gable roof. This is the only
photographic evidence of the fabric awning roof
on the wrap-around porch at the front.

Jimmie, Georgie, Francis playing on porch of cottage
named Windsor, 1911

NHA a85-8 Dated between 1909 and 1923 with China Closet at 29 Ocean Avenue in place to the left.

Note the chimney on the south side of the gable roof with single window at the second floor bedroom.

1989 Massachusetts Cultural Resource Information System (MACRIS) photo, NAN.2109

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Jan 2024

REQUIRED WITH ALL APPLICATIONS:

Site Address: 8 Marble Lane (Lot 3 per ANR) - Dwelling

Full Size	8.5x11	Digital File	
☑	☑	☑	1. **Completed Application Form:** Description of ALL work must be indicated on application form.
☑	/	/	2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.
☑	/	/	3. **Application Fee:** See back of application for fee schedule or call the office.
☑	☑	☑	4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps
☑	☑	☑	5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.
	☑		6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.
	☑	☑	7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.
		☑	8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

Not Applicable			1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.
☑	☑	☑	2. **Exterior Elevations and Floor Plans (3 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing.* All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.
Not Applicable			3. **As-Built Plans (1copy):** of existing elevations
Not Applicable			4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.
Not Applicable			5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).
☑	☑	☑	6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.
K M			7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***
/	☑	☑	8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.
Not Applicable			9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**
/	☑	☑	This Checklist + Waiver of HDC 10 Day Hearing Requirement

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 8 Marble Way (lot 3 per ANR)

Tax Map Number: 66 Parcel Number: 103/1

Owner of Record: 6A MARBLE WAY LLC

Description of Proposal:

Construct new dwelling

Anticipated HDC Submission Date: 1/6/2024

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

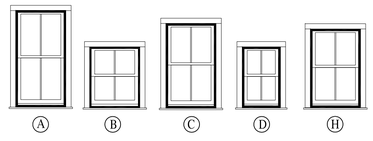
FOUNDATION

NOTES:



1) THIS FOUNDATION DRAWING AND NOTES ARE FOR REVIEW ONLY. ACTUAL FOUNDATION DESIGN SHALL BE DESIGNED FOR YOUR SPECIFIC SITE AS REQUIRED PER LOCAL CODE.
2) ALL CONSTRUCTION AND MATERIALS BELOW THE BOTTOM OF THE FLOOR JOISTS IS THE RESPONSIBILITY OF BUILDER. FOUNDATION WALL, FOOTER, LOLLY COLUMNS & PADS ARE ALL TO BE DETERMINED ON-SITE IN ACCORDANCE WITH LOCAL CODES & CONDITIONS
3) REINFORCED MASONRY UNIT REQUIRED AT CENTER BEARING LOCATIONS.
4) LOLLY COLUMNS ARE TO BE SPACED ACCORDING TO SPAN SCHEDULE BASED ON TYPE OF HOUSE, LOCAL SNOW LOAD & WIDTH OF UNIT. ADD'L COLUMNS MAY BE REQ'D & ARE NOTED ON FLOOR PLAN. LOLLY COLUMN SPACING IS BASED ON MIN. 1/2"x6"x12" STEEL PLATE BETWEEN COLUMN & CENTER BEAM.
5) FOUNDATION IS TO BE CONSTRUCTED IN ACCORDANCE w/ALL APPLICABLE CODES.
6) FOUNDATION SIZES REFLECT WOOD TO WOOD DIMENSIONS OF MODULAR UNITS, ALLOWING SHEATHING AND SIDING TO OVERHANG THE FOUNDATION. IF STYROFOAM IS USED FOUNDATION MAY BE INCREASED IN LENGTH AND WIDTH TO ACCOMODATE.
7) PERIMETER FLOOR JOISTS TO BE ATTACHED TO SILL PLATE w/16d NAILS AT 16" O.C.
8) INSTALLATION OF WASHER, DRYER AND/OR WATER HEATER IN BASEMENT PER STATE AND LOCAL CODES IS THE RESPONSIBILITY OF MODULAR MANUFACTURERS, BUILDER.
9) SMOKE DETECTORS IN BASEMENT SHALL BE THE RESPONSIBILITY OF THE BUILDER TO PROVIDE AND INSTALL. (COIL WIRE IN BSMT BY MODULAR MANUFACTURER, INC)
10) CRAWL SPACE FOUNDATION REQUIRES A MINIMUM 18"x24" ACCESS OPENING, INSECT & RODENT PROOF CROSS VENTS WITHIN 3' OF CORNERS AND PROVIDE 1/150 OF FLOOR AREA WITH VENTILATION.
11) SEE MODULAR MANUFACTURERS' SUBMISSION SET PAGE FOR ADDITIONAL NOTES AND DETAILS.
12) GFCI RECPT AND LIGHTS FOR BASEMENT AND CRAWLSPACES PER ALL STATE AND LOCAL CODES
13) "BACKFILLING AND TAMPING TO BE DONE PER LOCAL REQUIREMENTS"

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Jan 2024

FOR SUBMISSION:_____
NEW BUSINESS:_____
EMAIL: ☐

REQUIRED WITH ALL APPLICATIONS:

✅	1.	**Completed Application Form:** Description of ALL work must be indicated on application form.
✅	2.	**Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.
50, ck 16189	3.	**Application Fee:** See back of application for fee schedule or call the office.
✅	4.	**Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps
✅	5.	**Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.
✅	6.	**8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.
✅	7.	**Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.
✅	8.	**Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

N/A	1.	**Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.
N/A	2.	**Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing.* All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.
N/A	3.	**As-Built Plans (1copy):** of existing elevations
✅	4.	**Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.
✅	5.	**Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).
N/A	6.	**Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.
N/A (initial to indicate read and understand)	7.	***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***
N/A	8.	**Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.
N/A	9.	**Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

Waiver of the HDC 10 Day Hearing Requirement

I Atlantic Landscaping

AS AGENT FOR KAC Holdings LLC

STREET ADDRESS 156 Madaket Rd

MAP/PARCEL 39/13.4

UNDERSTAND THAT THE ABOVE REFERENCED APPLICATION SUBMITTED ON 2025.01.13

WILL NOT BE REVIEWED BY THE HISTORIC DISTRICT COMMISSION, DUE TO THE COVID-19 PANDEMIC, WITHIN THE 10 DAY PERIOD AS REQUIRED BY:

SECTION 8 of the HDC enabling legislation: … The Commission shall meet within ten (10) days of the receipt of an application for a certificate of appropriateness or permit for removal…

AND I AGREE TO A WAIVER OF THE ABOVE MENTIONED REQUIREMENT.

Signature 2025.01.10 Date

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Good morning Linda,

I am an authorized representative for Nantucket Electric Company d/b/a National Grid and give you permission to sign the HDC demo application for 10 New Whale Street on my behalf.

Please kindly share the final filing digitally for our records.

Thanks,

Monica

A BRIEF HISTORY OF NANTUCKET ELECTRIC COMPANY

1854: *The Citizen's Gas Light Company* organized.
First lighting of Main Street lights by gas.

1888: Legislature granted a franchise to the *Nantucket Electric Light Company.*

1903: Two companies joined forces and became *Nantucket Gas & Electric Company.*
New electric station started. Relocated from Sea Street to Candle Street.

1905: Property of *Gas & Electric Light Company* sold at auction for $26,000 to a syndicate of Nantucket Citizens, and became *The Citizen's Gas Electric & Power Company of Nantucket.*

1915: First steam coal fired turbine engine installed at electric station.

1921: Second steam coal fired turbine engine installed at electric station.

1924: First 24 hour electric service available.
Third steam coal fired turbine engine installed at electric station.

1930: Name changed to *Nantucket Gas & Electric Company.*

1932: First cargo of fuel oil delivered for NG&EC.

1948: NG&EC upgraded its generating plant with the installation of its first 8 cylinder diesel generator, Unit 1, 700KW.

1952: Installed Unit 2, 8 cylinder diesel generator, 1,000KW.

1956: Installed Unit 3, 8 cylinder diesel generator, 1,250KW.

1962: Removed last steam generator.
Installed Unit 4, 8 cylinder diesel generator, 1,500KW.

1966: Major stock sale to islanders.

1968: Installed Unit 5, 16 cylinder diesel generator, 3,000KW.

1972: Company ceased production of manufactured gas.
Name changed to *Nantucket Electric Company.*
Installed Unit 6, 16 cylinder diesel generator, 5,600KW.

1977: Installed Unit 7, 16 cylinder diesel generator, 7,000KW.

1982: Installation of historic street lights in downtown.

1987: Installed Unit 8, 12 cylinder diesel generator, 800KW, and Unit 9, 16 cylinder diesel generator, 1,400KW, both at Bunker Rd. site.

1987-
1989: Installed Units 10, 11, 12 and 13, totaling 8,800KW.

1988: NEC began to upgrade distribution system to 13,200 volts from 8,320, beginning with Siasconset feeder.

1990-
1995: Completed distribution system upgrade to 13,200 volts on all remaining feeders.

1993: NEC sold appliance division.
NEC announced plans to lay an undersea electric cable to the mainland.

1995: NEC auctioned off old bank/real estate building and built new Substation.

1996: NEC merged with *New England Electric Systems*.
Buried undersea electric cable installed between Jetties Beach and Harwich.
Cable successfully energized.

1997: Upgrade of Bunker Road emergency back-up facility begins.

1998: Utility deregulation begins in Massachusetts, and Island residents and business owners have the option to select electricity generation provider.

2005-
2006: Sold Fairgrounds Road property to Town of Nantucket.
Relocated offices to 32 Bunker Road site.
Second buried undersea electric cable installed between Jetties Beach and Hyannis.
Cable successfully energized.

CERTIFICATE NO: 31544 DATE ISSUED: 2/3/98

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

Incomplete applications will not be reviewed by the HDC. All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

existing, planted out and with a shingled rail. The motion was seconded by Mr. Avery. Ms. Hall and Mr. Avery voted in favor of the motion. Mr. Humphrey and Mr. St. Peter were opposed. Mr. Wiley broke the tie by voting in favor, and Certificate #31,541 was issued.

Regarding the application of Nantucket Electric for the demolition of transformer yards at 2 Candle Street (Map #42.31, Parcel #37), Ms. Hall sat in. Chris Dallmus and Dave Fredericks attended the meeting as agents. Mr. St. Peter made a motion for approval. The motion was seconded by Mr. Avery and so voted. Certificate #31,542 was issued.

Regarding the application of Nantucket Electric for the demolition of a 100,000 fuel tank at 2 Candle Street (Map #42.31, Parcel #37), Ms. Hall sat in. Chris Dallmus and Dave Fredericks attended the meeting as agents. Mr. St. Peter made a motion for approval. The motion was seconded by Mr. Avery and so voted. Certificate #31,543 was issued.

Regarding the application of Nantucket Electric for the demolition of all buildings except the 1903 boiler house at 2 Candle Street (Map #42.31, Parcel #92), Ms. Hall sat in. Chris Dallmus and Dave Fredericks attended the meeting as agents and brought large black and white photographs. There was a general discussion of the ages of the buildings and their current condition. Mr. St. Peter expressed concern with demolishing the 1929 part of the center. He said that that part of it should be preserved somehow. Mr. Fredericks explained that preserving the structure is not practical because it has severe cracks and constitutes a hazard just standing there as it is today. Ms. Hall stated that she thought that it was reasonable to ask that that building be documented. Speaking from the audience, Sandy Knox-Johnston asked whether it is true that because of ground pollution certain things (e.g., a hotel) could never be built on that site. Mr. Fredericks responded that the site does have some restrictions. Mr. Humphrey said that he would be concerned about what will be going there in the future. Mr. Avery asked Mr. Fredericks to document all of the buildings with black and white photographs as a record of the industrial past. He also requested that he provide elevations of the buildings without the structures that are attached. Mr. Wiley asked for information about any proposed fencing, so that the Commission will know what the site will look like in its interim phase. Mr. Avery stated that the HDC would prefer to have a wooden fence instead of chain link as a security fence. Motion to hold for further information was made by Mr. Avery, seconded by Ms. Hall and so voted.

Regarding the application of Nantucket Electric for the demolition of the gas plant building at 2 Candle Street (Map #42.31, Parcel #37), Ms. Hall sat in. Chris Dallmus and Dave Fredericks attended the meeting as agents. Noting that the structural concerns with this building are not as serious as with the 1929 building, Mr. Avery stated that the HDC would encourge some kind of reuse (except for the shed lean-to). Mr. Wiley suggested that Mr. Dallmus prepare a separate application for the gas plant building and and that, at this time, the Commission approve the demolition of the corrugated metal shed only. Mr. St. Peter made a motion for approval of the metal shed based on lack of architectural or historical significance. The motion was seconded by Mr. Avery and so voted. Certificate #31,544 was issued.

HISTORIC DISTRICT COMMISSION

2 Fairgrounds Road

Nantucket, Massachusetts 02554 Telephone: 508.325.7587 Fax: 508.228.7298

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work 10 NEW WHALE STREET

Tax Map Number: 42.3.1 Parcel Number: 37

Owner of Record: NANTUCKET ELECTRIC COMPANY DBA NATIONAL GRID

Description of Proposal: DEMOLISH BRICK BUILDING

Anticipated HDC Submission Date: PROJECTED APPLICATION TO BE SUBMITTED MONDAY, 1/13/2025, FOR HEARING NOT BEFORE 1/21/2025, PLEASE CHECK WITH HDC OFFICE TO CONFIRM HEARING DATE

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

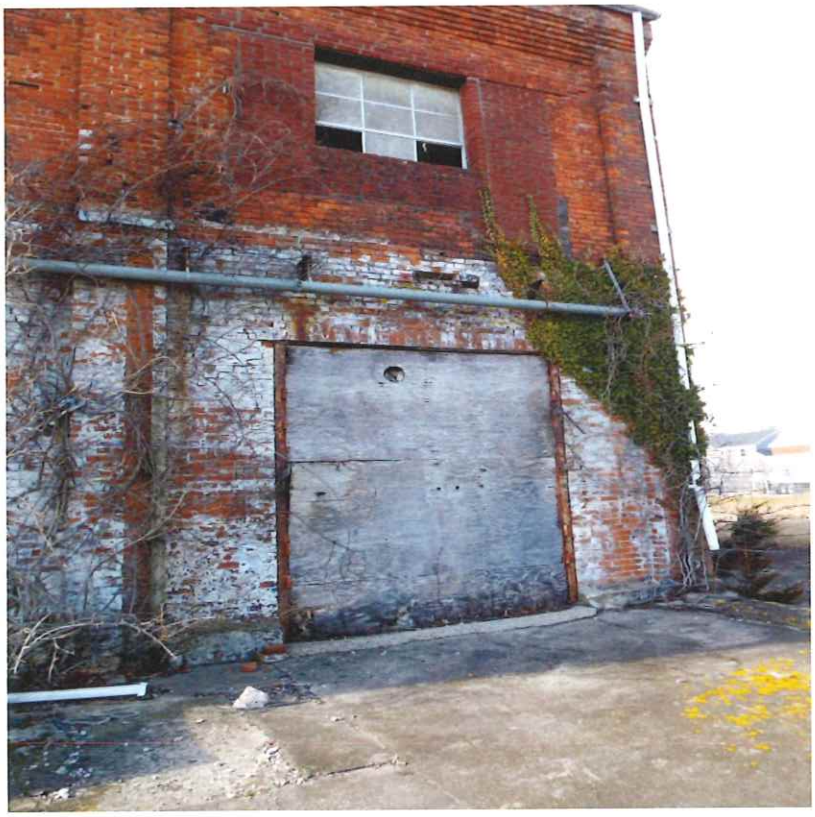
10 NEW WHALE STREET – REQUEST FOR DEMOLITION

- The building was constructed in 1927 with a minimal steel frame that had been compromised due to salt air/water intrusion, flooding, shifting of the ground under it.
- Only a few pieces of a frame are present probably as a result of the anticipation of demolition after the HDC approved demolition in 1998. Other buildings between 5 Candle and 10 New Whale were approved to be demolished provided the brick building at 5 Candle remained.
- When the building was constructed they used cheaper porous orange brick and not the more structurally stable brick used on other brick buildings on Nantucket that have maintained their integrity.
- The orange brick seems to have cement mortar which has further caused deterioration of the walls other than the newer brick that was used to enclose prior openings and doors.
- Structure cannot be moved in its current deteriorated state, and particularly due to the fact that the structure is on a concrete base that extends up about two feet upon which the brick is sitting. The building is sited on filled tide land done when the NEC started to construct the tanks in the late 1920s. This building was constructed to support the tanks in 1927.
- The interior remaining concrete floor has begun to sink in sections and crack. A portion had been removed and filled in again in the southwest corner.
- Parts of the building are separating from the other sections as clearly evident in the photographs.
- Every side of the building has been significantly altered further impacting the integrity of the walls.
- HDC maintains the jurisdiction to require any new structures on the site to replicate the details on any new brick building.
- When the newer electric building for the off-island cables was constructed on the corner of Commercial Street and Candle Street, the HDC required it to be brick and to replicate some of the brick detailing on the other structures on the lots. That is clearly shown on the photograph of that building.
- NGRID took over Nantucket Electric Company in 2000. The status of the building appears to have changed little with the deterioration of the structure having taken place over the 70+ year before that.

EAST ELEVATION

THE EAST ELEVATION HAS BEEN SIGNIFICANTLY ALTERED

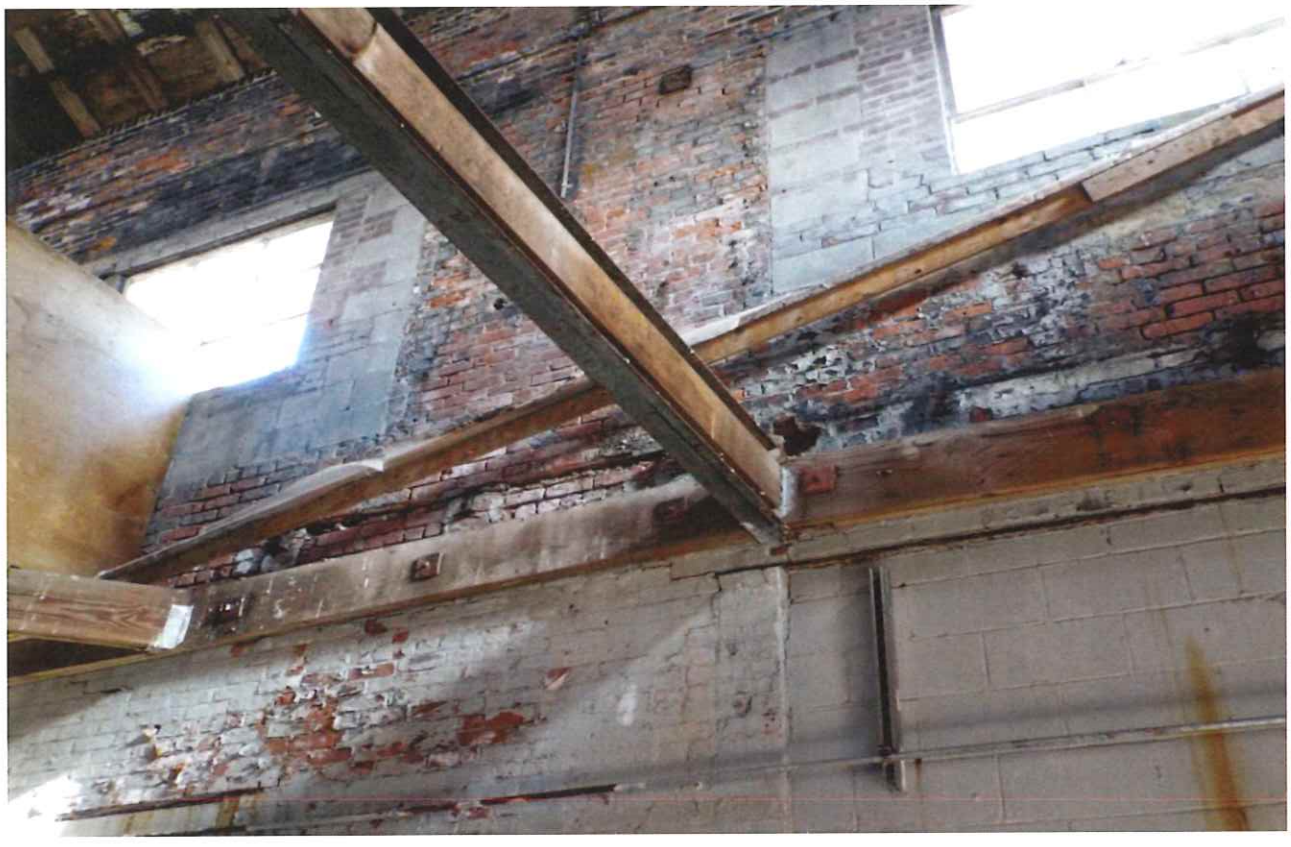
- The original larger windows have been removed and the area around the newer windows probably from the 1950s bricked in with a different brick that is not visible in the older photographs.
- The two garage doors were used to have direct access into a sizable metal addition, which is visible in the photographs. In one instance, concrete blocks were placed in the openings further putting weight on the softer bricks and concrete under them.
- There was an attempt to seal the softer bricks with white paint, more than likely lead based.
- The concrete pad for the building that was attached to this side is still visible on the ground and in the aerials. It was allowed be removed in 1998 in anticipation of the demolition of the main brick portion.
- The other garage door has some sort of board that is coming apart.
- The southeast corner is separating from the building with the settling and pressure on the pad.
- There are significant cracks in the façade of this side.



Garage door connecting the interior of the brick building with the metal addition on the east side was closed up with concrete blocks.

Garage door was removed and some sort of asbestos panel placed in the opening. Window above is broken not secure in the opening. It replaced the larger window in that area. Different brick is visible. Cracks are visible to the right of the window. There is some bowing out under the window at the intersection of the two types of brick. The concrete pad is visible on the east side where the addition had been constructed.

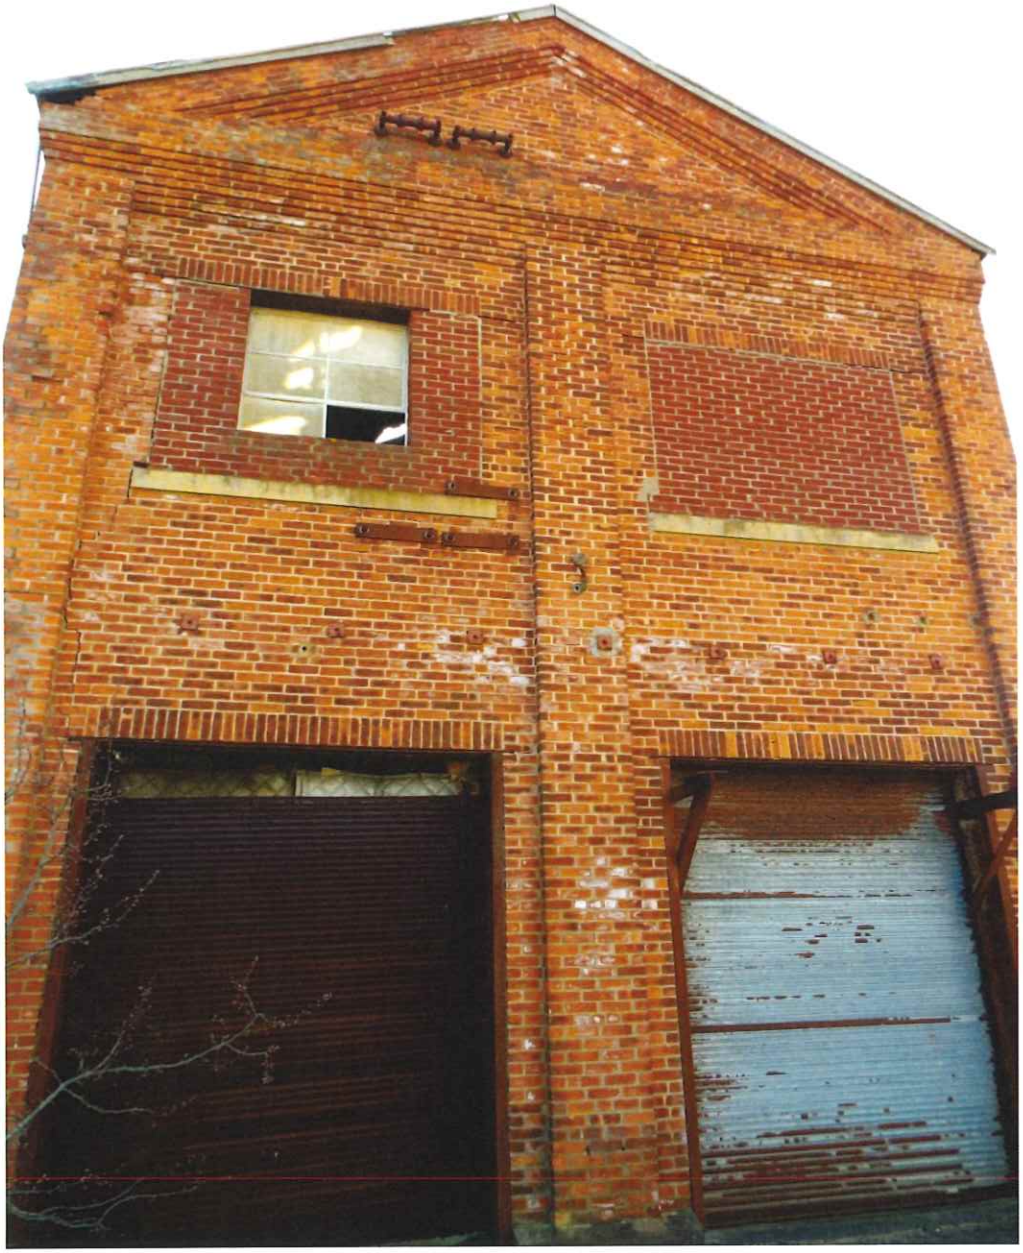
Window above is broken not secure in the opening. It replaced the larger window in that area. Different brick is visible. Cracks are visible to the right of the window. There is some bowing out under the window at the intersection of the two types of brick. Window is not afunctional and simply used to block the interior from the elements. Window "sill" under one of them is clearly larger than the replacement window.



Evidence of the replacement of the original windows, concrete blocks added to fill in the space of the larger windows. Concrete used to patch the bricks, which destroys bricks, particularly porous orange brick.

SOUTHEAST CORNER SEPARATING FROM THE BUILDING

The mortar for brick around the replacement smaller window appears to be appropriate but does not integrate well with the softer orange brick.



NORTH ELEVATION

THE NORTH ELEVATION HAS BEEN SIGNIFICANTLY ALTERED

- Two upper windows were removed and a smaller window placed in the opening, which is broken and not secure. The other window was bricked over.
- The garage doors are not stable, falling off and are rotting. At one point there had been another addition on this side of the building but removed in 1998 in all likelihood. The concrete pad is still in place for that addition.
- There is rotting on the northeast upper left section under the roof with missing bricks.
- Other bricks have been secured with concrete further compromising their integrity.
- Cracks in the brick are visible on the left.

Missing bricks under the roof framing on the northeast corner.

Windows were replaced with smaller windows. The left window was bricked over with yet a different brick than was used on the east elevation to brick in those windows.

EXIT

FIRE

WEST ELEVATION

THE WEST ELEVATION HAS BEEN SIGNIFICANTLY ALTERED

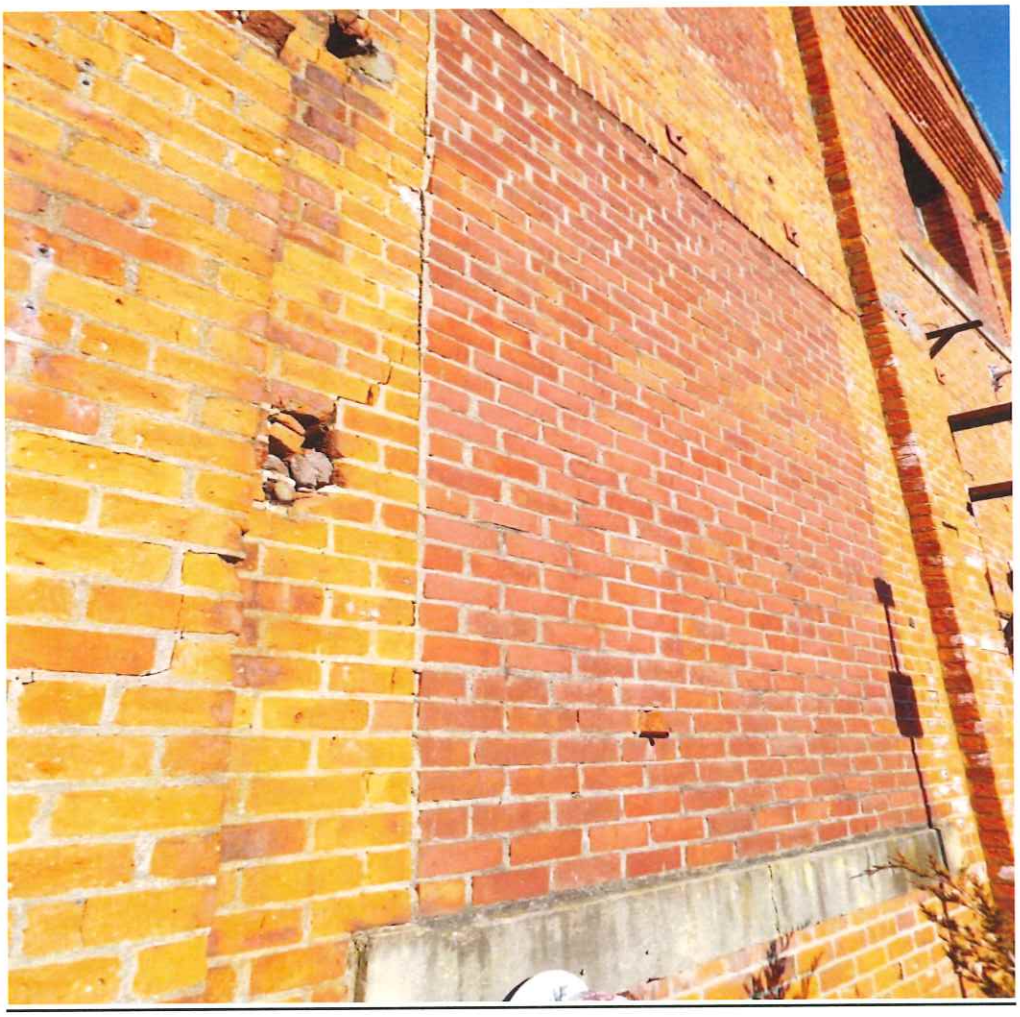
- All four windows were replaced and bricked around.
- Over time, there appears to be other smaller additions placed on this side as seen in the aerial photographs.
- Brick in contact with the concrete foundation are beginning to break down.
- There are three different types of brick in this west elevation.
- Southwest corner section is breaking down.

CONCRETE FOUNDATION

The porous orange bricks on the west side are severely damaged and breaking down.

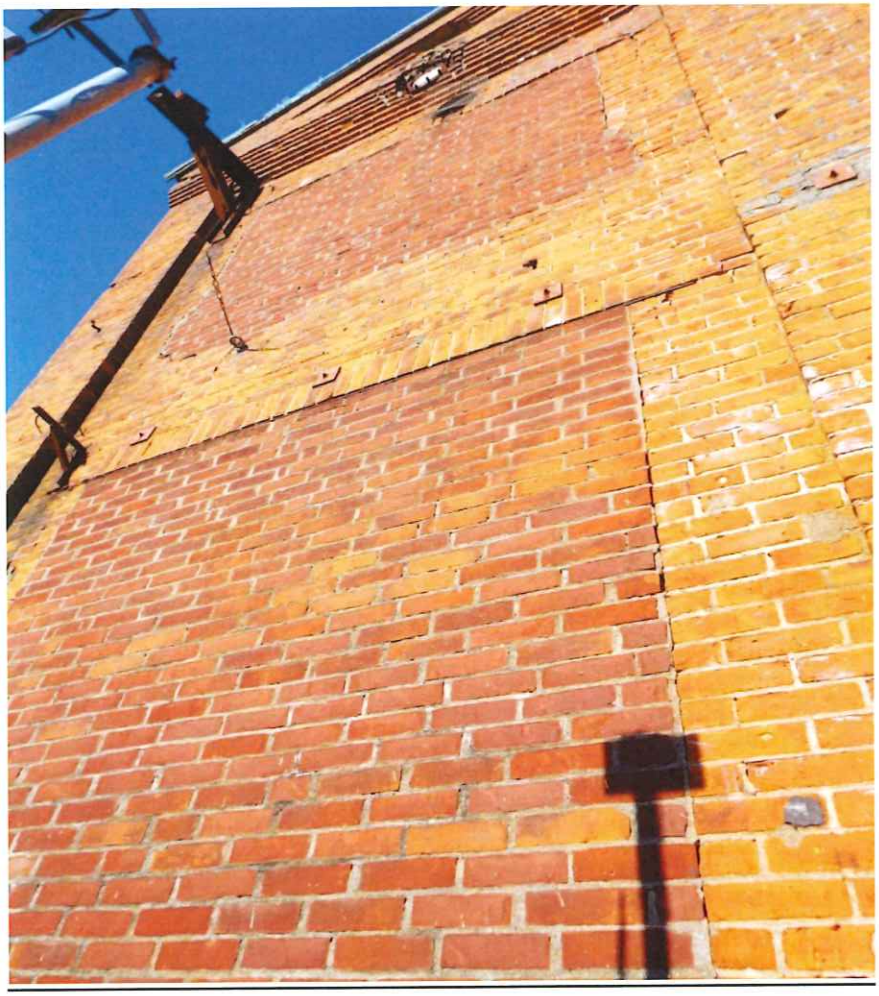
Where the orange brick connects to the replacement brick around the windows, there is a compromise of the orange brick.

SOUTH WEST CORNER

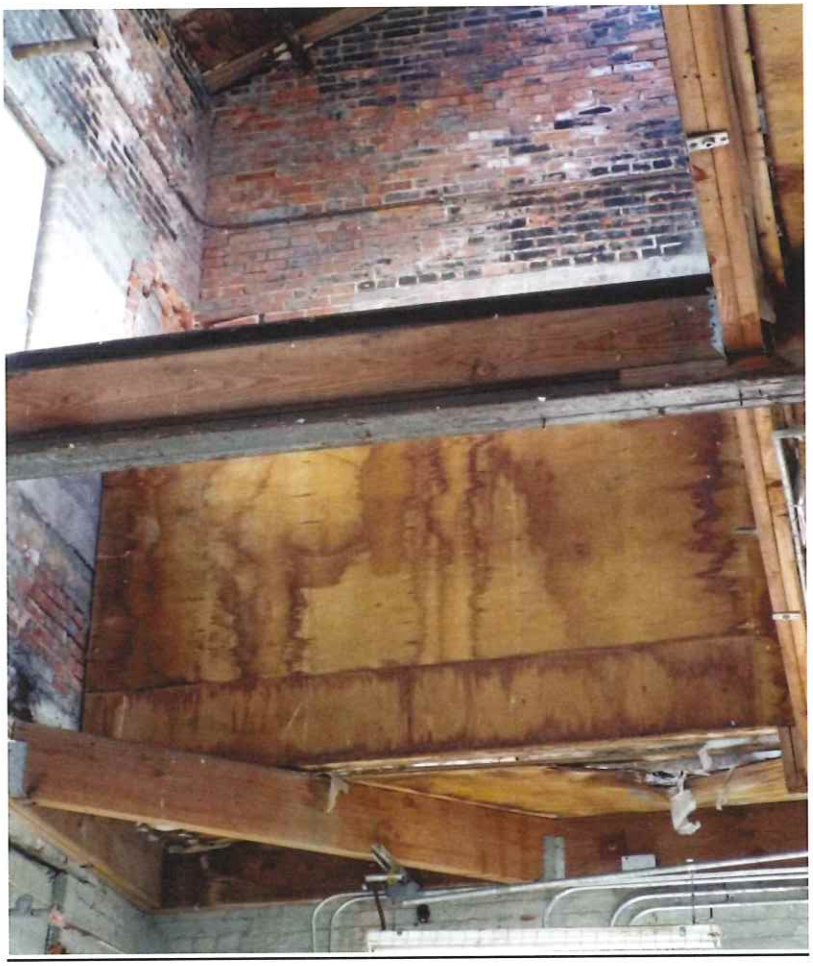


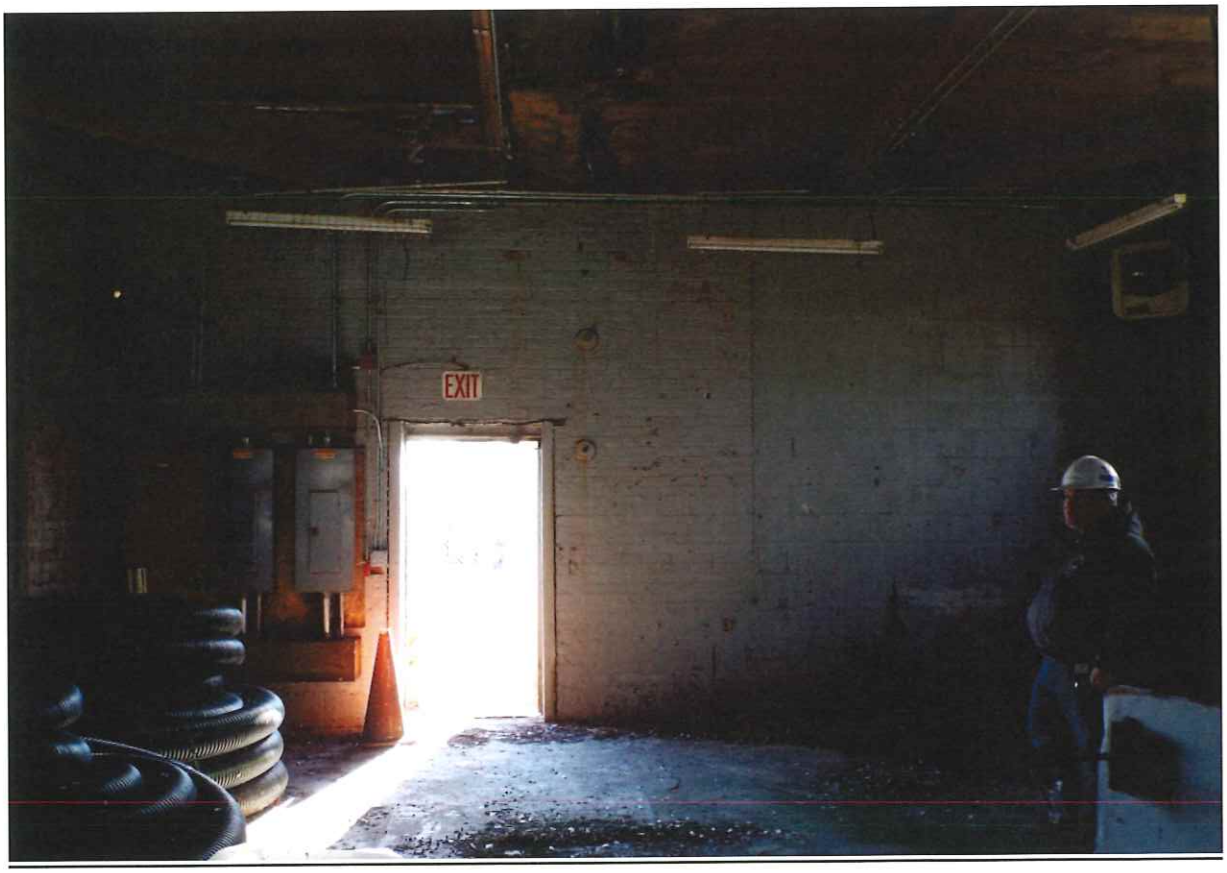
SOUTH ELEVATION

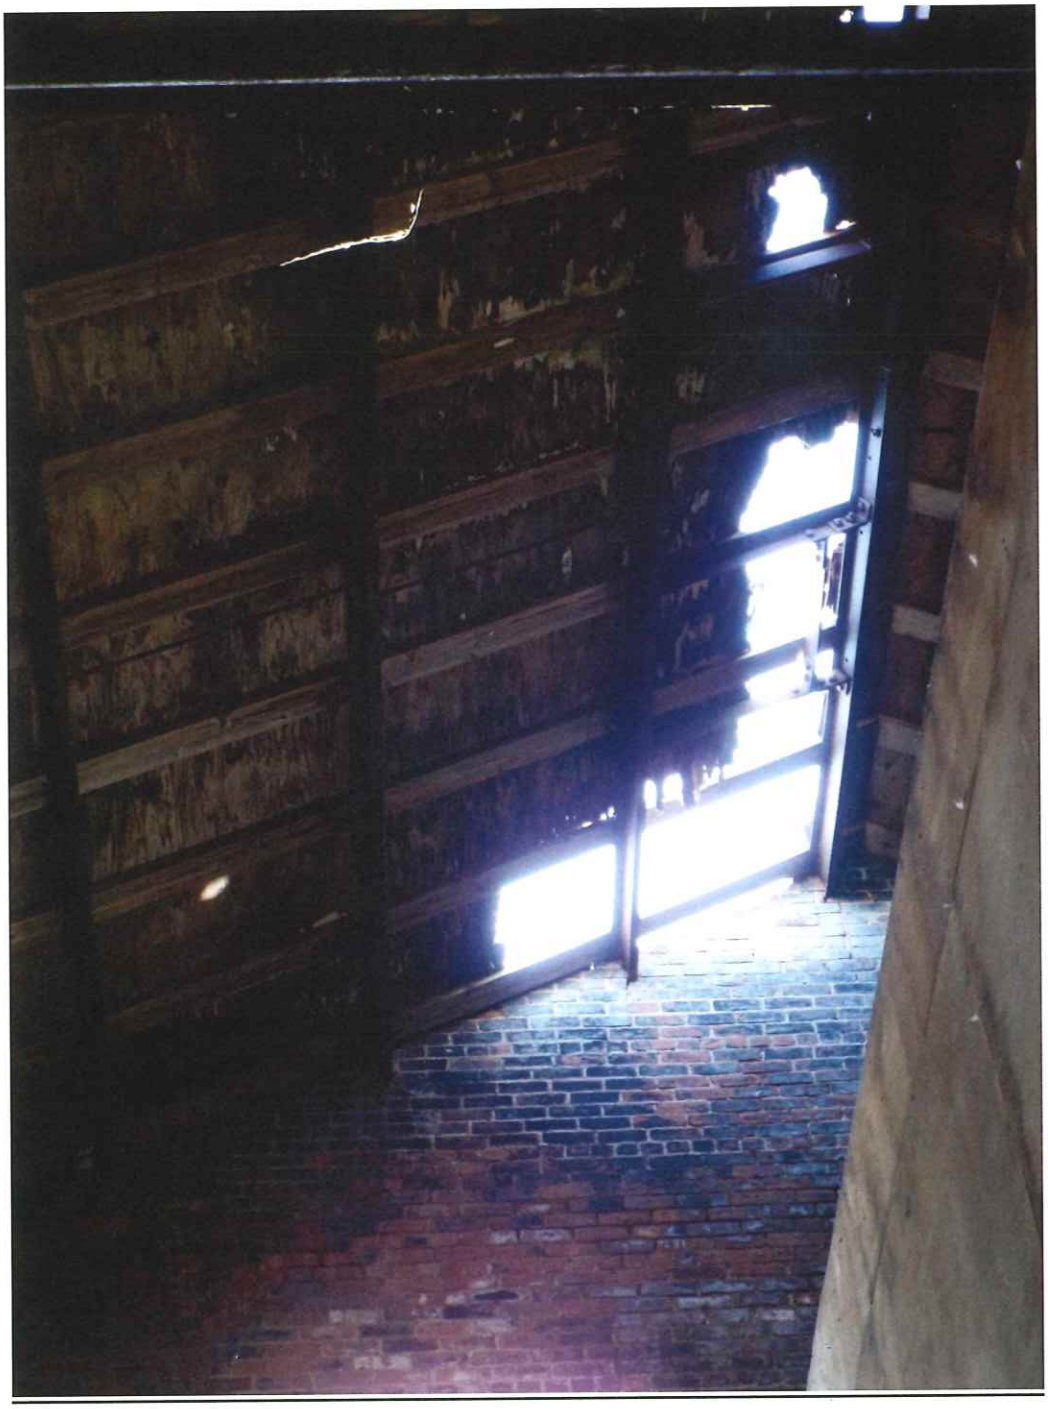
THE SOUTH ELEVATION HAS BEEN SIGNIFICANTLY ALTERED



- Older aerials appear to show a larger wood structure attached to this side of the building.
- Windows were removed and bricked over with a different brick. One window was removed entirely. A smaller replacement window was installed that is now not stable is broken and not secure in its location.
- The southeast corner of the building has begun to separate from the rest of the building.
- The garage opening on the first floor was removed and bricked over.
- The door appears to be in the same location but not the original door.







EXIT

2 COMMERCIAL STREET/CORNER OF WASHINGTON STREET – 1996

- **When the building was approved by the HDC it was required to to be brick.**
- **Details present on the other brick buildings were required to be represented on the new structure.**

NHA 1935 AERIAL – 10 NEW WHALE AND 5 CANDLE BUILDINGS PRESENT

TOWN 1957 AERIAL – 5 CANDLE AND 10 NEW WHALE BUILDINGS VISIBLE

1998 TOWN GIS AERIAL

Original Nantucket Electric Company buildings fronting Candle St. attached to the remaining 5 Candle Street are still visible on the GIS aerial. They were removed after 1998. Several gas tanks have been removed from around 10 New Whale Street and it stands alone. Metal addition on the east of 10 New Whale is still visible.

2003 TOWN GIS AERIAL – TANKS REMOVED ON 10 NEW WHALE – ONLY 5 CANDLE STREET REMAINS ON LOT AFTER NORTH AND SOUTH ADDITIONS REMOVED

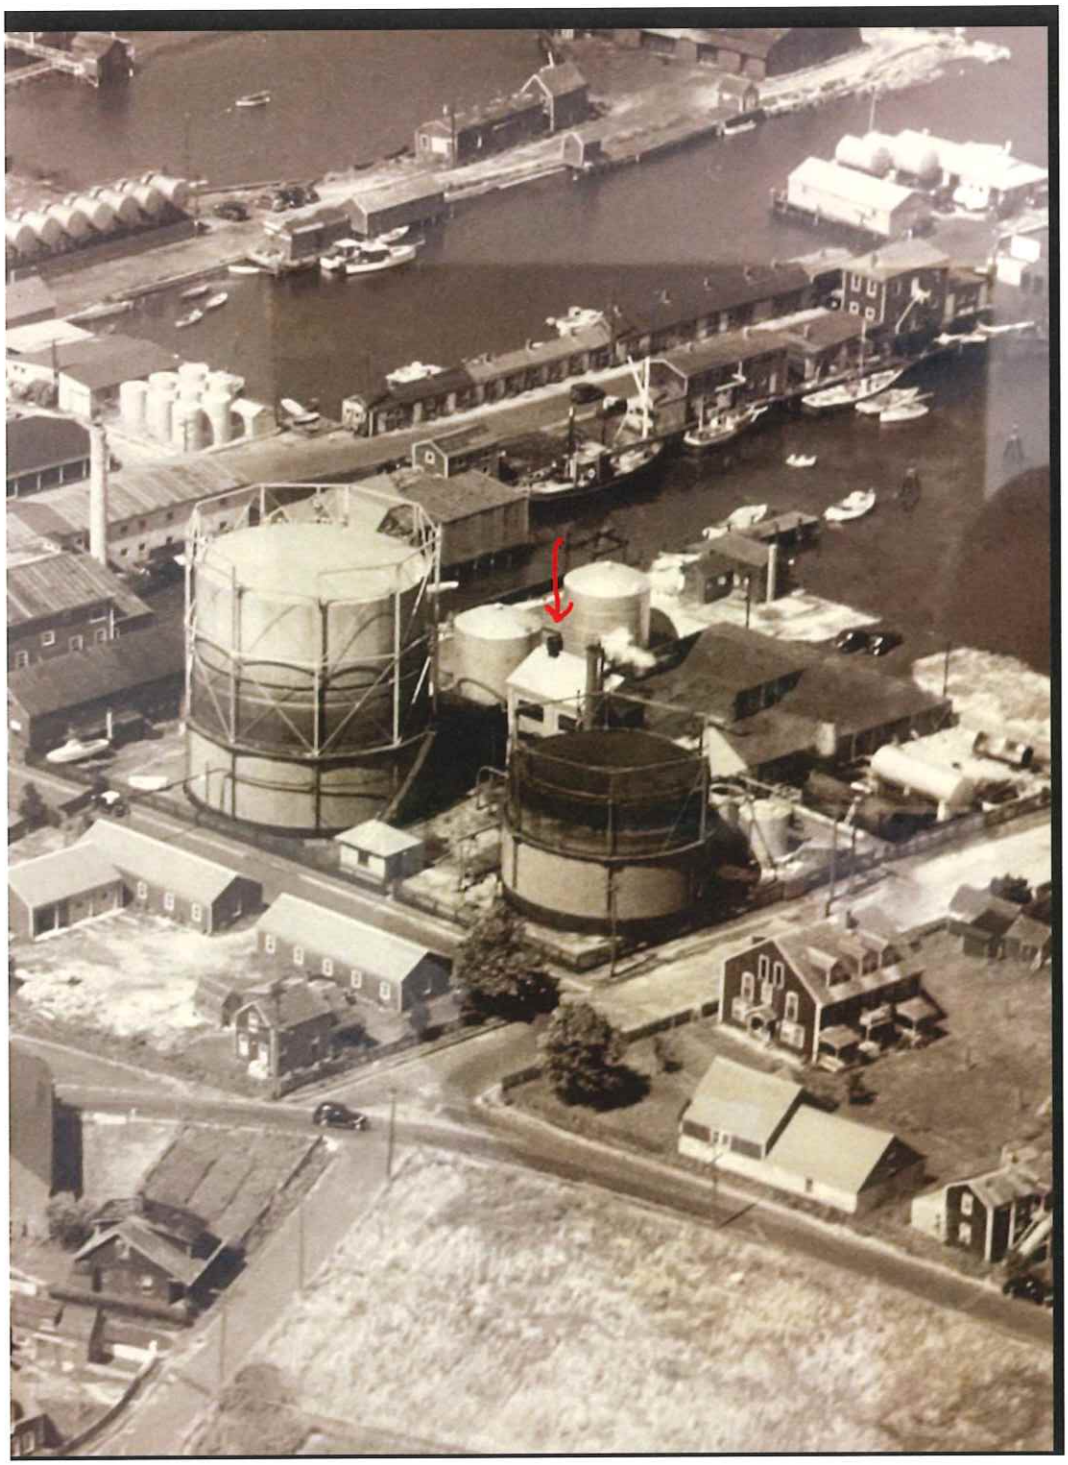
2007 TOWN GIS AERIAL – THE STRUCTURAL PADS FOR THE ADDITIONS ARE STILL VISIBLE ON THE EAST AND NORTH

2014 TOWN GIS AERIAL

2023 TOWN GIS AERIAL

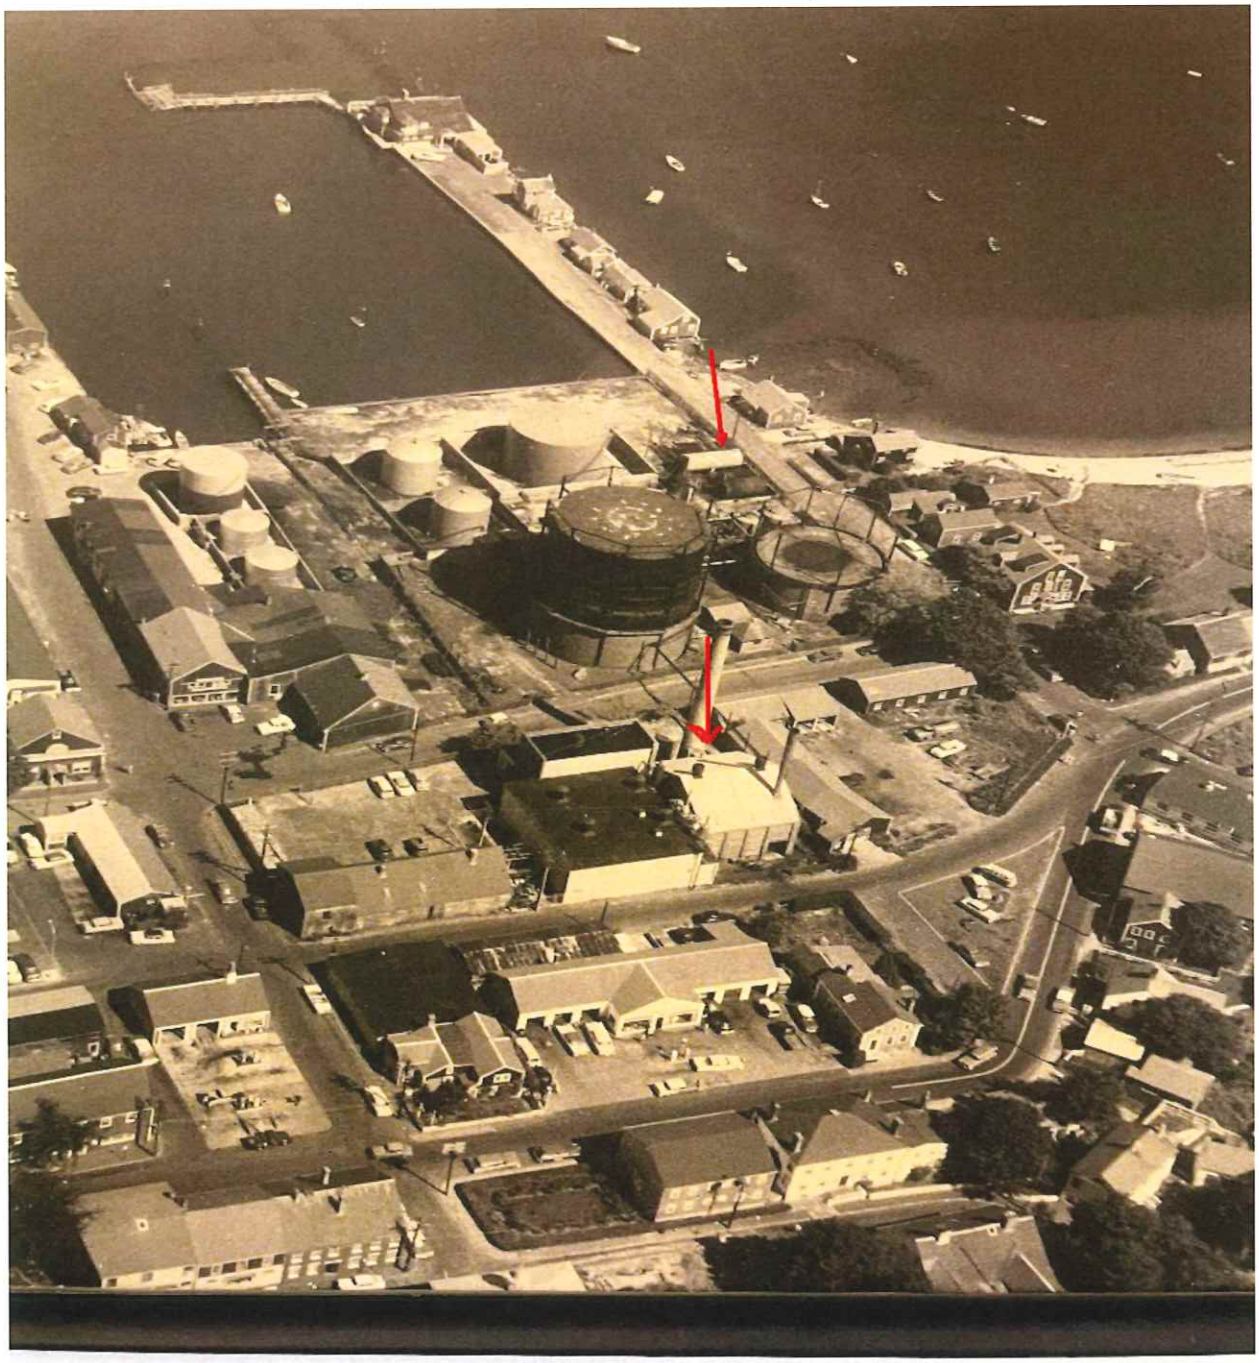
1918 NHA AERIAL PHOTOGRAPH

"Tower view from the Unitarian Church looking east over Old South Wharf, center, and Commercial Wharf, right, to a frozen harbor." Back of photo reads: "Jan & Feb freeze up 1918 from town clock tower. Date: 1918". Beginning of 5 Candle Street electric buildings visible – no tanks or 10 New Whale visible.



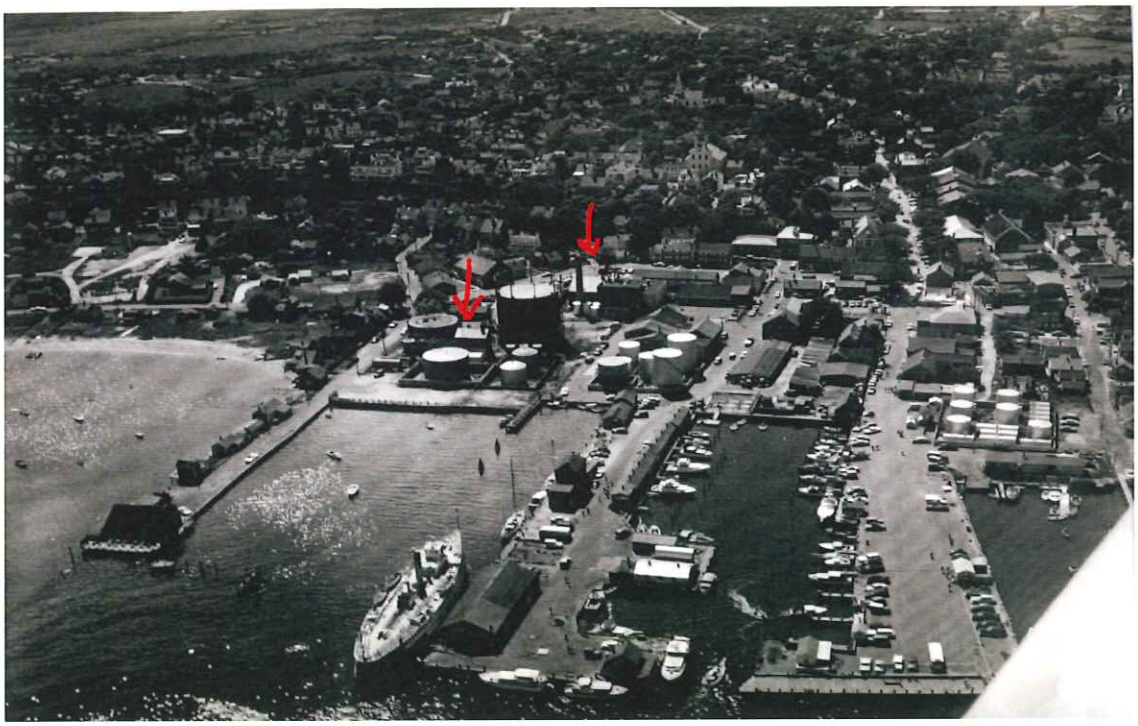
1930s NHA AERIAL PHOTOGRAPH

"Orange Street view of the wharves. Stone Alley is in the foreground, Old South Wharf on the left, and Commercial Wharf on the right. Date: @1930s". 5 Candle Street is visible in the middle with the chimney stack. 10 New Whale difficult to see as it is surrounded by tanks if there at all. This photograph may pedate the 1927 construction of the building.



1938 AERIAL PHOTOGRAPH IN PRIVATE COLLECTION

10 New Whale building has a chimney, which has been removed, window openings are different then the building currently has. It appears to be attached to the large wooden building to the south. 5 Candle Street buildings are visible to the southwest on the other side of Whale Street

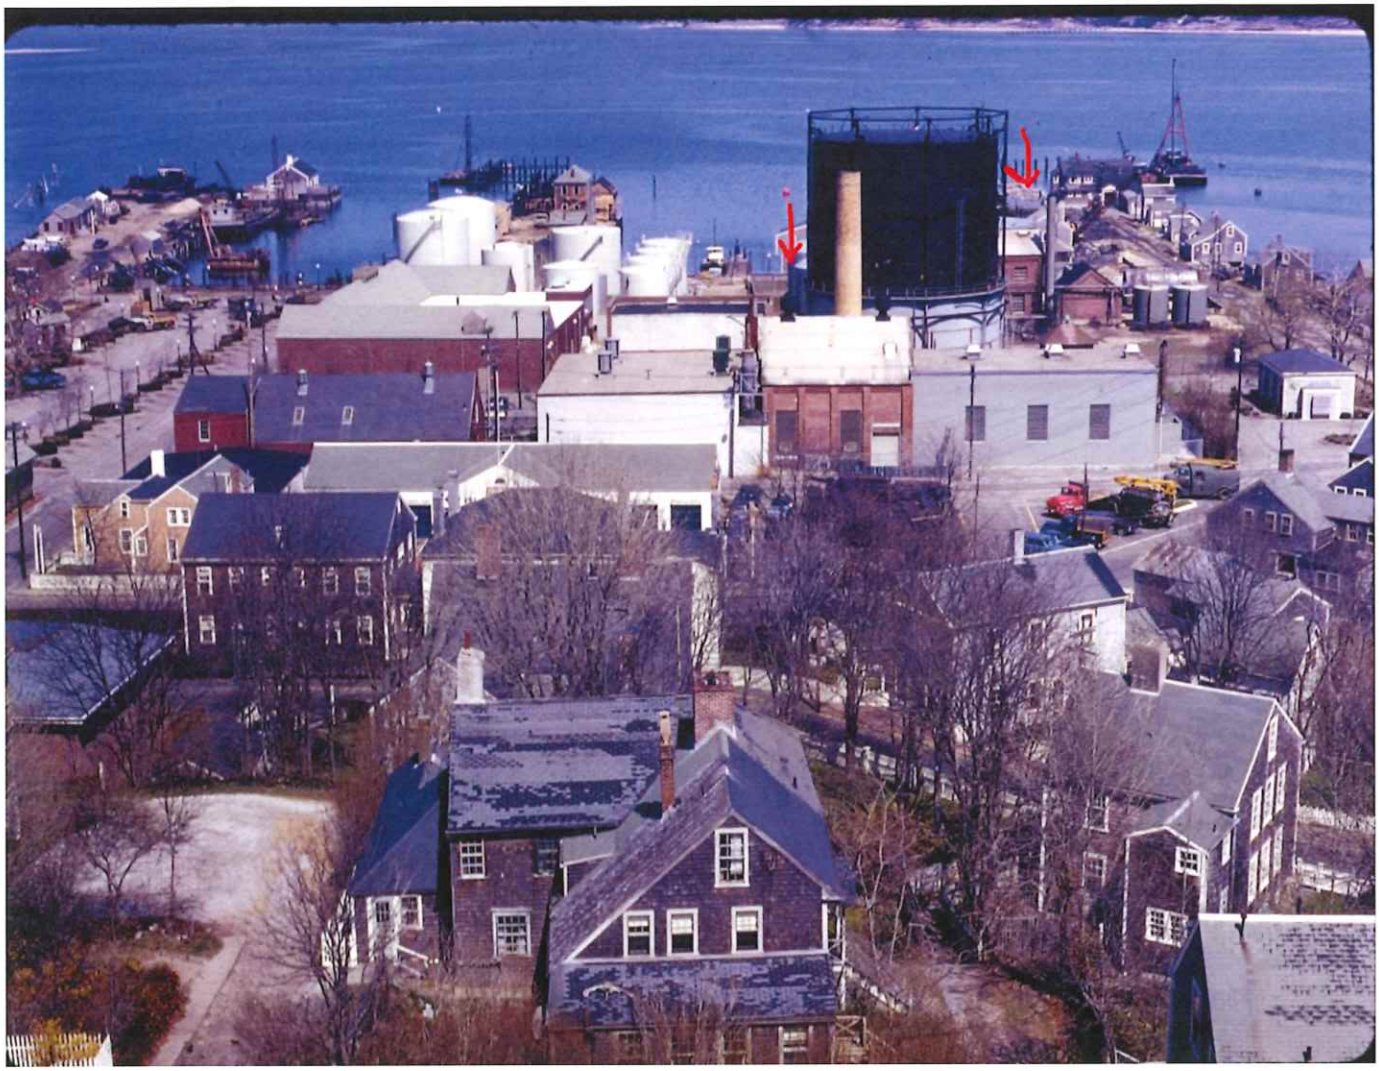


1950s AERIAL PHOTOGRAPH IN A PRIVATE COLLECTION

It is difficult to see 10 New Whale building as there appears to be several additions surrounding it. 5 Candle Street buildings visible attached to the remaining brick building. 5 Candle building appears to have no openings on the street side except for a garage door.

1950S NHA AERIAL PHOTOGRAPH

"Photocopy of an aerial view of Straight Wharf, Old South Wharf, and Commercial Wharf, as well as the downtown of Nantucket. Note the steamer docked at Old South Wharf. Date: 1950s" East side addition on 10 New Whale still visible.

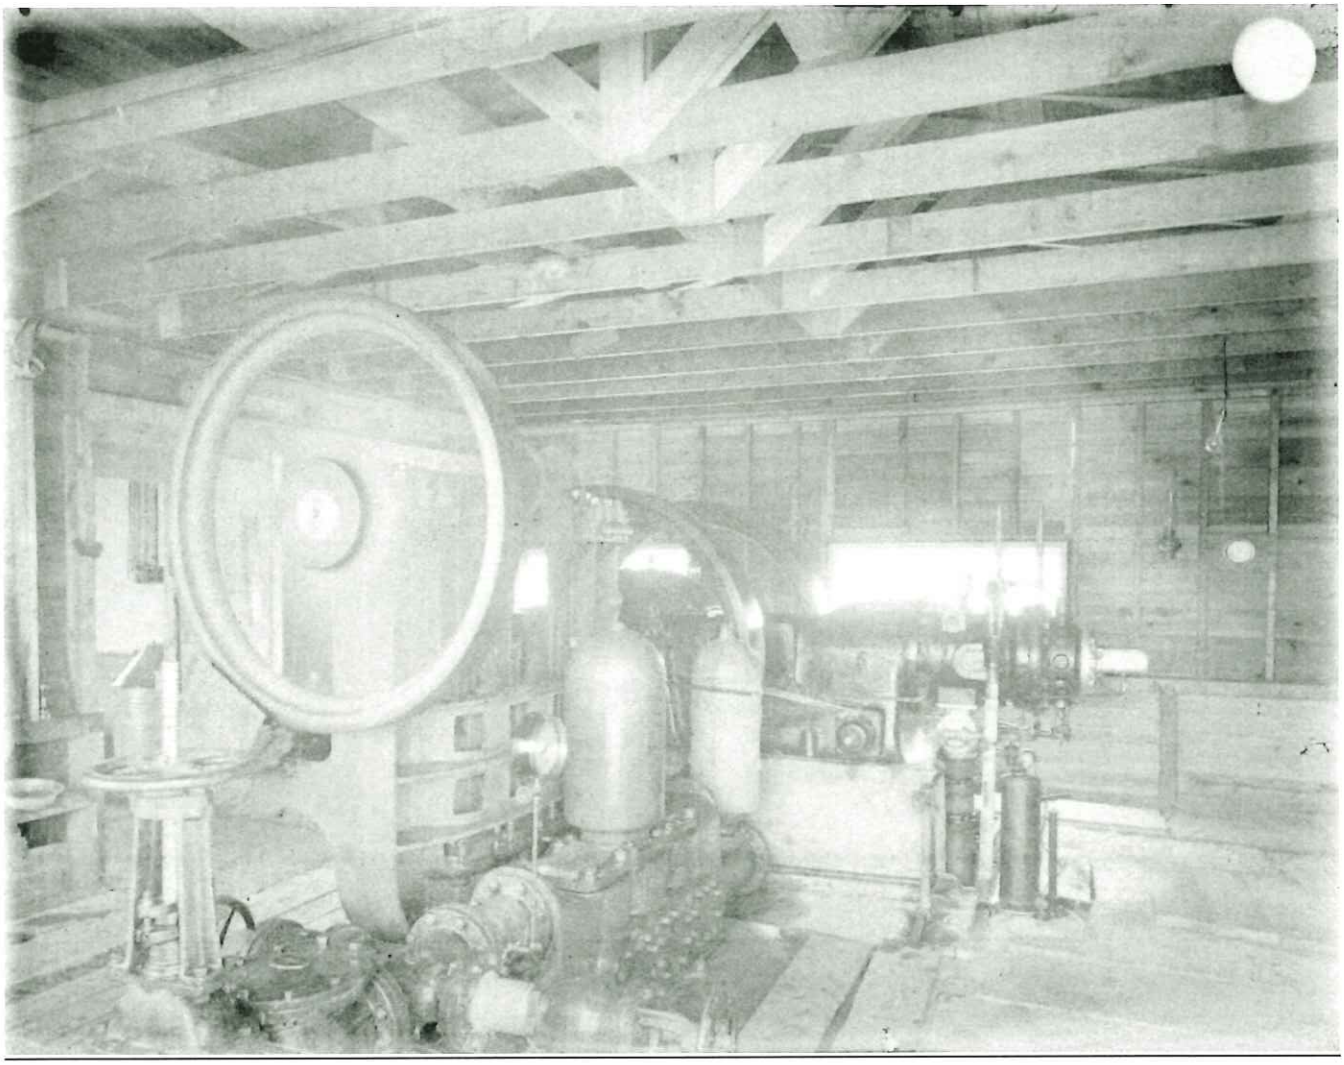


1962 NHA AERIAL PHOTOGRAPH

"Aerial view of Commercial Wharf, Old South Wharf and Straight Wharf, showing many warehouses and utility tanks. Date: 1962 Nov 27". 5 Candle and 10 New Whale visible.

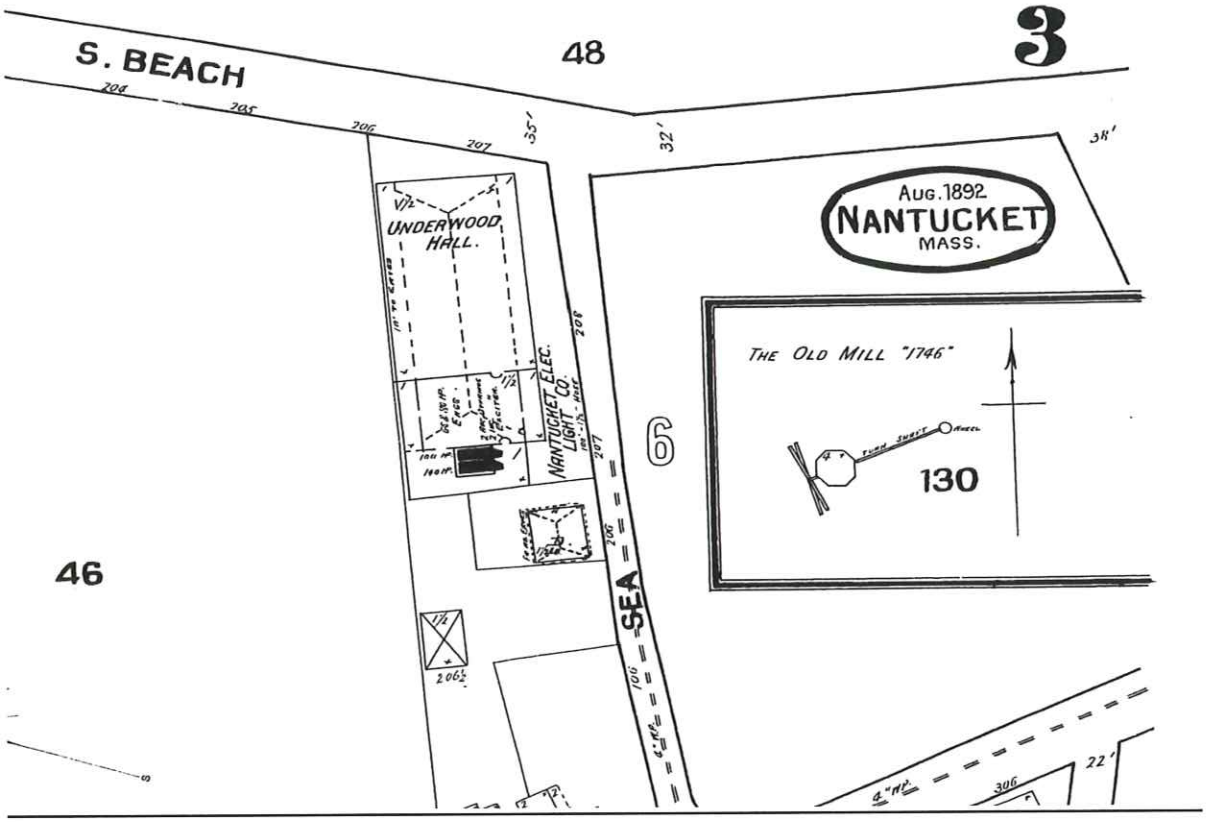
1968 NHA AERIAL PHOTOGRAPHY

"View from tower of Unitarian Church showing Straight Wharf, Old South Wharf, and Commercial Wharf under reconstruction, fuel tanks, the electric company plant, and part of Union Street. Date: 4/30/1968". 5 Candle Street complex still intact. Windows have been added to 5 Candle. Windows changed on 10 New Whale with other buildings appearing to be attached to it.

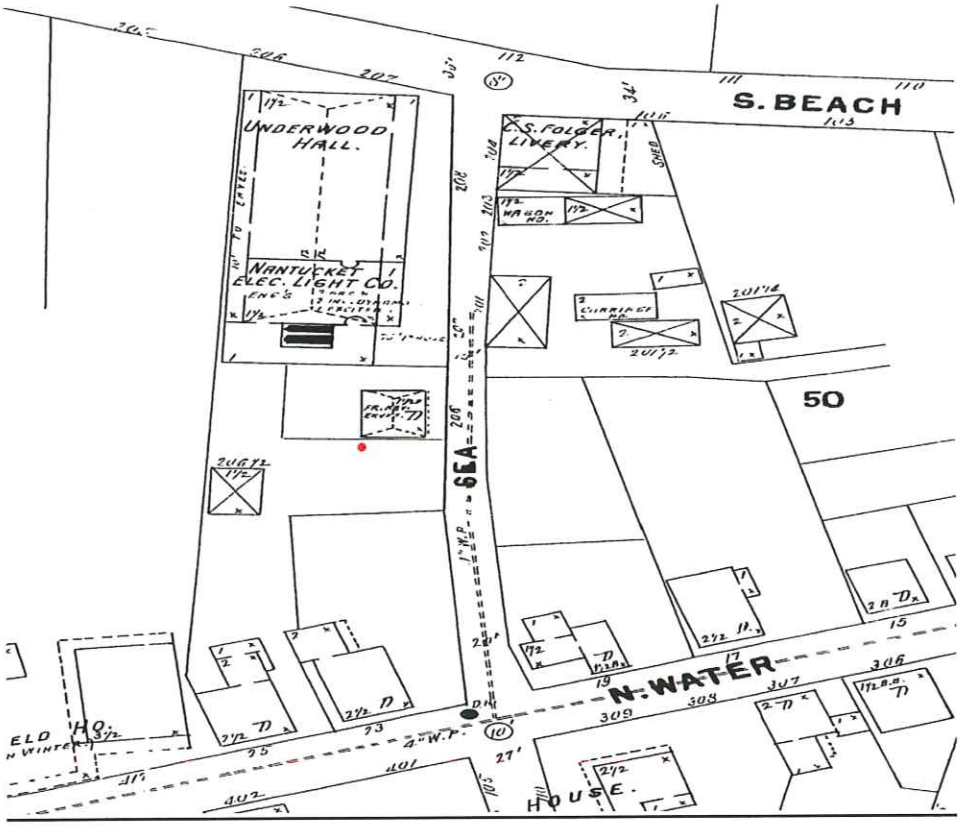


1991 AERIAL IN PRIVATE COLLECTION

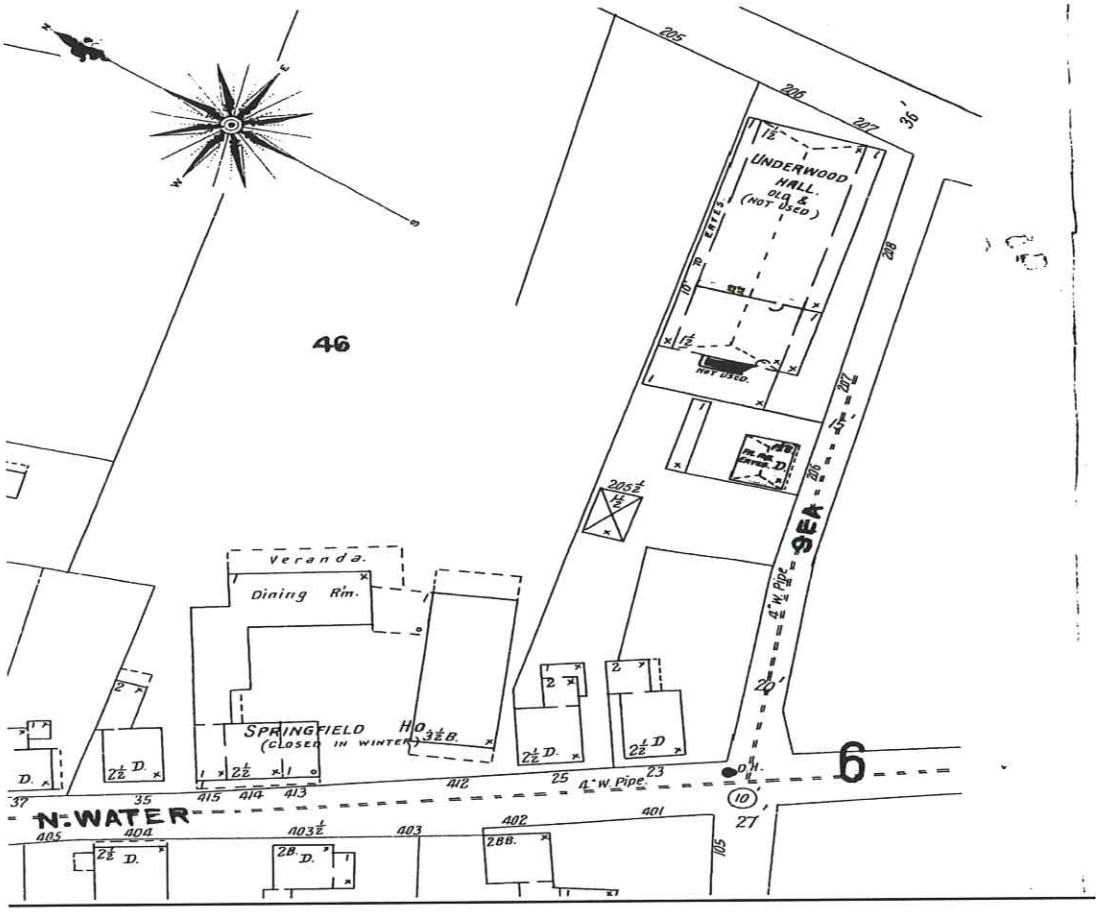
East additions still visible – 10 New Whale windows on the south have been removed – 5 Candle Street buildings still visible on the left. Another brick building appears behind 5 Candle Street brick building that was allowed to be demolished.



NHA PHOTOGRAPH - THE ELECTRIC CO. WAS NOT ON SITE UNTIL AT THE EARLIEST 1903

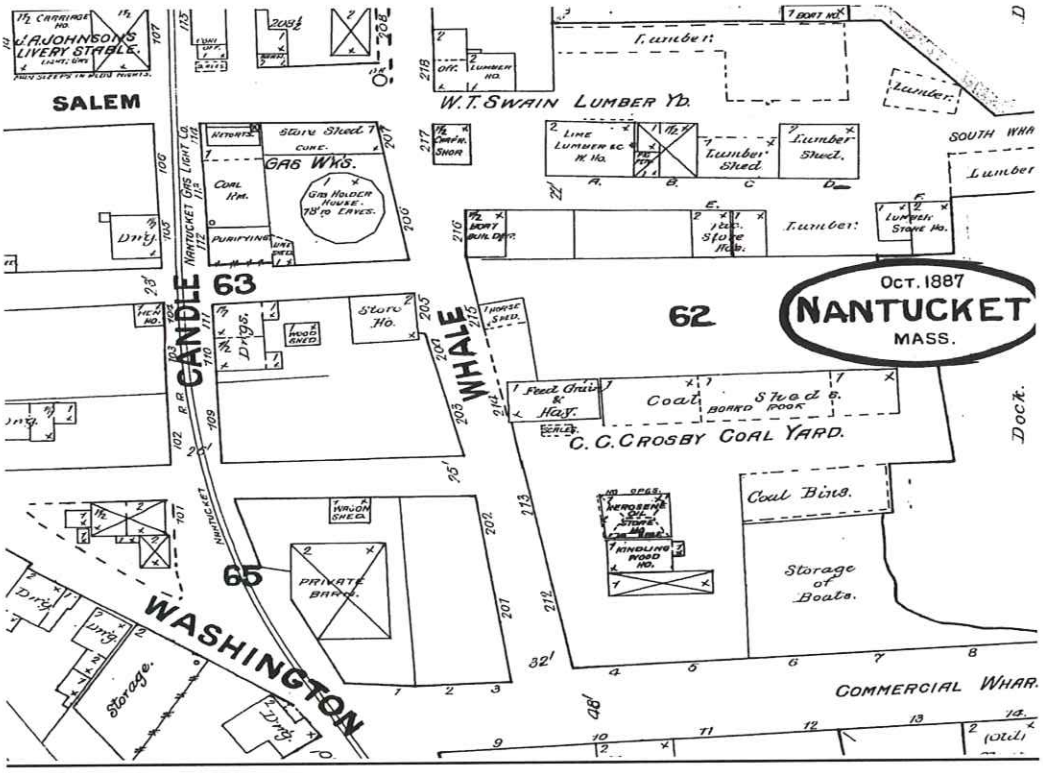


"Machinery in the interior of the Electric Company. Bare wood walls, beams visible. This may be the Electric Company's first location on Sea Street, which operated from 1889 to 1903."

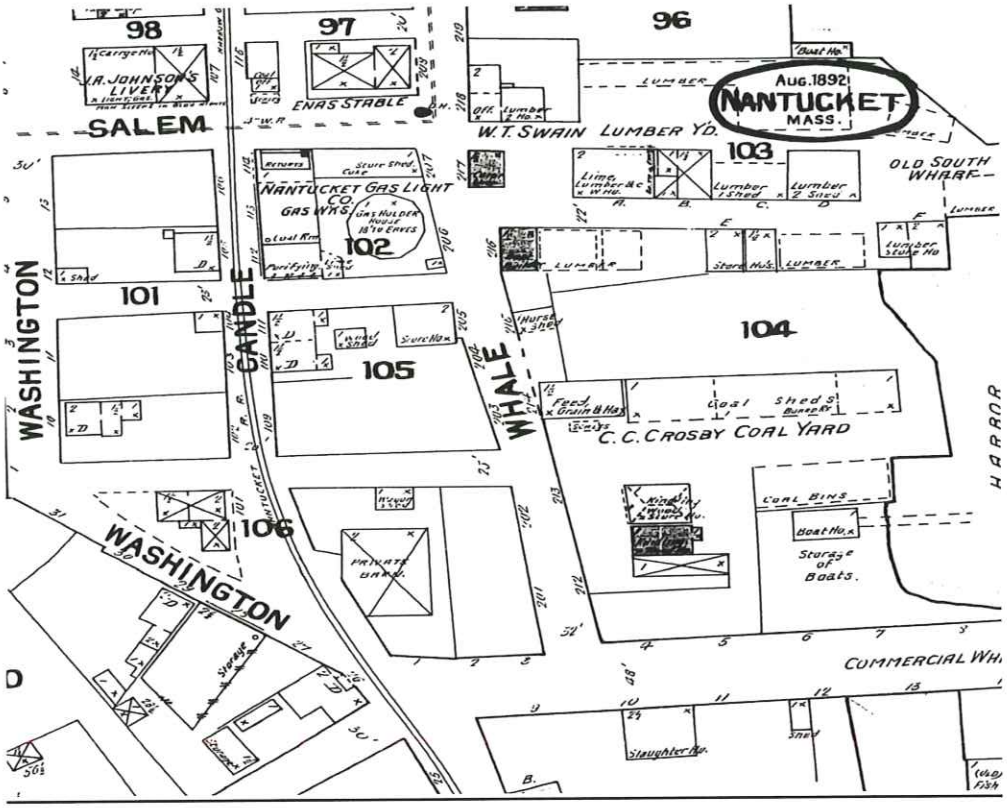


1892 NHA SANBORN MAP – SHOWING ORIGINAL SITE OF THE "NANTUCKET ELECTRIC LIGHT CO." ON SEA STREET BEHIND UNDERWOOD HALL THE ROLLER SKATING RINK

1898 NHA SANBORN MAP – ELECTRIC COMPANY ON SEA ST. BEHIND ROLLER SKATING RINK

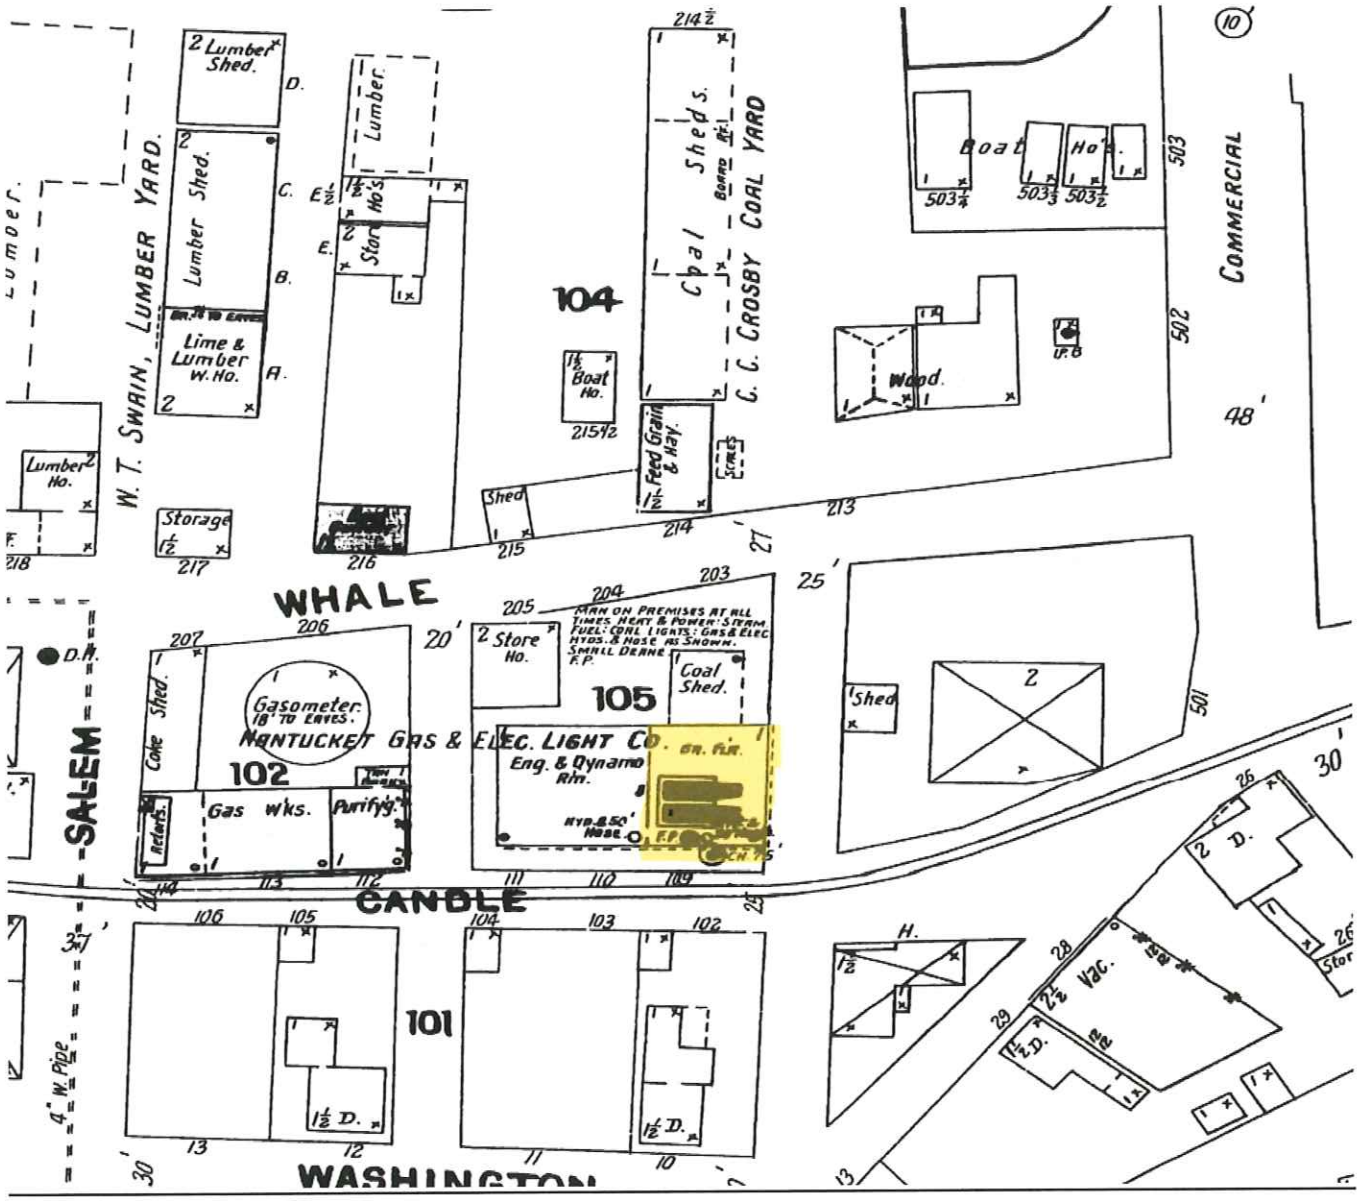


1904 NHA SANBORN MAP – ELECTRIC COMPANY HAS MOVED FROM SEA STREET

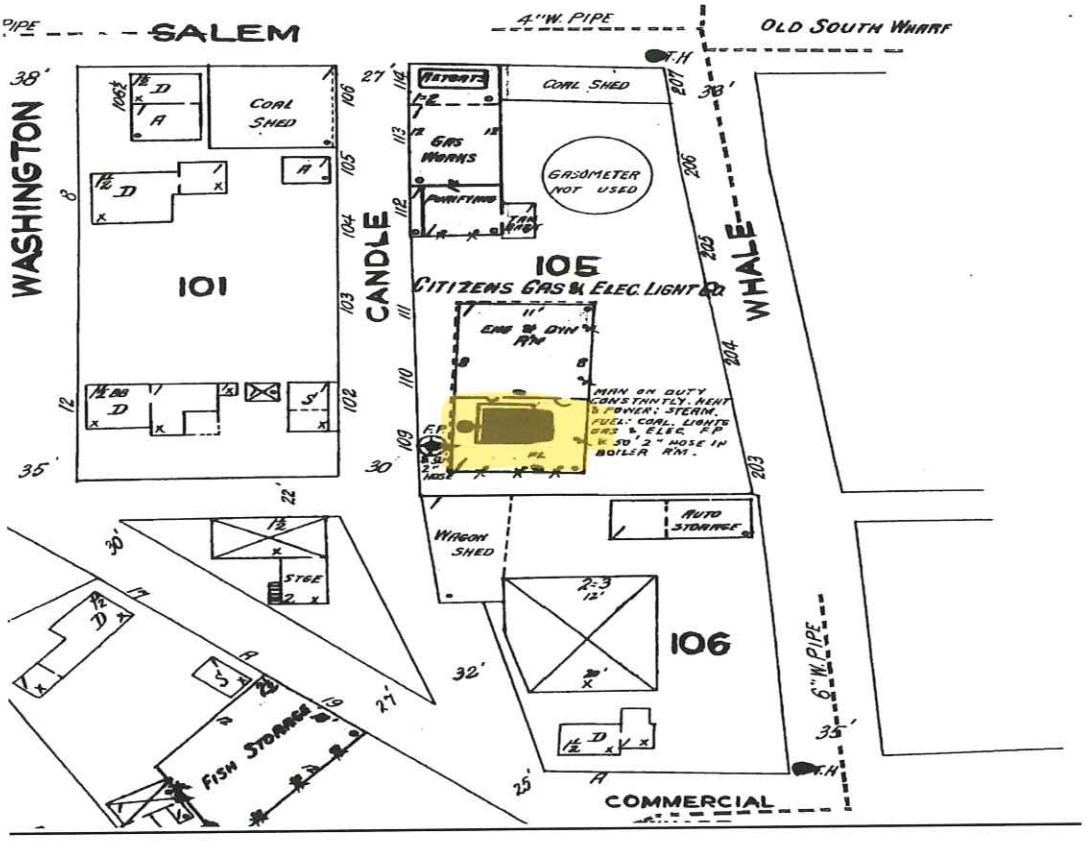


1887 NHA SANBORN MAP

Coal bins are present on the 10 New Whale site along with kerosene storage building/kindling wood storage. No 5 Candle or 10 New Whale bricks buildings present yet.

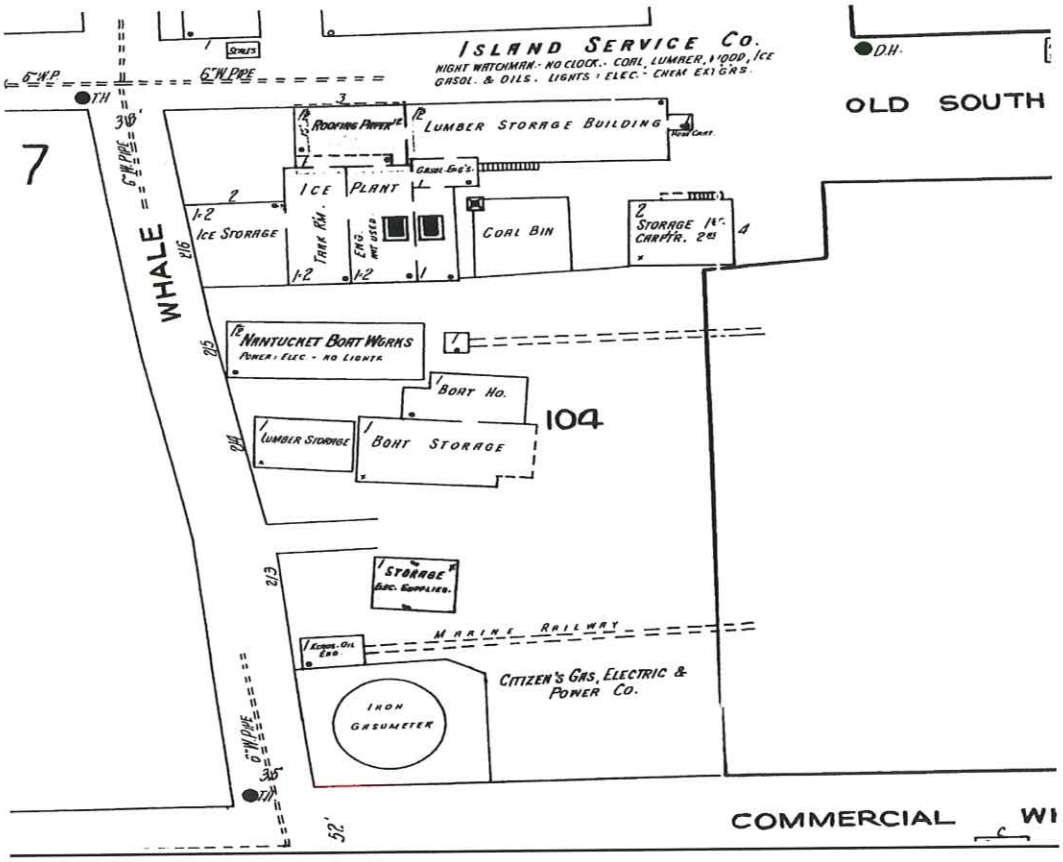


1892 NHA SANBORN MAP – NO BUILDINGS



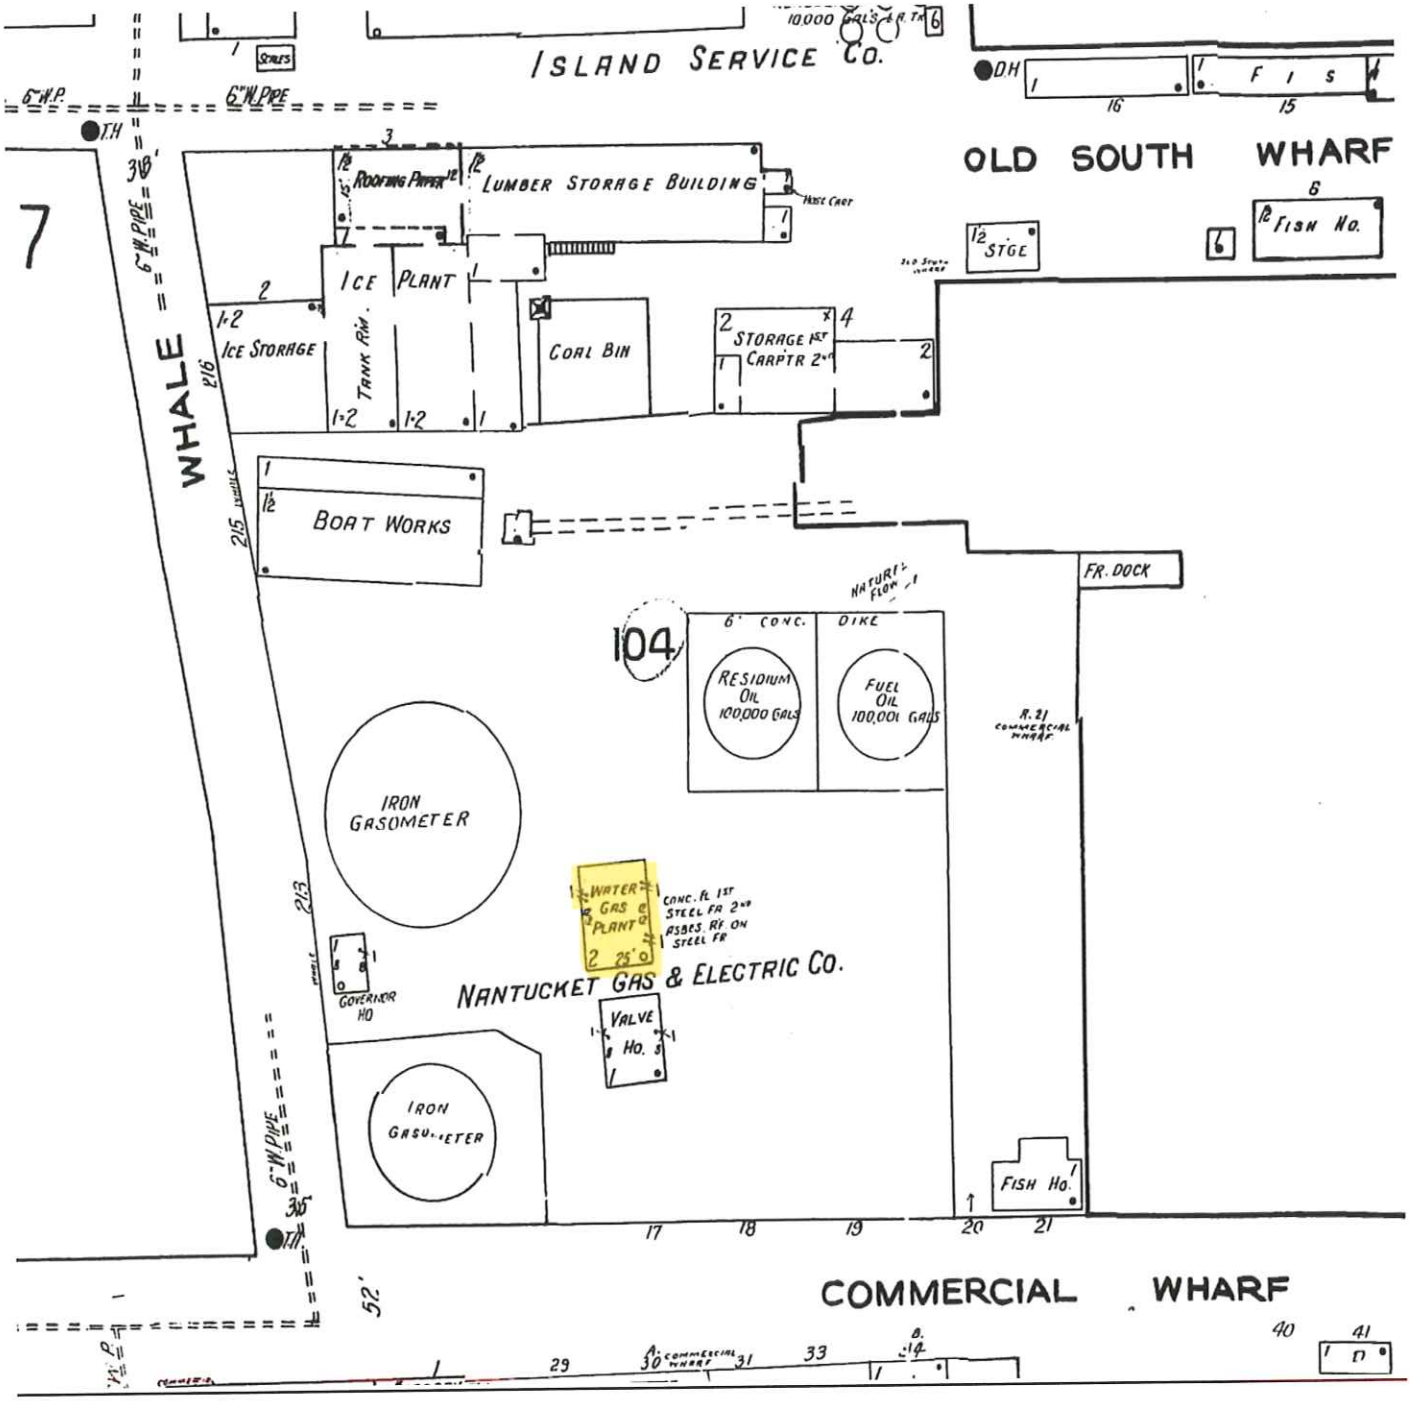
1904 NHA SANBORN MAP

The "Nantucket Gas & Electric Light Co." buildings are being constructed on the lot at 5 Candle Street. No brick building at 10 New Whale yet. The coal sheds and other wood buildings, some related to boats, are still present. The brick building at 5 Candle is the furnace room with the chimney noted on the plan and visible in the aerial photographs for some time, until removed.



"MAN ON PREMISES AT ALL TIMES HEAT & POWER, STEAM, FUEL, STEAM, COAL, LIGHTS, GAS & ELEC HYDS. & HOSE AS SHOWN..."

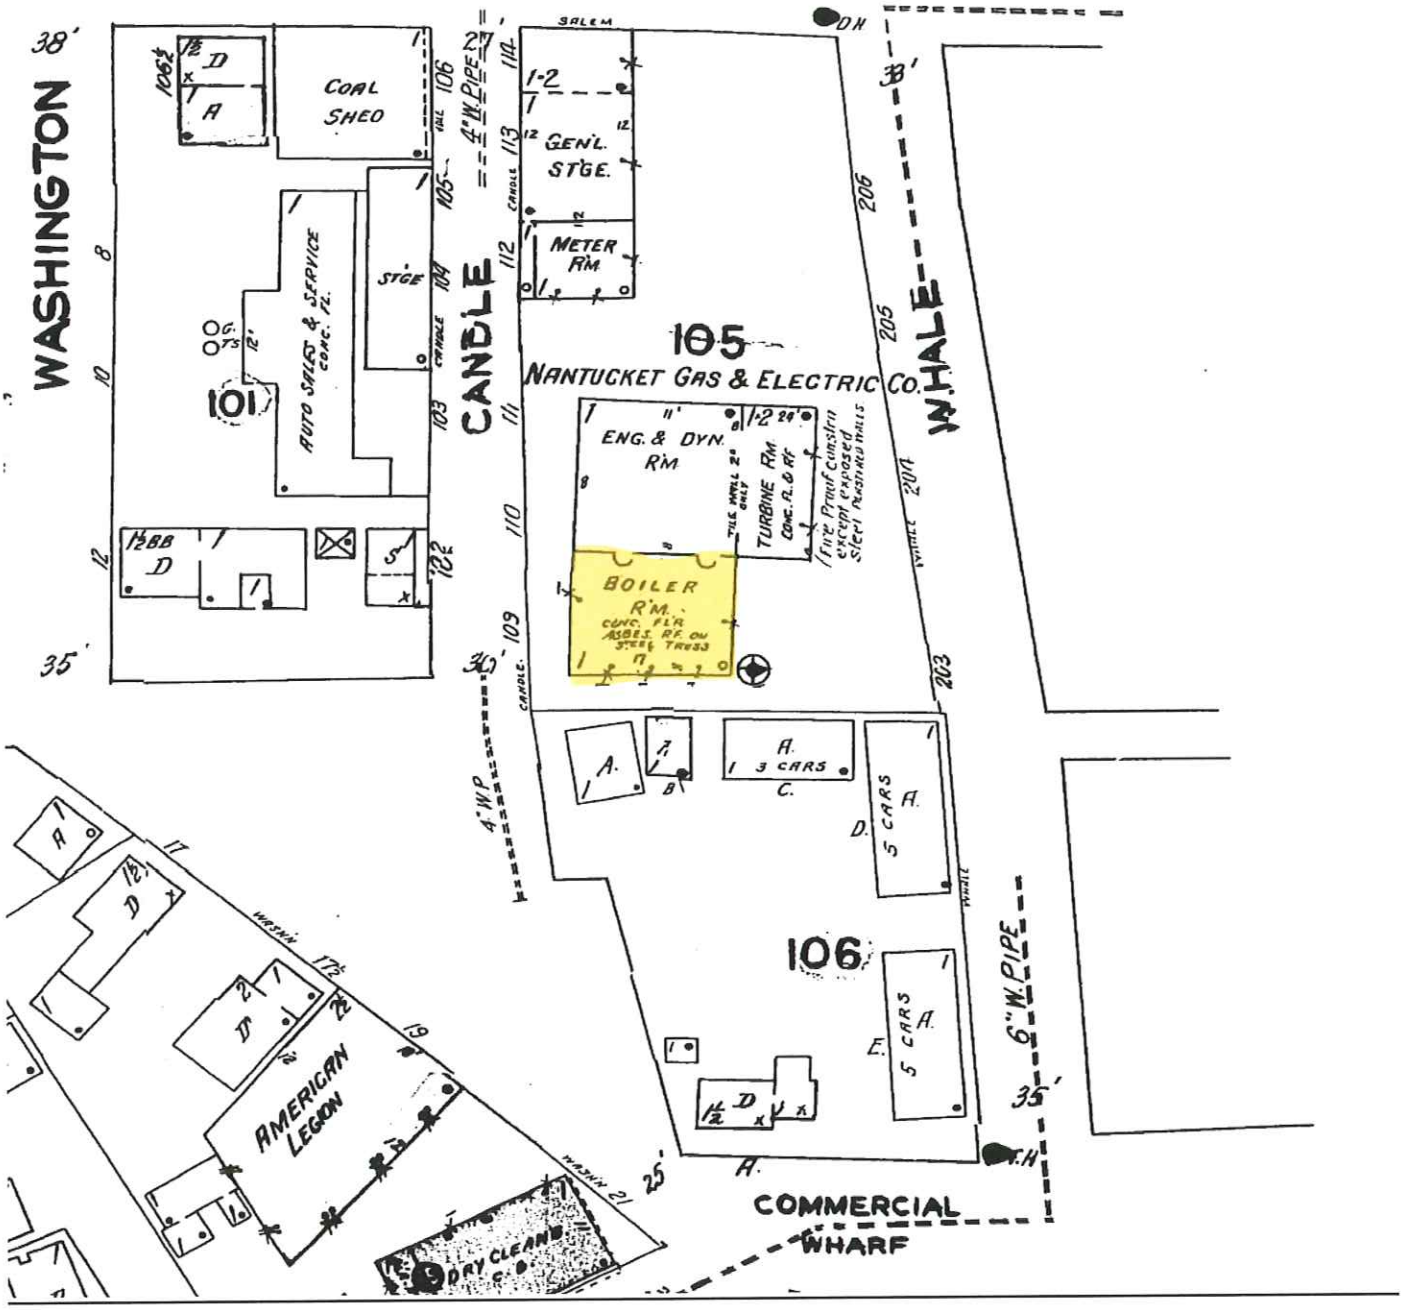
1923 NHA SANBORN MAP – 5 CANDLE STREET REFERRED TO AS THE "BOILER RM."



1923 NHA SANBORN MAP – BRICK BUILDING NOT PRESENT ON 10 NEW WHALE

1949 NHA SANBORN MAP – 10 NEW WHALE STREET

NOTATION ON THE BULDING "WATER GAS PLANT" - "CONC. FL 1ST...STEEL FR 2ND...ASBES RF ON STEEL FR"



Today the steel frame is no longer present other than a few pieces or was minimally present to begin with and removed from the building several years ago. The asbestos roof had been largely removed by the elements over time. Concrete floor has shifted and is settling due to unstable filled tidal land and degradation of the concrete base the brick walls are sitting on.

1949 NHA SANBORN MAP – 5 CANDLE STREET

NOTATION ON THE BULDING "BOILER RM...CONC. FLR. ASBES. RF. ON STEEL TRUSS".

The aerials clearly show further additions to the brick building, particularly on the south and north of the "ENG. & DYN. RM", all of which were removed in 1998 by an approval from the HDC. The smaller buildings to the south are also shown on the aerials prior to earlier removal.

Memorandum

National Grid
170 Data Drive
Waltham, MA 02451

Re: Building Structural Assessment Report
10 New Whale St., Nantucket MA

On December 3, 2024, I inspected the above building located at 10 New Whale Street on Nantucket Island. Present at my inspection were National Grid operations employees. The purpose of this inspection and this report is to document the structural condition of the building. The following report details my observations and conclusions based on the identification of advanced deterioration and multiple structural issues with the building.

I have also read the regulations in § 124-13 of the Town of Nantucket General Bylaws, "Minimum maintenance of buildings and structures". Comments as to the feasibility of the repair of structural damage are included in this report.

Captioned photos of areas of structural distress are included at the end of this report.

History: The building, constructed approximately 100 years ago, is located 160 feet west of the Nantucket Town docks and harbor. It measures 26 feet by 34 feet with an 884 sf footprint and has a maximum height of 28 feet. The building was used until the early 1970's for natural gas manufacture from coal. After the building was decommissioned for manufactured natural gas use, it was used to store pumping equipment, oil/water separators and storage tanks required to clean hazardous materials from subsurface ground water, and to house a foam sprinkler system for fire protection of fuel storage tanks on the property. Those fuel storage tanks were used to supply diesel generators that supplied electrical power to the island, housed in the building at 5 Candle Street. Power generation at 5 Candle Street ended in the late 1990's, following completion of the first undersea cable from Nantucket to the mainland. The building has not been used by National Grid in recent years except for minor storage.

Structural Assessment

Construction and Current Condition: The building foundation is concrete, and the exterior walls are brick, approximately 12" thick. The first floor is concrete and there is evidence that a second floor existed at one time constructed of steel beams approximately 3 feet on center most likely with a wood floor deck. After the original second floor was removed,

305 WHITNEY STREET
LEOMINSTER, MA 01453
www.MCKENZIEINC.COM
(978) 537-8210

understood to be due to deterioration of the deck and structural members, a partial first floor ceiling was constructed of wood beams and plywood. This ceiling may have been required for the heating of the sprinkler room and the room housing equipment used for the clean-up of hazardous material in the groundwater. A unit heater is still visible at the first-floor ceiling level. The current partial first floor ceiling is not safe due to rot and deterioration; it was noted some plywood ceiling panels are breaking due to rot under their own weight. All original window and door openings were infilled with a mixture of concrete block and brick. This infill of existing openings, most likely done in the 1970's after decommissioning of the manufactured gas process, created new smaller window openings on the first and second floors. Those windows have steel frames with fiberglass windowpanes. Many windowpanes are broken, and all windows are deteriorated beyond their useful life. Doors, both overhead and man-doors, are in poor condition.

Walls and Foundation: The brick walls of the building are uninsulated, have no reinforcement and are cracking throughout the structure. Mortar deterioration has resulted in loose and falling bricks. Brick degradation due to natural weathering in areas including the north side of the west façade (photo 4682), and other areas of the building where the bricks are eroding due to weathering, is likely attributable to poor manufacturing practices, i.e. too low a temperature during firing when the bricks were manufactured. On the east façade, a 4'+/- wide section of the left (south) corner is cracked, separating from the remainder of the wall and has rotated toward the left (south) several inches. This is an indication of a potential foundation settlement issue and represents a danger to public safety as a failure/collapse of this building corner could lead to a catastrophic collapse of the remainder of the building. Currently there are no areas of the brick walls that I would classify as structurally sound due to the amount of cracking, eroded mortar and visible distress.

Roof: The 5" +/- pitch roof was most likely originally constructed with slate shingles over a wood roof deck, which was supported by steel channels spanning from the brick exterior walls to two steel trusses. The current roof, installed approximately 50 years ago, replaced the original roof and consists of asphalt shingles on plywood, supported by flat 2 x 4 wood sleepers, supported by the original steel channels and steel roof trusses. Deterioration of the shingles over the last 50 years has resulted in roof leaks leading to severe rot damage of the plywood roof sheathing and 2x4 sleepers, resulting in large areas of the roof to be open allowing rain to enter the building. Potential failure of roof components due to the observed rot is cautioned, including failure during a wind event resulting in airborne roofing components causing a potential public safety issue on and off the site.

Per §124-13 of the Nantucket General Bylaws," Minimum maintenance of buildings and structures, sub-part C, "In cases where deterioration has already progressed to an advanced stage, and where immediate removal is requested by the owner, the standard for razing in St. 1970, c. 395, §6 shall apply". It is my professional opinion that structural deterioration at 10 New Whale

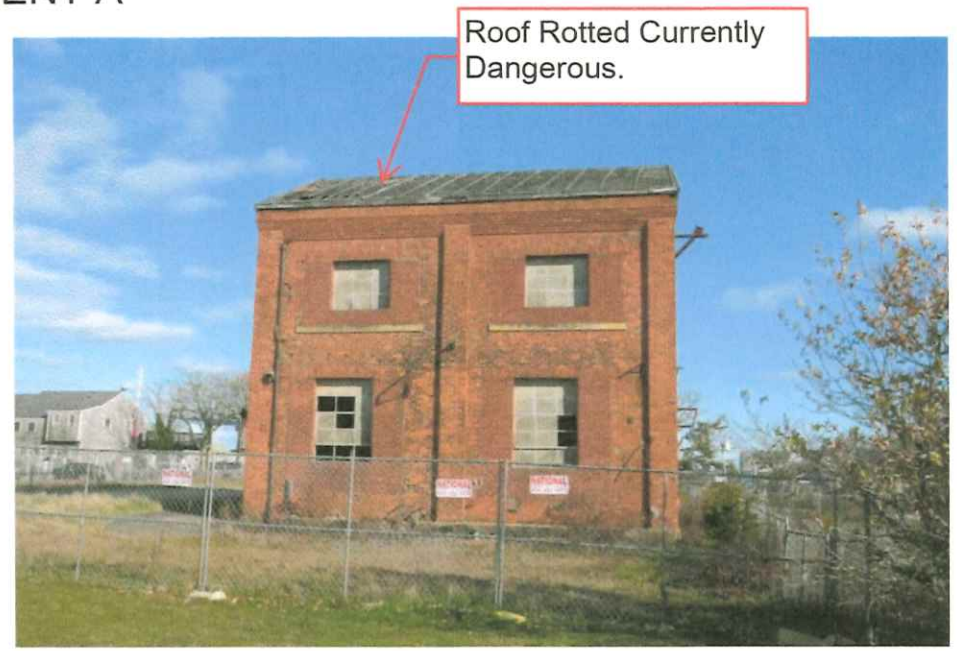
Street has progressed to an advanced stage and has most likely been at an advanced stage for many years. Any structural repairs attempted to this building, due to the current deteriorated condition of the brick walls and roof components, would be unsafe in my opinion. The extent of repairs would involve the demolition and rebuilding of such a large percentage of the building that the repair is infeasible.

Conclusion

The building was constructed using a type of brick that deteriorated over time with normal weathering, exacerbated by the location close to the harbor receiving strong winds and rain from coastal storms. Deterioration of the brick used in the building started from the moment the building was constructed and in my opinion the building should have been razed approximately 30 years ago. Based on my inspection of the building as detailed above, it is my professional opinion that this building is structurally unsound and is not suitable for rehabilitation. Further, it is my professional opinion that due to the current poor structural condition of the walls and roof of the building, the building is currently a public safety concern.

Please call if you have any questions.

Very Truly Yours,



Peter M. Reynolds, P.E.
President

ARTICLE IV
Certificates of Appropriateness, Etc.
[Adopted 4-13-1998 ATM by Art. 49, approved 7-31-1998]

§ 124-8. Construction conditioned on approval.

Pursuant to Section 9(g) of the Nantucket Historic District Act (Chapter 395, Acts of 1970, as amended, hereinafter referred to as the "HDC Act"), no building or structure shall be constructed or altered within the Nantucket Historic District as defined in Section 4 of the HDC Act in any way that affects its exterior architectural features, unless and until either:

A. An application for a building permit shall first have been approved as to exterior architectural features, which approval shall be evidenced by a certificate of appropriateness issued by the Nantucket Historic District Commission; or

B. The Commission first issues a certificate of nonapplicability with respect to such alteration or construction.

§ 124-9. Permit for razing required.

Pursuant to Section 9(g) of the HDC Act, no building or structure within the Historic Nantucket District shall be razed without first obtaining a permit approved by the Nantucket Historic District Commission.

§ 124-10. Applicability of Act.

For the purposes of this Article IV, "exterior architectural features" shall have the same meaning as defined in Section 2A of the HDC Act. The "Nantucket Historic District Commission" refers to the Commission created by Section 3 of said Act. The procedures for obtaining a certificate of appropriateness, a certificate of nonapplicability or a permit to raze are those described in the HDC Act, including Section 9 thereof.

§ 124-11. Violations and penalties.

Any violation of § 124-8 or 124-9 prohibitions shall result in a penalty of $300, which may be enforced by means of noncriminal disposition tickets pursuant to Chapter 1 of the Nantucket Code. Each day the violation continues to exist shall be considered a separate violation.

§ 124-12. Notice. [Added 4-13-1998 ATM by Art. 60, approved 7-31-1998; amended 4-12-1999 ATM by Art. 58, approved 8-10-1999; 4-8-2008 ATM by Art. 70, approved 8-18-2008]

The Historic District Commission (HDC) shall establish regulations to provide for the giving of notice to interested parties of hearings on all applications that involve new construction resulting in an overall change of 1,000 square feet or more of floor area, or 100 square feet or more of floor area in the Old Historic Districts of Town and Siasconset, as may from time to time be defined by the HDC. Such regulations shall include a provision that notice shall be given to owners of all adjoining property and other property deemed by the Commission to be materially affected thereby as they appear on the most recent real estate tax list of the Board of Assessors, and to

Downloaded from https://ecode360.com/NA0948 on 2024-10-30

such other interests as the Commission shall deem entitled to notice by adoption of rules and regulations. The Commission shall give notice of hearings in accordance with its regulations.

§ 124-13. Minimum maintenance of buildings and structures to which St. 1970, c. 395 applies. [Added 4-12-2004 ATM by Art. 55, approved 9-3-2004]

A. Owners of certain contributing buildings and structures in the Nantucket Historic District shall provide sufficient minimum maintenance as defined herein in Subsection B below, to the minimum extent necessary to keep such buildings from falling into a state of poor repair as may be identified hereinafter by the Nantucket Historic District Commission rules and regulations as contributing buildings and structures to the historic authenticity of the Nantucket Historic District. This provision shall only apply to the exterior architectural features of such contributing buildings and structures, as defined in St. 1970, c. 395, § 2A,[1] as amended, and also to the interior portions of buildings and structures which, if not adequately maintained, would cause the exterior architectural features to deteriorate or become damaged.

B. In carrying out the responsibilities set forth in § 124-13A above, owners shall therefore be responsible for taking at least the minimum steps necessary to prevent the deterioration of the following items, which would, if allowed to deteriorate, cause a detrimental effect upon the character of the Historic District as to such contributing buildings and structures as follows:

(1) Foundations, exterior walls or other vertical supports (exterior or interior);

(2) Roofs or other horizontal members (including joists, beams, etc.);

(3) Chimneys or chimney support systems.

C. In cases where deterioration has already progressed to an advanced stage, and where immediate removal is requested by the owner, the standard for razing in St. 1970, c. 395, § 6 shall apply.

D. In all cases for such contributing buildings and structures, nonstructural exterior architectural features shall be repaired. In situations where it is impractical to repair the feature, or prohibitively expensive to replace it, it shall be stored safely until such time as it is possible to recreate the feature from the original pieces at reasonable expense.

E. The Nantucket Historic District Commission upon application and after hearing, may grant a waiver from the requirements of this section upon a showing of impossibility, or financial hardship, or the occurrence of events beyond the owner's control, or such other exigent circumstances as the Commission may determine.

F. Any person violating this section shall be subject to a fine or penalty in the amount of $300, with each day to be considered as a separate violation. The enforcing person for purposes of Nantucket Code § 1-2 shall be the administrator of the Historic District Commission or his/her designee.

---

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

PLATFORM LIFT FOR ACCESSIBILITY

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Jan 2020

REQUIRED WITH ALL APPLICATIONS:

X 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

X 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

X 3. **Application Fee**: See back of application for fee schedule or call the office.

X 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

X 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

X 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

X 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

X 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

X 2. **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

X 3. **As-Built Plans (1copy):** of existing elevations

N/A 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

N/A 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

N/A 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

N/A 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

N/A 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

N/A 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

Casey,

Thank you for contacting the Nantucket Historical Association about 4 East Chestnut Street.

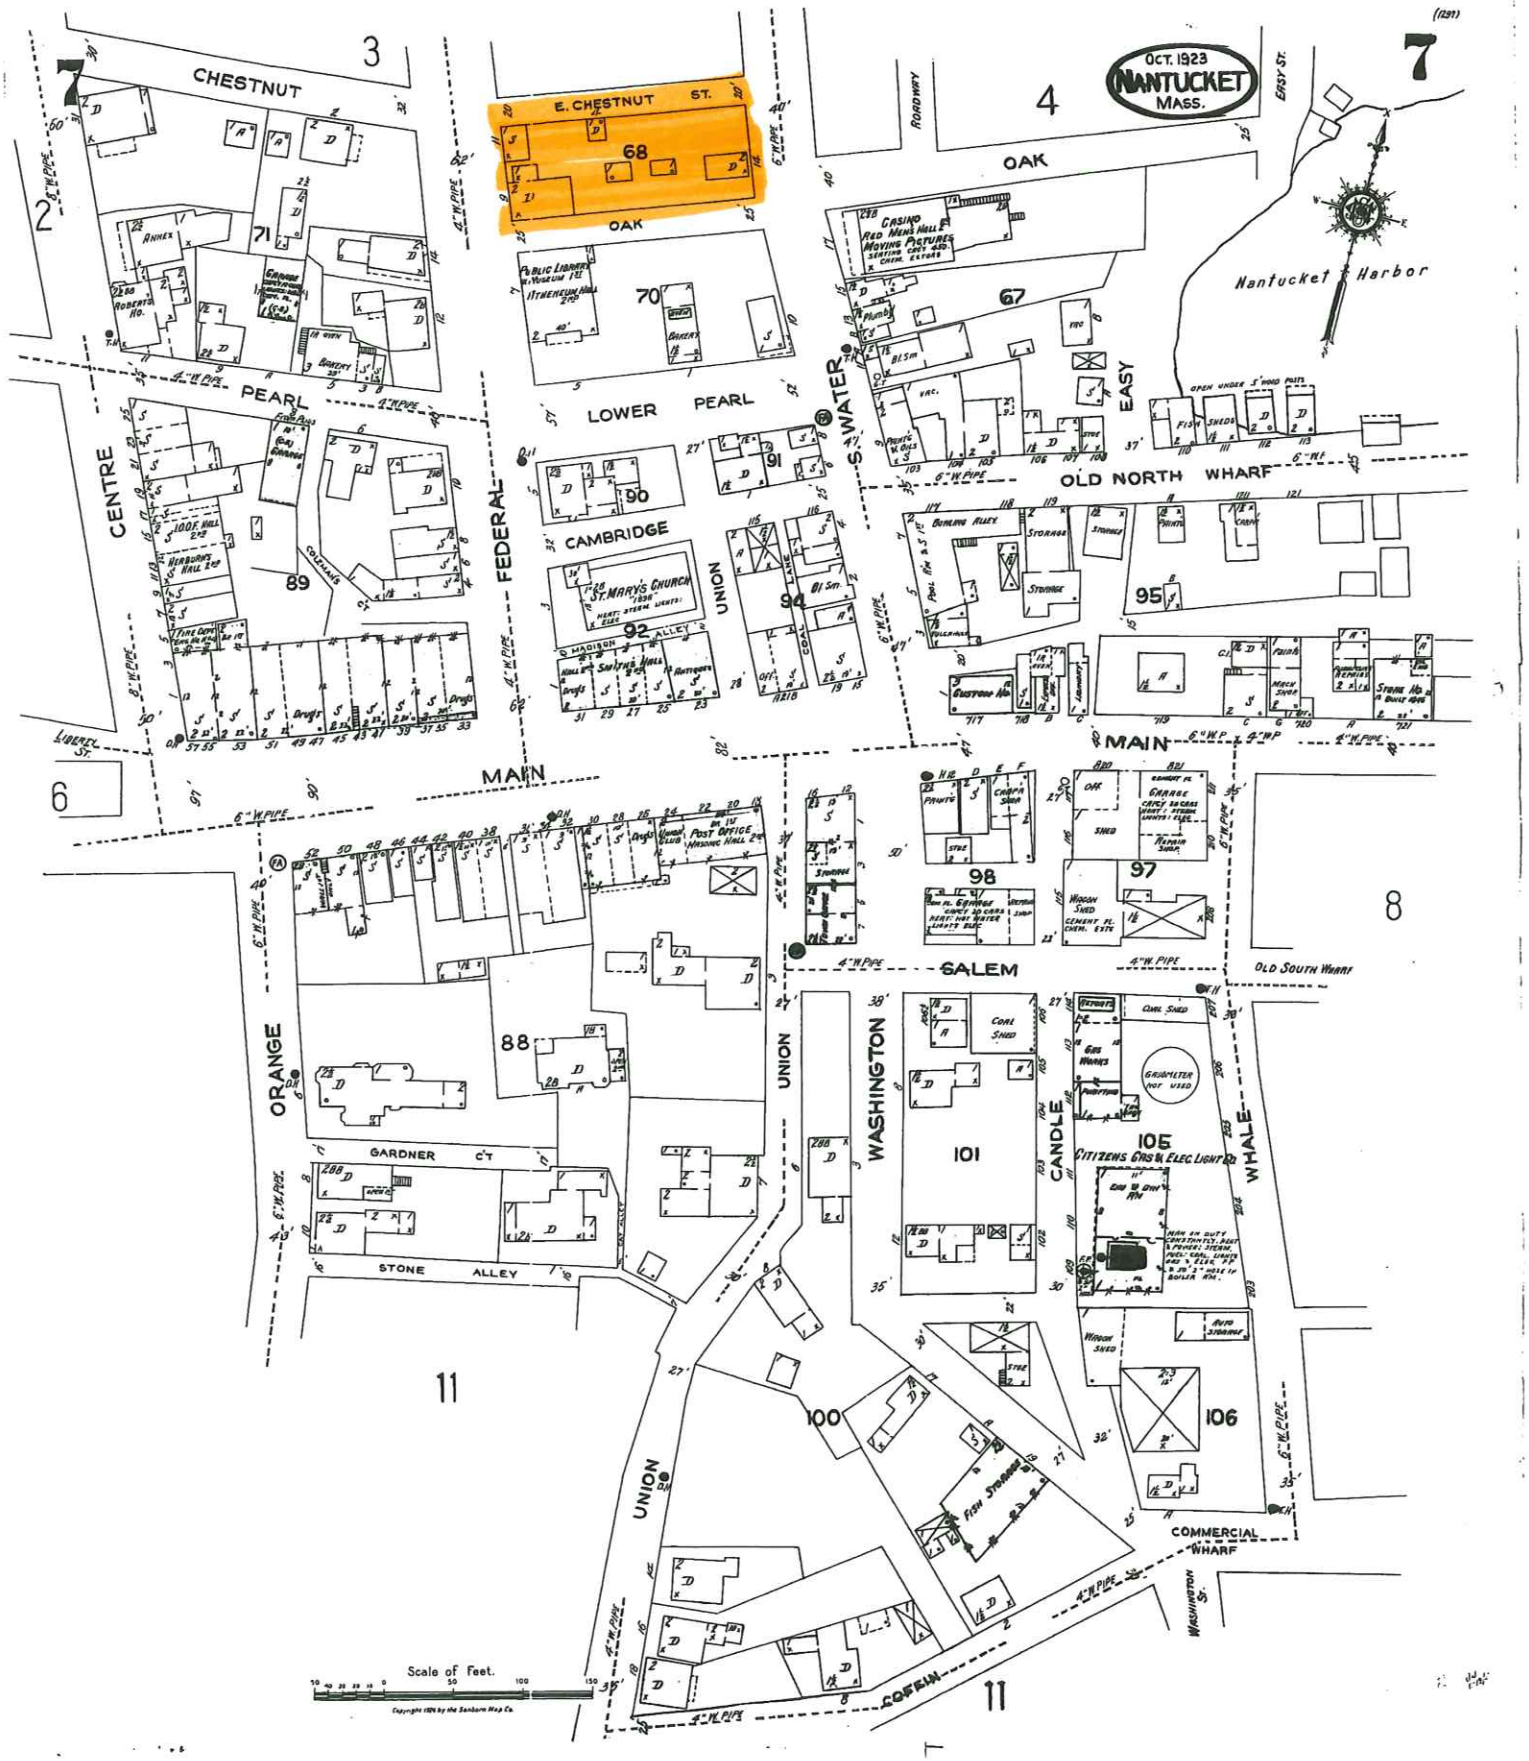
Before 1973, the street address for this property was 2 East Chestnut Street.

The building does not appear to be listed in any of the standard books on Nantucket architecture and the NHA does not appear to have much information about the history of this structure. The Preservation Institute Nantucket surveyed the buildings on East Chestnut Street in 1973 and I've attached the two survey sheets below: PIN 1973-6 and PIN 1973-6a.

Aside from aerials, I've been unable to locate any historic photographs in the NHA's collection, but the structure is represented on historic fire-insurance maps published by the Sanborn Company, 1887-1949. According to these, 4 East Chestnut Street (formerly 2 East Chestnut Street) was constructed between 1923 and 1949; see block 68 on Sheet 7 for these years.

Outside of the NHA, you might consider pulling the building's property file at the Department of Buildings, which is located at 2 Fairgrounds Road. This file will have copies of all applications and certifications, as well as copies of all material submitted in support of previous applications to the Historic District Commission.

In addition, the Nantucket Registry of Deeds holds official copies of historic land conveyance records for the property, which will help you to establish chain of title and other information.



I hope this information is helpful to your project! Do be in touch with any any additional questions.

All best,

Layla R. D'Emilia
Commissioner

IN CASE OF ACCIDENT NOTIFY (508) 820-1444 AT ONCE.
REPORT UNSAFE CONDITIONS TO BUILDING MANAGER / OWNER

524 CMR 11.00: ELEVATORS PLACED OUT OF SERVICE OR DECOMISSIONED

Section

11.01: Scope
11.02: Elevators Placed out of Service
11.03: Decommissioning
11.04: Inspection Required

11.01: Scope

524 CMR 11.00 sets minimum requirements for elevators taken out of service, decommissioned or both, and with or without intention to demolish said elevators.

11.02: Elevators Placed Out of Service

All elevators placed out of active service for a period not exceeding one year shall comply with the following:

(1) The owner or his or her agent shall notify the Office in writing, giving the date when the elevator will be placed out of service, the reason for removal from service, and the date of return to service. A current inspection certificate shall be required in accordance with M.G.L. c.143, § 65 when placing it back in service during that year.

(2) The elevator main line disconnects shall be secured in an off position with the fuses removed. The registered elevator contractor shall certify to the Office in writing that the elevator was properly placed out of service by securing the main line disconnects in an off position and removing the fuses.

(3) At the expiration of the one year period, the owner shall either decommission the elevator in accordance with 524 CMR 11.03 or file a variance application with the Board.

11.03: Decommissioning

All elevators not in operation or properly placed out of service in accordance with 524 CMR 11.02 shall be decommissioned. Decommissioning shall consist of the following, where applicable:

(1) A decommissioning permit shall be required.

(2) The car and counterweight shall be lowered to the lowest landing.

(3) All ropes removed.

(4) Main line fuses removed.

(5) Service switch opened and the cabinet sealed with a padlock.

(6) Where landing doors remain in place, the doors shall be bolted securely in the closed position from the hoistway side.

(7) When landing gates are in place, the landing openings shall be totally enclosed and strongly reinforced.
EXCEPTION: The lowest landing door shall be locked from the landing side.

(8) When a hydraulic elevator is decommissioned the oil pipe line from the hoistway to the power unit, and the oil in the tank will be removed from the premises. The supply wires shall be disconnected at the main line switch and at the power unit.

11.03: continued

(9) Any escalator which is permanently removed from service shall have the electrical power supply disconnected by removing the fuses and disconnecting the wiring on the load side of the disconnect switch. A permanent barricade shall be erected at each landing of said escalator to prevent access. Means in addition to the brake shall be employed to permanently prevent escalator movement.

11.04: Inspection Required

Following decommissioning as described in 524 CMR 11.03, the decommissioned elevator shall be inspected by a state elevator inspector to ensure that the components in the machine room and hoistway have been safely decommissioned.

REGULATORY AUTHORITY

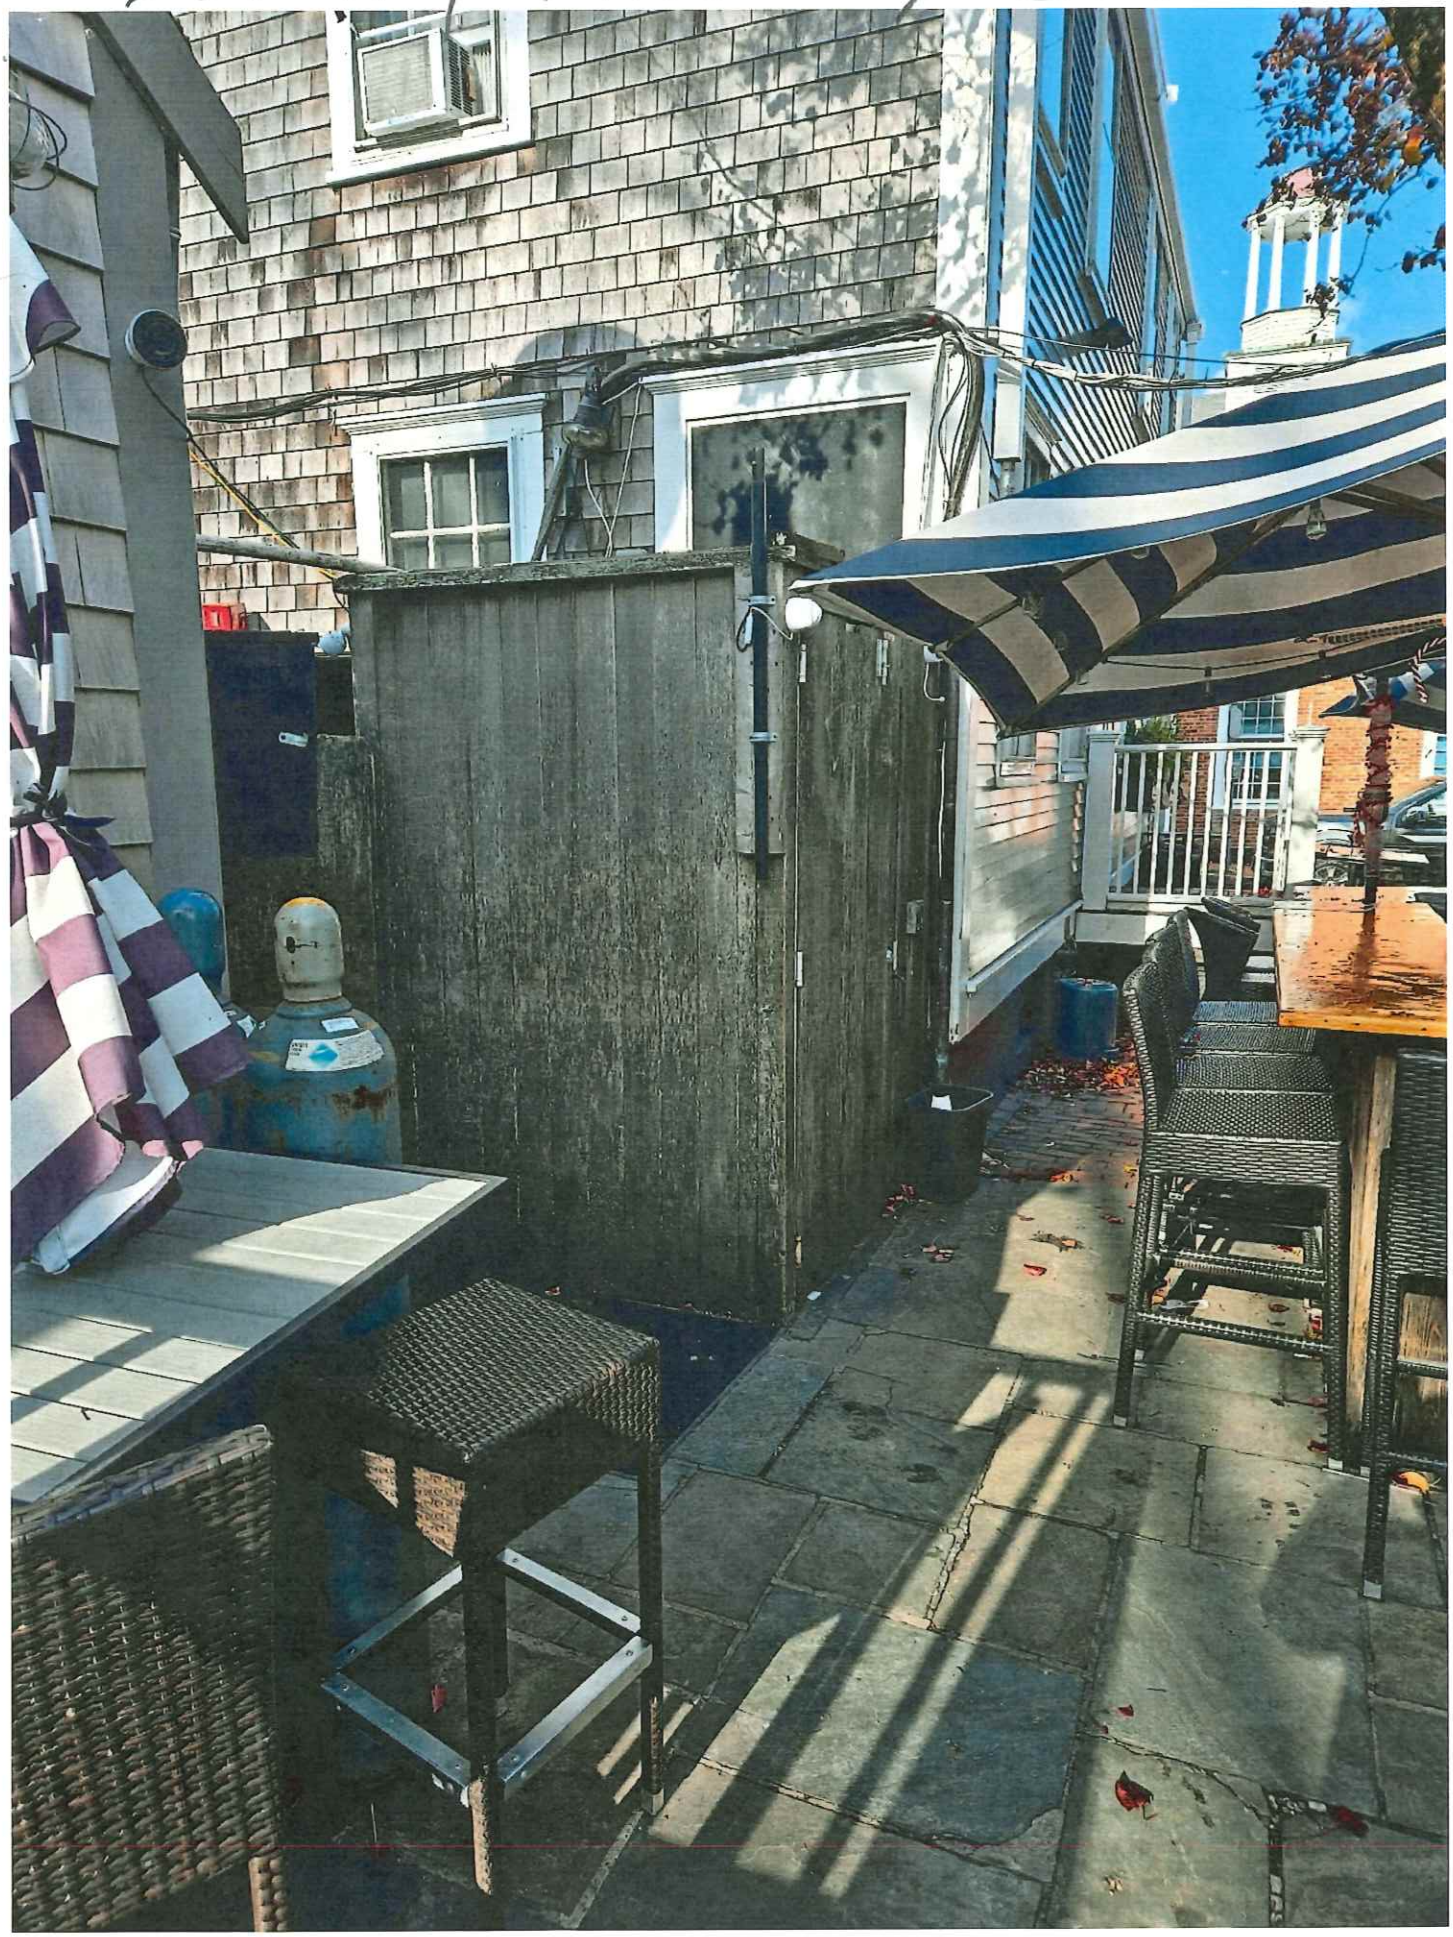
524 CMR 11.00: M.G.L. c. 143, §§ 62 through 71G.

Part I ADMINISTRATION OF THE GOVERNMENT

Title XX PUBLIC SAFETY AND GOOD ORDER

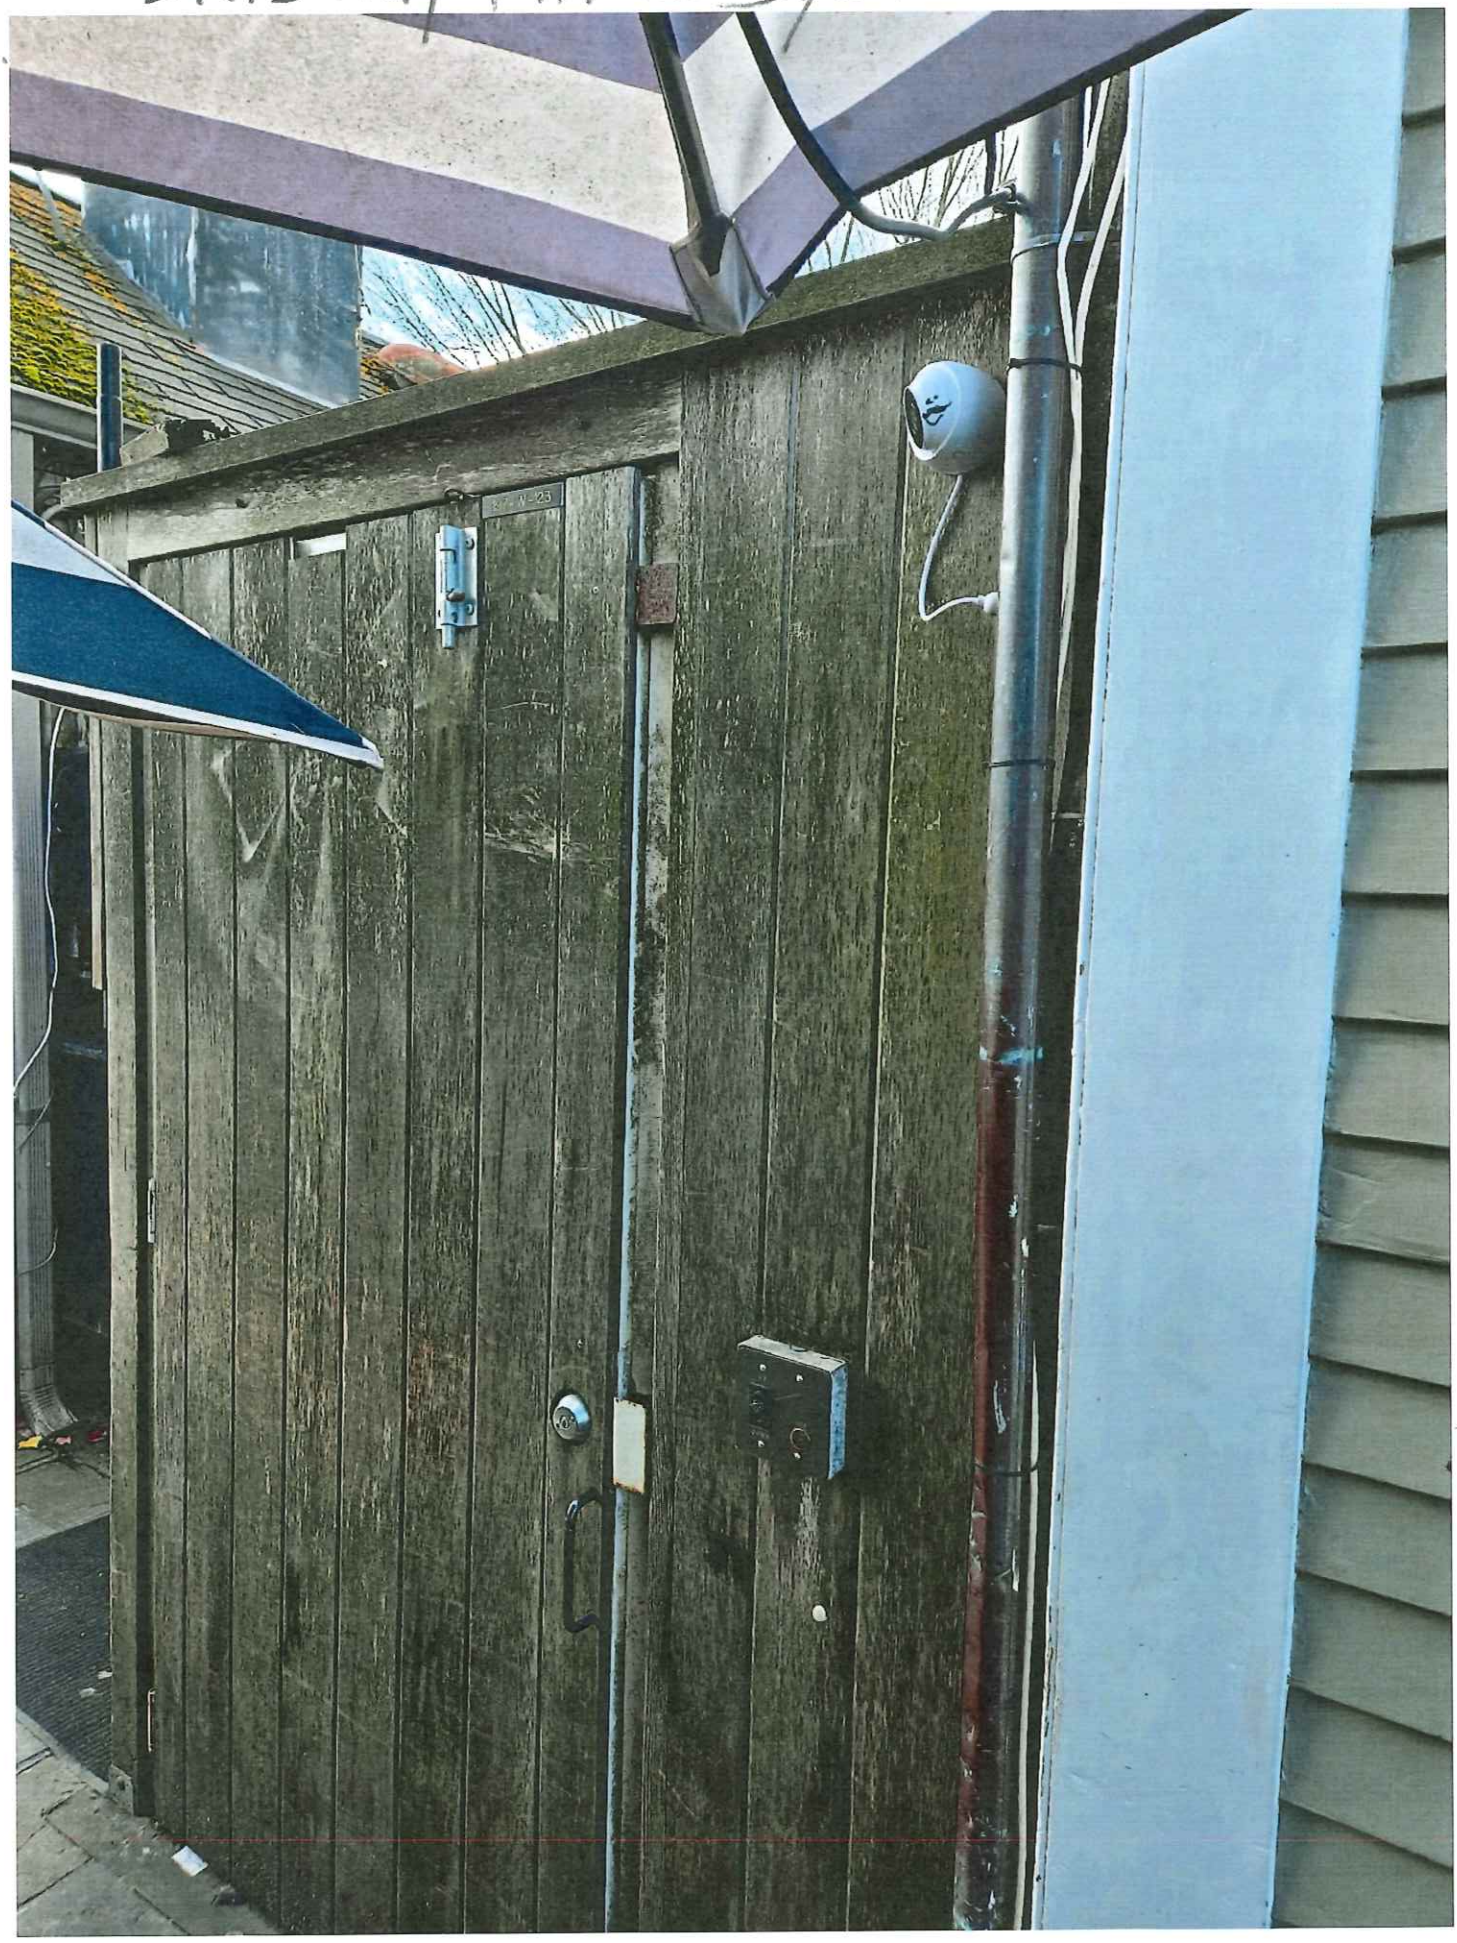
Chapter 143 INSPECTION AND REGULATION OF, AND LICENSES FOR, BUILDINGS, ELEVATORS AND CINEMATOGRAPHS

Section 65 CERTIFICATE OR NOTICE AS TO SAFETY AND CONSTRUCTION; POSTING; REMOVAL; PROHIBITION OF USE OF ELEVATOR; PENALTY FOR VIOLATIONS



Section 65. If in the judgment of an inspector assigned by the commissioner that an elevator is safe, and if the elevator has been constructed in the manner required by law or by the regulations of the board of elevator regulations or the state building code, the inspector shall issue a certificate to that effect to the owner of the elevator or to the person in charge thereof, who shall post the certificate in a conspicuous place in or near the cab or car of such elevator. If such elevator is judged unsafe, the inspector shall immediately post conspicuously upon the entrance or door of the cab or car of such elevator, or upon the elevator, a notice of its dangerous condition, and shall prohibit the use of the elevator until it has been made safe to his satisfaction; provided, however, that said inspector shall also immediately notify the chief executive of the city or town wherein such unsafe condition exists. No person shall remove such notice or operate such elevator until the inspector has issued his certificate as aforesaid.

No elevator licensed under this chapter shall be operated without a valid inspection certificate. If a certificate has expired, no new certificate shall be issued until a new inspection has been completed and no elevator shall be operated until a new certificate has been issued by a qualified state inspector. The owner or operator of an elevator who fails to comply with this section shall be punished by a fine of $100 for each day that an elevator is in operation without a valid certificate. The commissioner or the commissioner's designee may waive all or a portion of the $100 per day fine and may promulgate rules and regulations establishing criteria used to determine whether the fine may be waived. For the purposes of this section, an elevator shall be deemed to be in operation unless it has been placed out of service or decommissioned in accordance with procedures approved by the board. Fines shall stop accruing on the date on which the owner or operator has, in writing or in any manner prescribed by the division, requested an inspection of the elevator by the division. For any dumbwaiter, limited use elevator or limited application elevator, as defined in section 71E, or a wheelchair lift that has a travel distance of 25 feet or less and is located in an owner-occupied single family residence in accordance with section 64, the maximum fine shall be $5,000. For all other units, the maximum fine shall be $20,000. The commissioner or the commissioner's designee, or any other person that the commissioner may specifically authorize, may issue a written notice of violation under section 22 of chapter 22 for a violation of this section.



The commissioner may assess a fee for appeals filed under this section which shall be determined by the secretary of administration and finance under section 3B of chapter 7.

Upon application for annual inspection, owners shall provide to the division a current mailing address for the location of the unit.

ENTRANCE OPTION.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

HDC1025-01-11904

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form:** Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

✓ 3. **Application Fee**: See back of application for fee schedule or call the office.

✓ 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

____ 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

____ 2. **Exterior Elevations and Floor Plans (3 copies):** Must be ¼ inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

____ 3. **As-Built Plans (1 copy):** of existing elevations

____ 4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

____ 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

____ 6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

(initial to indicate read and understand)

____ 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

____ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

____ 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

Waiver of the HDC 10 Day Hearing Requirement

I Georgi Dimov

AS AGENT FOR ACK Beach LLC

STREET ADDRESS 3 Miles court

MAP/PARCEL 68 / 187.1

UNDERSTAND THAT THE ABOVE REFERENCED APPLICATION SUBMITTED ON

12/23/25

WILL NOT BE REVIEWED BY THE HISTORIC DISTRICT COMMISSION, DUE INCREASE DEMAND, WITHIN THE 10 DAY PERIOD AS REQUIRED BY:

SECTION 8 of the HDC enabling legislation: ... The Commission shall meet within ten (10) days of the receipt of an application for a certificate of appropriateness or permit for removal...

AND I AGREE TO A WAIVER OF THE ABOVE MENTIONED REQUIREMENT.

Signature

1/23/25
Date

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NEW PV SYSTEM: 12.470 kWp

DIMOV RESIDENCE

3 MILES COURT, NANTUCKET, MA 02554

ASSESSOR'S #: 68_187_2

GENERAL NOTES

1.1.1 PROJECT NOTES:

1.1.2 THIS PHOTOVOLTAIC (PV) SYSTEM SHALL COMPLY WITH THE NATIONAL ELECTRIC CODE (NEC) ARTICLE 690, ALL MANUFACTURERS'S LISTING AND INSTALLATION INSTRUCTIONS, AND THE RELEVANT CODES AS SPECIFIED BY THE AUTHORITY HAVING JURISDICTION'S (AHJ) APPLICABLE CODES.

1.1.3 THE UTILITY INTERCONNECTION APPLICATION MUST BE APPROVED AND PV SYSTEM INSPECTED PRIOR TO PARALLEL OPERATION

1.1.4 ALL PV SYSTEM COMPONENTS; MODULES, UTILITY-INTERACTIVE INVERTERS, AND SOURCE CIRCUIT COMBINER BOXES ARE IDENTIFIED AND LISTED FOR USE IN PHOTOVOLTAIC SYSTEMS AS REQUIRED BY NEC 690.4: PV MODULES: UL1703, IEC61730, AND IEC61215, AND NFPA 70 CLASS C FIRE INVERTERS: UL 1741 CERTIFIED, IEEE 1547, 929, 519 COMBINER BOX(ES): UL 1703 OR UL 1741 ACCESSORY

1.1.5 MAX DC VOLTAGE CALCULATED USING MANUFACTURER PROVIDED TEMP COEFFICIENT FOR VOC. IF UNAVAILABLE, MAX DC VOLTAGE CALCULATED ACCORDING TO NEC 690.7.

1.1.6 ALL INVERTERS, PHOTOVOLTAIC MODULES, PHOTOVOLTAIC PANELS, AND SOURCE CIRCUIT COMBINERS INTENDED FOR USE IN A PHOTOVOLTAIC POWER SYSTEM WILL BE IDENTIFIED AND LISTED FOR THE APPLICATION PER 690.4 (D). SHALL BE INSTALLED ACCORDING TO ANY INSTRUCTIONS FROM LISTING OR LABELING [NEC 110.3].

1.1.7 ALL SIGNAGE TO BE PLACED IN ACCORDANCE WITH LOCAL BUILDING CODE. IF EXPOSED TO SUNLIGHT, IT SHALL BE UV RESISTANT. ALL PLAQUES AND SIGNAGE WILL BE INSTALLED AS REQUIRED BY THE NEC AND AHJ.

1.2.1 SCOPE OF WORK:

1.2.2 PRIME CONTRACTOR IS RESPONSIBLE FOR THE DESIGN AND SPECIFICATIONS OF THE GRID-TIED PHOTOVOLTAIC SYSTEM RETROFIT. PRIME CONTRACTOR WILL BE RESPONSIBLE FOR COLLECTING EXISTING ONSITE REQUIREMENTS TO DESIGN, SPECIFY, AND INSTALL THE EXTERIOR ROOF-MOUNTED PORTION OF THE PHOTOVOLTAIC SYSTEMS DETAILED IN THIS DOCUMENT.

1.3.1 WORK INCLUDES:

1.3.2 PV ROOF ATTACHMENTS - RESCOM RAPIDRAIL

1.3.3 PV RACKING SYSTEM INSTALLATION - RESCOM RAPIDRAIL

1.3.4 PV MODULE AND INVERTER INSTALLATION - TRINA SOLAR TSM-430NE09RC.05 / GROWATT MIN 8200TL-XH-US

1.3.5 PV EQUIPMENT GROUNDING

1.3.6 PV SYSTEM WIRING TO A ROOF-MOUNTED JUNCTION BOX

1.3.7 PV LOAD CENTERS (IF INCLUDED)

1.3.8 PV METERING/MONITORING (IF INCLUDED)

1.3.9 PV DISCONNECTS

1.3.10 PV FINAL COMMISSIONING

1.3.11 (E) ELECTRICAL EQUIPMENT RETROFIT FOR PV

1.3.12 SIGNAGE PLACED IN ACCORDANCE WITH LOCAL BUILDING CODE

DESIGN BY: E.K.

CHECKED BY: M.M.

REVISIONS

T-001.00

2.1.1 SITE NOTES:

2.1.2 A LADDER WILL BE IN PLACE FOR INSPECTION IN COMPLIANCE WITH OSHA REGULATIONS.

2.1.3 THE PV MODULES ARE CONSIDERED NON-COMBUSTIBLE AND THIS SYSTEM IS A UTILITY INTERACTIVE SYSTEM WITH NO STORAGE BATTERIES.

2.1.4 THE SOLAR PV INSTALLATION WILL NOT OBSTRUCT ANY PLUMBING, MECHANICAL, OR BUILDING ROOF VENTS.

2.1.5 PROPER ACCESS AND WORKING CLEARANCE AROUND EXISTING AND PROPOSED ELECTRICAL EQUIPMENT WILL BE PROVIDED AS PER SECTION NEC 110.26.

2.1.6 ROOF COVERINGS SHALL BE DESIGNED, INSTALLED, AND MAINTAINED IN ACCORDANCE WITH THIS CODE AND THE APPROVED MANUFACTURER'S INSTRUCTIONS SUCH THAT THE ROOF COVERING SERVES TO PROTECT THE BUILDING OR STRUCTURE.

2.2.1 EQUIPMENT LOCATIONS

2.2.2 ALL EQUIPMENT SHALL MEET MINIMUM SETBACKS AS REQUIRED BY NEC 110.26.

2.2.3 WIRING SYSTEMS INSTALLED IN DIRECT SUNLIGHT MUST BE RATED FOR EXPECTED OPERATING TEMPERATURE AS SPECIFIED BY NEC 690.31 (A),(C) AND NEC TABLE 310.15 (B)(1).

2.2.4 JUNCTION AND PULL BOXES PERMITTED INSTALLED UNDER PV MODULES ACCORDING TO NEC 690.34.

2.2.5 ADDITIONAL AC DISCONNECT(S) SHALL BE PROVIDED WHERE THE INVERTER IS NOT WITHIN SIGHT OF THE AC SERVICING DISCONNECT.

2.2.6 ALL EQUIPMENT SHALL BE INSTALLED ACCESSIBLE TO QUALIFIED PERSONNEL ACCORDING TO NEC APPLICABLE CODES.

2.2.7 ALL COMPONENTS ARE LISTED FOR THEIR PURPOSE AND RATED FOR OUTDOOR USAGE WHEN APPROPRIATE.

2.3.1 STRUCTURAL NOTES:

2.3.2 RACKING SYSTEM & PV ARRAY WILL BE INSTALLED ACCORDING TO CODE-COMPLIANT INSTALLATION MANUAL. TOP CLAMPS REQUIRE A DESIGNATED SPACE BETWEEN MODULES, AND RAILS MUST ALSO EXTEND A MINIMUM DISTANCE BEYOND EITHER EDGE OF THE ARRAY/SUBARRAY, ACCORDING TO RAIL MANUFACTURER'S INSTRUCTIONS.

2.3.3 JUNCTION BOX WILL BE INSTALLED PER MANUFACTURERS' SPECIFICATIONS. IF ROOF-PENETRATING TYPE, IT SHALL BE FLASHED & SEALED PER LOCAL REQUIREMENTS.

2.3.4 ROOFTOP PENETRATIONS FOR PV RACEWAY WILL BE COMPLETED AND SEALED W/ APPROVED CHEMICAL SEALANT PER CODE BY A LICENSED CONTRACTOR.

2.3.5 ALL PV RELATED ROOF ATTACHMENTS TO BE SPACED NO GREATER THAN THE SPAN DISTANCE SPECIFIED BY THE RACKING MANUFACTURER.

2.3.6 WHEN POSSIBLE, ALL PV RELATED RACKING ATTACHMENTS WILL BE STAGGERED AMONGST THE ROOF FRAMING MEMBERS.

2.4.1 GROUNDING NOTES:

2.4.2 GROUNDING SYSTEM COMPONENTS SHALL BE LISTED FOR THEIR PURPOSE, AND GROUNDING DEVICES EXPOSED TO THE ELEMENTS SHALL BE RATED FOR SUCH USE.

2.4.3 PV SYSTEMS REQUIRE AN EQUIPMENT GROUNDING CONDUCTOR. ALL METAL ELECTRICAL EQUIPMENT AND STRUCTURAL COMPONENTS BONDED TO GROUND, IN ACCORDANCE WITH 250.134 OR 250.136(A). ONLY THE DC CONDUCTORS ARE UNGROUNDED.

2.4.4 PV EQUIPMENT SHALL BE GROUNDED ACCORDING TO NEC 690.43 AND MINIMUM NEC TABLE 250.122.

2.4.5 METAL PARTS OF MODULE FRAMES, MODULE RACKING, AND ENCLOSURE CONSIDERED GROUNDED IN ACCORD WITH 250.134 AND 250.136(A).

2.4.6 EACH MODULE WILL BE GROUNDED USING WEEB GROUNDING CLIPS AS SHOWN IN MANUFACTURER DOCUMENTATION AND APPROVED BY THE AHJ. IF WEEBS ARE NOT USED, MODULE GROUNDING LUGS MUST BE INSTALLED AT THE SPECIFIED GROUNDING LUG HOLES PER THE MANUFACTURERS' INSTALLATION REQUIREMENTS.

2.4.7 THE GROUNDING CONNECTION TO A MODULE SHALL BE ARRANGED SUCH THAT THE REMOVAL OF A MODULE DOES NOT INTERRUPT A GROUNDING CONDUCTOR TO ANOTHER MODULE.

2.4.8 GROUNDING AND BONDING CONDUCTORS, IF INSULATED, SHALL BE COLORED GREEN OR MARKED GREEN IF #4 AWG OR LARGER [NEC 250.119]

2.4.9 THE GROUNDING ELECTRODE SYSTEM COMPLIES WITH NEC 690.47 AND NEC 250.50 THROUGH 250.106. IF EXISTING SYSTEM IS INACCESSIBLE, OR INADEQUATE, A GROUNDING ELECTRODE SYSTEM PROVIDED ACCORDING TO NEC 250, NEC 690.47 AND AHJ.

2.4.10 DC PV ARRAYS SHALL BE PROVIDED WITH DC GROUND-FAULT PROTECTION MEETING THE REQUIREMENTS OF 690.41(B)(1) THROUGH (3) TO REDUCE FIRE HAZARDS

2.5.1 INTERCONNECTION NOTES:

2.5.2 LOAD-SIDE INTERCONNECTION SHALL BE IN ACCORDANCE WITH [NEC 705.12]

2.5.3 THE SUM OF 125 PERCENT OF THE POWER SOURCE(S) OUTPUT CIRCUIT CURRENT AND THE RATING OF THE OVERCURRENT DEVICE PROTECTING THE BUSBAR SHALL NOT EXCEED 120 PERCENT OF THE AMPACITY OF THE BUSBAR, PV DEDICATED BACKFEED BREAKERS MUST BE LOCATED OPPOSITE END OF THE BUS FROM THE UTILITY SOURCE OCPD [NEC 705.12(B)(3)(2)].

2.5.4 AT MULTIPLE ELECTRIC POWER SOURCES OUTPUT COMBINER PANEL, TOTAL RATING OF ALL OVERCURRENT DEVICES SHALL NOT EXCEED AMPACITY OF BUSBAR. HOWEVER, THE COMBINED OVERCURRENT DEVICE MAY BE EXCLUDED ACCORDING TO NEC 705.12 (B)(3)(3).

2.5.5 FEEDER TAP INTERCONNECTION (LOAD SIDE) ACCORDING TO NEC 705.12 (B)(1) AND (2)

2.5.6 SUPPLY SIDE TAP INTERCONNECTION ACCORDING TO NEC 705.11 WITH SERVICE ENTRANCE CONDUCTORS IN ACCORDANCE WITH NEC 230.42

2.5.7 BACKFEEDING BREAKER FOR ELECTRIC POWER SOURCES OUTPUT IS EXEMPT FROM ADDITIONAL FASTENING [NEC 705.12 (E)].

2.6.1 DISCONNECTION AND OVER-CURRENT PROTECTION NOTES:

2.6.2 DISCONNECTING SWITCHES SHALL BE WIRED SUCH THAT WHEN THE SWITCH IS OPENED THE CONDUCTORS REMAINING ENERGIZED ARE CONNECTED TO THE TERMINALS MARKED "LINE SIDE" (TYPICALLY THE UPPER TERMINALS).

2.6.3 DISCONNECTS TO BE ACCESSIBLE TO QUALIFIED UTILITY PERSONNEL, BE LOCKABLE, AND BE A VISIBLE-BREAK SWITCH.

2.6.4 BOTH POSITIVE AND NEGATIVE PV CONDUCTORS ARE UNGROUNDED. THEREFORE BOTH MUST OPEN WHERE A DISCONNECT IS REQUIRED, ACCORDING TO NEC 690.13.

2.6.5 ISOLATING DEVICES OR EQUIPMENT DISCONNECTING MEANS SHALL BE INSTALLED IN CIRCUITS CONNECTED TO EQUIPMENT AT A LOCATION WITHIN THE EQUIPMENT, OR WITHIN SIGHT AND WITHIN 10 FT. OF THE EQUIPMENT. AN EQUIPMENT DISCONNECTING MEANS SHALL BE PERMITTED TO BE REMOTE FROM THE EQUIPMENT WHERE THE EQUIPMENT DISCONNECTING MEANS CAN BE REMOTELY OPERATED FROM WITHIN 10 FT. OF THE EQUIPMENT, ACCORDING TO NEC 690.15 (A).

2.6.6 PV SYSTEM CIRCUITS INSTALLED ON OR IN BUILDINGS SHALL INCLUDE A RAPID SHUTDOWN FUNCTION TO REDUCE SHOCK HAZARD FOR EMERGENCY RESPONDERS IN ACCORDANCE WITH 690.12(A) THROUGH (D)

2.6.7 ALL OCPD RATINGS AND TYPES SPECIFIED ACCORDING TO NEC 690.8, 690.9, AND 240.

2.6.8 BOTH POSITIVE AND NEGATIVE PV CONDUCTORS ARE UNGROUNDED, THEREFORE BOTH REQUIRE OVER-CURRENT PROTECTION, ACCORDING TO NEC 240.21. (SEE EXCEPTION IN NEC 690.9)

2.6.9 IF REQUIRED BY AHJ, SYSTEM WILL INCLUDE ARC-FAULT CIRCUIT PROTECTION ACCORDING TO NEC 690.11 AND UL1699B.

2.7.1 WIRING & CONDUIT NOTES:

2.7.2 ALL CONDUIT AND WIRE WILL BE LISTED AND APPROVED FOR THEIR PURPOSE. CONDUIT AND WIRE SPECIFICATIONS ARE BASED ON MINIMUM CODE REQUIREMENTS AND ARE NOT MEANT TO LIMIT UP-SIZING.

2.7.3 ALL CONDUCTORS SIZED ACCORDING TO NEC 690.8, NEC 690.7.

2.7.4 EXPOSED PV SOURCE CIRCUITS AND OUTPUT CIRCUITS SHALL USE WIRE LISTED AND IDENTIFIED AS PHOTOVOLTAIC (PV) WIRE [690.31 (C)]. PV MODULES WIRE LEADS SHALL BE LISTED FOR USE ON PV ARRAYS, ACCORDING TO NEC 690.31 (A).

2.7.5 PV WIRE BLACK WIRE MAY BE FIELD-MARKED WHITE [NEC 200.6 (A)(5)].

2.7.6 MODULE WIRING SHALL BE LOCATED AND SECURED UNDER THE ARRAY.

2.7.7 ACCORDING TO NEC 200.7, UNGROUNDED SYSTEMS DC CONDUCTORS COLORED OR MARKED AS FOLLOWS:

DC POSITIVE- RED, OR OTHER COLOR EXCLUDING WHITE, GRAY AND GREEN

DC NEGATIVE- BLACK, OR OTHER COLOR EXCLUDING WHITE, GRAY AND GREEN

2.7.8 AC CONDUCTORS COLORED OR MARKED AS FOLLOWS:

PHASE A OR L1- BLACK

PHASE B OR L2- RED, OR OTHER CONVENTION IF THREE PHASE

PHASE C OR L3- BLUE, YELLOW, ORANGE*, OR OTHER CONVENTION

NEUTRAL- WHITE OR GRAY

* IN 4-WIRE DELTA CONNECTED SYSTEMS THE PHASE WITH HIGHER VOLTAGE TO BE MARKED ORANGE [NEC 110.15].

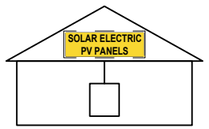
LABELING NOTES
1.1 LABELING REQUIREMENTS BASED ON THE 2023 NATIONAL ELECTRICAL CODE, INTERNATIONAL FIRE CODE 608.12, OSHA STANDARD 1910.145, ANSI Z535
1.2 MATERIAL BASED ON THE REQUIREMENTS OF THE AUTHORITY HAVING JURISDICTION.
1.3 LABELS TO BE OF SUFFICIENT DURABILITY TO WITHSTAND THE ENVIRONMENT INVOLVED.
1.4 LABELS TO BE A MINIMUM LETTER HEIGHT OF 3/8" AND PERMANENTLY AFFIXED.
1.5 ALERTING WORDS TO BE COLOR CODED. "DANGER" WILL HAVE RED BACKGROUND; "WARNING" WILL HAVE ORANGE BACKGROUND; "CAUTION" WILL HAVE YELLOW BACKGROUND. [ANSI Z535]
1.6 ALL SIGNAGE MUST BE PERMANENTLY ATTACHED AND BE WEATHER RESISTANT/SUNLIGHT RESISTANT AND CANNOT BE HAND-WRITTEN PER NEC 110.21(B)



⚠ WARNING
ELECTRICAL SHOCK HAZARD
TERMINALS ON THE LINE AND LOAD SIDES MAY BE ENERGIZED IN THE OPEN POSITION

LABEL 1
AT EACH DISCONNECTING MEANS FOR PHOTOVOLTAIC EQUIPMENT (2" X 4").
[NEC 690.13].

⚠ WARNING
POWER SOURCE OUTPUT CONNECTION
DO NOT RELOCATE THIS OVERCURRENT DEVICE

LABEL 2
AT POINT OF INTERCONNECTION OVERCURRENT DEVICE (2" X 4").
[NEC 705.12(B)(3)(2)].

SOLAR PV SYSTEM EQUIPPED WITH RAPID SHUTDOWN

TURN RAPID SHUTDOWN SWITCH TO THE "OFF" POSITION TO SHUT DOWN PV SYSTEM AND REDUCE SHOCK HAZARD IN ARRAY

LABEL 3
AT RAPID SHUTDOWN SYSTEM (3 3/4" X 5 1/4"). [NEC 690.56(C)(1)(A)].

PHOTOVOLTAIC POWER SOURCE

LABEL 4
AT EXPOSED RACEWAYS, CABLE TRAYS, AND OTHER WIRING METHODS; SPACED AT MAXIMUM 10 FT SECTION OR WHERE SEPARATED BY ENCLOSURES, WALLS, PARTITIONS, CEILINGS, OR FLOORS (5 3/4" X 1 1/8").
[NEC 690.31(G)]

RAPID SHUTDOWN SWITCH FOR SOLAR PV SYSTEM

LABEL 5
AT RAPID SHUTDOWN DISCONNECT SWITCH (5 1/4" X 2").
[NEC 690.56(C)(3)].

⚠ CAUTION
MULTIPLE SOURCES OF POWER

LABEL 6
AT UTILITY METER (5 3/4" X 1 1/8")
[NEC 690.56(B)]

⚠ WARNING
DUAL POWER SUPPLY
SOURCES: UTILITY GRID AND PV SOLAR ELECTRIC SYSTEM

LABEL 7
AT POINT OF INTERCONNECTION (2 3/4" X 1 5/8").
[NEC 705.12(B)(3)]

⚠ WARNING
SOLAR ELECTRIC CIRCUIT BREAKER IS BACKFED

LABEL 8
AT POINT OF INTERCONNECTION (2" X 1").
[NEC 705.12(B)(3)]

INTERACTIVE PHOTOVOLTAIC SYSTEM CONNECTED
PHOTOVOLTAIC SYSTEM DISCONNECT LOCATED SOUTH SIDE OF THE HOUSE

DIRECTORY
PERMANENT PLAQUE OR DIRECTORY PROVIDING THE LOCATION OF THE SERVICE DISCONNECTING MEANS AND THE PHOTOVOLTAIC SYSTEM DISCONNECTING MEANS IF NOT IN THE SAME LOCATION (5 3/4" X 1 1/8").
[NEC 690.56(B)]

WHERE THE PV SYSTEMS ARE REMOTELY LOCATED FROM EACH OTHER, A DIRECTORY IN ACCORDANCE WITH 705.10 SHALL BE PROVIDED AT EACH PV SYSTEM DISCONNECTING MEANS.
PV SYSTEM EQUIPMENT AND DISCONNECTING MEANS SHALL NOT BE INSTALLED IN BATHROOMS
[NEC 690.4(D),(E)]

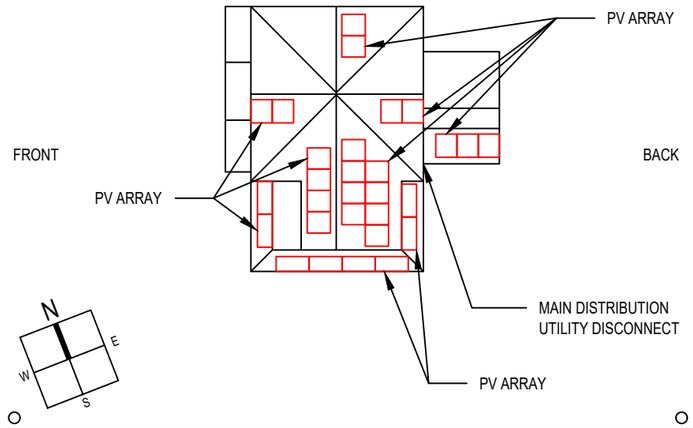
PHOTOVOLTAIC SOLAR AC DISCONNECT

LABEL 9
AT EACH AC DISCONNECTING MEANS (4" X 1").
[NEC 690.13(B)].

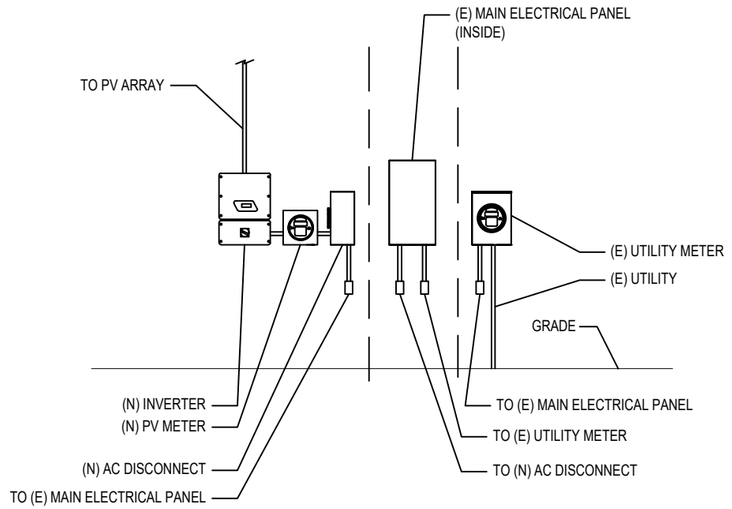
PHOTOVOLTAIC SOLAR DC DISCONNECT

LABEL 10
AT EACH DC DISCONNECTING MEANS (4" X 1").
[NEC 690.13(B)].

DIRECT CURRENT PHOTOVOLTAIC POWER SOURCE
MAXIMUM VOLTAGE 569 VDC
MAX CIRCUIT CURRENT 10.5 AMPS



LABEL 12
AT EACH DC DISCONNECTING MEANS (3" X 4").
[NEC 690.53].



AC DISCONNECT
PHOTOVOLTAIC SYSTEM POWER SOURCE
RATED AC OUTPUT CURRENT 35 AMPS
NOMINAL OPERATING AC VOLTAGE 240 VOLTS

LABEL 11
AT POINT OF INTERCONNECTION, MARKED AT DISCONNECTING MEANS (4" X 2").
[NEC 690.54]

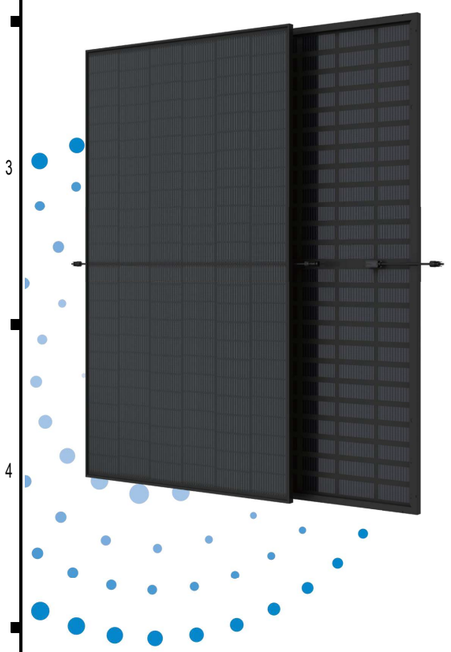
S-501.00

Vertex S+

BACKSHEET MONOCRYSTALLINE MODULE



PRODUCT: TSM-NE09RC.05

PRODUCT RANGE: 400-430W

430W
MAXIMUM POWER OUTPUT

0~+5W
POSITIVE POWER TOLERANCE

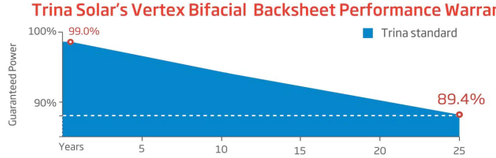
21.5%
MAXIMUM EFFICIENCY

Small in size, bigger on power

- Up to 430W, 21.5% module efficiency with high density interconnect technology
- Reduce installation cost with higher power bin and efficiency
- Boost performance in warm weather with low temperature coefficient and operating temperature

High Reliability

- Innovative non-destructive cutting for improved mechanical resistance and strength
- Excellent fire rating, weather resistance, salt spray, sand dust, ammonia performance which is fully applicable in coastal, high temperature, humidity area and harsh environment



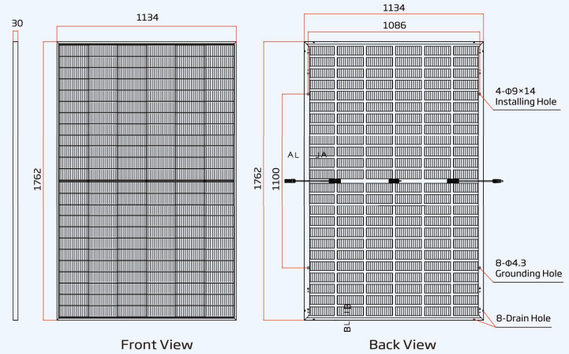
Ultra-low Degradation, longer warranty, higher output

- First-year degradation 1% and annual degradation at 0.4%
- Up to 25 years product warranty and 25 years power warranty

Universal solution for residential and C&I rooftops

- Easy for integration, designed for compatibility with existing mainstream inverters and diverse mounting systems
- Perfect size and low weight for handling and installation
- Most valuable solution on low load capacity rooftops (weight similar to backsheet version)
- Mechanical performance up to 6000 Pa positive load and 4000 Pa negative load

Trina Solar's Vertex Bifacial Backsheet Performance Warranty



Comprehensive Products and System Certificates

IEC61215/IEC61730/IEC61701/IEC62716/UL61730

General Data				
Dimensions (W / H / D)	15.8/25.2/7.4inch(400/638/187mm)			
Weight	45.2 lbs/20.5kg			
Operating Temperature Range	-13°F~+140°F (-25 °C ~ +60 °C)de-rating above 113°F			
Altitude	9843ft (3000m)			
Internal Consumption at Night	<1W (for PV inverter)/ <5W (for storage inverter)			
Cooling	Natural Convection			
Electronics Protection Degree	NEMA4X (IP65)			
Relative Humidity	0~95%			
Interfaces				
RS485	Yes			
WIFI/4G Communication	Optional			
Warranty: 10 Years	Yes(optional for extended 15 and 20 years werranty)			
Revenue Grade Meter	ANSI C12.20 (meet 0.5% accuracy)			
Conforms to UL STD1741,1741SA,1741SB,1699B,IEEE STD.1547,1547.1,HECO SRD-IEEE-1547.1, Certified to CSA STD C22.2 NO.107.1, UL9540, FCC Part15 Class B				

* 32.5A can only be achieved with APX / LG battery.
* 11700W can only be achieved with APX / LG battery.
* 11400W when using APX / ARO battery, 11400W off-grid output requires both PV and battery supply, and ARO it self has a rated off-grid power of 10kW.
* Support up to 5.5HP motor load
* The above parameters are established in accordance with APX, LG battery
* Due to the characteristics of the LG enblock S10 / LG enblock S14 / LG enblock S17, when the PV is disconnected the inverter of BESS system will disconnect the grid and restart
* Optional built-in AP transmitter-PLC is Sunspec RSD certified

Tigo® Flex MLPE

TS4-A-O

Module-level PV Optimizer

The TS4-A-O (Optimization) is the advanced add-on optimization solution that brings smart module functionality to standard PV modules for higher reliability. Improve energy efficiency by upgrading underperforming PV systems or adding smart features to new installations.

The TS4-A-O complies with NEC 2017 and 2020 690.12 Rapid Shutdown specifications when installed on each module and accompanied by the Tigo Access Point (TAP) and the Cloud Connect Advanced (CCA). *Module-level DC production data, as well as data from other* Modbus connected devices, can be analyzed via Tigo's Energy Intelligence Software when connected to the cloud.

The TS4-A-O with UHD-Core technology and expanded specifications supports PV modules up to 700W, and 15A.

Included Features

Module-level **optimization** for increased energy yield and greater design flexibility

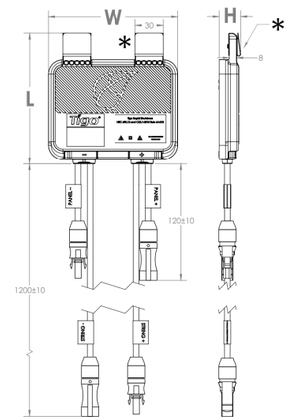
Manual or automatic module-level **shutdown.** Complies with NEC 2017 and 2020.

Module-level **monitoring** for energy production tracking and system management

Easy Installation

Snap to standard module frame or remove clips for rack mounting

Smart Commissioning



Configure and commission with your Android or iOS mobile device

TS4-A-O SPECIFICATIONS

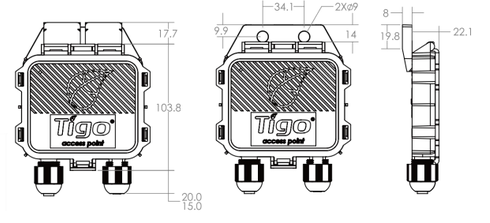
Cloud Connect Advanced (CCA) and Accessories Kit

Data logger/gateway, Tigo Access Point (TAP), power supply, and outdoor enclosure options

The Cloud Connect Advanced (CCA) is a compact, powerful data logging and communications gateway that powers the monitoring and safety capabilities of Tigo TS4 module level power electronics (MLPE). CCA Kit options provide all the components needed for communicating between inverters, TAPs, TS4s, and the Tigo Energy Intelligence platform.

CCA

- Enables module-level monitoring through the Tigo cloud platform
- Connects to wired and wireless networks
- Includes a multifunction LED status indicator
- Configured and commissioned with the Tigo Energy Intelligence (EI) app
- Monitors 3rd-party devices via Modbus



TAP

- Collects data from up to 300 TS4s
- Wireless mesh communication
- Scalable architecture
- Mounts easily on module frames without tools

Power Supplies/Outdoor Enclosure

- Outlet and DIN rail power-supply options
- Compact, DIN rail design
- IP67, NMA 4 rated enclosure

Re: **Request for Certificate of Appropriateness**
Town of Nantucket, Department of Public Works Facility- Primary DPW Building

Dear Chairman Welch and members of the Nantucket Historic District Commission,

On behalf of the Town of Nantucket, Weston & Sampson, Inc. is pleased to submit the required documentation seeking approval for a "Certificate of Appropriateness" for the design of a new Department of Public Works Facility for the Town of Nantucket to be located at 1 Shadbush Road, Nantucket, MA.

We look forward to working with the Commission on this important town project. Please don't hesitate to contact me with any questions.

Sincerely,

WESTON & SAMPSON ENGINEERS, INC.

John Comeau

John Comeau, AIA
Architect, Team Leader

Planning and Land Use Services

Telephone: 508.325.7587

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Mar 2020

PRIMARY DPW BUILDING

REQUIRED WITH ALL APPLICATIONS:

X 1. **Completed Application Form:** Description of ALL work must be indicated on application form.

X 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

N/A 3. **Application Fee**: See back of application for fee schedule or call the office.

X 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

X 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

X 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

X 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

N/A 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

X 2. **Exterior Elevations and Floor Plans (3 copies):** Must be ¼ inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawings.* . All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

N/A 3. **As-Built Plans (1copy):** of existing elevations

X 4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

X 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

X 6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

JRC (initial to indicate read and understand) 7. *I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.*

X 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

PENDING 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

HISTORIC DISTRICT COMMISSION

2 Fairgrounds Road

Nantucket, Massachusetts 02554

Telephone: 508.325.7587 Fax: 508.228.7298

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 1 Shadbush Road

Tax Map Number: 78 Parcel Number: 5

Owner of Record: Town of Nantucket

Description of Proposal: The Town proposes to develop 7.9 acres of the 27 acre site for use as its new Department of Public Works Facility. The facility will be comprised of a +/- 63,000 sf building housing administrative offices, employee facilities, workshop & vehicle maint bays & vehicle storage, other site amenities include a fueling island, vehicle canopy, salt storage, and material storage bins.

Anticipated HDC Submission Date: January 20, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

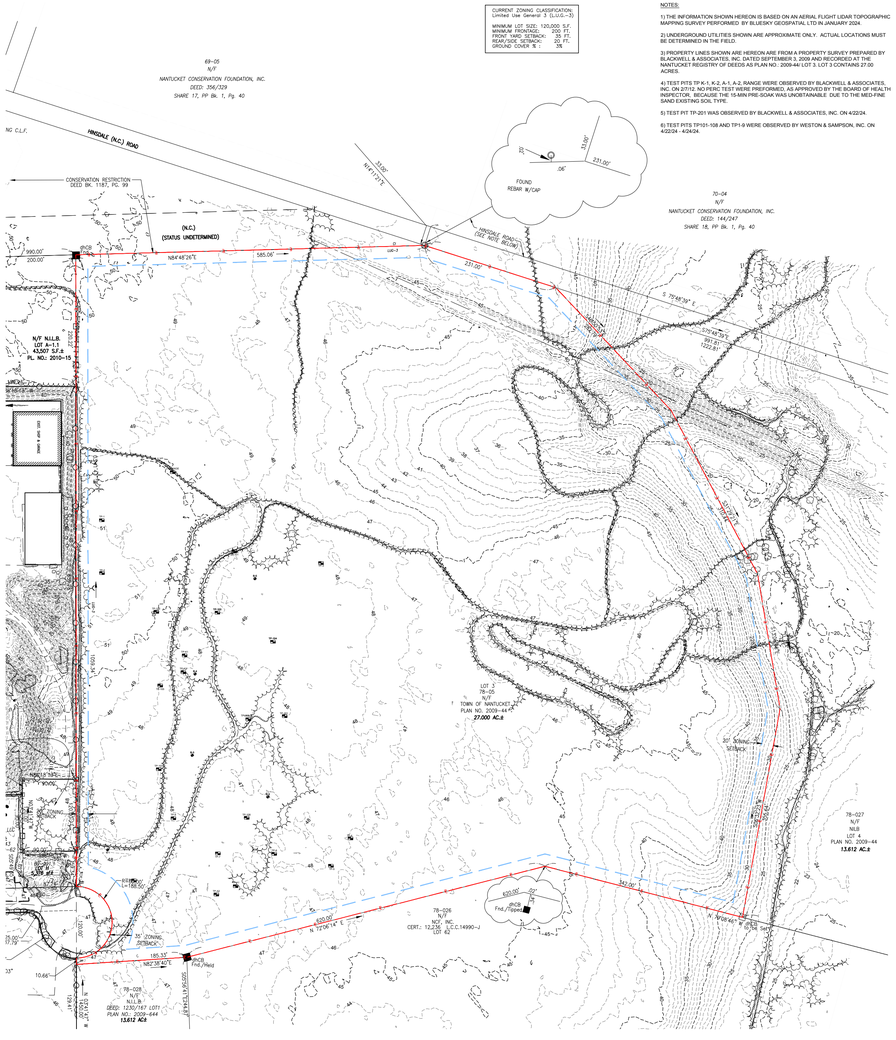
If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

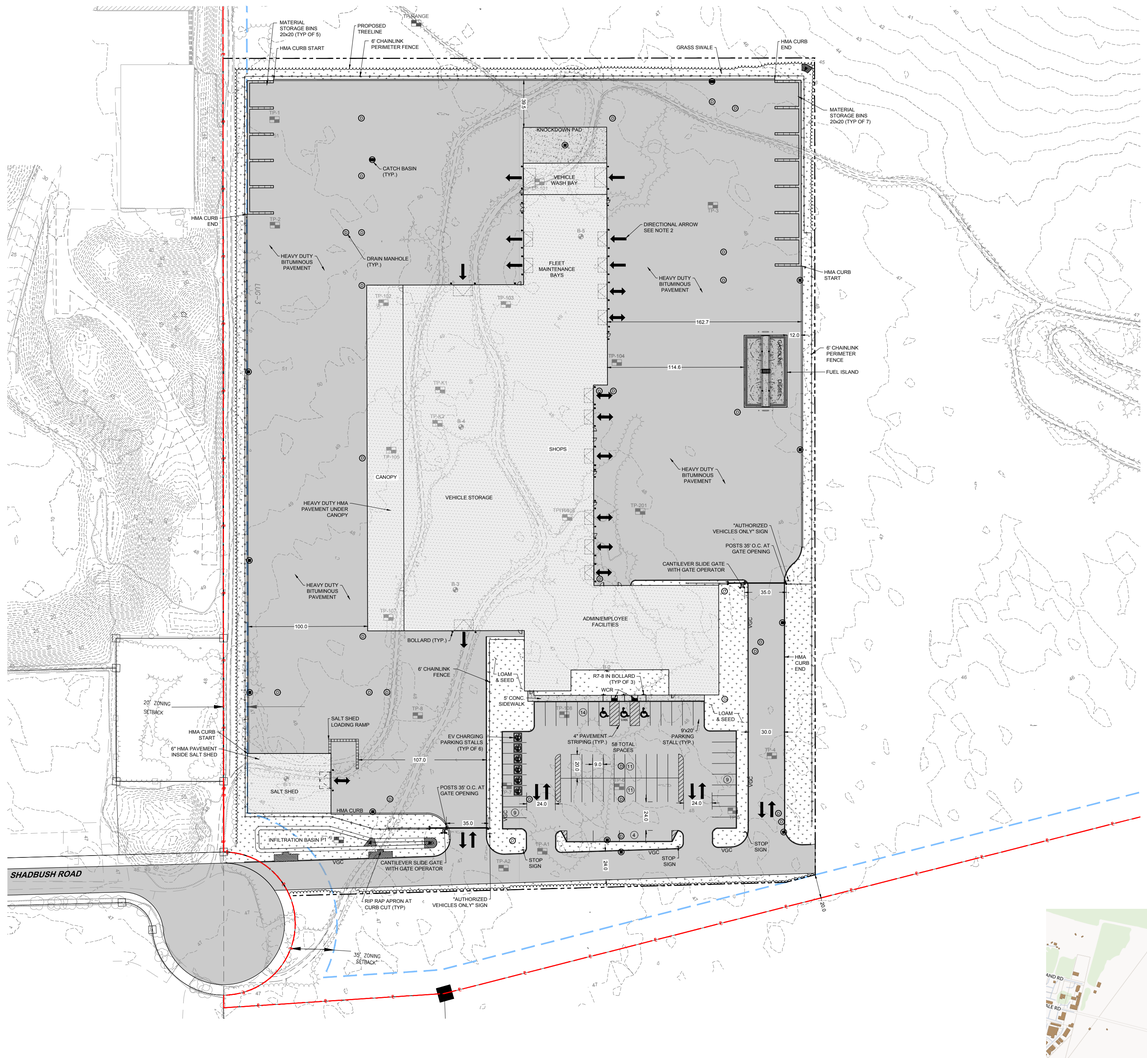
In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:



Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.

For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.



The above meeting policies may be waived at the discretion of the Chair.

Re: **Request for Certificate of Appropriateness**
Town of Nantucket, Department of Public Works Facility- DPW Salt Shed Building

Dear Chairman Welch and members of the Nantucket Historic District Commission,

On behalf of the Town of Nantucket, Weston & Sampson, Inc. is pleased to submit the required documentation seeking approval for a "Certificate of Appropriateness" for the design of a new Department of Public Works Facility for the Town of Nantucket to be located at 1 Shadbush Road, Nantucket, MA.

We look forward to working with the Commission on this important town project. Please don't hesitate to contact me with any questions.

Sincerely,

WESTON & SAMPSON ENGINEERS, INC.

John Comeau

Telephone: 508.325.7587

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Mar 2020

DPW SALT SHED BUILDING

REQUIRED WITH ALL APPLICATIONS:

X 1. **Completed Application Form:** Description of ALL work must be indicated on application form.

X 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

N/A 3. **Application Fee**: See back of application for fee schedule or call the office.

X 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

X 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

X 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

X 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

N/A 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

X 2. **Exterior Elevations and Floor Plans (3 copies):** Must be ¼ inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawings.* .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

N/A 3. **As-Built Plans (1copy):** of existing elevations

N/A 4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

X 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

X 6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

JRC (initial to indicate read and understand) 7. *I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.*

X 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

PENDING 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

HISTORIC DISTRICT COMMISSION

2 Fairgrounds Road

Nantucket, Massachusetts 02554

Telephone: 508.325.7587 Fax: 508.228.7298

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 1 Shadbush Road

Tax Map Number: 78 Parcel Number: 5

Owner of Record: Town of Nantucket

Description of Proposal: The Town proposes to develop 7.9 acres of the 27 acre site for use as its new Department of Public Works Facility. The facility will be comprised of a +/- 63,000 sf building housing administrative offices, employee facilities, workshop & vehicle maint bays & vehicle storage, other site amenities include a fueling island, vehicle canopy, salt storage, and material storage bins.

Anticipated HDC Submission Date: January 20, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

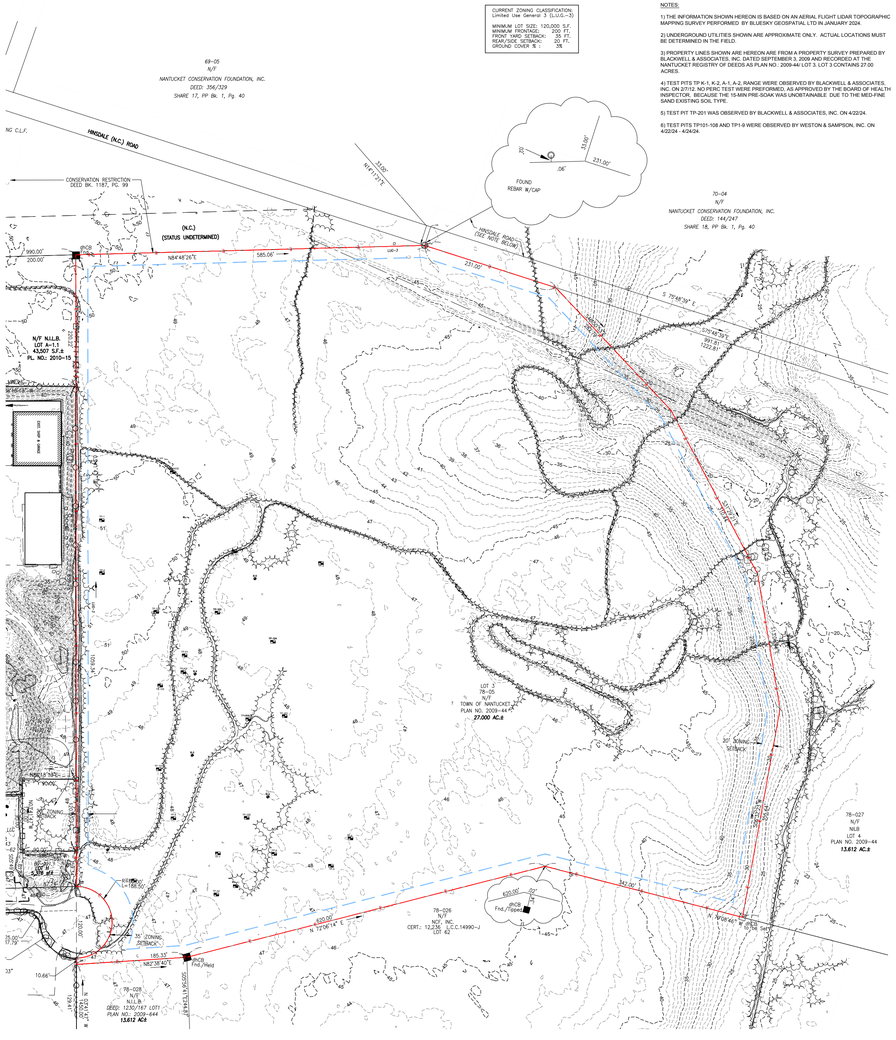
If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

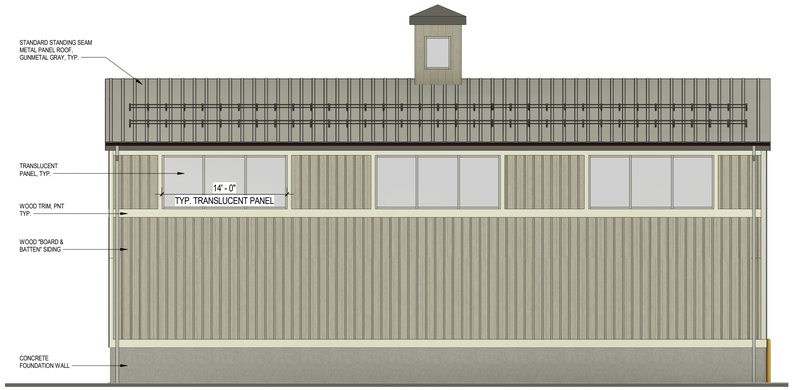
HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

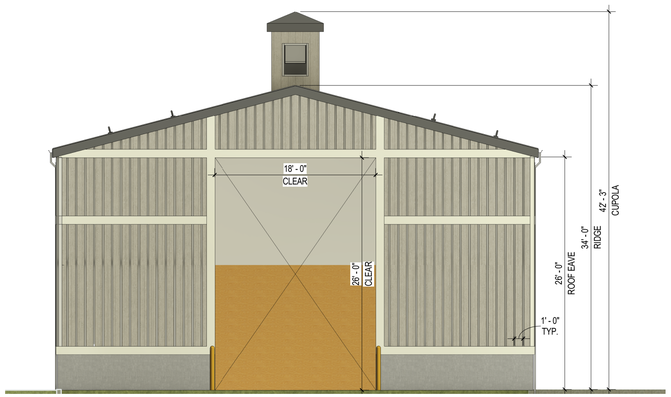


Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.



For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.



The above meeting policies may be waived at the discretion of the Chair.

Re: **Request for Certificate of Appropriateness**
Town of Nantucket, Department of Public Works Facility- DPW Hardscaping

Dear Chairman Welch and members of the Nantucket Historic District Commission,

On behalf of the Town of Nantucket, Weston & Sampson, Inc. is pleased to submit the required documentation seeking approval for a "Certificate of Appropriateness" for the design of a new Department of Public Works Facility for the Town of Nantucket to be located at 1 Shadbush Road, Nantucket, MA.

We look forward to working with the Commission on this important town project. Please don't hesitate to contact me with any questions.

Sincerely,

WESTON & SAMPSON ENGINEERS, INC.

John Comeau

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Mar 2020

DPW HARDSCAPING PLAN

REQUIRED WITH ALL APPLICATIONS:

X 1. **Completed Application Form:** Description of ALL work must be indicated on application form.

X 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

N/A 3. **Application Fee**: See back of application for fee schedule or call the office.

X 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

X 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc..*

X 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

X 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

N/A 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

N/A 2. **Exterior Elevations and Floor Plans (3 copies):** Must be ¼ inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

N/A 3. **As-Built Plans (1copy):** of existing elevations

X 4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

X 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

N/A 6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

JRC (initial to indicate read and understand) 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

X 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

PENDING 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 1 Shadbush Road

Tax Map Number: 78 Parcel Number: 5

Owner of Record: Town of Nantucket

Description of Proposal: The Town proposes to develop 7.9 acres of the 27 acre site for use as its new Department of Public Works Facility. The facility will be comprised of a +/- 63,000 sf building housing administrative offices, employee facilities, workshop & vehicle maint bays & vehicle storage, other site amenities include a fueling island, vehicle canopy, salt storage, and material storage bins.

Anticipated HDC Submission Date: January 20, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

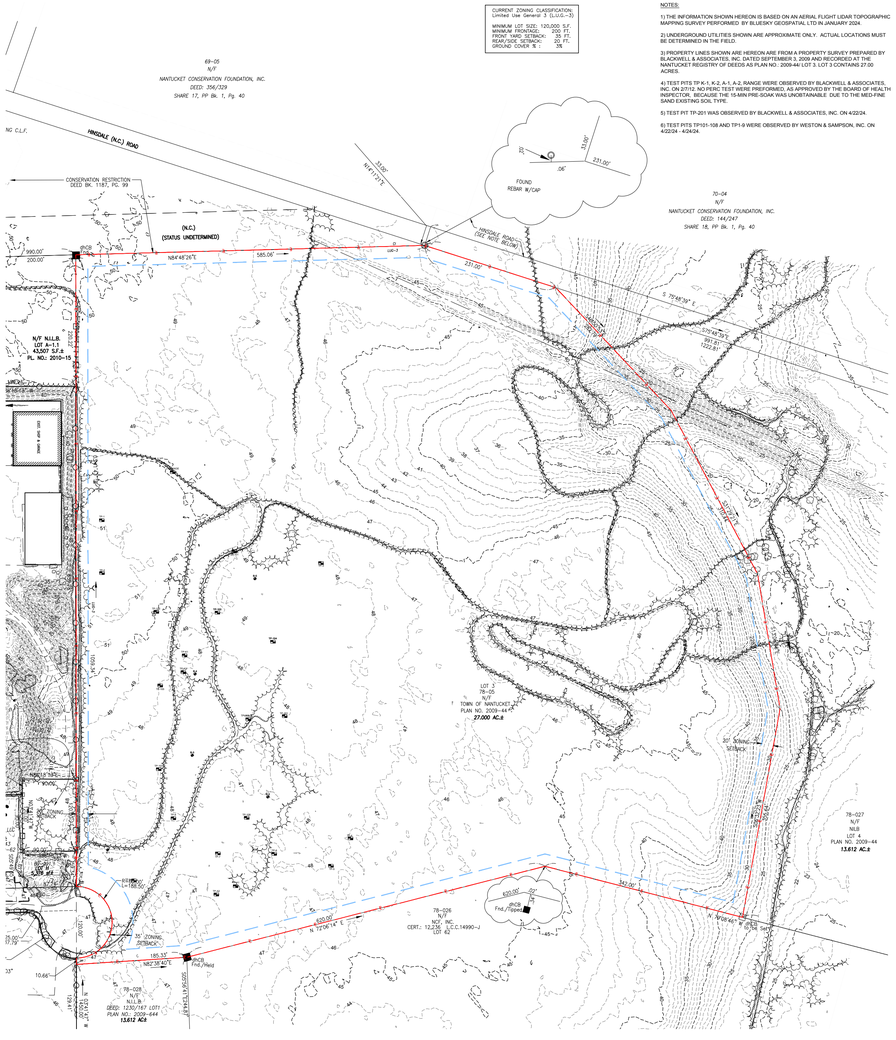
If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

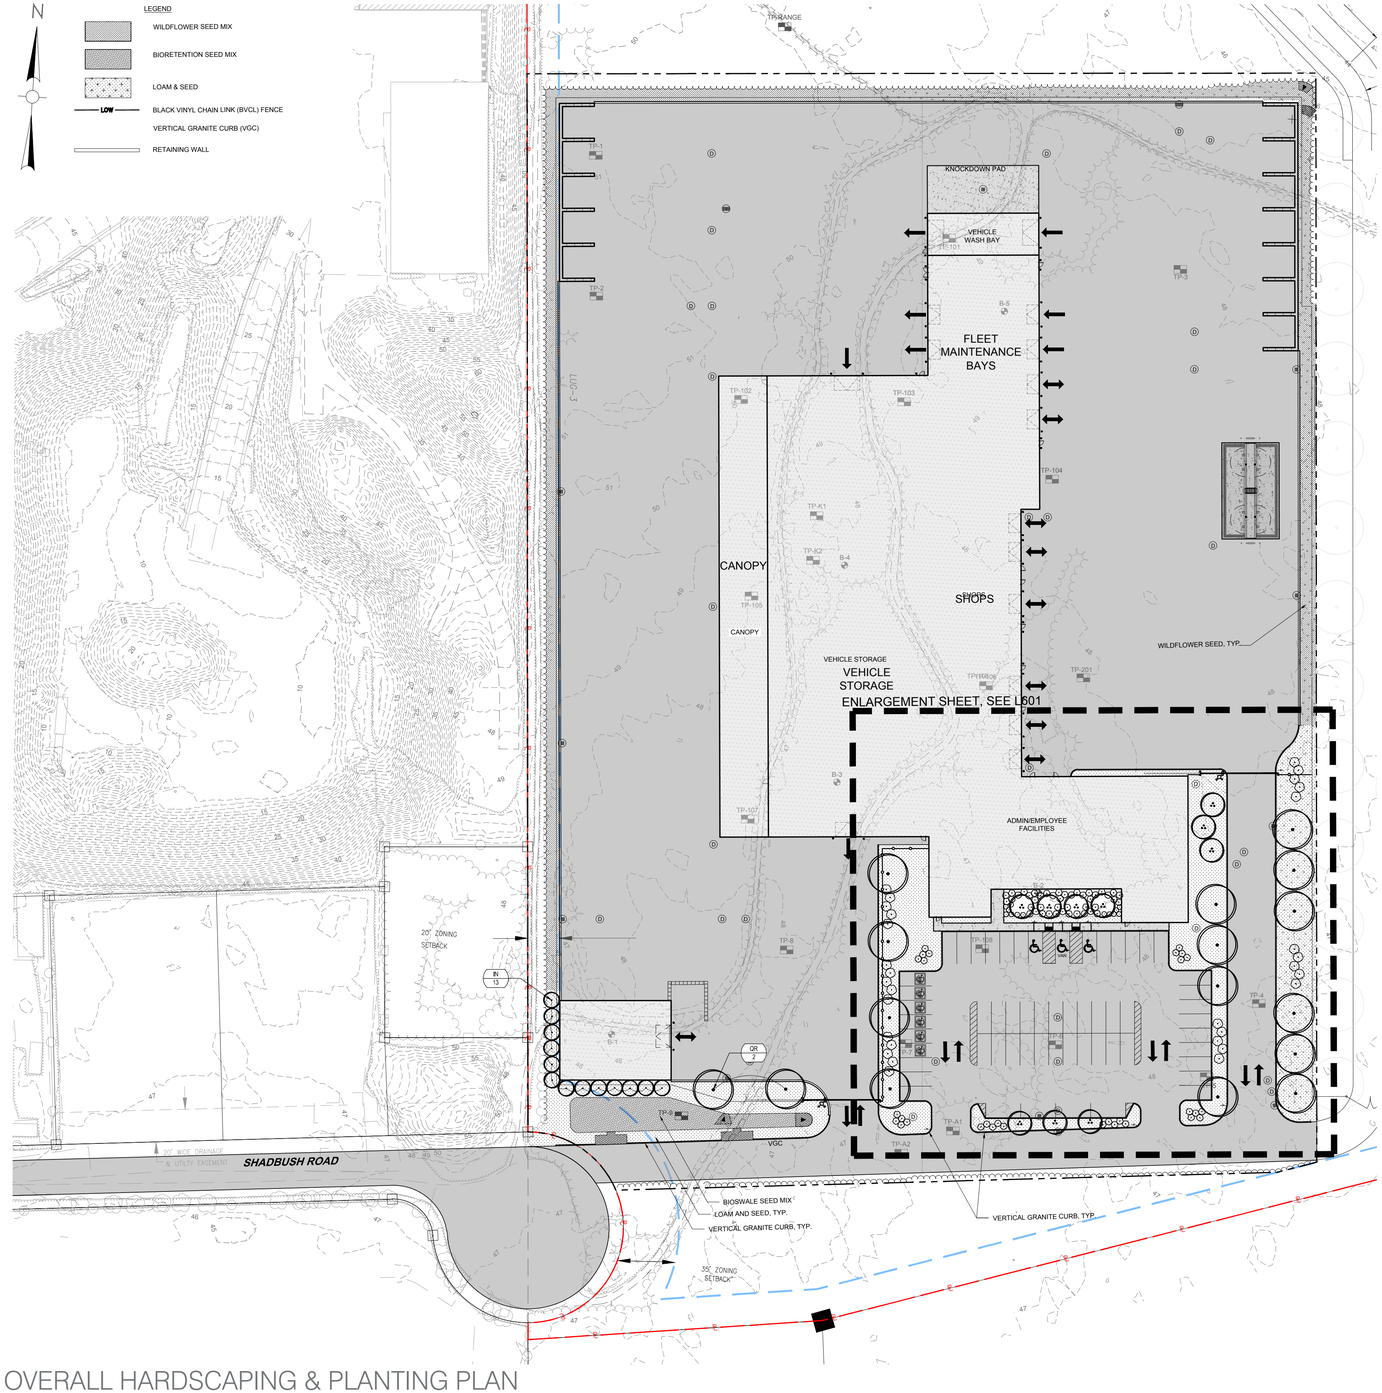
HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:



Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.



For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

Maintenance: Medium

AR — *ACER RUBRUM*
RED MAPLE

Native Range: Eastern North America
Zone: 3 to 9
Height: 40.00 to 70.00 feet
Spread: 30.00 to 50.00 feet
Bloom Time: March to April
Bloom Description: Red, sometimes yellow
Sun: Full sun to part shade
Water: Medium to wet
Maintenance: Low

UA — *ULMUS AMERICANA 'PRINCETON'*
AMERICAN ELM

Native Range: Eastern North America
Zone: 3 to 9
Height: 40.00 to 70.00 feet
Spread: 30.00 to 50.00 feet
Bloom Time: March to April
Bloom Description: Red, sometimes yellow
Sun: Full sun to part shade
Water: Medium to wet
Maintenance: Low

IN — *ILEX X 'NELLY STEVENS'*
NELLY STEVENS HOLLY

Zone: 6 to 9
Height: 15.00 to 25.00 feet
Spread: 8.00 to 12.00 feet
Bloom Time: April
Bloom Description: Greenish-white
Sun: Full sun to part shade
Water: Medium
Maintenance: Low

QR — *QUERCUS RUBRA*
RED OAK

Native Range: Eastern North America
Zone: 4 to 8
Height: 50.00 to 75.00 feet
Spread: 50.00 to 75.00 feet
Bloom Time: May
Bloom Description: Yellowish-green
Sun: Full sun
Water: Dry to medium
Maintenance: Low

SHRUBS

AT — *ASCLEPIAS TUBEROSA*
BUTTERFLY MILKWEED

Native Range: Eastern United States
Zone: 3 to 9
Height: 1.00 to 2.50 feet
Spread: 1.00 to 1.50 feet
Bloom Time: June to August
Bloom Description: Orange to yellow-orange
Sun: Full sun
Water: Dry to medium
Maintenance: Low

IG — *ILEX GALABRA 'SHAMROCK'*
SHAMROCK INKBERRY

Zone: 4 to 9
Height: 3.00 to 4.00 feet
Spread: 3.00 to 4.00 feet
Bloom Time: May to June
Bloom Description: Greenish-white
Sun: Full sun to part shade
Water: Medium to wet
Maintenance: Low

RG — *RHUS AROMATICA 'GRO-LOW'*
GRO-LOW FRAGANT SUMAC

Zone: 3 to 9

39 BUNKER RD
FLEET STORAGE AND MAINTENANCE GARAGE FOR NANTUCKET MEMORIAL AIRPORT. SIMILAR ROOF LINES, METAL BUILDING, METAL ROOF.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS:

1. **Completed Application Form:** Description of ALL work must be indicated on application form.
2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.
3. **Application Fee:** See back of application for fee schedule or call the office.
4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps
5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.
6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.
7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.
8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

1. N/A **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.
2. ✓ **Exterior Elevations and Floor Plans (3 copies):** Must be **¼ inch** scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.
3. N/A **As-Built Plans (1copy):** of existing elevations
4. ✓ **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.
5. ✓ **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).
6. N/A **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.
7. (initial to indicate read and understand) ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***
8. ✓ **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.
9. N/A Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS: 10 DAY WAIVER ✓

✓ 1. **Completed Application Form:** Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature:** Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

✓ 3. **Application Fee:** See back of application for fee schedule or call the office.

✓ 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc..*

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials:** Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs:** Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

N/A 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

✓ 2. **Exterior Elevations and Floor Plans (3 copies):** Must be ¼ inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

✓ 3. **As-Built Plans (1copy):** of existing elevations

✓ 4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

✓ 5. **Topographic Map:** Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

✓ 6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

✓ 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

HISTORIC DISTRICT COMMISSION

37 WASHINGTON STREET
NANTUCKET, MASSACHUSETTS 02554
TELEPHONE 508-228-7231 • FAX 508-325-7572

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work:_____

Tax Map Number: _____ Parcel Number: _____

Owner of Record:_____

Description of Proposed Work:_____

_____

_____

Anticipated HDC Submission Date:_____

You have been identified either as an abutter to the above property or as an interested party and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a completed application has been submitted. Please contact the HDC office to verify the date.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. Written comments must be received by Thursday in order to ensure that they can be distributed to the Commissioners prior to the following Tuesday's meeting. If you wish to testify at a Commission meeting, please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form.

If you have any questions, please contact the HDC office at (508) 228-7231.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.

For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

REVISED April 2001

CHECKLIST FOR HDC APPLICATIONS

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form:** Description of **ALL** work must be indicated on application form.

✓ 2. **Property Owner's Signature:** Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

✓ 3. **Application Fee:** See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) http://www.mapgeo.com/NantucketMA/.

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and ***placement of HVAC units, electrical boxes, fuel tanks, etc.***.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials:** Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material **MUST BE LEGIBLE (font size no smaller than 12)**, collated and stapled.

✓ 7. **Photographs:** Required of **ALL** applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must also be converted to Adobe Acrobat format http://www.adobe.com/pdf/; this is free software that may have come pre-loaded on your computer. Electronic copies can also be created using the scanner located in the Department of Inspectional Services.

REQUIRED WHERE APPLICABLE:

N/A 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and **ALL** buildings. Additional information may be obtained from the Nantucket Historical Association Library. **If not historic, denote on application.**

✓ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be ¼-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings***. All material **MUST BE LEGIBLE**, collated and stapled. Reduced sets should maintain a font size of 12.

✓ 3. **As-Built Plans (1 copy):** of existing elevations

✓ 4. **Hardscaping Plans (4 copies): To legible scale**. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material **MUST BE LEGIBLE**, collated and stapled.

N/A 5. **Topographic Map:** Must show existing and proposed grade for any change of more than **one** foot in height on grade. Retaining walls must be applied for separately (see hardscaping plan).

✓ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

WI 7. **I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.**
(initial to indicate read and understand)

N/A 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more **except** in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

N/A 9. **Approvals** from Planning Board, Zoning Board of Appeals, Conservation Commission etc.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

CERTIFICATE NO: _____ DATE ISSUED: 10/22/24

HDC2024-09-11121

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS

Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

$ 179.60 3. **Application Fee**: See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

X 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

✓ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be **¼ inch** scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

✓ 3. **As-Built Plans (1 copy):** of existing elevations

✓ 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

✓ 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

✓ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

BHP 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

X 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

HISTORIC DISTRICT COMMISSION

2 Fairgrounds Road
Nantucket, Massachusetts 02554
Telephone: 508.325.7587 Fax: 508.228.7298

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: One Osprey Way

Tax Map Number: 65 Parcel Number: 19

Owner of Record: Osprey Way Real Estate Trust

Description of Proposal: Cottage Addition

Anticipated HDC Submission Date: January 27, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.

For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS:

✓ 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

✓ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

$ 358.20 3. **Application Fee**: See back of application for fee schedule or call the office.

✓ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

✓ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

✓ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

✓ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

✓ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

X 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

✓ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be **¼ inch** scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

X 3. **As-Built Plans (1copy):** of existing elevations

✓ 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

✓ 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

✓ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

BAP (initial to indicate read and understand) 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

✓ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

X 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

HISTORIC DISTRICT COMMISSION

2 Fairgrounds Road
Nantucket, Massachusetts 02554
Telephone: 508.325.7587 Fax: 508.228.7298

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 35 Eel Point Road

Tax Map Number: 32 Parcel Number: 63

Owner of Record: Susan B. McCollom Trst Etal

Description of Proposal: New Pool House

Anticipated HDC Submission Date: January 27, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.

For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

CHECKLIST FOR HDC APPLICATIONS

REQUIRED WITH ALL APPLICATIONS:

_____ 1. **Completed Application Form:** Description of **ALL** work must be indicated on application form.

_____ 2. **Property Owner's Signature:** Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

_____ 3. **Application Fee:** See back of application for fee schedule or call the office.

_____ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) http://www.mapgeo.com/NantucketMA/.

_____ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and ***placement of HVAC units, electrical boxes, fuel tanks, etc.***.

_____ 6. **8-1/2" x 11" Copies of ALL Application Materials:** Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material **MUST BE LEGIBLE (font size no smaller than 12)**, collated and stapled.

_____ 7. **Photographs:** Required of **ALL** applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

_____ 8. **Electronic submission:** All documents submitted to the HDC office must also be converted to Adobe Acrobat format http://www.adobe.com/pdf/; this is free software that may have come pre-loaded on your computer. Electronic copies can also be created using the scanner located in the Department of Inspectional Services.

REQUIRED WHERE APPLICABLE:

_____ 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and **ALL** buildings. Additional information may be obtained from the Nantucket Historical Association Library. **If not historic, denote on application.**

_____ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be ¼-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings***. All material **MUST BE LEGIBLE**, collated and stapled. Reduced sets should maintain a font size of 12.

_____ 3. **As-Built Plans (1 copy):** of existing elevations

_____ 4. **Hardscaping Plans (4 copies): To legible scale**. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material **MUST BE LEGIBLE**, collated and stapled.

_____ 5. **Topographic Map:** Must show existing and proposed grade for any change of more than **one** foot in height on grade. Retaining walls must be applied for separately (see hardscaping plan).

_____ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

_____ 7. **I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.**
(initial to indicate read and understand)

_____ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more **except** in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

_____ 9. **Approvals** from Planning Board, Zoning Board of Appeals, Conservation Commission etc.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 2 Spearhead Rd

Tax Map Number: 69 Parcel Number: 307

Owner of Record: 2 Spearhead LLC

Description of Proposal: New Storage Facility

Anticipated HDC Submission Date: 1/27/2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

CHECKLIST FOR HDC APPLICATIONS

REQUIRED WITH ALL APPLICATIONS:

_____ 1. **Completed Application Form:** Description of **ALL** work must be indicated on application form.

_____ 2. **Property Owner's Signature:** Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

_____ 3. **Application Fee:** See back of application for fee schedule or call the office.

_____ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) http://www.mapgeo.com/NantucketMA/.

_____ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and ***placement of HVAC units, electrical boxes, fuel tanks, etc.***.

_____ 6. **8-1/2" x 11" Copies of ALL Application Materials:** Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material **MUST BE LEGIBLE (font size no smaller than 12)**, collated and stapled.

_____ 7. **Photographs:** Required of **ALL** applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

_____ 8. **Electronic submission:** All documents submitted to the HDC office must also be converted to Adobe Acrobat format http://www.adobe.com/pdf/; this is free software that may have come pre-loaded on your computer. Electronic copies can also be created using the scanner located in the Department of Inspectional Services.

REQUIRED WHERE APPLICABLE:

_____ 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and **ALL** buildings. Additional information may be obtained from the Nantucket Historical Association Library. **If not historic, denote on application.**

_____ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be ¼-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings***. All material **MUST BE LEGIBLE**, collated and stapled. Reduced sets should maintain a font size of 12.

_____ 3. **As-Built Plans (1 copy):** of existing elevations

_____ 4. **Hardscaping Plans (4 copies): To legible scale**. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material **MUST BE LEGIBLE**, collated and stapled.

_____ 5. **Topographic Map:** Must show existing and proposed grade for any change of more than **one** foot in height on grade. Retaining walls must be applied for separately (see hardscaping plan).

_____ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

_____ 7. **I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.**
(initial to indicate read and understand)

_____ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more **except** in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

_____ 9. **Approvals** from Planning Board, Zoning Board of Appeals, Conservation Commission etc.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 2 Spearhead Rd

Tax Map Number: 69 Parcel Number: 307

Owner of Record: 2 Spearhead LLC

Description of Proposal: New Storage Facility

Anticipated HDC Submission Date: 1/27/2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Historic Structures Supplemental Application

Owner of Record: 4 Easy Street LLC

Address: 4 Easy Street **Map/Parcel:** 42.3.1 / 79

Historic Name of Building: UNKNOWN

Original Date of Construction: 1880 **HDC Survey?** ____ **Yes** ✓ **No**

How is the structure rated? ____ **Individually Significant** ____ **Contributing** ✓ **Non-Contributing**

Describe Proposed Work: Close in the porch which was an element added must later in the buildings life, change front door to double door, replace windows which are in very bad shape, add dormer to North side for nantural light to second floor. The building has been moved and changed a number of times since originally starting as a "train barn" (as per Roberty Young"

Describe amount of existing building fabric to be removed or altered (use additional pages if necessary):

There are no changes proposed to the original structure, however it has seen changes and evolved over time

All Historic Structure Applications must contain:

✓ **1. Historic Documentation** (Including date of construction, architectural/historic significance, evolution of structure, maps (i.e. Sanborn Fire Insurance), photographs)

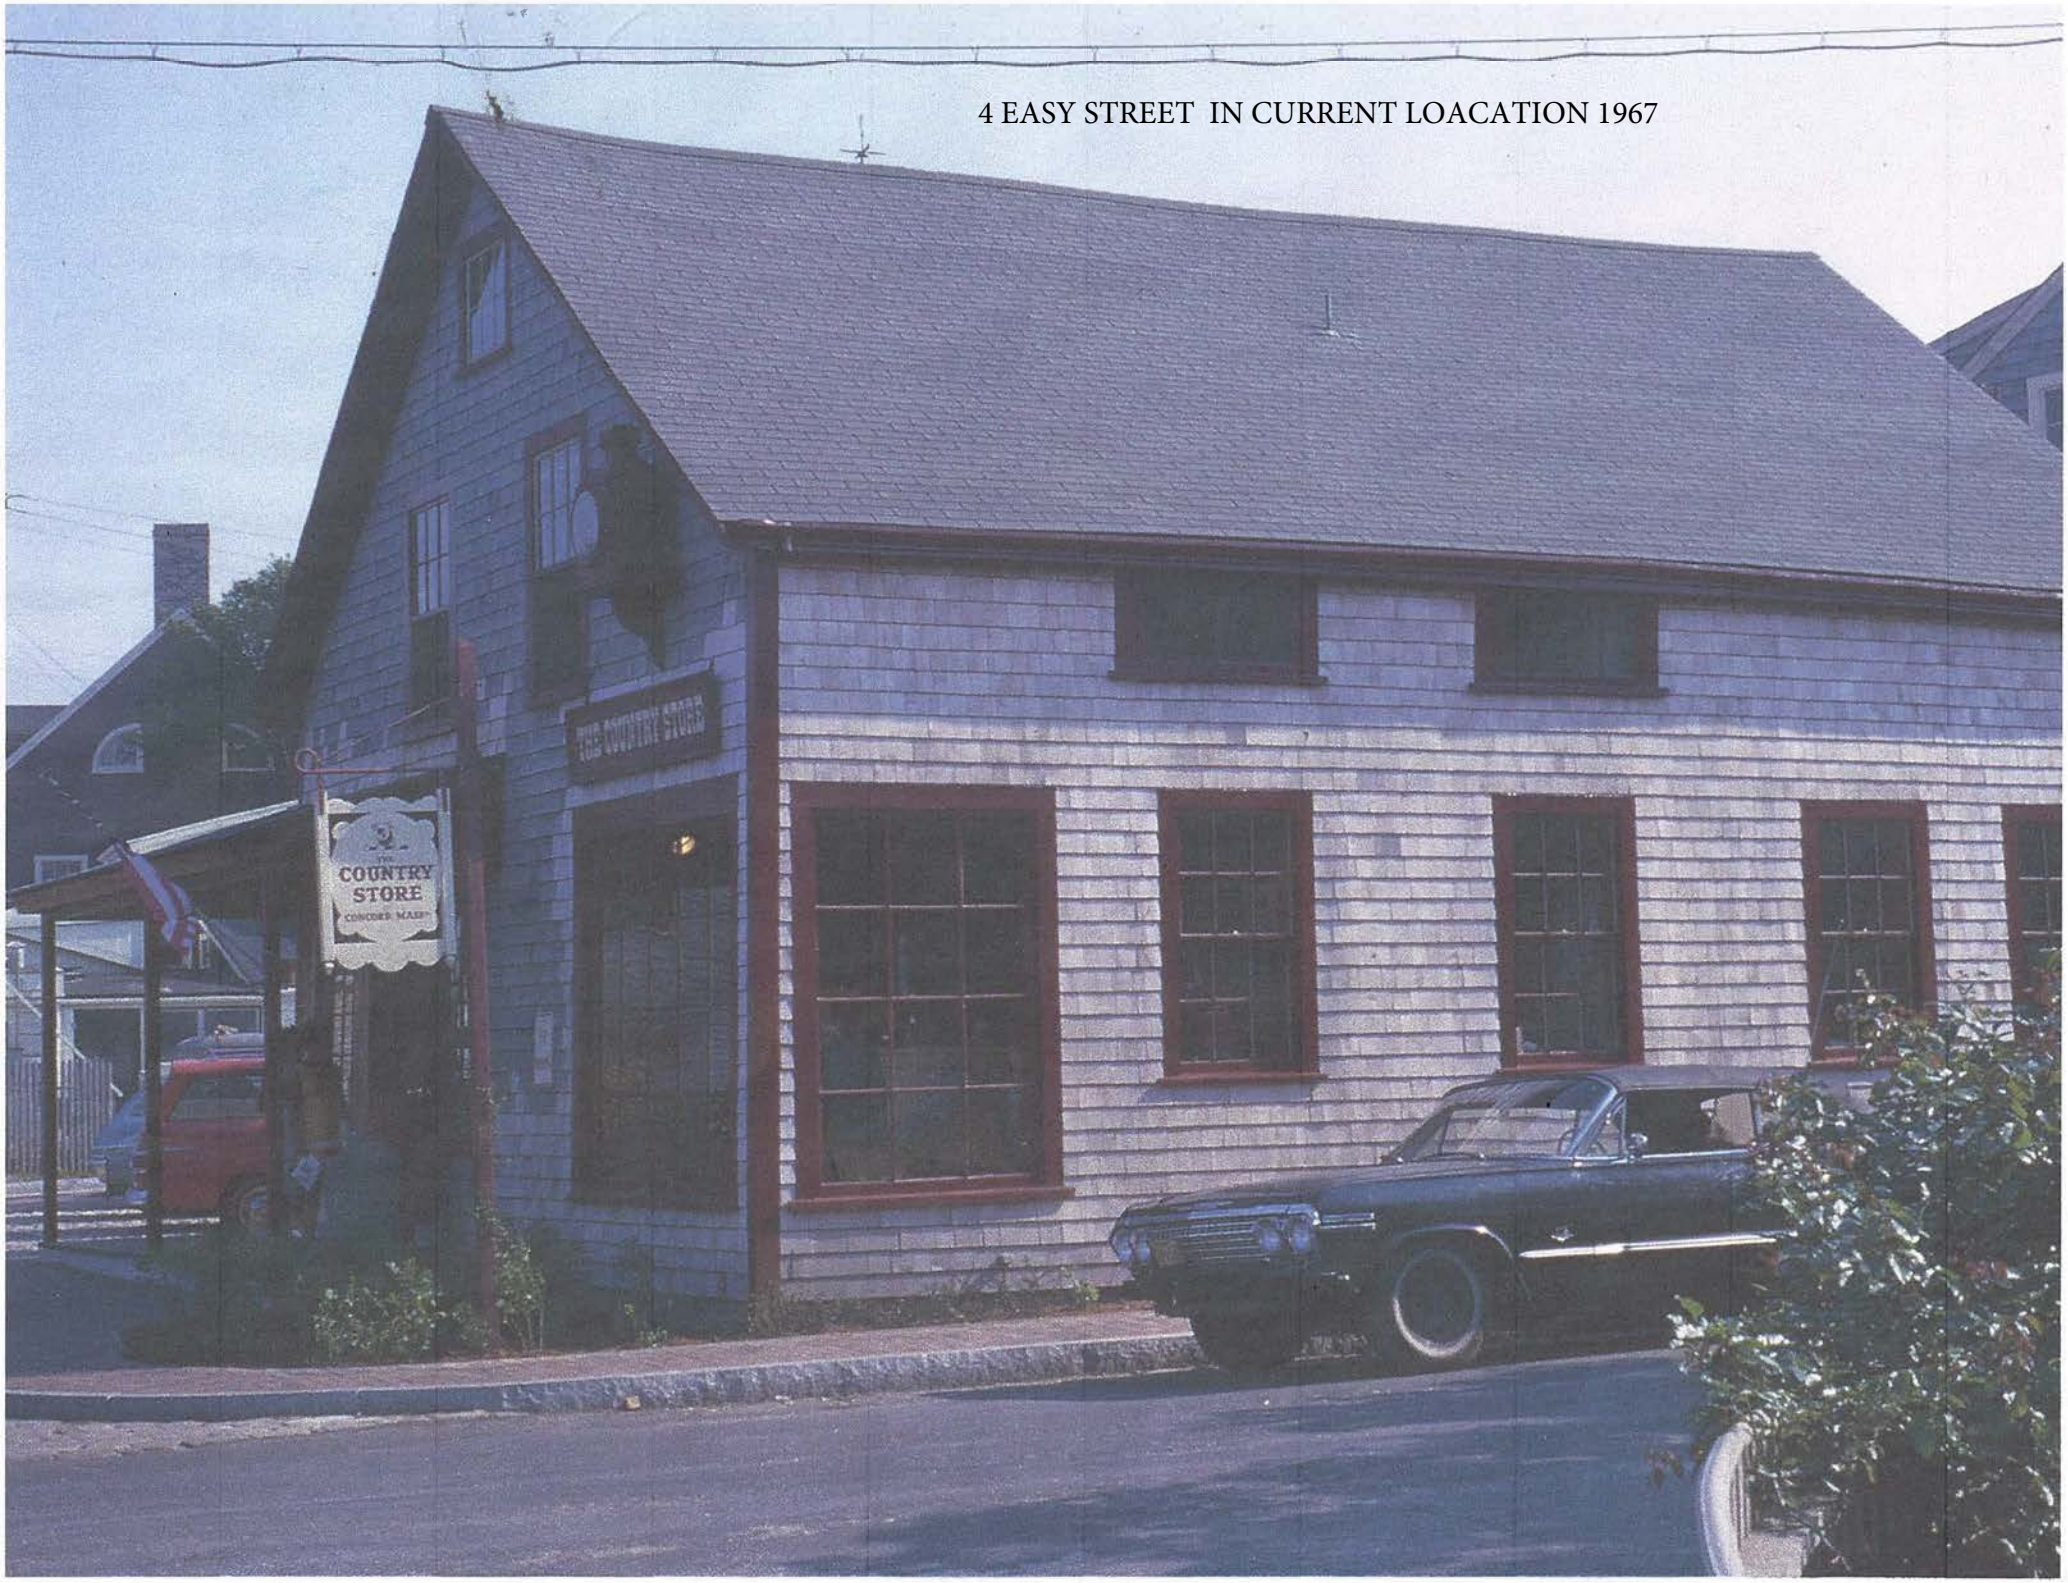
✓ **2. As Built Drawings** (include all elevations, floor plans, and any significant detailing)

✓ **3. Black and White Photographs** (include current elevations and significant details)

✓ **4. Demolition Plan** (include all existing building fabric to be removed, both interior and exterior)

Please contact the office at 228-7231 if you have any questions regarding the research or this application. This application must be completed as part of the overall Certificate of Appropriateness application. The Historic Structures Advisory Board may also request further information as part of its review. The HDC reserves the right to delay the review of an application if this information is not provided.

Revised 03/20/13



Research Resources for Historic Structures

- Nantucket Historical Association collections include:
  - **Manuscript Collections** relate to Nantucket individuals and families, vessels, businesses and trades, churches, schools, local organizations, and voluntary societies. The documents, letters, journals, diaries, and personal papers span the years from roughly 1659, when Europeans settled the island, to the present day, with the bulk of the collections dating from the nineteenth century. The manuscript collections provide a fascinating first-hand account of island life and activities over three centuries.
  - **Books, Printed Materials, and Audio-Visual Collections.** In addition to books about Nantucket and by Nantucketers, the library contains books on a variety of related subjects, including whales and the whaling industry, ships and navigation, Native Americans, Quakers, slavery and abolitionism, art and decoration, architecture, archaeology, poetry and song, lighthouses and lightships, and sea disasters. Maps, which include plats and charts, span the years from 1624 to the present day. Maps and plats, in their detail of Nantucket land, streets, neighborhoods, and structures plot the growth and development of the island community. Several inventories of island structures are housed in the Edouard A. Stackpole Reading Room. The HABS (Historic American Buildings Survey), HDC (Historic District Commission), and PI:N (Preservation Institute Nantucket) documents are surveys of island properties, noting historical background and structural conditions and changes.
  - **Photograph Collections.** The photograph collection of the Nantucket Historical Association comprises over 50,000 images, ranging in date from the 1840s to the present day. All of the major historic photographic processes are represented in the collection, including daguerreotypes, ambrotypes, tintypes, cyanotypes, and albumen prints. The images also come in a variety of mounts and formats such as photographic albums, stereographs, fancy velvet-lined cases, and cartes-de-visite.
  - Information from the map, image, and manuscript collections can be accessed online at www.nha.org.
  - You can contact the NHA at the Research Library at 508-228-1655, 7 Fair Street.
- Atheneum Reference Collection
  - The Atheneum has a collection of materials about Nantucket Island, including books, pamphlets, newspapers, logbooks, and letters. In particular, items relevant to historic structures include historic photographs from newspaper collections and vertical files from authors writing books about Nantucket.
  - You can contact the Atheneum at 508-228-1110, Lower India Street
- Nantucket Preservation Trust
  - The Nantucket Preservation Trust is the local non-profit organization for historic preservation on the island. They have some material for research, but also provide information on the restoration and renovation of your historic structure.
  - You can contact the NPT at 508-882-1387, 12 Orange Street
- Preservation Institute: Nantucket
  - This is a University of Florida program where students are stationed on the island during the months of June, July, and August. They work to produce projects on the architecture and history of the island. Past projects have included the HABS documentation of local buildings, on file with the Nantucket Historical Association.
  - You can contact PIN at 508-228-2429, 11 Center Street
- Files at the Historic District Commission
  - At the HDC we also have files on most of the buildings in the core district, as well as the core Sconset area, the Quidnet area, the Madaket area, the Surfside area, and Wauwinet area. These files can be researched by asking the staff.

CHECKLIST FOR HDC APPLICATIONS

REQUIRED WITH ALL APPLICATIONS:

X — 1. **Completed Application Form:** Description of **ALL** work must be indicated on application form.

X — 2. **Property Owner's Signature:** Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

X — 3. **Application Fee:** See back of application for fee schedule or call the office.

X — 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) http://www.mapgeo.com/NantucketMA/.

X — 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and ***placement of HVAC units, electrical boxes, fuel tanks, etc.***.

X — 6. **8-1/2" x 11" Copies of ALL Application Materials:** Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material **MUST BE LEGIBLE (font size no smaller than 12)**, collated and stapled.

X — 7. **Photographs:** Required of **ALL** applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X — 8. **Electronic submission:** All documents submitted to the HDC office must also be converted to Adobe Acrobat format http://www.adobe.com/pdf/; this is free software that may have come pre-loaded on your computer. Electronic copies can also be created using the scanner located in the Department of Inspectional Services.

REQUIRED WHERE APPLICABLE:

N/A — 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and **ALL** buildings. Additional information may be obtained from the Nantucket Historical Association Library. **If not historic, denote on application.**

X — 2. **Exterior Elevations and Floor Plans (4 copies):** Must be ¼-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings***. All material **MUST BE LEGIBLE**, collated and stapled. Reduced sets should maintain a font size of 12.

N/A — 3. **As-Built Plans (1 copy):** of existing elevations

N/A — 4. **Hardscaping Plans (4 copies): To legible scale**. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material **MUST BE LEGIBLE**, collated and stapled.

N/A — 5. **Topographic Map:** Must show existing and proposed grade for any change of more than **one** foot in height on grade. Retaining walls must be applied for separately (see hardscaping plan).

X — 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

N/A — 7. **I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.**
(initial to indicate read and understand)

N/A — 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more **except** in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

N/A — 9. **Approvals** from Planning Board, Zoning Board of Appeals, Conservation Commission etc.

CERTIFICATE NO: _____ DATE ISSUED: 8/16/24

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

HDC2024-07-10743

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS **Rev Jan 2024**

REQUIRED WITH ALL APPLICATIONS:

1. **Completed Application Form**: Description of ALL work must be indicated on application form.
2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.
3. **Application Fee**: See back of application for fee schedule or call the office.
4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps
5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.
6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.
7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.
8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.
2. **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing.* All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.
3. **As-Built Plans (1copy):** of existing elevations
4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.
5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).
6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.
7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.
9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 36 Bassett Rd

Tax Map Number: 26 Parcel Number: 50

Owner of Record: Matt and Carrie Powers

Description of Proposal:

Additions and alterations to existing structure. Raising existing structure.

New basement walkout with hardscaping.

Anticipated HDC Submission Date: February 10, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.

For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 36 Bassett Rd

Tax Map Number: 26 Parcel Number: 50

Owner of Record: Matt and Carrie Powers

Description of Proposal:

Additions and alterations to existing structure. Raising existing structure.

New basement walkout with hardscaping.

Anticipated HDC Submission Date: February 10, 2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.

For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:

1. Introduction of the application;
2. Response by applicant;
3. Public comment in favor of proposal;
4. Public comment in opposition of proposal;
5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
6. Commission comments and discussion with applicant;
7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

2 Fairgrounds Road, Nantucket, Massachusetts 02554
Telephone: 508.325.7587

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS **Rev Jan 2024**

REQUIRED WITH ALL APPLICATIONS:

X 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

X 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

X 3. **Application Fee:** See back of application for fee schedule or call the office.

X 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

X 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

X 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

X 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

X 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

n/a 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

n/a 2. **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing.* All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

n/a 3. **As-Built Plans (1copy):** of existing elevations

X 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

n/a 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

n/a 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

RY 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

X 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

X 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

NOTICE OF HDC APPLICATION

ABUTTERS AND INTERESTED PARTIES

Please be informed that the Nantucket Historic District Commission will be considering the following proposal:

Address of Proposed Work: 7a Clifford St.

Tax Map Number: 79 Parcel Number: 19

Owner of Record: Carmine & Sheila Giardini

Description of Proposal: This application proposes a 20'x44' sport court at the rear of the property.

Anticipated HDC Submission Date: 02/10/2025

You have been identified either as an abutter or interested party to the above property and are being notified in accordance with the Town Bylaw. Please note that the above submission date is an estimate only; the actual meeting date will be determined once the HDC staff has established that a complete application has been submitted. Please contact the HDC office to verify the date. Please note that notification is only required at the time of initial submission of an application, not for each time an application goes before the Commission. Abutters are responsible for monitoring the status of applications.

If you wish to comment on the above proposal, you are encouraged to submit your comments in writing to the HDC office. If you wish to testify at a Commission meeting please be aware that your testimony may be limited by the Commission in accordance with Commission policies, which are included on the back of this form. Due to the large sizes of most applications, the HDC office may not be able to send faxed copies of the plans. Off-island abutters wishing more detailed information may enlist an on-island representative to view the plans in the HDC office.

If you have any questions, please contact the HDC office at 508.325.7587.

HDC POLICIES FOR AN ABUTTER AND/OR INTERESTED PARTY TESTIMONY

Abutters are encouraged to limit their responses to issues that fall within the statutory mandate of the HDC – mainly the appearance of a proposal from the publicly traveled way and its impact on the existing historic environmental context. Issues such as land uses, noise, and impacts on private property are outside of the HDC's purview and cannot be addressed by the Commission.

In order to maintain a balance between the wishes of abutters and interested parties to express their concerns and the need of the HDC to conduct its business in a timely fashion, the following policies have been established:

> Abutters and interested parties wishing to testify before the Commission shall be limited to three minutes of testimony. Only one representative from each abutting property or interested party shall be permitted to testify.
>
> For those cases in which a substantial number of abutters and/or interested parties wish to testify (as determined by the Chair), the Chair shall structure the review of an application as follows:
>
> 1. Introduction of the application;
> 2. Response by applicant;
> 3. Public comment in favor of proposal;
> 4. Public comment in opposition of proposal;
> 5. Closing of public comment-no further comment unless requested by Commission members through the Chair;
> 6. Commission comments and discussion with applicant;
> 7. Commission action.

The above meeting policies may be waived at the discretion of the Chair.

CHECKLIST FOR HDC APPLICATIONS

REQUIRED WITH ALL APPLICATIONS:

_____ 1. **Completed Application Form:** Description of **ALL** work must be indicated on application form.

_____ 2. **Property Owner's Signature:** Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

_____ 3. **Application Fee:** See back of application for fee schedule or call the office.

_____ 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) http://www.mapgeo.com/NantucketMA/.

_____ 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and ***placement of HVAC units, electrical boxes, fuel tanks, etc.***.

_____ 6. **8-1/2" x 11" Copies of ALL Application Materials:** Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material **MUST BE LEGIBLE (font size no smaller than 12)**, collated and stapled.

_____ 7. **Photographs:** Required of **ALL** applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

_____ 8. **Electronic submission:** All documents submitted to the HDC office must also be converted to Adobe Acrobat format http://www.adobe.com/pdf/; this is free software that may have come pre-loaded on your computer. Electronic copies can also be created using the scanner located in the Department of Inspectional Services.

REQUIRED WHERE APPLICABLE:

_____ 1. **Supplemental Information for Historic Buildings:** It is the applicant's responsibility to research the historical status of any and **ALL** buildings. Additional information may be obtained from the Nantucket Historical Association Library. **If not historic, denote on application.**

_____ 2. **Exterior Elevations and Floor Plans (4 copies):** Must be ¼-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings***. All material **MUST BE LEGIBLE**, collated and stapled. Reduced sets should maintain a font size of 12.

_____ 3. **As-Built Plans (1 copy):** of existing elevations

_____ 4. **Hardscaping Plans (4 copies): To legible scale**. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material **MUST BE LEGIBLE**, collated and stapled.

_____ 5. **Topographic Map:** Must show existing and proposed grade for any change of more than **one** foot in height on grade. Retaining walls must be applied for separately (see hardscaping plan).

_____ 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

_____ 7. **I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.**
(initial to indicate read and understand)

_____ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more **except** in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

_____ 9. **Approvals** from Planning Board, Zoning Board of Appeals, Conservation Commission etc.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Waiver of the HDC 10 Day Hearing Requirement

I Victoria Ewing c/o Link

AS AGENT FOR 30 Eel Point LLC

STREET ADDRESS 30 Eel Point Rd

MAP/PARCEL 40 / 44.1

UNDERSTAND THAT THE ABOVE REFERENCED APPLICATION SUBMITTED ON

10/21/24

WILL NOT BE REVIEWED BY THE HISTORIC DISTRICT COMMISSION, DUE INCREASE DEMAND, WITHIN THE 10 DAY PERIOD AS REQUIRED BY:

SECTION 8 of the HDC enabling legislation: ... The Commission shall meet within ten (10) days of the receipt of an application for a certificate of appropriateness or permit for removal...

AND I AGREE TO A WAIVER OF THE ABOVE MENTIONED REQUIREMENT.

Victoria P Ewing 10/21/24

Signature Date

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

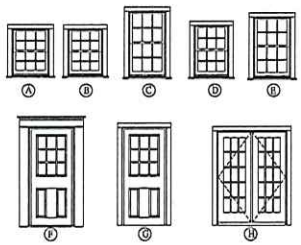
FOUNDATION



NOTES:
1) THIS FOUNDATION DRAWING AND NOTES ARE FOR REVIEW ONLY. ACTUAL FOUNDATION DESIGN SHALL BE DETAILED FOR YOUR SPECIFIC SITE AS REQUIRED BY THE LOCAL CODE.
2) THE RESPONSIBILITY OF AND MATERIALS SELECTION FOR THE FOUNDATION AS DESIGNED IS THE RESPONSIBILITY OF THE BUILDER. FOUNDATION WALL FOOTER, LOLLY COLUMNS & PADS ARE ALL TO BE DETERMINED ON-SITE IN ACCORDANCE WITH LOCAL CODES & CONDITIONS
3) REINFORCED MASONRY UNIT REQUIRED AT CENTER BEARING LOCATIONS.
4) LOLLY COLUMNS ARE TO BE SPACED ACCORDING TO SPAN SCHEDULE BASED ON TYPE OF HOUSE, LOCAL SNOW LOAD & WIDTH OF UNIT. ADDL COLUMNS MAY BE REQD & ARE NOTED ON FLOOR PLAN. LOLLY COLUMN SPACING IS BASED ON MIN. 1/2"x6"x12" STEEL PLATE BETWEEN COLUMN & CENTER BEAM.
5) FOUNDATION WALLS TO BE CONSTRUCTED OF CONCRETE OR CONCRETE BLOCK.
6) FOUNDATION SIZES REFLECT MOVE TO WOOD OVERHANG OF MODULAR UNITS ALLOWING SHEARING AND SIDING TO OVERHANG THE FOUNDATION. IF STRIPFOAM IS USED FOUNDATION MAY BE INCREASED IN LENGTH AND WIDTH TO ACCOMODATE.
7) PERIMETER FLOOR JOISTS TO BE ATTACHED TO SILL PLATE w/16d NAILS AT 16" O.C.
8) INSTALLATION OF WASHER, DRYER AND/OR WATER HEATER IN BASEMENT PER STATE AND LOCAL CODES IS THE RESPONSIBILITY OF MODULAR MANUFACTURING, BUILDER
9) MODULAR MANUFACTURING TO PROVIDE ALL INTERIOR PLUMBING, ELECTRICAL AND HEATING TO PROVIDE AND INSTALL STOP, VENT AS REQ'D BY MODULAR MANUFACTURER, AHEAD
10) CRAWL SPACE FOUNDATION REQUIRES A MINIMUM 18"x24" ACCESS OPENING, INSECT & RODENT PROOF CROSS VENTS WITHIN 3' OF CORNERS AND PROVIDE 1/150 OF FLOOR AREA WITH VENTILATION.
11) SEE MODULAR MANUFACTURERS' SUBMISSION SET PAGE FOR ADDITIONAL NOTES AND DETAILS.
12) LIFTS RECEPT AND LIGHTS FOR BASEMENT AND CRAWLSPACES PER ALL STATE AND LOCAL CODES
13) "BACKFILLING AND TAMPING TO BE DONE PER LOCAL REQUIREMENTS"

OF LAND IN
NANTUCKET, MASS.

SCALE: 1"= 20' DATE: AUGUST 2, 2014

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind*, prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS:

_____ 1. **Completed Application Form:** Description of ALL work must be indicated on application form.

_____ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

_____ 3. **Application Fee**: See back of application for fee schedule or call the office.

_____ 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

_____ 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

_____ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

_____ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

_____ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

_____ 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

_____ 2. **Exterior Elevations and Floor Plans (3 copies):** Must be ¼ inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. ***All changes from approved or existing design must be clouded on drawings.*** .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

_____ 3. **As-Built Plans (1copy):** of existing elevations

_____ 4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

_____ 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

_____ 6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

_____ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

_____ 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS Rev Mar 2020

REQUIRED WITH ALL APPLICATIONS:

_____ 1. **Completed Application Form:** Description of ALL work must be indicated on application form.

_____ 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

_____ 3. **Application Fee**: See back of application for fee schedule or call the office.

_____ 4. **Locus Map (3 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

_____ 5. **Site Plan (3 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

_____ 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

_____ 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

_____ 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

_____ 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

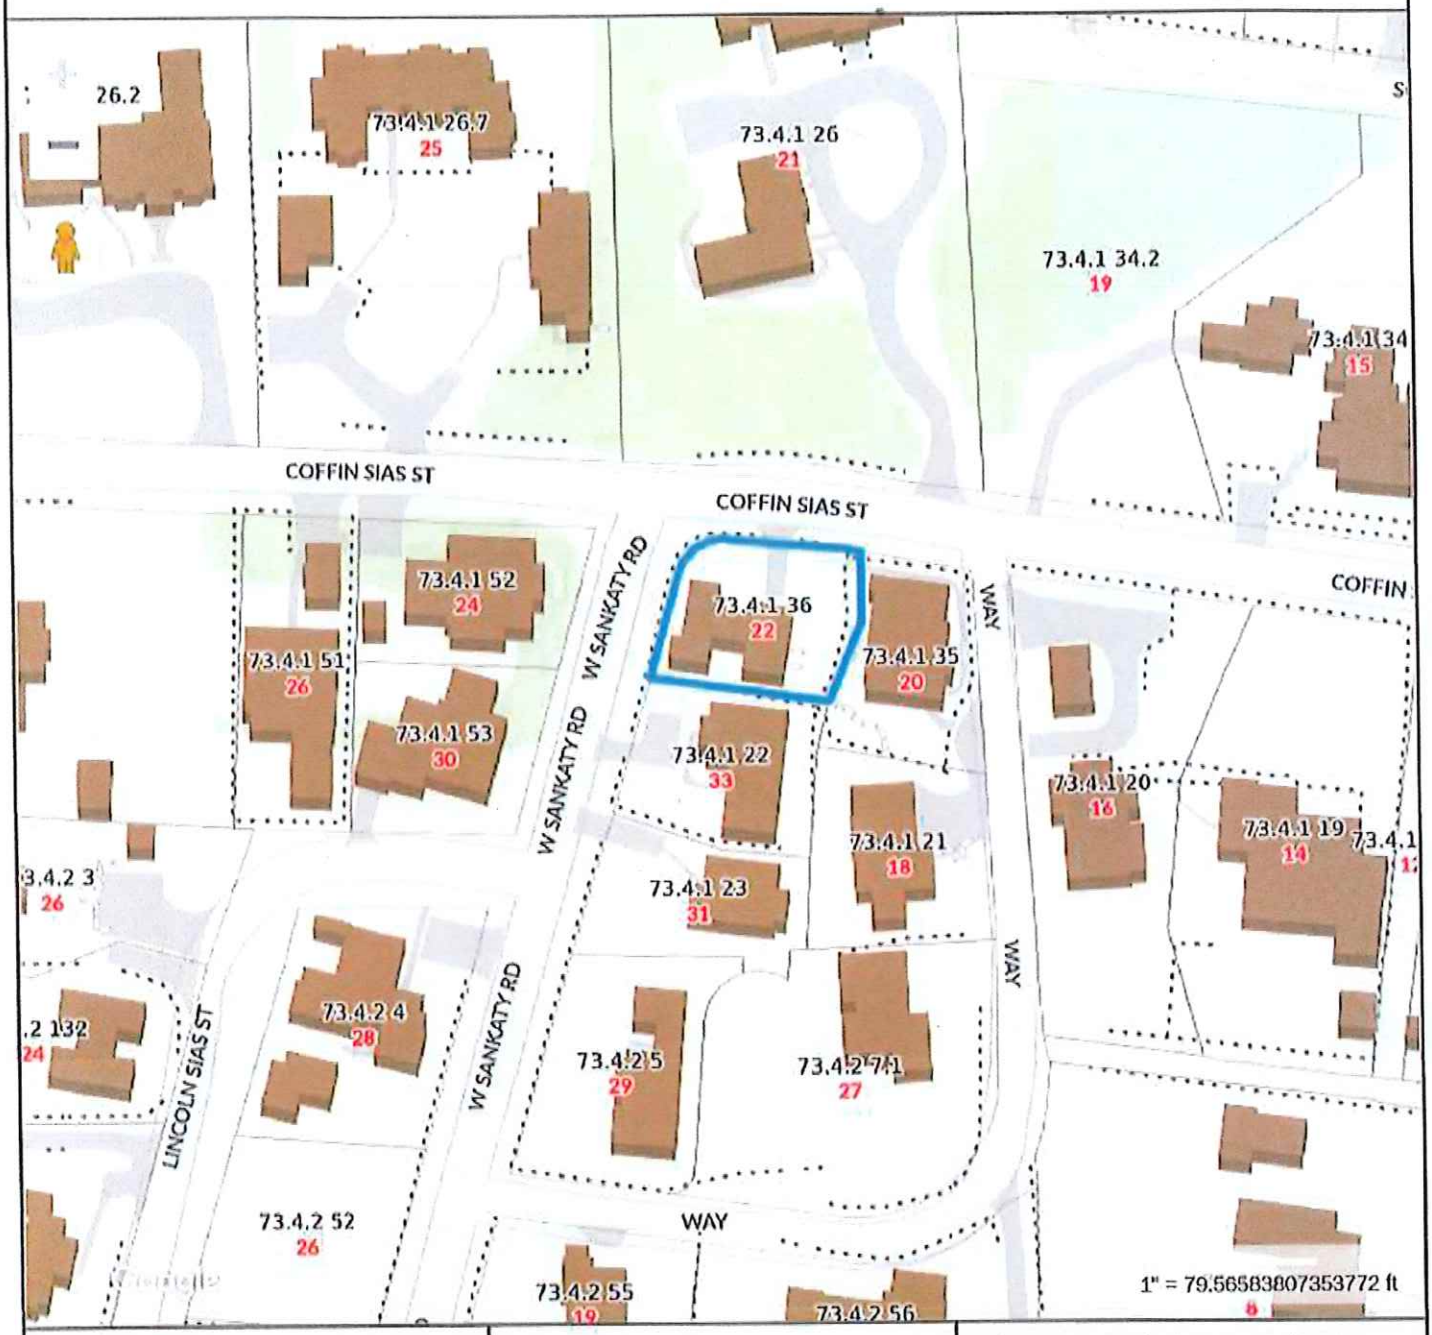
_____ 2. **Exterior Elevations and Floor Plans (3 copies):** Must be ¼ inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawings.* .All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

_____ 3. **As-Built Plans (1copy):** of existing elevations

_____ 4. **Hardscaping Plans (3 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

_____ 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

_____ 6. **Door and Window Schedule (3 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.



_____ 7. *I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.*

(initial to indicate read and understand)

_____ 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

_____ 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

Telephone: 508.325.7587

THIS CHECKLIST IS TO BE SUMBITTED WITH ALL HDC APPLICATIONS **Rev Jan 2020**

REQUIRED WITH ALL APPLICATIONS:

x 1. **Completed Application Form**: Description of ALL work must be indicated on application form.

x 2. **Property Owner's Signature**: Current owner's signature preferred; if the agent is signing the application written authorization from the owner (letter, fax, email) must be provided.

x 3. **Application Fee:** See back of application for fee schedule or call the office.

x 4. **Locus Map (4 copies):** Location Map must include north arrow, parcel boundaries, primary and secondary streets. (Town GIS Map Site) https://www.nantucket-ma.gov/151/GIS-Maps

x 5. **Site Plan (4 Copies):** must include the following: lot dimensions, north arrow, all existing structures, proposed work (highlighted) with dimension to lot lines, scale, driveway, grade changes, and *placement of HVAC units, electrical boxes, fuel tanks, etc.*.

x 6. **8-1/2" x 11" Copies of ALL Application Materials**: Must include the following: application form (reduced 64%), locus map, plot plan, all elevations and floor plans, window schedule, photographs, other relevant supporting material. All material MUST BE LEGIBLE (font size no smaller than 12), collated and stapled.

x 7. **Photographs**: Required of ALL applications for alterations to an existing structure. Photographs must be clear and labeled with application address or contextual address.

x 8. **Electronic submission:** All documents submitted to the HDC office must be emailed to hdcsubmissions@nantucket-ma.gov.

REQUIRED WHERE APPLICABLE:

na 1. **Supplemental Information for Historic Buildings**: It is the applicant's responsibility to research the historical status of any and ALL buildings. Additional information may be obtained from the Nantucket Historical Association Library. If not historic, denote on application.

x 2. **Exterior Elevations and Floor Plans (4 copies):** Must be Y.-inch scale and include all affected sides of the building, cardinal points (N, S, E, W), dimensions, heights, floor and ceiling heights, elevations of finished grade, window details and placement of HVAC units, electrical boxes, fuel tanks, etc. *All changes from approved or existing design must be clouded on drawing*. All material MUST BE LEGIBLE, collated and stapled. Reduced sets should maintain a font size of 12.

x 3. **As-Built Plans (1copy):** of existing elevations

na 4. **Hardscaping Plans (4 copies):** To legible scale. This includes fences, decks, porches, arbors, retaining walls, tennis courts, swimming pool, driveways, gazebos etc. All material MUST BE LEGIBLE, collated and stapled.

na 5. **Topographic Map**: Must show existing and proposed grade for any change of more than one foot in height on grade . Retaining walls must be applied for separately (see hardscaping plan).

x 6. **Door and Window Schedule (4 copies):** Must include window type (true divided, simulated divided), number of lights, dimensions, materials, manufacturers type name and type number.

ga 7. ***I UNDERSTAND THAT A TRUE DIVIDED LIGHT WINDOW/DOOR IS DEFINED AS MULTIPLE INDIVIDUAL SINGLE PANES OF GLASS (i.e., NOT DOUBLE-PANED OR INSULATED) ASSEMBLED IN THE SASH/DOOR USING MUNTINS.***

(initial to indicate read and understand)

na 8. **Abutter Notification Materials** – Abutters list from Assessors Office, certified mail stubs, and a copy of letter are required for all applications for changes of 1000 square feet or more except in the Nantucket Historic Core and 'Sconset Historic Core where the requirement for new construction is 100 square feet.

na 9. **Approvals from Planning Board, Zoning Board of Appeals, Conservation Commission etc.**

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines *Building with Nantucket in Mind,* prior to submittal of application Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

CERTIFICATE NO: _____ DATE ISSUED: _____

Application to the HISTORIC DISTRICT COMMISSION, Nantucket, Massachusetts, for a

CERTIFICATE OF APPROPRIATENESS

Garage/main House

for structural work.

All blanks must be filled in using BLUE OR BLACK INK (no pencil) or marked N/A.

NOTE: It is strongly recommended that the applicant be familiar with the HDC guidelines, *Building with Nantucket in Mind,* prior to submittal of application. Please see other side for submittal requirements. Incomplete applications will not be reviewed by the HDC.

This is a contractual agreement and must be filled out in ink. An application is hereby made for issuance of a Certificate of Appropriateness under Chapter 395 of the Acts and Resolves of Mass., 1970, for proposed work as described herein and on plans, drawings and photographs accompanying this application and made a part hereof by reference.

The certificate is valid for three years from date of issuance. No structure may differ from the approved application. Violation may impede issuance of Certificate of Occupancy.

Address: 4R Jefferson Avenue, Nantucket, MA 02554
Map/Parcel: 29/ 48.1
Property Owner: Gottwald Family Trust

Dear Nantucket Building Commissioner,

At its March 26, 2024, meeting, the Nantucket Historic District Commission (HDC) approved a request for historic determination for the building (c.1923 outbuilding convert to cottage) located at 4R Jefferson Avenue (formerly Nantucket, Massachusetts.

The HDC considered the following relevant evidence and information:

- As-built conditions vs. proposed changes;
- Current photographs of the structure;
- 1938 Aerial photo of the locus; Courtesy of the Town of Nantucket;
- 1940 Aerial photos of the locus, Courtesy of Nantucket Historical Association (AP1940-108 & -109);
- 1971 Aerial photo of the locus, Courtesy of Nantucket Historical Association (AP1971-1);
- 1923 & 1949 Sanborn Insurance Maps;
- The building is identified as a contributing historic resource within the National Historic Landmark designation for the Nantucket Historic District, which is listed in the National Register of Historic Places;
